Prayer by the Rev. Tom Kennedy, Pastor, Forest Heights Baptist Church, Tallahassee:

O God, beneath whose all seeing eye we dwell, accept our thanksgiving for this a day of life and challenge. And help us to live it with true courage and honor. God help us to be true and just in our dealings. Help us to have only pure thoughts in our minds. May our motives be obvious to those around us. Permit our character to let our word be our bond. Help us to not take advantage of our fellowman. Let us be loyal to our friends and kind to our adversaries. May we face opposition with courage. And grant such a mind to be in us as was in him.

And I would pray especially for these who have been entrusted to lead our favored state from the sandy shores of the southern tip to the prickly pines of the fartherest point in the Panhandle, and to those who serve behind the scenes, whatever their task might be. Help these to be the leaders we need. In an hour when a malady has struck our beautiful land, we ask for healing and may it begin, right here.

In the name of the one who has power to make even the dead to rise, Jesus, I pray. Amen.

Senator Poole moved the following amendment which failed:

Amendment 1—On page 2, line 1, strike all of remaining sections of bill and insert: Section 1. Findings of Fact and Declaration of Public Purpose:

(a) It is hereby declared that the following reasons justify the exercise of the power of eminent domain of the state and constitute a public use and purpose, and comprise an essential governmental function and that the purposes of this act are in the public interest. Hialeah Race Course, located in Hialeah, Florida has long been a favorite tourist attraction, not only to the citizens of this state, but citizens of other states; and Hialeah has over the years been the scene of various motion pictures and has a substantial national recognition in the field of thoroughbred horse racing.

(b) Hialeah has, since 1970, had three owners and has consistently been before the Legislature of this State in an attempt to gain greater profits in order to be able to continue to exist as an entity in the free enterprise system; and it has become apparent that any efforts of the State to make Hialeah a free enterprise, profitable entity and to continue the existence of Hialeah as a historic attraction are not possible without further expenditures of State funds through reduction in taxes or through the visitation of economic hardship on the rest of the thoroughbred industry.

(c) Hialeah is being condemned for the specific public purpose of establishing Hialeah as a state park to enable the State to continue to promote economic and commercial development of thoroughbred racing in this State and to maintain the facilities located in Hialeah for future generations.

(d) The condemnation and use of Hialeah, the buildings and parking facilities adjacent thereto is necessary in order that the track remain as a historic corner stone of Florida racing and to assist the entire thoroughbred industry in maintaining its attractiveness nationwide.

(e) It is in the public interest for the state to exercise its power of eminent domain over Hialeah and condemnation proceedings should be commenced as soon as possible; and the necessity therefor is hereby declared as a matter of legislative determination.

Section 2. The Department of Business Regulation is authorized to file, pursuant to Chapter 73, F.S., condemnation proceedings against Hialeah Race Course located in Hialeah, Florida, only, and to retire the Hialeah winter thoroughbred racing permit.

Section 3. Section 550.081, Florida Statutes, is amended as follows:

550.081 Allocation of horse racing periods of operation.—

(1) When there are ~~three~~ two or more winter thoroughbred horse racing permitholders located within a 35-mile radius of each other, an annual winter thoroughbred racing season consisting of 150 days, exclusive of Sundays, is authorized. Each winter permit holder is authorized to operate in ~~only one~~ in any of the three periods of racing hereinafter set out, and all racing days shall be run consecutively, *except that no track shall be required to operate more than six days per week.* Each racing period is established as follows:

(a) The first period shall consist of ~~50~~ 54 racing days. No charity or scholarship racing days may be operated during the first period.

(b) The second period shall consist of 50 racing days. *The permitholder authorized to conduct the second period shall as a condition of being granted the second period agree to operate 18 racing days at Hialeah Racetrack in Hialeah, Florida each and every year which racing days shall be designated as the "Hialeah" racing meet and shall include the running of the Flamingo stake race and such other stake races of national merit as is feasible, and the permitholder shall be permitted to operate the remaining 32 racing days at the permitholders own facility.* No charity or scholarship racing days may be operated during the second period.

