1.41—Advisory opinions

All questions relating to the interpretation and enforcement of these Rules regulating legislative conduct and ethics shall be referred to the Rules Committee or shall emanate therefrom. A Senator may submit a factual situation to the Rules Committee with a request for an advisory opinion establishing the standard of public duty. The committee shall enter its opinion responding to each inquiry. All opinions shall, after hearing, be numbered, dated, and published in the Journal. No opinion shall identify the requesting Senator without the Senator’s consent.

1.42—Violations; investigations, penalties

(1) Any person may file a sworn complaint with the Rules Chair, or the President when the complaint is against the Rules Chair, alleging a violation by a Senator of the Rules regulating legislative conduct and ethics. The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named Senator which form the basis for the complaint, and shall identify the specific Rule alleged by the complainant to have been violated by the Senator.

(a) Upon a determination by the Rules Chair, or the President when the complaint is against the Rules Chair, that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed.

(b) Upon a determination by the Rules Chair, or the President when the complaint is against the Rules Chair, that the
if the complaint states facts supporting a finding of probable cause, the complaint shall be referred to a special master. The special master shall conduct an investigation, shall give reasonable notice to the Senator who is alleged to have violated the Rules and shall grant the Senator an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master’s report and recommendation is advisory only and shall be presented to the Rules Chair, or the President when the complaint is against the Rules Chair, as soon as practicable after the close of the investigation. If the special master’s report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair, or the President when the complaint is against the Rules Chair. If the complaint is not dismissed, the Rules Committee shall consider the special master’s report and recommendation, shall grant the Senator an opportunity to be heard, and shall develop its own recommendation. If the complaint is against the Rules Chair, the chair is excused and the vice chair shall conduct the deliberation. If the Rules Committee votes to dismiss the complaint, the Rules Chair or vice chair shall dismiss the complaint. Otherwise, the special master’s report and recommendation and the recommendation of the Rules Committee shall be presented to the President. The President shall present the committee’s recommendation, along with the special master’s report and recommendation, to the Senate for final action.

(2) Separately from any prosecutions or penalties otherwise provided by law, a Senator determined to have violated the requirements of the Rules regulating legislative conduct and ethics may be censured, reprimanded, or expelled. Such determination and disciplinary action shall be taken by a two-thirds (2/3) vote of the Senate, on recommendation of the Rules Committee.

PART FIVE—PUBLIC MEETINGS AND RECORDS

1.43—Open meetings

(1) All meetings at which legislative business is discussed between more than two (2) members of the Legislature shall be open to the public except:

(2) Notices of meetings required by Rule 1.44(1) shall be filed by or at the direction of the person at whose call the meeting is convened; shall state the date, time, and place of the meeting; shall contain a brief description of the general subject matter scheduled to be discussed. In the case of a meeting required to be noticed pursuant to this Rule, if the meeting is to take place at or after 10:00 p.m., then the notice must be delivered to the Secretary by 5:00 p.m. Notices of such meetings shall appear in the daily calendar.

(3) In the event the times required for notice under Rule 1.44(1) are not sufficient to permit publication in a daily or interim calendar, the Secretary shall make available such notice in the public corridor leading to the Senate Chamber. The Secretary shall make a diligent effort to give actual notice to members of the press of all noncalendared meeting notices.

(4) Political caucuses shall be open to the public in accordance with Rule 1.43 and noticed in accordance with this Rule when issues then
pending before, or upon which foreseeable action is reasonably expected to be taken by, the Senate, a Senate committee, or a Senate subcommittee are discussed.    (1) All legislative committee and subcommittee meetings and joint conference committee meetings shall be open and noticed to the public.

   (2) All prearranged gatherings between more than two (2) members of the Legislature, or between the Governor, the President, or the Speaker, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments shall be reasonably open to the public.

   (3) In cases of conflict between this Rule and any other Senate Rule, the Rule providing greater notice or public access shall prevail.

1.443—Reapportionment information

   All Senators shall have equal access to the Senate electronic redistricting system, census data, and all other information promulgated by, maintained by, or available to any Senate standing committee or subcommittee appointed for the analysis of legislative and congressional redistricting plans.

1.444—Legislative records; maintenance, control, destruction, disposal, and disposition

   (1) Public records, not exempted from public disclosure, may be inspected by any person desiring to do so at reasonable times, under reasonable conditions, and under supervision of the person who has custody of the records, or that person's designee.

   (2) The following standing committee, standing subcommittee, and select committee public records, not exempted from public disclosure, shall be retained by each staff director until biennially transferred to the Division of Library and Information Services of the Department of State via its Legislative Library Division: copies of bills, amendments, vote sheets, bill analyses, and fiscal notes; meeting files including agendas and appearance cards; files relating to assigned projects; final staff reports submitted to subcommittees or committees; final reports submitted by subcommittees or committees; correspondence sent or received; and audio recordings of committee meetings. At the time of transfer, the actual correspondence to be sent to the Department of State shall consist only of correspondence which relates to other committee public records required
by this Rule to be transferred. Records not transferred may be otherwise
disposed of or destroyed.

(3) Except for records specifically required by law or Senate Rule to be
filed or retained, district office records and constituents’ records may be
retained by the district office until those records become obsolete, at
which point they may be otherwise disposed of or destroyed.

(4) Public records, not exempted from public disclosure, created or
received by the President, President Pro Tempore, or Secretary shall be
retained by that officer as specifically required by law or Senate Rule
until transferred to the Division of Library and Information Services of
the Department of State via its Legislative Library Division. Records not
transferred may be otherwise disposed of or destroyed.

(5) The Secretary shall, with the approval of the President, establish
a reasonable fee for copies of public legislative records not exempted from
public disclosure. Such fees shall be based upon the actual cost of
duplication of the record and shall include the material and supplies used
to duplicate the record but not the labor cost or overhead cost associated
with such duplication. If the nature or volume of records requested to be
inspected or copied is such as to require extensive use of information
technology resources or extensive clerical or supervisory assistance by
employees of the Senate, a special service charge in addition to the actual
cost of duplication may be imposed. Such special service charge shall be
reasonable and based on the cost incurred for the extensive use of
information technology resources or the labor cost of employees providing
the service that is actually incurred by the Senate or attributable to the
Senate for the clerical and supervisory assistance required. However,
when obtained from the Office of the Secretary, a standing committee,
standing subcommittee, or select committee, there shall be no charge for a
single copy of a bill other than a general appropriations bill, or for a single
copy of any other public record required by law or Senate Rule to be
created.

(6) Once the retention period for a public record, not exempted from
public disclosure, has expired, the public record may be otherwise
disposed of or destroyed. A public record need not be retained if it is
published or retained by another legislative office. Only one (1) copy of a
public record need be retained; additional copies of that record may be
destroyed at any time. In the case of mass mailings, only one (1) sample
copy of the mailing, or an abstract, need be retained.

(7) For the purpose of this Rule, a Senator's district office shall
include the offices each Senator retains for the transaction of official
legislative business in his or her respective district and the assigned
offices located in the Senate Office Building or the Capitol in Tallahassee.
(8) The following public records are exempt from inspection and copying:

(a) Records, or information contained therein, held by the legislative branch of government which, if held by an agency as defined in section 119.011, Florida Statutes, or any other unit of government, would be confidential or exempt from the provisions of section 119.07(1), Florida Statutes, or otherwise exempt from public disclosure, and records or information of the same type held by the Legislature.

(b) A formal complaint about a member or officer of the Legislature or about a lobbyist and the records relating to the complaint, until the complaint is dismissed, a determination as to probable cause has been made, a determination that there are sufficient grounds for review has been made and no probable cause panel is to be appointed, or the respondent has requested in writing that the President of the Senate or the Speaker of the House of Representatives make public the complaint or other records relating to the complaint, whichever occurs first.

(c) A legislatively produced draft, and a legislative request for a draft, of a bill, resolution, memorial, or legislative rule, and an amendment thereto, which is not provided to any person other than the member or members who requested the draft, an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.

(d) A draft of a bill analysis or fiscal note until the bill analysis or fiscal note is provided to a person other than an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.

(e) A draft, and a request for a draft, of a reapportionment plan or redistricting plan and an amendment thereto. Any supporting documents associated with such plan or amendment until a bill implementing the plan, or the amendment, is filed.

(f) Records prepared for or used in executive sessions of the Senate until ten (10) years after the date on which the executive session was held.

(g) Portions of records of former legislative investigating committees whose records are sealed or confidential as of June 30, 1993, which may reveal the identity of any witness, any person who was a subject of the inquiry, or any person referred to in testimony, documents, or evidence retained in the committees’ records; however, this exemption does not apply to a member of the committee, its staff, or any public official who was not a subject of the inquiry.

(h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics,
unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.

(i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise exempt from disclosure by law; an individual’s medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.

(9) Any Senate record created prior to July 1, 1993, which was so designated by the President on June 30, 1993, shall remain exempt from inspection and copying after July 1, 1993. Records held by joint committees, commissions or offices of the Legislature, that were jointly determined by the presiding officers of both houses to remain exempt from inspection and copying after July 1, 1993, remain exempt.

(10) For purposes of this Rule, “public record” means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.

(11) All records, research, information, remarks, and staff work products, made or received during or in preparation for a closed meeting of a select committee, committee, or subcommittee, shall be confidential and exempt from inspection and copying for a period of 30 days after the closed meeting, at which time they will automatically become legislative public records open to inspection and copying, unless the confidentiality and the prohibition against inspection and copying has, within the 30-day period, been extended by the President. Unless the above-listed confidential and exempt items have been earlier released by operation of this Rule, they shall automatically become available for public inspection and copying five (5) years after the date of the closed meeting, unless this confidentiality and exemption is further extended by the President for subsequent five-year (5) periods.

1.45—Violations of Rules on open meetings and notice

Violations of Rules 1.43 and 1.44 constitute violations of the Rules regulating legislative conduct and ethics and shall be subject to the procedures and penalties prescribed in Rule 1.42.

2.10—When, where committees meet

authority of the chair to maintain order and decorum. If any matter is reported on the basis of a poll of the committee, such matter shall be referred to such committee on a point of order made prior to final passage thereof.

2.15—Standing committee in deliberation; reports

(1) It shall be the duty of standing committees to report all matters referred to them either:
   (a) Favorably,
   (b) Favorably with committee amendment(s),
   (c) Favorably with committee substitute as defined in these Rules, or
   (d) Unfavorably.

The vote of the members of a standing committee or subcommittee on final passage of any measure shall be recorded. Upon the request of any two (2) members of a committee or subcommittee, the vote on any other matter or motion properly before the committee shall be recorded. After such report has been received by the Secretary, no matter so reported shall be recommitted to a committee except by a two-thirds (2/3) vote of those Senators present in session or except as provided in Rule 2.7 or Rule 4.7(2).

(2) Such reports shall also reflect:
   (a) The date, time, and place of the meeting at which the action was taken, and
   (b) The vote of each member of the committee on the motion to report each bill.

The Secretary shall enter in the Journal the action of the committee, but shall not include that portion of the report relating to the date, time, and place of the meeting or the vote of each member on the motion to report a measure. Reports of committees shall be preserved pursuant to law.

(3) In reporting a Senate measure, a standing committee may draft a new measure embracing the same general subject matter to be returned to the Senate with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the committee and returned to the Secretary in the same manner as a favorable report. No other standing committee of reference shall consider the original measure but shall direct its attention to the substitute measure. A committee receiving a committee substitute from a prior committee of reference may also report a committee substitute and shall not be precluded from doing so with the substance of the bill as originally introduced. When reported, the substitute shall be read a first (1st) time by title, the original proposition shall be automatically tabled, and the substitute considered in lieu of without motion. The substitute shall carry the identifying number of the original and shall be returned to the Secretary in the same
number of copies required for first (1st) introduction of a similar measure. The names of the introducer and each co-introducer of the original measure shall be shown by the committee administrative assistant on the committee substitute unless an introducer or co-introducer requests that it be omitted. A Senate committee may not recommend a Senate committee substitute for a House bill.

(4) All standing committee reports shall be approved by the chair or, in the chair's absence, the vice chair. Such reports shall be filed with the Secretary's office as soon as practicable, but not later than 4:30 p.m. on the next legislative day, except a committee drafting and recommending a committee substitute shall file such committee report no later than 4:30 p.m. on the second (2nd) legislative day. These reports must be accompanied by the original bill. Each report by a committee must set forth the identifying number of the bill. If amendments are proposed by the committee, the words “with amendments” shall follow the identifying number. Committee amendments shall be printed in full on forms prescribed by the Secretary and shall accompany the report. All bills reported unfavorably shall be laid on the table.

