

Subject Index of Senate and House Bills, Resolutions, and Memorials

[Source: Information Division, Joint Legislative Management Committee]

This index embraces all measures introduced in both the Senate and House. The house of origin is identified by the letter preceding each bill: S-Senate, H-House. House bills shown in this index include those never received by the Senate, and their inclusion here is only for the convenience of the user interested in all the legislation introduced in the Legislature on a particular subject.

(Boldfaced bill numbers passed both houses.)
