Prayer by the Rev. B. E. Humes, First Baptist Church, Madison:

Our Father, we're grateful for the privilege of assembling and lifting up this group in prayer today. We thank you, Father, that we have in this chamber those who represent all of us who are citizens of this great State of Florida. Father, we know they are not only the best we have, but they are all we have, and so, therefore, we pray for your leadership, for your direction for them. We pray that they might have wisdom to make right decisions; that they might have courage to stand by those convictions they know are right. Grant, our Father, that the State of Florida will continue to be great, will continue to see your providential help and blessings in the years that lie ahead in part because of the actions and reactions of this group here. We thank you for our American way of life, for the privilege of having a part in governing ourselves as we elect those who make these decisions. Now as we give thanks for every blessing and pray for continued blessings, we do so in the name of our Lord Jesus. Amen.