2.16—Standing subcommittee in deliberation; reports

(1) It shall be the duty of standing subcommittees to report all measures referred to them directly to the standing committee, which shall promptly certify a copy to the Secretary. The standing subcommittee shall report all matters either:
   (a) Favorably,
   (b) Favorably with committee amendment(s),
   (c) Favorably with committee substitute as defined in these Rules, or
   (d) Unfavorably.

(2) Such reports shall also reflect:
   (a) The date, time, and place of the meeting at which the action was taken, and
   (b) The vote of each member of the subcommittee on the motion to report each bill.

(3) In reporting a bill to the standing committee, a standing subcommittee may draft a new measure, embracing the same general subject matter, to be returned to the standing committee with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the standing subcommittee and returned to the standing committee in the same manner as a favorable report. The standing committee of reference shall not consider the original measure but shall direct its attention to the substitute measure. The standing committee receiving a committee substitute from a subcommittee of reference may also report a committee substitute and shall not be
precluded from doing so with the substance of the bill as originally introduced. When reported, the substitute shall be read a first (1st) time by title, the original proposition shall be automatically tabled, and the substitute considered in lieu of without motion. The substitute shall carry the identifying number of the original and shall be returned to the standing committee in the same number of copies required for first (1st) introduction of a similar measure. The names of the introducer and each co-introducer of the original measure shall be shown by the committee administrative assistant on the committee substitute unless an introducer or co-introducer requests that it be omitted. A Senate subcommittee may not recommend a Senate committee substitute for a House bill.

(4) All standing subcommittee reports shall be approved by the chair or, in the chair’s absence, the vice chair. Each report by a standing subcommittee must set forth the identifying number of the measure. If amendments are proposed by the standing subcommittee, the words “with amendments” shall follow the identifying number. Standing subcommittee amendments shall be printed in full on forms prescribed by the Secretary and shall accompany the report.

(5) All bills reported unfavorably shall be laid on the table when the standing committee considers the standing subcommittee’s report. On motion by any member of the committee, adopted by a two-thirds (2/3) vote of those standing committee members present, the same may be taken from the table. When a bill is thus removed from the table by a standing committee, it shall receive a hearing de novo and witnesses shall be permitted to testify.

(6) When a bill with a favorable report by a standing subcommittee is considered by the standing committee, no additional testimony shall be permitted except by a majority vote of those standing committee members present before final action is taken; however, debate by members of the standing committee shall be allowed.

(7) A bill with a favorable subcommittee report may be withdrawn, in accordance with Rule 4.10, from the standing committee without any further action on the bill by the standing committee.

2.17—Quorum of committee

A standing committee, standing subcommittee, or select committee is assembled only when a quorum constituting a majority of the members of that committee is present in person. No committee business of any type shall be conducted in the absence of a quorum. Any matter reported in violation of this Rule shall be recommitted by the President when it is called to the President’s attention by a Senator.
2.19—Conference committee in deliberation; reports

(1) All meetings of Senate conferees with House conferees at which the business of the conference committee is discussed shall be open to the public subject to proper order and decorum. A meeting of the Senate and House conferees is a meeting of the two (2) groups, therefore, the rules governing each respective house apply. Meetings between a majority of the members of a conference committee may be held following a notice being filed with the Secretary by or at the direction of the person calling the meeting, at least one (1) hour in advance of the meeting. The notice shall indicate the names of the conferees and scheduled participants, the date, the time, and the place of the meeting. Conference committees may meet at any time with proper notice.

(2) A conference committee, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(3) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. Such amendments shall accompany the conference committee report. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house. Conference committee reports must be approved and signed by a majority of the managers on the part of each house. All final actions taken in a conference committee shall be by motion.

(4) Each conference committee report shall contain a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(5) When the President appoints a conference committee, a notice of the following meetings to discuss matters relating to the conference, stating the names of the conferees and scheduled participants, and the date, time, and place for the meeting, shall be filed with the Secretary by or at the direction of the person at whose call the meeting is convened, not less than one (1) hour preceding the time for the meeting:
   (a) Meetings between the President (or a Senator designated to represent the President), the Governor, and the Speaker (or a Representative designated to represent the Speaker);
   (b) Meetings between a majority of the members of any subcommittee of the conference committee;
   (c) Meetings between the President or any Senator(s) designated to represent the President and a conferee from the House of
Representatives, or any meeting between a conferee from the Senate with the Speaker or any Representative(s) designated to represent the Speaker; and

(d) Meetings of a majority of the Senate conferees; and when the bill that is the subject of the conference committee deals primarily with the general appropriations act or revenue matters, any meeting of three (3) or more conferees on the part of the Senate.

(6) Notice of meetings, as scheduled, between the chair of the Senate’s conferees with the chair of the House’s conferees, or between respective Senate and House committee chairs with each other, shall be posted in the public corridor leading to the Senate Chamber. In the case of the appropriations conference, said notice shall also be posted outside the door of the offices of the appropriations committees.

(7) All meetings for which notice is required pursuant to this Rule shall be held in the Capitol Complex, but shall not be held in the Chamber of either house while it is in session.

(8) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on the measure as the Senate may determine.

(9) After Senate conferees have been appointed for seven (7) calendar days and have failed to make a report, it is a motion of the highest privilege to move to discharge said conferees and to appoint new conferees, or to instruct said conferees. This motion shall have precedence over all other questions except motions to adjourn or recess to a later day, and questions of privilege. Further, during the last six (6) calendar days allowed under the State Constitution for any regular session, it shall be a privileged motion to move to discharge, appoint, or instruct Senate conferees after the Senate conferees have been appointed thirty-six (36) hours without having made a report.

PART TWO—COMMITTEES—OFFICERS

2.20—Appointment of chair and vice chair

A chair and a vice chair of each standing committee shall be appointed by the President and shall continue in office at the pleasure of the President. The President shall also appoint a chair for each standing subcommittee and select committee authorized by these Rules and may designate a vice chair, both of whom shall continue in office at the pleasure of the President.
2.21—Chair’s calling of committee to order

The chair or, in the chair’s absence, the vice chair, shall call the committee to order at the hour provided by these Rules. A quorum being present, the committee shall proceed with the order of business. Any member of the committee may question the existence of a quorum. No committee business of any type shall be conducted in the absence of a quorum.

2.22—Chair’s control

The chair shall preserve order and decorum and shall have general control of the committee room. If there is a disturbance or disorderly conduct in the committee room, the chair may require participants in the disturbance to clear the room.

2.23—Chair’s authority; appeals

(1) The chair shall approve all notices, vouchers, subpoenas, or reports required or permitted by these Rules.

(2) The chair shall decide all questions of order, subject to an appeal by any Senator, and the appeal shall be certified by the chair to the Senate for a decision by the President during the daily session of the Senate next following such certification. The ruling shall be entered in the Journal, shall constitute binding precedent on all committees of the Senate, and shall be subject to appeal as any other question. The chair may, or on the vote of a majority of the committee members present shall, certify a question of parliamentary procedure to the President as contemplated by the Rule without a formal appeal. Such a certified question shall be disposed of by the President as if it had been on appeal. The perfection of an appeal or the certification of a question pursuant to this Rule shall not constitute an automatic stay to further legislative action on the measure under consideration.

2.24—Chair, vice chair; vote

The chair and vice chair shall vote on all matters before such committee. The name of the chair shall be called last.

2.25—Temporary alternate to chair

The chair may name any member of the committee to perform the duties of the chair if such substitution shall not extend beyond such meeting. If for any reason the chair is absent and fails to name a member, the vice chair shall assume the duties of the chair during the chair’s absence.
2.26—Vice chair’s duties

On the death, incapacitation, or resignation of the chair, the vice chair shall perform the duties of the office until the President shall appoint a successor. In the absence of the chair, the vice chair shall act as chair.

PART THREE—COMMITTEES—MEMBERS

2.27—Members’ attendance, voting, proxy

(1) Unless excused or necessarily prevented, every member of a committee shall be in attendance during each of its meetings.

(2) The chair may excuse any member for just cause from attendance at meetings of his or her committee for any stated period, and this excused absence shall be noted on the committee’s records.

(3) Failure to attend two (2) consecutive regular meetings, unless excused from attendance in the Senate on those days as provided in these Rules or by the chair of the committee, shall constitute automatic withdrawal from the committee.

(4) No member of any committee shall be allowed to vote by proxy. A majority of all the committee members present shall agree by their votes on the disposition of any matter considered by the committee.

(5) The President may designate either the President Pro Tempore or the Majority Leader to vote in any committee. The President shall notify the Secretary and the chair of the affected committee of the designation. The designee may not count for the purpose of a quorum unless specifically stated in the notification.

PART FOUR—COMMITTEES—VOTING

2.28—Taking the vote

(1) The chair shall declare all votes and shall cause same to be entered on the records of the committee, but if any member questions a voice vote, then by a show of hands by two (2) members the chair shall count the yeas and nays. When the committee is equally divided, the question shall be lost.

(2) A member may request to:
   (a) Vote, or
   (b) Change his or her vote

before the results of a roll call are announced. After the results have been announced, a member with unanimous consent of those committee members present may vote or change his or her vote. If the vote alters the final action of the committee, no vote or change of vote shall be valid unless the matter has been reconsidered by the committee. On request of
a member prior to consideration of other business, the chair shall order a verification of a vote.

2.29—Pair voting prohibited

No pair voting shall be permitted by the committee.

2.30—Casting vote for another

No Senator shall cast a vote for another Senator, nor shall any person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, any Senator who shall vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, any person not a Senator who shall vote in the place of a Senator shall be excluded from the committee for the remainder of the session.

2.31—Explanation of vote

No member shall be permitted to defer or explain his or her vote during a roll call, but may submit his or her explanation in writing and file it with the chair. This explanation shall be kept as part of the committee record and a copy filed with the Secretary.

PART FIVE—COMMITTEES—MOTIONS AND PRECEDENCE

2.32—Motions; how made, withdrawn

Every motion may be made orally. On request of the chair, a member shall submit his or her motion in writing. After a motion has been stated or read by the chair, it shall be deemed to be in possession of the committee without a second, and shall be disposed of by vote of the committee members present. The mover may withdraw a motion at any time before the same has been amended, or before a vote shall have commenced. The mover of a motion to reconsider may withdraw that motion only with the unanimous consent of those committee members present.

2.33—Motions; precedence

(1) When a question is under debate, the chair shall receive no motion except:

(a) To rise
(b) To take a recess
(c) To reconsider
(d) To limit debate
(e) To temporarily postpone
(f) To commit to a select subcommittee
(g) To amend

which shall have precedence in the descending order given.
(2) The chair shall present all questions in the order in which they are moved unless the subsequent motion is previous in nature.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute shall be considered and the substitute shall be in the same order of precedence.

2.34—Division of question

A member may move for a division of a question when the sense will admit of it. A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

2.35—Reconsideration generally

(1) When a question has been decided by a committee, any member voting with the prevailing side may move for reconsideration of the question. Also when a question has been decided by voice vote, any member, during the meeting at which the vote was taken, may so move. If the committee shall refuse to reconsider or, upon reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except upon unanimous consent of those committee members present.

(2) Consideration of a motion to reconsider a measure or the confirmation of an executive appointment shall be a special and continuing order of business for the succeeding committee meeting, and, unless considered during such meeting, shall be considered abandoned. Such motion may be made prior to or pending a motion to rise. During the last fourteen (14) days of a regular session, a motion to reconsider shall be made and considered during the meeting at which the original vote was taken.

2.36—Reconsideration; vote required

The affirmative votes of a majority of the committee members present shall be required to adopt a motion to reconsider.

2.37—Reconsideration; debate allowed

Debate shall be allowed on a motion to reconsider only when the question is debatable. When debate on a motion to reconsider is in order, no Senator shall speak thereon more than once nor longer than five (5) minutes.

2.38—Reconsideration; collateral matters

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related,
and such motion shall be out of order after the committee has passed to other business.

PART SIX—COMMITTEES—AMENDMENTS

2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, notice, manner of consideration

(1) No amendment or proposed committee substitute or any measure, or no proposed committee bill on any committee agenda shall be considered by that committee unless the amendment, proposed committee substitute, or proposed committee bill was prepared in proper form and filed with the committee administrative assistant at least twenty-four (24) hours prior to the noticed meeting time. For the purpose of this rule, office hours are Monday through Friday, 8:00 a.m. - 5:00 p.m. Copies of such amendment, proposed committee substitute, or proposed committee bill shall be made reasonably available by the committee administrative assistant before the meeting to the members of the committee and to the public.

(a) Subsequent to distribution of all timely filed amendments, amendments to amendments or substitute amendments may be filed to any measure to which an amendment was timely filed. Such amendments must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(b) Subsequent to distribution of all timely filed proposed committee substitutes and proposed committee bills, amendments, amendments to amendments, or substitute amendments to any proposed committee substitute or proposed committee bill must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(c) Amendments to late-filed amendments, proposed committee substitutes, or proposed committee bills shall be considered timely filed if filed at least two (2) hours prior to the noticed meeting time.

(d) After the first fifty (50) days of any regular session, an amendment, proposed committee bill, or proposed committee substitute to any measure prepared prior to a committee meeting at which it is offered shall be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(e) The consideration of any amendment, proposed committee bill, or proposed committee substitute not timely filed in accordance with this rule, including any filed during a committee meeting in which it is to be offered, requires a two-thirds (2/3) vote of those committee members present if any member requests that such a vote be taken. These time
requirements do not apply to a committee’s recommendation during a meeting to make a committee substitute which is merely a combination of the noticed bill and amendment.

(2) Amendments shall be filed on forms prescribed by the Secretary.
   (a) An amendment shall be considered only after its sponsor, who is a member of the committee, gains recognition from the chair to move its adoption.
   (b) An amendment shall be deemed pending only after its sponsor has been recognized by the chair and has moved its adoption. Amendments that have been filed but have not been formally moved for adoption shall not be deemed to be pending.
   (c) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.

2.40—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:
   (a) Amendments to the amendment are acted on before the substitute is taken up.
   (b) Amendments to the substitute are next voted on.
   (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(3) The following amendments are out of order:
   (a) A substitute amendment for an amendment to an amendment.
   (b) A substitute amendment for an amendment to a substitute.

2.41—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same general subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

2.42—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The chair, in recognizing members for the purpose of moving the adoption of amendments, shall endeavor to
cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

2.43—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill.

2.44—Amendments by another committee

Amendments recommended by all committees of reference shall accompany a bill when filed with the Secretary. No committee shall physically remove an amendment by another committee but may recommend an amendment to an amendment, or a substitute for an amendment, by another committee. Any accompanying amendment shall be included in a subsequent committee substitute unless altered or negated by committee action. Amendments adopted by a committee to be incorporated in a committee substitute need not be filed with the Secretary as part of the reports required in Rules 2.15 and 2.16.

PART SEVEN—COMMITTEES—DECORUM AND DEBATE

2.45—Decorum and debate

When a member desires to speak or present a matter to the committee, the member shall address himself or herself to “Mr. or Madam Chair” and, on being recognized, may address the committee and shall confine any remarks to the question under debate, avoiding personality. A member shall not address or refer to another member by his or her first name. A member shall use the appellation of “Senator” or such appellation and the surname of the member referred to or addressed.

2.46—Chair’s power to recognize

When two (2) or more members request to speak at once, the chair shall recognize the member who is to speak first.

2.47— Interruptions; when allowed

(1) No member shall be interrupted by another without the consent of the member who has the floor, except by:
   (a) Rising to a question of privilege;
   (b) Rising to a point of order requiring an immediate ruling;
   (c) Rising to appeal a decision of the chair concerning a point of order (if the appeal is made immediately following the decision);
   (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
   (e) Rising to question the existence of a quorum.
The chair shall strictly enforce this Rule.

2.48—Speaking rights

(1) When a member is speaking and another member interrupts to request recognition, the chair may permit the person rising to state why he or she desires the floor. If the question the member desires to raise is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member is then entitled to resume the floor.

(2) The member making a debatable motion or the introducer of a bill, whether or not a member of the committee, shall have five (5) minutes in order to close debate.

2.49—Time for debate

No Senator shall speak longer than ten (10) minutes without yielding the floor, except by consent of a majority of those committee members present.

2.50—Limitation on debate

When a matter is under debate by the committee, a member may move to limit debate, and the motion shall be decided without debate. The introducer of the pending matter shall have five (5) minutes to discuss the motion, and the introducer may divide such time with, or waive it in favor of, some other member. If the question is decided in the affirmative by a two-thirds (2/3) vote of those committee members present, the debate shall be limited accordingly. The time allotted by such limitation shall be apportioned by the chair. Once limited, debate may be extended beyond the original debate time limit by a majority vote of the committee members present.

2.51—Priority of business

All questions relating to the priority of business shall be acted on and shall be decided without debate.

2.52—Repealed

2.53—Appeals

The proper method of taking exception to a ruling of the chair is by appeal. An appeal from a decision of the chair must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; if the determination of the appeal is dependent on this point, it may be decided by the chair. This second (2nd) decision is also subject to appeal.
2.54—Appeals debatable

An appeal from a decision of the chair on a point of order is debatable even though the question from which it arose was not debatable.

RULE THREE

BILLS, RESOLUTIONS, AND MEMORIALS

3.1—Form of bills

(1) All bills shall contain a proper title, as defined in Article III, Section 6 of the State Constitution, and the enacting clause, “Be It Enacted by the Legislature of the State of Florida.” The title of each bill shall be prefaced by the words, “A bill to be entitled An act.” Standard rules of capitalization shall apply.

(2) The original must be approved by the introducer and backed in a folder-jacket. On these jackets shall be inscribed the name and district number of the introducer and any co-introducers or the introducing committee and its chair, and enough of the title for identification.

(3) Bills that propose to amend existing provisions of the Florida Statutes (as described in Article III, Section 6 of the State Constitution) or the Laws of Florida shall contain the full text of the section, subsection, or paragraph to be amended. Joint resolutions that propose to amend the State Constitution shall contain the full text of the section to be amended.

(4) In general bills and joint resolutions that propose to create or amend existing provisions of the Florida Statutes, Laws of Florida, or the State Constitution, new words shall be inserted underlined, and words to be deleted shall be lined through with hyphens, except that the text of the General Appropriations Act shall not be underlined.

(5) When the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it shall not be necessary to use the coded indicators of words added or deleted but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the text of the provision being amended: “Substantial rewording of section. See s. [number], F.S., for present text.” When such notation is used, the notation as well as the substantially reworded text shall be underlined.

(6) The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and shall not be considered to constitute a part of the bill under consideration.

(7) Section catchlines of existing text shall not be typed with underlining.
3.2—Bills for introduction

A bill may not be introduced until properly filed with the Secretary.

3.3—Form of local bills

As required by Article III, Section 10 of the State Constitution, all local bills must either embody provision for ratifying referenda (stated in the title as well as in the text of the bill) or be accompanied by an affidavit of proper advertisement. Forms of affidavit may be obtained from the Secretary. All local bills that require publication shall, when introduced, have proof of publication securely attached to the original copy of the bill and the words “Proof of Publication Attached” clearly typed or stamped on the Senate side of the bill jacket or cover, or the same shall be rejected by the Secretary.

3.4—Form of joint resolutions

All joint resolutions shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. They shall contain the resolving clause, “Be It Resolved by the Legislature of the State of Florida:.” Each joint resolution shall be prefaced by the words: “A joint resolution.”

3.5—Form of memorials

All memorials shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. They shall contain the resolving clause, “Be It Resolved by the Legislature of the State of Florida:.”

3.6—Form of resolutions; Senate and concurrent

(1) All Senate resolutions and all concurrent resolutions shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. Senate resolutions shall contain the resolving clause: “Be It Resolved by the Senate of the State of Florida:.” Concurrent resolutions shall contain the resolving clause: “Be It Resolved by the Senate of the State of Florida, the House of Representatives Concurring:.”

(2) Only the Secretary shall prepare copies of Senate resolutions that are to be furnished to any person after the resolution’s adoption.

3.7—Bill filing deadline during regular session; bill filing between regular sessions

(1) To facilitate processing and committee referencing, all bills (except for the general appropriations bill, implementing bills, appropriations conforming bills, local bills, Senate resolutions, concurrent resolutions, committee bills, and trust fund bills or public-record exemp-
tions that are linked to timely filed general bills) shall be filed for
introduction with the Secretary no later than 12:00 noon of the first (1st)
day of the regular session.

(2) A motion to waive this Rule shall be referred to the Rules
Committee for a hearing and its advisory recommendation as to the
existence of an emergency reasonably compelling consideration of a bill
notwithstanding this Rule and a recommendation shall be reported back
to the Senate. The Secretary shall number each bill to provide identity
and control until a permanent number can be affixed.

(3) Between regular sessions of the Legislature, bills may be filed by
delivery to the Secretary.

### 3.8—Filed bills; consideration between regular sessions

(1) A filed bill complying with these Rules shall, in anticipation of the
next regular session, be serially numbered in accordance with the
permanent system required by these Rules.

(2) The Secretary shall provide each such numbered bill to the
President for reference to a committee or committees pursuant to these
Rules. The Secretary shall promptly forward each referenced bill to the
first (1st) or only committee of reference. The Secretary shall make
available to each Senator all filed bills, including the referencing data for
each bill, and a calendar of all committee hearings, including the bills
noticed for hearing by each.

(3) Each bill considered by a committee and reported to the Secretary
during the interim shall be introduced and read on the first (1st) day of
the regular session, pursuant to the State Constitution, Laws of Florida,
and these Rules. The Journal shall reflect the committee reference and
the report of the committee. All requirements for the referencing of bills
to and the consideration of bills by Senate committees shall be deemed to
have been met and discharged if the jurisdictional requirements of this
Rule have been complied with as to each of such bills.

(4) If a committee fails to consider and report a filed bill prior to the
convening of a regular session, the committee or committees failing to so
report shall conduct hearings and file reports during the regular session.

(5) Notwithstanding these Rules, a Senator may, during the day of
introduction of filed bills, but no later than under the Order of Business of
“Motions Relating to Committee Reference” on the second (2nd) legisla-
tive day on which the Senate meets, move for reference to a different
committee or for removal from a committee. This motion may be adopted
by a two-thirds (2/3) vote of those Senators present.
(6) Prior to the introduction of a bill on the first (1st) day of the regular session, a Senator may give written notification to the Secretary to withdraw his or her bill from further consideration of the Senate.

3.9—Copies of bills

When filed, bills (including committee bills and committee substitute bills) shall be published by the Secretary for the information of the Senate and the public. The absence of a published copy shall not delay the progress of a measure at any stage of the legislative process. Sufficient copies of the general appropriations bill proposed to be introduced by the Budget Committee shall be made available to the members and, upon request, to the public, at the Office of the Secretary and at the committee's office, no less than two (2) hours prior to the time the Budget Committee meets to consider the proposed committee bill.

3.10—Identification of bills

Bills and other measures requiring legislative action shall be introduced in the order they are received at the desk of the Secretary. They shall be serially numbered with even numbers as introduced, without differentiation in number as to type. The Secretary shall mark the original copy of each measure to ensure its identification, and each page thereof, as the item introduced in order to prevent unauthorized or improper substitutions. This identification may be made by any device to accomplish the purpose of this Rule. Such device shall be in the custody of the Secretary, and its use by any person not authorized by this Rule is prohibited.

3.11—Companion measures

When a Senate bill is reached on the calendar of the Senate for consideration, either on second (2nd) or third (3rd) reading, and there is also pending on the calendar of the Senate a companion measure already passed by the House, it shall be in order to move that the House companion measure be substituted and considered in lieu of the Senate measure. Such motion may be adopted by a majority vote of those Senators present, provided the House measure is on the same reading; otherwise, the motion shall be to waive the Rules by a two-thirds (2/3) vote of those Senators present and read such House measure. A companion measure shall be substantially the same and identical as to specific intent and purpose as the measure for which it is being substituted. At the moment the Senate passes the House companion measure, the original Senate measure shall be regarded as automatically tabled. Recommitment of a Senate bill shall automatically carry with it any House companion measure then on the calendar.
3.12—Introducers of bills; introducers no longer Senators

(1) Bills shall be approved for introduction by a Senator whose name is affixed to the original, or by any committee with the name of the committee and the name of the chair of the committee affixed to the original. A bill may be co-introduced by any Senator whose name is affixed to the original.

(2) A Senator who is not seeking or is ineligible for reelection and, therefore, will not be a Senator at the next regular session of the Legislature may not file a bill for that session. Once a Senator is no longer in office, any bill filed by that Senator for a current or future session of the Legislature shall be deemed withdrawn from further consideration of the Senate unless the bill has a co-introducer who, within seven (7) days, is willing to become the introducer of the bill.

3.13—Fiscal notes

(1) Upon being favorably reported by a committee, all general bills or joint resolutions affecting revenues, expenditures, or fiscal liabilities of state or local governments shall be accompanied by a fiscal note. Fiscal notes shall reflect the estimated increase or decrease in revenues or expenditures. The estimated economic impact, which calculates the present and future fiscal implications of the bill or joint resolution, must be considered. The fiscal note shall not express opinion relative to the merits of the measure, but may identify technical or mechanical defects.

(2) Fiscal notes on those bills affecting any state retirement system shall be prepared after consultation with an actuary who is a member of the Society of Actuaries, and the cooperation of appropriate state agencies for necessary data shall be solicited.