The remaining period of operation shall be granted to the remaining permitholder. In allocating the racing periods contained herein, the Florida Pari-Mutuel Commission shall require the second period of racing set forth above to commence on January 8th of each year, and if January 8 shall fall on a day when racing is not authorized, the second period shall commence on the next authorized racing day. *The Florida Pari-Mutuel Commission may authorize 6 charity days for winter thoroughbred permitholders to be operated by the summer thoroughbred permitholder during the summer thoroughbred racing period in addition to its regular and other authorized charity days. Such charity days shall be allocated on the basis of 3 days for each permitholder. The proceeds shall be paid over to each winter permitholder that was authorized to conduct winter thoroughbred racing during the immediately preceding winter thoroughbred racing season. The proceeds from the 6 charity days shall be paid over to each of the winter thoroughbred permitholders on an equal basis for distribution to authorized charities in accordance with the provisions of this chapter within 30 days after receipt by the winter thoroughbred permitholders.*

(2) A special racing period is established consisting of 21 consecutive racing days, which include 6 charity and scholarship days, which special period of racing shall commence the day after the conclusion of the third period of winter racing. The six charity and scholarship days shall be allocated on the basis of 2 days for each winter period of racing, and the proceeds shall be paid over to each separate permitholder on an equal

basis for distribution in accordance with the provisions of this chapter. The Florida Pari-mutuel Commission shall award the special racing period to the permitholder authorized to conduct the third period of racing to be operated at that permitholder's racetrack, unless that permitholder declines to operate that period on or prior to the date on which the racing dates are awarded under the provisions of subsection (3). In the event the permitholder shall decline to operate the special racing period, the Florida Pari-mutuel Commission shall award the racing dates to the permitholder authorized to conduct summer thoroughbred racing, which permitholder shall operate the special racing periods except as provided in subsection (6).

(2)(3) On or before January 4 of each year, each of the winter thoroughbred horse race permitholders shall file in writing with the Florida Pari-mutuel Commission its request for the racing periods the permitholder wishes to operate. On or before February 15 of each year, the Division of Pari-mutuel Wagering shall, after a hearing held pursuant to Chapter 120, Florida Statutes, at which findings of fact and conclusions of law are prepared by the Florida Pari-mutuel Commission, issue an annual license authorizing the permitholder to conduct a race meeting during the periods granted by the Florida Pari-mutuel Commission.

(3)(4) In the event any winter thoroughbred horse racing track is prevented from operating any portion of the racing period allocated to it as a result of prohibition of law or as a result of fire, strike, or circumstances beyond the control of the track involved, the track so prevented from operating shall be entitled to allocate its unused days and dates to another winter thoroughbred horse track permitholder located within a 35-mile radius of such track; however, no such allocation shall change or alter any other annual racing period already assigned. In the event the track so prevented from operating is unable to allocate its unused days and dates within 1 racing day after it becomes necessary, the Director of the Division of Pari-mutuel Wagering is specifically authorized to so allocate the unused days and dates as to protect the tax revenue of the state.

(4)(5) The Division of Pari-mutuel Wagering is prohibited from granting any permit, and there shall be no election in any county for the ratification or rejection of any permit, to conduct horseracing or sulky or harness racing at a location in an area in which there are three horse racetracks located within 100 air miles of each other. However, permits issued prior to May 21, 1968, and permits for summer thoroughbred horse racing and quarter horse racing shall not be affected by this subsection.

(5)(6) As a condition precedent to the granting of race dates, a permitholder shall agree to operate the full number of regular racing days authorized by this section during the racing period authorized for each permitholder, except as otherwise authorized by the Florida Pari-mutuel Commission.

In the event that a permitholder is authorized by the Florida Pari-mutuel Commission to conduct, and does conduct more than one performance daily, the tax shall be imposed on each performance daily, the tax shall be imposed on each performance separately. Abstained from Voting

Senate Bill 481, dealing with banking, is on the special order calendar for February 25, 1982.

My law firm represents Southeast Bank of Jacksonville, and while I personally do not feel that I have a conflict of interest in voting on this bill, it might be interpreted by some people that a conflict does exist. For this reason, I wish to abstain from voting on the bill.

I would like the record to reflect my reason for not voting on SB 481.
