Prayer by Dr. Robert M. McMillan, Pastor, First Baptist Church, Tallahassee:

Our God and Father, as children of your family we come seeking your wisdom for the awesome task of government to which the people of this state have elected these your servants.

Help us always to see ourselves in the role of servants and never as masters. May we see history as the sphere of persons in relationship to each other. Cause us also to be aware that laws separated from or drawn up without relation to people are heartless and meaningless. May we therefore in the drafting of words breathe into them the life of humanness.

Help us to recognize the present need of reality that we may not delay decisions against yet distant ideals.

So grant to us your strength which is always greatest when we humbly recognize our own weakness.

In the name of our Lord. Amen.

Rule Change

Honorable Philip D. Lewis
 President, The Florida Senate
 May 6, 1980

Dear Mr. President:

Your Committee on Rules and Calendar respectfully recommends a revision of Senate Rule 4.6, attached hereto and by reference made a part of this report.

Respectfully submitted,
Dempsey J. Barron, Chairman

The first paragraph of Rule 4.6 is amended to read:

4.6—Reference generally; final day for introduction of bills

All bills, including those that are strictly local in nature and those prefiled in accordance with these Rules, shall be referred by the President to appropriate committees or standing subcommittees. Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to reference such bills within this limitation, they shall be referred to committees as may be recommended by the sponsor. In the event of extended absence of the President or his disability or incapacity, the President Pro Tempore shall assume the duty of referring bills. If the President has not previously designated a standing subcommittee of reference, the chairman of the standing committee shall promptly determine whether such measure shall initially be considered by the full committee, a standing subcommittee, or a select subcommittee appointed by the chairman. The chairman, in referring a bill to a subcommittee, shall specify the number of days available for consideration. If subreference is to a standing subcommittee, the chairman of the standing committee shall promptly report this reference and the time allowed for consideration to the Secretary of the Senate on forms provided for the purpose. The reference of a bill that is local in nature shall be to the Committee on Rules and Calendar to determine whether such measure is, in fact and function, local in nature and whether it responds to the legal requirements of a local bill. A bill is local in nature if it does not alter a law of general application throughout the state and affects no more than one county. When the Committee on Rules and Calendar, *through staff analysis*, has determined a bill is in fact and law a local bill, it shall be reported and referred to the calendar on local bills. When the Committee on Rules and Calendar, *through staff analysis*, determines a bill is not local in nature, a report stating the reasons therefor shall be furnished to the President of the Senate who shall refer such bill to an appropriate standing committee for hearing. Such determination and report shall be made within 15 legislative days from date of reference.