(3) Fiscal notes shall be regarded as memoranda of factual information and shall be made available to Senators.

(4) If a bill or joint resolution is reported favorably by a committee without a fiscal note or economic impact statement, as defined in this Rule, a Senator may at any time raise a point of order, and the President shall order return of the bill or joint resolution to the committee. A fiscal note prepared for a Senate bill or joint resolution shall be presumed as prepared also for its House companion for the purposes of point of order.
RULE FOUR
ORDER OF BUSINESS AND CALENDAR

4.1—Sessions of the Senate

The Senate shall meet pursuant to a schedule provided by the President. This schedule shall set forth hours to convene and adjourn and may contain a schedule for the Special Order Calendars submitted by the Calendar Group. During the first fifty (50) days of a regular session, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 8:00 p.m. Otherwise, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 6:00 p.m.

4.2—Quorum

A majority of the Senate shall constitute a quorum, but a smaller number may adjourn from day to day and compel the attendance of absent members, in such manner and under such penalties as it may prescribe. A Senator at any time may question the existence of a quorum.

4.3—Daily Order of Business

(1) The Daily Order of Business shall be as follows:
   (a) Roll Call
   (b) Prayer
   (c) Pledge of Allegiance to the Flag of the United States of America
   (d) Reports of Committees
   (e) Motions Relating to Committee Reference
   (f) Messages from the Governor and Other Executive Communications
   (g) Messages from the House of Representatives
   (h) Matters on Reconsideration
   (i) Consideration of Bills on Third (3rd) Reading
   (j) Special Order Calendars
   (k) Consideration of Bills on Second (2nd) Reading
   (l) Correction and approval of Journal

(2) The Secretary shall prepare and distribute, on each legislative day, a calendar corresponding to the Daily Order of Business; and within each order of business, matters shall be considered in the order in which they appear on such daily calendar. Local bills may be omitted from the formal calendar and may be distributed to Senators by the Secretary separately.

(3) Certain messages from the House of Representatives may be withheld from the Daily Order of Business pursuant to Rule 1.18 or on order of the President. Notwithstanding Rule 4.3(1), the Senate may take up messages from the House at the direction of the President.
(4) First (1st) reading of a bill shall be accomplished by publication of the title thereof in the Journal pursuant to Article III, Section 7 of the State Constitution.

(5) Except by unanimous consent of those Senators present in session, no bill shall be considered by the Senate if the bill or a companion measure has not been first reported favorably by at least one (1) Senate committee.

4.4—Committee of the Whole

By a majority vote of those Senators present, the Senate may resolve itself into a Committee of the Whole and, when thus constituted, may consider any question whether formally introduced in the Senate or not. The Senate may, however, restrict the subject matter to be considered by the Committee of the Whole, or its jurisdiction, by resolving itself into a Committee of the Whole for a specific and limited purpose. The President shall preside and maintain order and decorum. The Senate Rules relating to standing committees shall govern when applicable. The Committee of the Whole may consider and report, by majority vote of those committee members present, on any bill or question not formally introduced in the Senate and any bill on which all standing committees of reference have rendered a favorable report. A bill on which committee action has been taken by the committee or committees of reference or on which an unfavorable committee report has been filed may be considered only by a two-thirds (2/3) vote of those committee members present. Such vote shall also be required to favorably report any such bill to the Senate. A bill thus originating in a Committee of the Whole shall, when introduced as contemplated by the State Constitution, receive no further reference to committee. A favorable report by a Committee of the Whole on a bill having theretofore received an unfavorable report by a standing committee of reference shall not have the effect of withdrawing such bill from the table. Consideration by the Senate of such a bill shall be preceded by the adoption of the appropriate motion during a session of the Senate. Bills considered by a Committee of the Whole shall be read once, debated, amended, and acted on as a standing committee function. The body of a bill formally introduced shall not be interlined or defaced, but all amendments denoting the location shall be entered on a separate paper by the Secretary of the Committee of the Whole. The same shall be agreed to by the Committee of the Whole, and the report filed as otherwise provided in these Rules for committee reports. After report, the bill or other matter may be again debated and shall be subject to be again amended by the Senate. The quorum for a Committee of the Whole shall be the same as for the Senate, and when the Committee of the Whole shall rise, the roll shall be called to ascertain the presence of a quorum of the Senate.
4.5—Conference committee report

(1) The report of a conference committee appointed pursuant to Rule 1.5 shall be read to the Senate on two (2) consecutive legislative days, and on the completion of the second (2nd) reading the vote shall be on the adoption or rejection thereof and final passage of the measure as recommended. During the last five (5) days of a regular session and during any extension thereof, the report shall be read only once. Copies of conference committee reports shall be available to the membership twelve (12) hours prior to the time such report is scheduled to be taken up on the Senate floor.

(2) The report must be acted on as a whole, being adopted or rejected, and each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(3) Except when the Senate is voting on a proposition, reports of conference committees shall always be in order.

4.6—Reference generally

(1) All bills, including those that are strictly local in nature, shall be referred by the President to appropriate committees and standing subcommittees. Any general appropriations bill, appropriations implementing bills, and appropriations conforming bills introduced by the Budget Committee may be placed on the calendar without reference.

(2) Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to reference such bills within this limitation, they shall be referred to committees as may be recommended by the introducer. In the event of extended absence of the President or the President’s disability or incapacity, the President Pro Tempore shall assume the duty of referring bills.

(3) When the Legislature is not in session, the President may change or correct a bill reference. Notice shall be given to the Secretary and the bill introducer.

(4) If the President has not previously designated a standing subcommittee of reference, the chair of the standing committee shall promptly determine whether such measure shall initially be considered by the standing committee, a standing subcommittee, or a select subcommittee appointed by the chair. The chair, in referring a bill to a subcommittee, shall specify the number of days available for consideration and may, at any time, remove the bill from the referenced subcommittee. If subreference is to a standing subcommittee, the chair of the standing committee shall promptly report this reference and the time allowed for consideration, or the removal of the bill from the
referenced subcommittee, to the Secretary on forms prescribed by the Secretary.

(5) The review of a bill that appears to be local in nature shall be performed by the Rules Committee to determine whether such measure is local in nature for reference purposes and whether it responds to the legal requirements of a local bill.

(6) A bill is local in nature for referencing purposes if it does not substantially alter a law of general application throughout the state and it either affects no more than one (1) county or relates to a special district that is located wholly within no more than two (2) counties.

(7) When the Rules Committee, through staff review, has determined that the bill is not local in nature for referencing purposes, the committee shall report such determination to the President, who shall refer such bill to an appropriate standing committee for hearing. Such report shall be made within fifteen (15) legislative days from date of receipt by the Rules Committee. When the Rules Committee, through staff review, has determined that a bill is local in nature for referencing purposes and that it responds to the legal requirements of a local bill, the bill shall be available for the calendar on local bills notwithstanding Rule 4.3(5).

4.7—Reference to more than one committee; effect

(1) In case of multiple reference of a bill, it shall be considered by each committee separately in the order in which the multiple reference is made. However, if any committee to which the bill is referred makes an unfavorable report on said bill, that report shall be filed with the Senate and no further consideration given by other committees except by a two-thirds (2/3) vote of those Senators present.

(2) If a committee reports a bill favorably with committee substitute or with any amendment which substantially amends the bill, the President may change or correct the reference of the reported bill. This Rule does not apply to a bill reported by a subcommittee unless the bill has been withdrawn from the standing committee. Notice shall be given to the Secretary and the introducer of the bill.

4.8—Review and reference of bills affecting appropriations, revenue, retirement, or county or municipal spending

All bills authorizing or substantially affecting appropriations or tax revenue shall be reviewed by the appropriate revenue or appropriations committee. All bills substantially affecting a state-funded or state-administered retirement system shall be reviewed by the Governmental Oversight and Accountability Committee. All bills which are affected by the provisions of Article VII, Section 18 of the State Constitution shall be reviewed by the Community Affairs Committee. A bill that is amended to substantially affect appropriations or tax revenue, a state retirement
program, or expenditures or revenues as set forth in Article VII, Section 18 of the State Constitution may, before being placed before the Senate for final passage, be referred by the President along with all amendments to the appropriate revenue or appropriations committee.

4.81—Claim bills

(1) Claim bills are of two (2) types: excess judgment claims filed pursuant to section 768.28(5), Florida Statutes, and equitable claims filed without an underlying excess judgment.

(2) All claim bills shall be filed with the Secretary on or before August 1 in order to be considered by the Senate during the next regular session, except that Senators elected to the Senate during a general election or a special general election may have sixty-two (62) days from the date of that election to file a claim bill. Senators currently serving who are re-elected during a general election are not subject to the immediately preceding provision relating to sixty-two (62) days. A motion to introduce a claim bill notwithstanding the claim bill filing deadline shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. A House claim bill which does not have a Senate companion claim bill timely filed under this Rule shall not be considered by the Senate. Any motion to consider a House claim bill which does not have a timely filed Senate companion bill shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. The determination by the Rules Committee shall be reported back to the Senate. Upon a determination by the committee that an emergency does exist, the motion may be considered by the Senate and must be adopted by a two-thirds (2/3) vote of those Senators present.

(3) If the President determines that a de novo hearing is necessary to determine liability, proximate cause, and damages, a special master shall conduct such hearing pursuant to reasonable notice. Discovery procedures shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, as applicable. The special master shall administer an oath to all witnesses, accept relevant documentary and tangible evidence properly offered, record the proceedings, and prepare a final report containing findings of fact, conclusions of law, and recommendations. The report shall be signed by the special master who shall be available, in person, to explain his or her report to the committees and to the Senate.

(4) All claim bills shall be referred by the President to one (1) or more committees for review. On receipt of the special master's report and recommendations, if any, the Secretary shall, upon the President's
reference, deliver each claim bill with the report attached to the committee or committees of reference.

(5) Stipulations entered into by the parties are not binding on the special master, the Senate, or its committees.

(6) The hearing and consideration of a claim bill shall be held in abeyance until all available administrative and judicial remedies have been exhausted; except that the hearing and consideration of a claim that is still within the judicial or administrative systems may proceed where the parties have executed a written settlement agreement. This subsection does not apply to a bill which relates to a claim of wrongful incarceration.

4.9—Reference of resolutions

All resolutions shall be referred by the President to a standing committee, except resolutions on Senate organization, resolutions of condolence and commemoration that are of a statewide nonpolitical significance, or concurrent resolutions recalling a bill from the Governor's office, setting Joint Rules of the Legislature, extending a session of the Legislature, or setting an effective date for a bill passed over the Governor's veto. These may be considered on motion and adopted at time of introduction without reference, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal. A joint resolution setting an effective date for a bill passed over the Governor's veto may be considered on motion and introduced without reference.

4.10—Reference to different committee or removal

When the President has referred a bill, the Rules Chair may move for reference to a different committee or for removal from any committee after the introducer of the bill has filed a request with the Rules Chair signed by the chair of the affected committee, the Rules Chair, and the President. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

4.11—Papers of miscellaneous nature

Papers of a miscellaneous nature addressed to the Senate may, at the discretion of the President, be read, noted in the Journal, or filed with an appropriate committee. When there is a demand to read a paper other than one on which the Senate is called to give a final vote and the same is objected to by any Senator, it shall be determined by a majority vote of those Senators present.
4.12—Reading of bills and joint resolutions

Each bill or joint resolution shall receive three (3) separate readings on three (3) separate days previous to a vote on final passage unless decided otherwise by a two-thirds (2/3) vote of those Senators present as provided in Article III, Section 7 of the State Constitution.

4.13—Reading of concurrent resolutions and memorials

(1) Each concurrent resolution or memorial shall receive two (2) separate readings by title on two (2) separate days previous to a voice vote on adoption, unless decided otherwise by a two-thirds (2/3) vote of those Senators present.

(2) Concurrent resolutions used to recall a bill from the Governor's office, adopt Joint Rules of the Legislature, extend a session of the Legislature, or set an effective date for a bill passed over the Governor's veto are exempt from the provisions of this Rule and may be introduced, read the first and second time, and adopted on the same day.

4.14—Reading of Senate resolutions

On introduction each Senate resolution shall be read two (2) times by title only before the question is put on adoption by voice vote, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal.

4.15—Referral or postponement on third (3rd) reading

On the third (3rd) reading of a bill or joint resolution, it shall not be referred or committed (except as provided under Rule 4.8) or amended (except a corrective or title amendment) except by a two-thirds (2/3) vote of those Senators present, nor shall the vote on passage be postponed to a day certain without the consent of a majority of those Senators present.

