

## Subject Index of Senate and House Bills, Resolutions, and Memorials

This index includes all measures introduced in both the Senate and House. The place of origin is identified by the letter preceding each bill: S—Senate, H—House. House bills shown in this index include those not received by the Senate, and their inclusion here is only for the convenience of the user interested in all the legislation introduced in the Legislature on a particular subject.

(Companion bills connected by a dash. Boldfaced bill numbers passed both houses.)

—A—
