Prayer

The following prayer was offered by the Rev. Frank Mays, Pastor, Southside Assembly of God Church, Jacksonville:

Our Father and our God, thou hast said, "Blessed is that nation whose God is the Lord." We recognize once again on this occasion that we are a "nation under God". We thank thee for the torch of faith that has been handed us by our forefathers. May we never let it be extinguished. Thou alone hast given us our prosperity, our freedom and our power. This faith in God is our heritage and our foundation!

Thou hast warned us in the scriptures, "If the foundations be destroyed, what can the righteous do?" As George Washington reminded us in his farewell address, "Morality and faith are the pillars of our society." We confess these pillars are being corroded in an increasingly materialistic and permissive society.

The whole world watches to see if we will stand the tests and trials of the hour. Let us no longer ignore thy word and neglect thy laws. We cannot solve our problems without reference to thee for man cannot live by bread alone.

In thy providence you have blessed the great state of Florida. We thank you for its resources, its natural beauty, its prosperity and its people. You have simply made us custodians of those entities that we have been given to govern. So we confess with Solomon, "who are we to judge this so great a people."

May your blessing and benediction rest today upon the members of this Legislature. Grant them wisdom and strength as they execute the office for which each has been entrusted. In using their talents and their combined resources may good be meted out to all who are citizens of this great state that we may lead quiet and peaceable lives in an orderly society.

Bless our Governor, the members of his cabinet, the leaders of this chamber and each member of this body.

We pray this humbly in the name of the Prince of Peace who shed his blood on the cross that men might have eternal life. Amen.

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Harry A. Johnston, II, President

I am directed to inform the Senate that the Speaker of the House of Representatives has appointed Representatives Bell, Mills, Gibbons and Webster as Conferees on the part of the House on HB 1338.

Allen Morris, Clerk

SPECIAL ORDER

CS for SB 107 was taken up with pending Amendments 1 and 1A, which were withdrawn by Senator Stuart.

Pending further consideration of CS for SB 107, on motion by Senator Stuart, the rules were waived and by two-thirds vote CS for HB 15 was withdrawn from the Committee on Natural Resources and Conservation.

On motion by Senator Stuart—

CS for HB 15—A bill to be entitled An act relating to the Local Government Comprehensive Planning Act of 1975; amending s. 163.3177, F.S., to require elements relating to groundwater recharge in the local comprehensive plan; providing an effective date.

—a companion measure, was substituted for CS for SB 107 and read the second time by title.

Senator Stuart moved the following amendment which was adopted:

Amendment 1—On page 2, strike all of lines 23-25 and insert: of the problems and needs. *The element shall also include a topographic map depicting any areas adopted by a regional water management district as prime groundwater recharge areas for the Floridan or Biscayne aquifers, pursuant to s.*

Senators Stuart, Peterson, Castor, Frank, Kiser, Fox and Neal offered the following amendment which was moved by Senator Stuart and adopted:

Amendment 2—On page 2, line 29, insert:

Section 2. Section 373.0395, Florida Statutes, is amended to read:

373.0395 Ground water basin resource availability inventory.—Each water management district shall develop a ground water basin resource availability inventory covering those areas deemed appropriate by the governing board. This inventory shall include, but not be limited to, the following:

- (1) A hydrogeologic study to define the ground water basin and its associated recharge areas.
- (2) Site specific areas in the basin deemed prone to contamination or overdraft resulting from current or projected development.
- (3) Prime ground water recharge areas.
- (4) Criteria to establish minimum seasonal surface and ground water levels.
- (5) Areas suitable for future water resource development within the ground water basin.
- (6) Existing sources of wastewater discharge suitable for reuse as well as the feasibility of integrating coastal wellfields.
- (7) Potential quantities of water available for consumptive uses.

Upon completion, a copy of the ground water basin availability inventory shall be submitted to each affected municipality, county, and regional planning agency. This inventory shall be reviewed by the affected municipalities, counties, and regional planning agencies for consistency with the local government comprehensive plan and shall be considered in future revisions of such plan. It is the intent of the Legislature that future growth and development planning reflect the limitations of the available ground water or other available water supplies.

Upon preparation of an inventory of prime ground water recharge areas for the Floridan or Biscayne aquifers as a part of the requirements of subsection (3), but prior to adoption by the governing board, the water management district shall publish a legal notice of public hearing on the designated areas for the Floridan and Biscayne aquifers with a map delineating the boundaries of the areas, in newspapers defined in chapter 50 as having general circulation within the area to be affected. The notice shall be at least one-fourth page and shall read as follows:

NOTICE OF PRIME RECHARGE AREA DESIGNATION

The (name of taxing authority) proposes to designate specific land areas as areas of prime recharge to the (name of aquifer) Aquifer.

All concerned citizens are invited to attend a public hearing on the proposed designation to be held on (date and time) at (meeting place).

A map of the affected areas follows.

The governing board of the water management district shall adopt a designation of prime ground water recharge areas to the Floridan and Biscayne aquifers by rule within 120 days after the public hearing, subject to the provisions of Chapter 120.

(Renumber subsequent section.)

Senator Stuart moved the following amendment which was adopted:

Amendment 3—In title, on page 1, line 6, after the semicolon (;) insert: amending s. 373.0395, F.S., requiring certain legal notice; requiring designation of prime ground water recharge areas to the Floridan and Biscayne aquifers by rule in accordance with ch. 120, F.S.;

On motion by Senator Stuart, by two-thirds vote CS for HB 15 as amended was read the third time by title, passed and certified to the House. The vote on passage was:

Insert New Section 10:

Section 10. Delete the proviso following Specific Appropriation 1555A, Section 1, Chapter 84-220, Laws of Florida, and replace with the following proviso:

Funds provided in Specific Appropriation 1555A shall be disbursed in advance to Broward County for the Broward County Performing Arts Center. The county shall keep the funds in escrow until the project is matched with at least \$25 million from local sources with a minimum amount from each of the following: The City of Fort Lauderdale - \$5 million; Broward County - \$5 million; the Downtown Development Authority - \$5 million; and the combination of revenue from bonds issued by the Performing Arts Center Authority and private donations aggregating in a total commitment of \$10 million. The Downtown Development Authority may use as part of their match the value of the land obtained by that Authority for the Broward County Performing Arts Center. The county shall transfer the state funds advanced plus any interest income earned thereon to the Performing Arts Center Authority for the purpose of constructing the Broward County Performing Arts Center once the above-mentioned local match requirements are payable to the county or to the Performing Arts Center Authority for the construction of the Center or are held in escrow for the construction of the Center. The interest income on the state funds advanced may be expended for proper project expenses provided that: (i) the local match requirements from the City of Fort Lauderdale, Broward County and the Downtown Development Authority are paid as indicated above on or before January 15, 1986; (ii) that local match requirements from private donations in the minimum amount of \$3.5 million be paid by January 15, 1987; and (iii) that the balance of the local match requirements from bonds or private donations in the minimum amount of \$6.5 million be paid by January 15, 1988. Private donations hereunder may be made in any form of property, real or personal tangible or intangible. If any of the above-mentioned local match requirements are not paid as above set forth by the dates indicated above, then all state funds advanced plus any interest income earned thereon shall be immediately returned and revert to the General Revenue unallocated.