4.16—Consideration out of regular order

A bill shall be considered out of regular order on the calendar on unanimous consent of those Senators present obtained in the following manner: prior to the consideration of the motion, the Senator moving for unanimous consent of those Senators present shall orally give the membership not fewer than fifteen (15) minutes' notice of his or her intention to move and shall specify the number of the bill and its position on the calendar. On entertainment of the motion, the moving Senator shall be allowed one (1) minute to explain his or her purpose, and unanimous consent of those Senators present shall be given or refused without further debate.
4.17—Special Order Calendar; Consent Calendar

(1) Commencing fifteen (15) days prior to a regular session of the Legislature permitted under the State Constitution and continuing through any extension permitted under the State Constitution, a Calendar Group, consisting of the Rules Chair, Rules Vice Chair, Majority Leader, Minority Leader, two (2) members of the Rules Committee designated by the President, and one (1) member of the Rules Committee designated by the Minority Leader, shall submit a Special Order Calendar determining the list of bills for consideration by the Senate. The President shall determine the order of such bills on the Special Order Calendar.

(2) Except for a Special Order Calendar submitted for the first (1st) or second (2nd) day of a regular session, each Special Order Calendar shall be for the second (2nd) succeeding legislative day on which the Senate meets, and this calendar may include bills that had been scheduled for Special Order on the previous legislative day. No other bills shall be considered until this Special Order Calendar has been completed by the Senate, except that any bill appearing on this calendar may be stricken by a two-thirds (2/3) vote of those Senators present or any bill appearing on the calendar of bills on second (2nd) reading may be added to the end of the Special Order Calendar by the same vote. All bills set as Special Order for consideration at the same hour shall take precedence in the order in which they were given preference.

(3) A two-thirds (2/3) vote of those Senators present shall be required to establish a Special Order except as provided in this Rule. Notice of date, time, and place for the establishment of the Special Order Calendars shall be published in a Senate calendar; provided, during the last ten (10) days of each regular session, notice of date, time, and place may be given by announcement from the floor.

(4) The Rules Chair, with the approval of the President, may submit a Consent Calendar, to be held in conjunction with the Special Order Calendars. When such a day is designated, all bills appearing on the Consent Calendar shall be considered in their order of appearance. Amendments shall be limited to accompanying committee amendments, noncontroversial and technical amendments, and amendments required to conform a House companion bill to the Senate bill. However, if an objection by any Senator shall cause such bill to be temporarily postponed, it retains its order on the regular calendar. All Consent Calendar bills must have appeared on the printed Senate calendar.

4.18—Local Bill Calendar

Local bills shall be disposed of according to the calendar of bills of a local nature and shall be considered only at such time as determined by the Rules Chair and approved by the President. Any member of the
delegation for the local area affected by a bill on the Local Bill Calendar may request that the bill be removed from such calendar.

4.19—Order after second (2nd) reading

The order of disposition of a Senate bill that has been read the second (2nd) time and amended shall be its reference to the engrossing clerk to be engrossed after all questions relative to it while on second (2nd) reading have been disposed of, and the same shall be immediately engrossed and placed on the calendar of bills on third (3rd) reading to be considered on a succeeding legislative day. No bill shall be committed to the engrossing clerk or placed on the calendar of bills on third (3rd) reading unless all motions relative to it and placed, by the President, before the Senate have been disposed of. Amendments filed with the Secretary, the adoption of which have not been formally moved, shall not be construed to be pending so as to deter such advancement. A bill shall be available for its third (3rd) reading when it has been read a second (2nd) time on a previous day and no motion left pending. Bills calendared for second (2nd) or third (3rd) reading shall not be considered on such reading until reached on the calendar and appropriately read to the Senate as directed by the President.

4.20—Enrolling

The Secretary shall be responsible for the enrolling of all bills. After enrollment, all bills shall be signed by the President and the Secretary and the enrolling report shall be published in the Journal.

4.21—Veto messages

As required by Article III, Section 8 of the State Constitution, if the originating house votes to re-enact a vetoed measure, whether in a regular or special session, and the other house does not consider or fails to re-enact the vetoed measure, no further consideration by either house at any subsequent session may be taken. If a vetoed measure is presented at a special session and the originating house does not consider it, the measure will be available for consideration at any intervening special session and until the end of the next regular session. All veto messages shall be referred to the Rules Committee.

RULE FIVE

VOTING

5.1—Taking the yeas and nays

The President shall declare all votes, but, if five (5) Senators immediately question a voice vote by a show of hands, the President shall take the vote by yeas and nays or electronic roll call. When taking yeas and nays on any question, the electronic roll call system may be used
and shall have the force and effect of a roll call taken as provided in these Rules. Also, this system may be used to determine the presence of a quorum. When the Senate is ready to vote on a question requiring roll call and the vote is by electronic roll call, the President shall state: “The Secretary will unlock the board and Senators prepare to vote.” When sufficient time has elapsed for each Senator to vote, the President shall say: “Have all voted?” And, after a short pause, shall state: “The Secretary shall now lock the board and record the vote.” When the vote is completely recorded, the President shall announce the result to the Senate; and the Secretary shall enter in the Journal the result. When the Senate is equally divided, the question shall be lost.

5.2—Change of vote

(1) After the result of the vote has been announced by the President, a Senator with unanimous consent of those Senators present may change his or her vote or vote on the matter except that no such change of vote or vote shall be valid where such vote would alter the final passage of the matter until the matter shall first have been recalled to the Senate for further consideration. Records of such requests shall be available at the Secretary’s desk through the session. If no objections are raised before the close of the business that day, requests will be accepted.

(2) The original roll call shall not be altered, but late votes and change of votes shall be recorded under the original roll call in the Journal. On request of a Senator before considering other business, the President shall order a verification of a vote.

(3) A Senator who was not present for a daily session of the Senate or who was present but did not provide a vote record to the Secretary before the close of business that day, may provide to the Secretary an indication of vote preference. This indication shall be included in a dedicated section of the next Journal published after the Secretary receives the indication. An indication of vote preference will not be accepted if the indication would have, if recorded, altered the vote.

5.3—Casting vote for another

No Senator shall cast a vote for another Senator unless the Senator is present in the Chamber area and requests the casting of said vote, nor shall a person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, a Senator who shall without such authorization vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, a person not a Senator who shall vote in the place of a Senator shall be excluded from the Chamber for the remainder of the session.
5.4—Pairing

(1) Pairing, a type of absentee voting by which a Senator who is excused from attendance agrees with a Senator who would have voted opposite the excused Senator, shall be permitted.

(2) The Senator in attendance shall not vote in the electronic roll call.

(3) The pair vote form prescribed by the Secretary shall be used and shall:
   (a) State the matter to which the pair applies,
   (b) Indicate how both Senators would have voted,
   (c) Be filed with the Secretary and announced prior to the vote, and
   (d) Be recorded in the Journal.

5.5—Explanation of vote

No Senator shall be permitted to explain his or her vote during a roll call but may submit his or her explanation in writing and file it with the Secretary. This explanation shall be entered in the Journal.

5.6—Election by ballot

In all cases of ballot, a majority of the votes cast shall be necessary to an election. If, however, no one is elected on the first three (3) ballots, the names after the top two (2) in number of votes received on the third (3rd) tally shall be dropped, and the Senate shall ballot on the two (2) names remaining.

RULE SIX
MOTIONS AND PRECEDENCE

6.1—Motions; how made, withdrawn

Every motion may be made orally. On request of the President, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the President, it shall be deemed to be in possession of the Senate and, without a second, shall be disposed of by vote of the Senate. The mover may withdraw a motion, except a motion to reconsider, as hereinafter provided, at any time before the same has been amended or before the vote shall have commenced.

6.2—Motions; precedence

(1) When a question is under debate, the President shall receive no motion except:
   (a) To adjourn
       1. Instanter
       2. At a time certain
(b) To recess to a later day
(c) Questions of privilege
(d) To take a recess
(e) To proceed to the consideration of executive business
(f) To reconsider
(g) To limit debate
(h) To temporarily postpone
(i) To postpone to a day certain
(j) To commit to the Committee of the Whole
(k) To commit to a standing committee
(l) To commit to a select committee
(m) To amend
(n) To postpone indefinitely

which shall have precedence in the descending order given. A motion to
 discharge Senate conferees and to appoint or instruct said conferees as set
 forth in Rule 2.19 is a motion of the highest privilege and this motion
 shall have precedence over all other questions except motions to adjourn
 and questions of privilege.

(2) The President shall present all questions in the order in which
 they are moved unless the subsequent motion is previous in nature.

(3) When a motion is under consideration, but prior to the commence-
 ment of the vote, a substitute motion shall be in order. Only one (1)
 substitute shall be considered and the substitute shall be in the same
 order of precedence.

6.3—Division of question

A Senator may move for a division of a question when the sense will
 admit of it. A motion to delete and insert shall be deemed indivisible; a
 motion to delete, being lost, shall neither preclude amendment nor a
 motion to delete and insert.

6.4—Reconsideration generally

(1) When a main question (the vote on passage of a measure,
 including a vote on a veto message, confirmation of executive appoint-
 ments, removal or suspension from office) has been decided by the Senate,
 a Senator voting with the prevailing side may move for reconsideration
 of the question on the same or the next legislative day on which the Senate
 meets.

(a) If the question has been decided by voice vote, any Senator
 may so move.

(b) When a majority of those Senators present vote in the
 affirmative on the question but the proposition be lost
 because it is one in which the concurrence of more than a
 majority of those Senators present is necessary for adoption
 or passage, any Senator may move for reconsideration.
(2) Such motion may be made prior to or pending a motion to recess to a later day or adjourn.

(a) Consideration of a motion to reconsider shall be a special and continuing order of business for the Senate when it next meets on a legislative day succeeding that on which the motion was made and, unless considered on said day, shall be considered abandoned. If the Senate shall refuse to reconsider or, on reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except on unanimous consent of those Senators present.

(b) During the last five (5) days of a regular session, a motion to reconsider shall be made and considered on the same day.

6.5—Reconsideration; vote required

The affirmative votes of a majority of those Senators present shall be required to adopt a motion to reconsider.

6.6—Reconsideration; debate

Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. When the question is debatable, no Senator shall speak thereon more than once nor longer than five (5) minutes.

6.7—Reconsideration; collateral matters and procedural motions

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the Senate has passed to other business. Reconsideration of a procedural motion shall be considered on the same day on which it is made.

6.8—Reconsideration; Secretary to hold for period

The Secretary shall hold all bills for the period after passage during which reconsideration may be moved. The adoption of any motion to waive the Rules by a two-thirds (2/3) vote of those Senators present and immediately certify any bill to the House shall be construed as releasing the measure from the Secretary’s possession for the period of reconsideration and shall, thereafter, preclude reconsideration. During the last five (5) calendar days allowed under the State Constitution for a regular session and during any extensions thereof, or during any special session, the bills shall be immediately transmitted to the House. Messages relating to Senate action on House amendments or to conference committee reports shall be transmitted forthwith.
6.9—Motion to indefinitely postpone

The adoption of a motion to indefinitely postpone a measure shall dispose of it for the duration of the legislative session and all extensions thereof. A motion to postpone consideration to a time beyond the last day allowed under the State Constitution for the current legislative session shall be construed as a motion to indefinitely postpone. Motions to indefinitely postpone shall not be applicable to collateral matters.

6.10—Committee substitute; withdrawn

Once a bill has been reported as a committee substitute, it may be withdrawn from further consideration only by motion of the introducer and unanimous consent of the Senate.

RULE SEVEN

AMENDMENTS

7.1—General form; notice; manner of consideration

(1) No amendment to a bill on any Senate calendar shall be considered by the Senate unless the amendment was prepared in proper form and filed with the Secretary no later than 5:00 p.m. the day prior to the day that session was called to order. Copies of such amendments shall be made reasonably available by the Secretary before the session, upon request, to the Senators and to the public. The consideration of all amendments not timely filed in accordance with this rule, requires a two-thirds (2/3) vote of those Senators present.

(2) Amendments shall be filed with the Secretary on forms prescribed by the Secretary but shall be considered only after sponsors gain recognition from the President to move their adoption, except that the chair of the committee (or, in the chair’s absence, the vice chair or any member thereof) reporting the measure under consideration shall have preference for the presentation of committee amendments. An amendment shall be deemed pending only after its sponsor has been recognized by the President and has moved its adoption. Amendments that have been filed with the Secretary but have not been formally moved for adoption shall not be deemed to be pending.

(3) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment. The following bills are out of order and shall not be admitted or considered in the form of an amendment to a bill on the calendar and under consideration by the Senate:

(a) Bills which have received an unfavorable committee report.
(b) Bills which have been withdrawn from further consideration by the introducer.
(c) Bills the substance of which have not been reported favorably by all committees of reference.
(d) Bills which have not been published at least one (1) legislative day under Bills on Second Reading in the Senate calendar.

