PRAYER

The following prayer was offered by Chaplain Renato Santos, Director of Pastoral Care at Baptist Hospital, Miami:

Ladies and gentlemen, it is indeed a pleasure to share in your presence this morning. We have much to celebrate, and we also welcome the presence this morning of representatives from the 5000 Role Models of Excellence. As we pray, we will be entrusting your lives and your futures, as well, into the hands of God and for God's care. We also celebrate and recognize today, Earth Day, and in doing so I start by sharing from a scripture reading from the Book of Psalms: "The earth is the Lord's and everything in it, the world and all who are in it." (Ps. 24:1) Thomas Aquinas said, "The whole universe in its wholeness more perfectly shares in and represents the divine goodness than any one creature can do it alone." So we are all in it together indeed. Will you join your hearts with mine as we pray.

Eternal God, out of love you have created and formed us. It is through your grace that we are sustained daily, and because of your mercy, we

are not consumed. To you, we say thanks. This is the day you have made and we rejoice and we are glad in it.

As we gather this hour, we acknowledge your presence and sovereignty, the hope and promise we have in you, so use us as instruments of your love for change, for healing, for unity and edification, so that we may bring ourselves and those we serve closer to that which you have envisioned for us. As we live through your grace daily, may we be reminded of what your word requires of us—that we love justice, kindness and mercy and walk humbly with you as we present ourselves for service to you and all. O God, bless us and keep us and let your light shine upon us, for we pray in your holy name. Amen.

Senator Storms moved the following amendment:

Amendment 1 (241428) (with title amendment)—Between lines 323 and 324 insert:

Section 5. Paragraph (o) is added to subsection (1) of section 39.001, Florida Statutes, to read:

39.001 Purposes and intent; personnel standards and screening.—

(1) PURPOSES OF CHAPTER.—The purposes of this chapter are:

(o) *To provide all children and families with a fully integrated, comprehensive approach to handling all cases that involve children and families and a resolution of family disputes in a fair, timely efficient and cost-effective manner. It is the intent of the Legislature that the courts of this state embrace methods of resolving disputes that do not cause additional emotional harm to the children and families who are required to interact with the judicial system. It is the intent of the Legislature to support the development of a unified family court in a revenue neutral manner and to support the efforts of the state courts system to improve the resolution of disputes involving children and families through a fully integrated, comprehensive approach that includes coordinated case management; the concept of "one family, one judge"; collaboration with the community for referral to needed services; and methods of alternative dispute resolution. The Legislature supports the goal that the legal system focus on the needs of children who are involved in the litigation, refer families to resources that will make families' relationships stronger, coordinate families' cases to provide consistent results, and strive to leave families in better condition than when the families entered the system.*

And the title is amended as follows:

That the following creation of Section 28 of Article I of the State Constitution is agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE I

DECLARATION OF RIGHTS

SECTION 28. *Health care services.*—

(a) *To preserve the freedom of all residents of the state to provide for their own health care:*

(1) *A law or rule may not compel, directly or indirectly, any person, employer, or health care provider to participate in any health care system.*

(2) *A person or an employer may pay directly for lawful health care services and may not be required to pay penalties or fines for paying directly for lawful health care services. A health care provider may accept direct payment for lawful health care services and may not be required to pay penalties or fines for accepting direct payment from a person or an employer for lawful health care services.*

(b) *Subject to reasonable and necessary rules that do not substantially limit a person’s options, the purchase or sale of health insurance in private health care systems may not be prohibited by law or rule.*

(c) *This section does not:*

(1) *Affect which health care services a health care provider is required to perform or provide.*

(2) *Affect which health care services are permitted by law.*

(3) *Prohibit care provided pursuant to general law relating to workers’ compensation.*

(4) *Affect laws or rules in effect as of March 1, 2010.*

(5) *Affect the terms or conditions of any health care system to the extent that those terms and conditions do not have the effect of punishing a person or an employer for paying directly for lawful health care services or a health care provider for accepting direct payment from a person or an employer for lawful health care services, except that this section may not be construed to prohibit any negotiated provision in any insurance contract, network agreement, or other provider agreement contractually limiting copayments, coinsurance, deductibles, or other patient charges.*

(6) *Affect any general law passed by a two-thirds vote of the membership of each house of the legislature after the effective date of this section, if the law states with specificity the public necessity that justifies an exception from this section.*

(d) *As used in this section, the term:*

(1) *“Compel” includes the imposition of penalties or fines.*

(2) “Direct payment” or “pay directly” means payment for lawful health care services without a public or private third party, not including an employer, paying for any portion of the service.

(3) “Health care system” means any public or private entity whose function or purpose is the management of, processing of, enrollment of individuals for, or payment, in full or in part, for health care services, health care data, or health care information for its participants.

(4) “Lawful health care services” means any health-related service or treatment, to the extent that the service or treatment is permitted or not prohibited by law or regulation, which may be provided by persons or businesses otherwise permitted to offer such services.

(5) “Penalties or fines” means any civil or criminal penalty or fine, tax, salary or wage withholding or surcharge, or named fee with a similar effect established by law or rule by an agency established, created, or controlled by the government which is used to punish or discourage the exercise of rights protected under this section. For purposes of this section only, the term “rule by an agency” may not be construed to mean any negotiated provision in any insurance contract, network agreement, or other provider agreement contractually limiting copayments, coinsurance, deductibles, or other patient charges.

BE IT FURTHER RESOLVED that the following title and statement be placed on the ballot:
