Vote after roll call:

Yea—Crenshaw, Weinstein

Explanation of Vote

I was excused from the session by the Senate President at 3:30 p.m. and could not be present to vote on the final Appropriations Bill. I had previously accepted an invitation to be guest speaker at the St. John's Country Day School graduation ceremonies, not knowing that the legislative session would be extended. I could not cancel this important commitment. I asked to be shown voting "yea" after roll call to indicate how I would have voted if I had been present.