Amendments covered by this Rule shall be substantially the same and identical as to specific intent and purpose as the measure residing in the committee or committees of reference.

7.2—Adoption

(1) On second (2nd) reading, amendments may be adopted by a majority vote of those Senators present.

(2) On third (3rd) reading, amendments and amendments to amendments, including substitute amendments and amendments to the substitute, shall be adopted by a two-thirds (2/3) vote of those Senators present. Amendments to the title or corrective amendments may be decided, without debate, by a majority vote of those Senators present on third (3rd) reading.

7.3—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:
   (a) Amendments to the amendment are acted on before the substitute is taken up. Only one (1) amendment to the amendment is in order.
   (b) Amendments to the substitute are next voted on.
   (c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(3) The following amendments are out of order:
   (a) A substitute amendment for an amendment to an amendment.
   (b) A substitute amendment for an amendment to a substitute.

7.4—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same general subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

63
7.5—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The President, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

7.6—Printing in Journal

All amendments taken up by the Senate unless withdrawn shall be printed in the Journal, except that an amendment to the general appropriations bill constituting an entirely new bill shall not be printed until the filing of the conference committee report. All item amendments to the general appropriations bill shall be printed.

7.7—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill. If a House bill is amended, the same shall be noted by the Secretary on the jacket before it is transmitted to the House.

7.8—House amendments to Senate bills

(1) After the reading of a House amendment to a Senate bill, the Senate may:
   (a) Amend the House amendment,
   (b) Concur in the House amendment,
   (c) Refuse to concur in the House amendment and ask the House to recede, or
   (d) Request a conference committee.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

7.9—House refusal to concur in Senate amendment

(1) If the House shall refuse to concur in a Senate amendment to a House bill, the Senate may:
   (a) Recede,
   (b) Insist that the House concur and request a conference committee, or
   (c) Insist that the House concur.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.
RULE EIGHT
DECORUM AND DEBATE

8.1—Decorum and debate

When a Senator desires to speak or present a matter to the Senate, the Senator shall rise at his or her seat and address himself or herself to “Mr. or Madam President” and, on being recognized, may address the Senate from his or her desk or from the well of the Senate and shall confine any remarks to the question under debate, avoiding personality. A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of “Senator” or such appellation and the district number of the Senator being addressed, or a Senator may also use such appellation and the surname of the Senator referred to or addressed.

8.2—Presiding officer’s power of recognition

When two (2) or more Senators rise at once, the presiding officer shall recognize the Senator who is to speak first.

8.3—Interruptions; when allowed

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:
   (a) Rising to a question of privilege;
   (b) Rising to a point of order requiring an immediate ruling;
   (c) Rising to appeal a decision of the presiding officer concerning a point of order (if the appeal is made immediately following the decision);
   (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
   (e) Rising to question the existence of a quorum.

(2) The presiding officer shall strictly enforce this Rule.

8.4—Senator speaking, rights

(1) When a Senator is speaking and another Senator interrupts to request recognition, the presiding officer may permit the person rising to state why he or she desires the floor. If the question the Senator desires to raise is entitled to precedence, the Senator originally speaking shall relinquish the floor until the question having precedence is disposed of. The Senator then is entitled to resume the floor.

(2) The Senator making a debatable motion or the introducer of a bill shall have five (5) minutes in order to close debate.
8.5—Limit on speaking

No Senator shall speak longer than thirty (30) minutes without yielding the floor, except by consent of a majority of those Senators present.

8.6—Limitation on debate

When a matter is under debate by the Senate, a Senator may move to limit debate, and such motion shall be decided without debate, except the introducer of the matter shall have five (5) minutes to discuss said motion. If, by a two-thirds (2/3) vote of those Senators present, the question is decided in the affirmative, debate shall be limited accordingly.

8.7—Points of order, parliamentary inquiry, definitions

A point of order is the parliamentary device that is used to require a deliberative body to observe its own rules and to follow established parliamentary practice. A parliamentary inquiry is the device for obtaining a predetermination of a rule or a clarification thereof and may be presented in hypothetical form.

8.8—Questioning decision not to abstain

A point of order questioning the decision of a Senator not to abstain from voting on account of a conflict of interest may be raised after the vote has been recorded and before the result is announced.

8.9—Appeals

Taking exception to a ruling of a presiding officer shall be by appeal. An appeal from a decision of the presiding officer must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; and, if the determination of the appeal is dependent on this point, it may be decided by the presiding officer. This second (2nd) decision is also subject to appeal.

8.10—Appeals debatable

An appeal from a decision of the presiding officer on a point of order is debatable even though the question from which it arose was not debatable.

8.11—Questions of privilege

(1) Questions of privilege shall be:
   (a) Those affecting the rights of the Senate collectively, its safety, dignity, and the integrity of its proceedings; and
(b) The rights, reputation, and conduct of Senators individually, in their representative capacity only.

(2) These shall have precedence over all other questions except motions to recess to a later day or adjourn. A question of privilege affecting either house collectively takes precedence over a question of privilege affecting an individual Senator.

RULE NINE

LOBBYING

9.1—Those required to register

All persons (except those specifically exempted) who seek to encourage the passage, defeat, or modification of legislation in the Senate or before its committees shall, before engaging in such activity, register as prescribed by law and the Joint Rules of the Florida Legislature.

9.2—Obligations of lobbyist

(1) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view from which he or she openly declares. A lobbyist shall not offer or propose anything to improperly influence the official act, decision, or vote of a legislator.

(2) A lobbyist, by personal example and admonition to colleagues, shall uphold the honor of the legislative process by the integrity of his or her relationship with legislators.

(3) A lobbyist shall not knowingly and willfully falsify a material fact or make any false, fictitious, or fraudulent statement or representation or make or use any writing or document knowing the same contains any false, fictitious, or fraudulent statements or entry.

9.3—Lobbyists’ requirements

A lobbyist shall adhere to the statutory requirements for lobbyists provided by law and the Joint Rules.

9.35—Contributions during sessions

During a regular legislative session, and during an extended or special session as further provided for in Rule 1.361(2), a lobbyist may not directly or indirectly contribute to a Senator’s own campaign, or to any organization that is registered, or should have been registered, with the Rules Committee pursuant to Rule 1.361(3).
9.4—Advisory opinions

(1) A lobbyist, when in doubt about the applicability and interpretation of Rule Nine (9) in a particular context, may submit in writing a statement of the facts involved to the Rules Committee and may appear in person before said committee.

(2) The Rules Committee may render advisory opinions to any lobbyist who seeks advice as to whether or not the facts in a particular case will constitute a violation of these Rules. All opinions shall delete names and be numbered, dated, and published in the Journal.

9.5—Compilation of opinions

The Secretary shall keep a compilation of all advisory opinions of the Rules Committee.

9.6—Violations; investigations, penalties

(1) Any person may file a sworn complaint with the Rules Chair alleging a violation of the Rules regulating the conduct and ethics of lobbyists. The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named lobbyist which form the basis for the complaint, and shall identify the specific Rule(s) alleged by the complainant to have been violated by the lobbyist. Upon a determination by the Rules Chair that the complaint states facts supporting a finding of probable cause, the complaint shall be referred to a special master. Upon a determination by the chair that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed. The special master shall conduct an investigation, shall give reasonable notice to the lobbyist who is alleged to have violated the Rules and shall grant the lobbyist an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master’s report and recommendation is advisory only and shall be presented to the chair as soon as practicable after the close of the investigation. If the special master’s report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair. If the complaint is not dismissed, the Rules Committee shall consider the special master’s report and recommendation, shall grant the lobbyist an opportunity to be heard, and shall develop its own recommendation. If the Rules Committee votes to dismiss the complaint, the Rules Chair shall dismiss the complaint. Otherwise, the special master's report and recommendation and the recommendation of the Rules Committee shall be presented to the President. The President shall present the committee’s recommendation, along with the special master’s report and recommendation, to the Senate for final action.

(2) Separately from any prosecutions or penalties otherwise provided by law, any person determined to have violated the requirements of this
Rule shall be censured, reprimanded, placed on probation, or prohibited from lobbying for the duration of the session and from appearing before any Senate committee. Such determination shall be made by a majority vote of the Senate, on recommendation of the Rules Committee.

**9.7—Committees to be diligent**

Committees shall be diligent to ascertain whether those who appear before them, in other than an obviously individual capacity, have conformed with the requirements of Rule Nine (9), the Joint Rules, and the *Laws of Florida*, and shall report violations. No committee member shall knowingly permit an unregistered lobbyist to be heard.

**9.8—Lobbyist expenditures and compensation**

This Rule provides assistance to persons seeking to comply with the letter and spirit of the new law as it applies in the legislative context by refining the law and providing Interim Lobbying Guidelines and answers to 25 Frequently Asked Questions. It also is intended to provide guidance to the legislative committees that will participate in enforcing the new law.

Part One of the Guidelines refines and applies the new prohibition, with ten clearly stated exceptions, so that Senators and Senate employees can no longer directly or indirectly take any “expenditure” from a lobbyist or principal in either the public or private sector.

Part Two of the Guidelines refines and applies the underlying core requirement that “lobbying firms” must publicly disclose the compensation they receive for lobbying activities, and does so in a way that is narrowly tailored, furthers the state’s compelling governmental interest in regulating legislative lobbying at the state level, and employs the least intrusive means available to do so.

This Rule sets out general principles. Outcomes depend heavily on underlying fact patterns that can vary greatly from case to case. Full disclosure of the operative facts must be provided and considered before a proper and correct answer can be derived.

A Senator may request an informal advisory opinion from the Senate General Counsel regarding the application of the new law and this Rule to a specific situation, on which the legislator may reasonably rely.

The houses of the Legislature are responsible for the administration and enforcement of the legislative lobbying portions of the new law. The legislative lobbying expenditure prohibitions are not part of the Florida
Part One—Expenditures

(1) General Guidelines

a) The Expenditure Prohibition

The new law contains a prohibition against lobbyists and principals making direct or indirect lobbying expenditures for legislators and legislative employees. It provides:

[N]o lobbyist or principal shall make, directly or indirectly, and no member or employee of the Legislature shall knowingly accept, directly or indirectly, any expenditure.... (emphasis added).

The new expenditure prohibition applies only to expenditures made by lobbyists and principals. It applies whether or not the lobbyist, principal, legislator, or legislative employee is in Florida. Florida’s gift law, section 112.3148, Florida Statutes, continues to apply to gifts to legislators and legislative employees from others.

Example: A legislator may accept a subscription to a newspaper or periodical that is neither published by, nor paid for, nor provided by a lobbyist or a principal.

Example: A legislator may not accept a free health screening or other personal service provided on behalf of an association that is a principal.

Example: A legislator may, as either a member or an invited guest, participate in meetings of, and partake of the food and beverage provided by a civic organization if the organization is not a principal.

The practical effect of this law is to prohibit expenditures for attempting to obtain the goodwill of a member or employee of the Legislature, and it is not designed to prohibit expenditures made in attempting to influence legislative action or non-action through oral or written communication.

b) Definitions

“Expenditure” is defined, essentially, as anything of value made by a lobbyist or principal for the purpose of lobbying.

“Lobbying,” in turn, means: (1) influencing or attempting to influence legislative action through oral or written communication (“active lobbying”), or, (2) attempting to obtain the goodwill of a member or employee of the Legislature (“goodwill”).
“Goodwill expenditure” is a gift, an entertainment, any food or beverage, lodging, travel, or any other item or service of personal benefit to a legislator or legislative employee.

Goodwill expenditures include contributions or donations from a lobbyist or a principal to a charitable organization that is, directly or indirectly, established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof.

A “lobbyist” is a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying, or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity.

“Personal benefit” means a profit or gain pertaining to, directed toward, or affecting a person.

A “principal” means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

c) Honorarium-related Expenses

It is no longer permissible to accept from a lobbyist or principal, directly or indirectly, payment or reimbursement of expenses for travel, food, lodging, or beverage, related to speaking engagements or other honorarium-type events.

d) Indirect Expenditures

An indirect expenditure is an expenditure that is not made directly to a legislator or legislative employee, but is made to another with the purpose that the expenditure be used for the personal benefit of a legislator or legislative employee.

The new expenditure prohibition expressly prohibits any lobbyist or principal from directing prohibited lobbying expenditures through a surrogate or through any person who by his or her actions or activities is obligated to register as a lobbyist but has failed to do so. Third party intermediaries, such as employees, members of associations and others, cannot be used to make prohibited expenditures.

Where an item or service (anything of value) is provided to a person other than a legislator or legislative employee by a lobbyist or principal and the item or service or the benefit attributable to the item or service ultimately is received by the legislator or employee, and where the item or service is provided with the intent to benefit the legislator or employee,
such item or service constitutes a prohibited indirect expenditure to the legislator or employee.

Factors to be considered in determining whether a prohibited indirect expenditure has been made are set out on the following page in the joint functionality test:

**TEST FOR DETERMINING LEGALITY OF AN INDIRECT EXPENDITURE**

(1) The existence or nonexistence of communications by the lobbyist or principal indicating the lobbyist’s or principal’s intent to make or convey the item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the intervening third person;

(2) The existence or nonexistence of communications by the intervening third person indicating the intent to make or convey the lobbyist’s or principal’s item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the third person;

(3) The existence or nonexistence of any relationship between the lobbyist or principal and the third person, independent of the relationship between the lobbyist or principal and a legislator or employee, that would motivate the transfer to the third person;

(4) The existence or nonexistence of any relationship between the third person and a legislator or employee that would motivate the transfer;

(5) Whether the same or similar items or services have been or are being provided to other persons having the same relationship to the lobbyist or principal as the third person;

(6) Whether, under the circumstances, the third person had full and independent decision-making authority to determine whether a legislator or employee, or another, would receive the items or services, or a personal benefit attributable to the items or services;

(7) Whether the third person was acting with the knowledge or consent of, or under the direction of, the lobbyist or principal;

(8) Whether there were payments or the intention for any payments or bookkeeping transactions between the third person and the lobbyist or principal, reimbursing the third person for the items or services;

(9) The degree of ownership or control the lobbyist or principal had over the third person; and

(10) Whether a lobbyist or principal knew, or should have known, that an item or service provided to a third-party would be used to provide
a personal benefit to a legislator or employee, such as for the funding of a legislative reception or an event to be attended by legislators or employees.

The following examples illustrate some of the applications of the foregoing indirect expenditure criteria:

**Example 1:** A law firm which lobbies the Legislature invites all of its attorneys to attend a weekend retreat. The attorneys are encouraged to bring their spouses or significant others at the firm’s expense. Legislator C is married to an attorney in the firm and has been asked by her spouse to attend the retreat. The lodging provided to Legislator C for the retreat, food and drink, firm t-shirts, and the like would be considered a gift to her from her spouse and thus not a prohibited indirect expenditure, because the firm’s invitation was extended to Legislator C’s spouse by virtue of his employment with the firm.

**Example 2:** Legislator D hosts a fox hunt attended by legislators and lobbyists. Lobbyists give money to a third person, who is not a legislator or a legislative employee, to pay for the food and beverages which will be served at the fox hunt. The third party orders and prepares the food and beverages. The money provided to the third person by the lobbyists would be a prohibited indirect expenditure to Legislator D because it was given with the intent of benefiting him and his guests at the fox hunt.

**Example 3:** Legislator N and spouse have arranged to take a vacation trip together. A legislative lobbyist meets with Legislator N’s spouse and offers to pay for the spouse’s travel expenses. The lobbyist and Legislator N’s spouse know each other only through the lobbyist’s involvement with the legislator. This would constitute a prohibited indirect expenditure to Legislator N under the new law.

e) Equal or Greater Compensation

An expenditure is not prohibited when equal or greater value is given contemporaneously by the recipient to the donor.

Therefore, it is not an expenditure if:

1. The fair market value of the event, meeting, or other activity, including any food, beverage, transportation, lodging, or any other thing of value, can readily be determined, and

2. The legislator or legislative employee pays his or her pro rata share of the total fair market value to the person or organization hosting the event contemporaneously with the time of attending or participating in the event.

Thus, if a lobbyist or principal provides $35 worth of goods or services to a legislator or legislative employee but the legislator or legislative employee contemporaneously provides equal or greater consideration, the
lobbyist or principal has not provided anything of value, thus, there is no “expenditure.”

f) Valuation

The law is silent as to the valuation of goods and services. Fair market value is the proper and applicable standard of valuation.

The retail price of an item or service is presumed to be its fair market value so long as it is reasonable in relation to the value of the item or service and the amount is not subsidized by a lobbyist or principal.

In valuing an expenditure, you may exclude the amount of additional expenses that are regularly required as a condition precedent to the donor's eligibility to make the expenditure if the amount expended for the condition precedent is primarily intended to be for a purpose other than lobbying, and is either primarily for the benefit of the donor or is paid to a charitable organization. Initiation fees and membership fees are examples of additional expenses that are regularly required as conditions precedent for eligibility to make an expenditure. Transportation expenses incurred to bring a member to an out-of-town event are not.

Entrance fees, admission fees, or tickets are normally valued on the face value or on a daily or per event basis. The portion of a ticket attributable to a charitable contribution is not included in the value. Conversely, if the ticket is subsidized by contributions of lobbyists or principals, the pro rata subsidized amount must be attributed to the face value.

A person providing transportation in a private automobile shall be considered to be making an expenditure at the then-current statutory reimbursement rate, which is currently 29 cents per mile. The value of transportation provided in other private conveyances must be calculated on its fair market value.

g) Exceptions

1. Relatives

A relative is an individual who is related to the member or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, or step great grandchild; any person who is engaged to be married to the member or employee or who otherwise holds himself or herself out as or is generally known as the person whom the member or employee intends to marry or with whom the member or employee intends to form a household; or any
other natural person having the same legal residence as the member or employee.

This definition of “relative” is taken from former Joint Rule 1.4(4)(b), and has operated historically as an exception to the presumption that things of value given to a legislator or employee by a lobbyist or principal are intended for the purpose of engendering goodwill.

**Example:** A legislator is permitted to accept a Christmas gift from an aunt, even if she is a lobbyist. The gift is not deemed an expenditure made for the purpose of lobbying because of the family relationship between the donor and the donee.

2. Employment-related Compensation and Benefits

Salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with the recipient’s employment, business, or service as an officer or director of a corporation or organization are not prohibited expenditures so long as they are given in an amount commensurate with other similarly situated employees, officers, or directors.

These sorts of expenditures are currently also excepted from the definition of a gift in section 112.312(12)(b), *Florida Statutes*, and are a necessary exception in order for many legislators to continue their employment or continue their service on boards and continue to serve in Florida’s citizen Legislature.

**Example:** A legislator who is on the board of directors of an organization that has a lobbyist is nevertheless permitted to partake of food and beverage provided to the board members by the organization at its board meetings.

3. Political Organizations and Entities

An expenditure does not include contributions or expenditures reported pursuant to chapter 106, *Florida Statutes*, or its federal law counterpart; campaign-related personal services provided without compensation by individuals volunteering their time; any other contribution or expenditure made by a chapter 106 entity such as a candidate campaign, political committee, organization making electioneering communications, political party, or committee of continuous existence; or an entity qualified under section 501(c)(4) or section 527 of the Internal Revenue Code.

Members are cautioned that these organizations or entities may not be used as a vehicle for skirting the new lobbying expenditure law. To the extent that funds come from lobbyists or principals, one should exercise great care that the expenditures are legal and appropriate for that particular organization or entity.

4. Communications Expenses
The expenditure prohibitions in the new law do not reach expenditures made by a lobbyist or principal for items such as “media advertising,” “publications,” “communications,” and “research.”

Expenditures for researching, gathering, collating, organizing, providing, or disseminating information for the _exclusive_ purpose of “active lobbying” (influencing or attempting to influence legislative action through oral or written communication) are necessary for Floridians to be able to “instruct their representatives.”

5. Office and Personal Expenses of Lobbyists and Principals

“Office expenses” and personal expenses of the lobbyist or principal for “travel,” “lodging,” and “food and beverages” as those items were defined in former Joint Rule 1.4(4)(c) are exempt from the prohibition on lobbying expenditures. This category does not include any expenses for legislators, legislative employees, or persons whose expenses would be attributed to them.

6. Government to Government Expenditures

Real property or a facility owned or operated by a state or local public agency or entity that is a lobbying principal and transportation to, from, and at the location provided by that agency or entity may, with the prior approval of the respective state legislative presiding officer or his or her designee, be used without payment, by a member, committee, or staff of the Legislature for a public legislative purpose. Such purposes include publicly noticed legislative committee meetings and site visits to operations conducted by the public agency or entity. Allowable free uses also specifically include legislative district offices and sub-offices and the normally attendant utilities, parking, janitorial services, building maintenance, and telecommunications equipment and services common to a government building in which the office is located. Allowable free use does not extend to sports or entertainment venues; does not include food, beverages, or entertainment; and does not include free parking privileges at any location other than a district office or sub-office.

7. Free and Open Public Events

Expenditures directly associated with events that are held within the Capitol complex, out-of-doors or under temporary shelter, open to the general public, widely and publicly noticed, free to all, not ticketed, and for which equal and totally unobstructed access to the general public is provided, are not prohibited expenditures made by lobbyists or principals, or when accepted by legislators or legislative employees.

**Example:** Atlas County, Florida, is holding Atlas Day in the plaza between the Capitol and the Historic Capitol. Lunch is served to all comers. The event was widely publicized and access to the event and the
food and beverage is totally unobstructed. Legislators may partake as well.

8. Regional and National Legislative Organizations

The prohibition does not apply to expenditures made directly or indirectly by a state, regional, or national organization that promotes the exchange of ideas between, or the professional development of, governmental officials or employees, and whose membership is primarily composed of elected or appointed public officials or staff to members of that organization or to officials or staff of the Legislature. This exception does not include extracurricular activities, entertainments, or items or services provided at conferences that are paid for or provided by a lobbyist or principal.

9. Monetary Value Impossible to Ascertain

The value of some items is truly impossible to quantify at the time of the expenditure. Expenditures for which a monetary value is not ascertainable at the time of the expenditure are not prohibited. Examples are: appearing on a news show or having a feature article about a legislator in a trade magazine or other medium, applause received by a legislator at an event, obtaining priority seating in a crowded restaurant or priority for obtaining services where there is an established queue, or the pro-rata portion of a host’s monthly or annual membership in an exclusive supper club.

10. Plaques and Certificates

The prohibition does not apply to personalized wall plaques, personalized photographs, or personalized certificates that have no substantial inherent value other than recognizing the donee’s public, civic, charitable, or professional service.

h) Effect of Other Laws and Rules

To the extent that an expenditure is excluded or exempt from the new lobbying prohibition in section 11.045, Florida Statutes, it is still subject to the restrictions and requirements in other statutes: most notably, the gift law (section 112.3148, Florida Statutes) and the campaign finance law (chapter 106, Florida Statutes).

(2) Frequently Asked Questions

LEGISLATIVE EVENTS/RECEPTIONS

1. Question: Can a county legislative delegation or delegation office sponsor an annual event in Tallahassee on public grounds or in quarters belonging to either the Senate or the House of Representatives (i.e., “Flavors of Hillsborough”)?
**ANSWER:** A county legislative delegation may host an annual event in Tallahassee *provided* that no free food, beverages, or other personal benefits to a legislator or legislative employee are paid for or provided by a lobbyist or principal, either directly or indirectly.

Legislators and legislative staff may pay an amount established and published by the delegation as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the delegation may make the event a free, open public event as described in Paragraph 1.g)7. above.

2. **Question:** Can a legislator or legislative employee go up to the 22nd floor of the Capitol and partake of free food and drink provided by an organization hosting a luncheon or event at the Capitol?

**ANSWER:** It depends. Yes, provided the organization hosting the event is not a principal and none of the food and beverages are paid for or provided by a lobbyist or principal. Otherwise, the legislator or legislative employee could attend the event but could not partake of the free food or beverages or they can pay the fair market value of what they consume.

3. **Question:** Can “legislative days” that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees during the session and are hosted by counties, cities, universities, and others that employ a lobbyist continue?

**ANSWER:** “Legislative days” and other legislative events funded by lobbyist or principal dollars may continue *provided* no free food, drink, entertainment, or other personal benefit is provided to a legislator or legislative employee, either directly or indirectly. Any such benefit would be a prohibited goodwill expenditure.

Legislators and legislative staff may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.

4. **Question:** Can a not-for-profit organization host receptions and events for legislators that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees through contributions solicited from lobbyists or principals who sponsor the reception or event?

**ANSWER:** The charity may host a reception or event for legislators and legislative employees *provided* that no free food, beverages, entertainment, or other personal benefit is provided to a legislator or legislative employee from the funds of lobbyists or principals.
Legislators and legislative employees may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.

5. Question: Can a lobbyist or principal host an event with food, beverages, entertainment, or other personal benefit for legislators or legislative employees and collect from each legislator or legislative employee, a flat, per-person entrance fee based on the total cost to plan, produce, stage, and clean up after the event, divided by the number of persons reasonably expected to attend?

ANSWER: Yes.

6. Question: Each year, a few associations host legislative receptions/BBQs and invite their members as well as legislators. They usually pass out campaign funds at these events to those who support their industry. Would it now be legal to host this event if it were called a “fundraiser”? Could legislators then accept free food and beverages at the event?

ANSWER: Senate Rule 1.361 precludes a senator, and House Rule 15.3 precludes a representative, from accepting a campaign contribution during a regular or special session, in addition to prohibiting them from accepting contributions on behalf of a section 527 or section 501(c)(4) organization, a political committee, a committee of continuous existence, a political party, or the campaign of any other senatorial candidate or candidate for representative, respectively. Thus, any fundraiser held during a regular or special session would violate the rules of each house.

Fundraisers not held during a regular or special session are outside the purview of the expenditure prohibitions in the new law. A goodwill lobbying expenditure does not include contributions or expenditures reported pursuant to chapter 106, Florida Statutes. However, if the facts and circumstances demonstrate that calling the event a “fundraiser” is merely an artifice for lobbyists or principals to provide free gifts, food, beverages, and other items or services of personal benefit to a legislator, not associated with influencing the results of an election, then the fundraiser would violate the expenditure prohibition of the new law. Note, also, that fundraisers remain subject to the contribution restrictions and requirements of Florida’s campaign finance law (chapter 106, Florida Statutes).

HONORARIA EXPENSES

7. Question: Can a lobbyist or principal continue to pay or reimburse a legislator’s or legislative employee’s expenses for such items as food and beverages, travel, and lodging associated with an honorarium event?

ANSWER: No.
GIFTS TO LEGISLATORS

8. Question: Can a school child give a legislator a painting that he or she has made?

   ANSWER: Yes. The prohibition against lobbying expenditures only applies to lobbyists and principals, and those acting on their behalf.

9. Question: Can a school student whose parent is a lobbyist or principal give a scarf that was purchased by the child’s parent to a legislator as a gift?

   ANSWER: It depends. The lobbying expenditure prohibition applies to all gifts from lobbyists or principals to legislators, directly or indirectly. A lobbyist or principal cannot use a third-party intermediary to circumvent the lobbying expenditure prohibition. Thus, if the facts and circumstances demonstrate that the scarf is an indirect gift from the lobbyist or principal to the legislator, it would be prohibited.

10. Question: Can a legislator accept rent-free office space and associated building services from a city, county, or community college in his or her district that employs or retains a lobbyist?

   ANSWER: Yes. See Paragraph 1.g)6. above for explanation and limitations.

11. Question: Can a legislator or legislative staff accept transportation services from another governmental entity?

   ANSWER: Yes. See Paragraph 1.g)6. above for explanation and limitations.

12. Question: Are there any value limitations on the exceptions in the new law for “floral arrangements or other celebratory items given to legislators and displayed in chambers on the opening day of a regular session”?

   ANSWER: Yes. All opening day flowers and floral arrangements are subject to the limitations and requirements of the gift law (section 112.3148, Florida Statutes). No other celebratory items will be allowed in either chamber on opening day of the regular session.

FOOD AND BEVERAGES/GIFTS

13. Question: Can a legislator or legislative employee and his or her spouse have dinner with a lobbyist friend the legislator or legislative employee has known for 30 years at the lobbyist’s home, whether or not active lobbying occurs?

   ANSWER: Yes, provided the legislator or legislative employee contemporaneously provides the lobbyist with the pro rata share of the total
fair market value of the cost of the food and beverages provided to the legislator or legislative employee and his or her spouse, either in cash or barter (i.e., bottle of wine, flowers). Otherwise, the expenditure for food and beverages would constitute a prohibited goodwill expenditure, irrespective of the extent of the legislator’s and lobbyist’s friendship.

14. Question: Can a lobbyist or principal and legislator or legislative employee have dinner at a public restaurant?

**ANSWER:** Yes, provided the dinner is “Dutch treat.”

15. Question: Can a lobbyist or principal and a legislator or legislative employee have dinner “Dutch treat” at the Governor’s Club?

**ANSWER:** Yes, provided the legislator or legislative employee pays the total cost of all food and beverage that he or she was served or consumed, or that was served to or consumed by a person whose expenditures are attributed to the legislator or legislative employee.

16. Question: Can a lobbyist’s business partner, employee, spouse, or child, who is not a registered lobbyist, accompany the lobbyist and legislator or legislative employee to dinner and pay for all the food and beverages if the partner, employee, spouse, or child does not actively lobby?

**ANSWER:** No. The lobbying expenditure prohibition applies to all food and beverages provided by lobbyists or principals to legislators or legislative employees, directly or indirectly. A lobbyist or principal cannot utilize a third-party intermediary to channel gifts to legislators to circumvent the lobbying expenditure prohibition.

17. Question: If someone offers a legislator or legislative employee a drink at a bar, or any other gift or personal benefit, does the legislator or legislative employee have a duty to inquire if the donor is a lobbyist or principal?

**ANSWER:** Yes. A legislator or legislative employee is liable for knowingly accepting an expenditure from a lobbyist or principal, or someone acting on behalf of a lobbyist or principal. “Knowingly” has many statutory definitions, including that a person: (1) has actual knowledge of the information; (2) acts in deliberate ignorance of the truth or falsity of the information; or, (3) acts in reckless disregard of the truth or falsity of the information. Therefore, prudence dictates that the legislator or legislative employee, at a minimum, make reasonable inquiry as to the source of the proposed expenditure to determine whether it is prohibited. Reasonableness will turn on the facts and circumstances of each individual situation.

For example, a legislator receiving an invitation to an event to be held the next week, from an organization he or she is not familiar with would likely require that the legislator, at a minimum, consult the online
directory of legislative principals and lobbyists, and perhaps make further inquiry if facts or circumstances come to light indicating that the organization might be making the expenditure on behalf of a lobbyist or principal. Similarly, a legislator offered a drink from someone he or she doesn’t know in a Tallahassee bar or restaurant generally known to be frequented by lobbyists would probably be required, at a minimum, to ask whether the person is a lobbyist or principal or affiliated with a lobbyist or principal. On the other hand, a Miami legislator on personal holiday with his or her spouse at Busch Gardens in Tampa, who strikes up a friendship with a couple they don’t know visiting from Colorado and who subsequently offers to pay for the legislator’s and spouse’s dinner probably has less of a duty to inquire whether either member of the couple is a Florida lobbyist or principal.

CHARITIES

18. **Question:** Can a legislator or legislative employee raise funds from lobbyists or principals for charitable causes?

**ANSWER:** Yes, provided the charity for which funds are sought is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof. Otherwise, such a contribution or donation would constitute a prohibited goodwill expenditure.

19. **Question:** Can a legislator or legislative employee establish or operate a charitable foundation that relies on lobbyist or principal support?

**ANSWER:** No. A legislator or legislative employee may establish or operate a charitable organization but none of the money contributed or donated to the charity may be from lobbyists or principals. Such a contribution or donation would constitute a prohibited goodwill expenditure.

20. **Question:** Can a legislator or legislative employee sit on the board of a charitable organization that is not established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof? Can he or she accept free food and beverages provided by the charity and be reimbursed by the charity for expenses associated with the work of the charity (i.e., travel, lodging)?

**ANSWER:** Yes. A legislator or legislative employee may sit on the board of a charitable organization that receives donations and contributions from lobbyists, and may partake of free food, beverages, and other personal benefits provided by the charity to board members in connection with their service, including reimbursement of personal expenses incurred by board members in furtherance of the charity’s work. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with a legislator’s or
legislative employee's employment, business, or service as an officer or
director of a corporation or organization. However, any such salary,
benefit, services, fees, commissions, gifts, or expenses cannot be from
funds earmarked by lobbyists or principals to the charity for such purpose
and must be received only for the legislator's or legislative employee's
service as a member of the board.

21. Question: Can a legislative caucus that is established as a
nonprofit group raise funds from lobbyists for its charitable causes?

ANSWER: It depends. If the legislative caucus or the nonprofit group
is directly or indirectly established by, organized by, operated primarily
by, or controlled by a legislator or legislative employee, or any combina-
tion thereof, then the answer is no.

If the legislative caucus or the nonprofit group is not directly or
indirectly established by, organized by, or operated primarily by, or
controlled by a legislator or legislative employee, or any combination
thereof, then the answer is yes.

22. Question: Can a legislative caucus that is established as a
nonprofit group host its own charity golf tournament funded by lobbyist
or principal “sponsors” at a private club, where the cost of sponsorship
buys an opportunity to play golf with a member of the caucus, and to make
a presentation to the caucus before and after the event?

ANSWER: Yes, provided the legislative caucus or the nonprofit group
is not directly or indirectly established by, organized by, operated
primarily by, or controlled by a legislator or legislative employee, or
any combination thereof, and the legislators and legislative employees
pay their own golf fees and the per-person cost for food and beverage.

OTHER

23. Question: What happens when a legislator is married to, related to,
or living with a lobbyist? Can the lobbyist pay for meals, lodging, etc.?

ANSWER: Yes, provided the lobbyist does not use the expenditure to
actively lobby the legislator. Expenditures by “relatives” of a legislator for
food, lodging, travel, and the like are specifically exempt from the
definition of a goodwill expenditure.

24. Question: Can a legislator be employed by a lobbyist or principal?
Can a legislator go to the employer's retreat and partake of food and
beverages?

ANSWER: Yes. A goodwill expenditure does not include salary,
benefits, services, fees, commissions, gifts, or expenses associated
primarily with a legislator's or legislative employee's employment, busi-
ness, or service as an officer or director of a corporation or organization.
25. **Question:** Where a lobbyist or principal leaves a gift, such as a box of chocolates, in a legislator’s office, what should the legislator do with the item?

**ANSWER:** When a legislator or legislative employee receives an item that they believe violates the prohibition against accepting an expenditure from a lobbyist or principal, the item must either be sent back to the donor or delivered to the Sergeant at Arms for disposal.

**Part Two—Compensation**

(1) **General Guidelines**

Chapter 2005-359, *Laws of Florida*, for the first time, requires the reporting of compensation received by lobbying firms for each calendar quarter, both in the aggregate and for each individual principal. Much of the reporting is done in dollar categories; however, if compensation from a single principal is $50,000 or more in a calendar quarter, the lobbying firm must report the specific dollar amount of the compensation, rounded to the nearest $1,000.

A “lobbying firm” is any business entity with a lobbyist, or an individual contract lobbyist, who gets paid to lobby for a principal. It is the lobbying firm that must report, not the individual lobbyists in the firm (except in the case of an individual contract lobbyist, where the lobbyist also comprises the entire lobbying firm).

Reports are due no later than 45 days after the end of each calendar quarter. Compensation reports must be filed electronically using the online filing system of the Office of Legislative Services.

The new law requires the senior partner, officer, or owner of the lobbying firm to certify to the veracity and completeness of each compensation report. This requirement is designed to discourage the mischaracterization and thus omission of reportable compensation through designations such as “media fees,” “consulting services,” “professional services,” “governmental services,” and other such artifices.

For example, if a law firm were paid a lump sum for rendering multiple types of services to a client, only one of which is lobbying, then the person certifying the report is responsible for properly and reasonably allocating the portion of the total fee received for lobbying activities and for activities other than lobbying. Only the compensation received for lobbying activities is to be reported on the compensation form.

The Legislature will use random audits supplemented by the lobbyist disciplinary process to hold the person certifying the compensation report and the lobbying firm accountable for making a true, complete, properly-allocated report as required by law. In addition, the certification brings
every compensation report filer within the scope of potential criminal penalties in section 837.06, Florida Statutes, for culpable violations.

(2) Frequently Asked Questions

1. Question: Is an in-house, salaried lobbyist for an association, a governmental entity, or a corporation that does not derive income from principals for lobbying required to report compensation?

   ANSWER: No. An association, a governmental entity, a corporation or other business entity that does not derive income from principals for lobbying, and its employee lobbyists, are not a “lobbying firm” as defined in section 11.045(1)(g), Florida Statutes. Only “lobbying firms” must report compensation as provided in section 11.045(3)(a), Florida Statutes.

2. Question: Does the prohibition against providing compensation to an individual or business entity that is not a lobbying firm mean that in-house lobbyists must either become a lobbying firm or cease lobbying?

   ANSWER: No. The provision in question merely clarifies that reportable “compensation” under the law must be provided to a “lobbying firm,” and not contracted or subcontracted through some “straw man” to circumvent compensation reporting requirements. The provision in question clarifies and emphasizes the statutory definition of “compensation” in section 11.045(1)(b), Florida Statutes, as “anything of value provided or owed to a lobbying firm.”

RULE TEN

CHAMBER OF THE SENATE

10.1—Persons entitled to admission

   No person shall be admitted to the main floor of the Senate Chamber while the Senate is in session except present members of the Senate, all officers and employees of the Senate in the performance of their duties, and persons charged with messages or papers to the Senate. Also entitled to admission are the Governor or one (1) representative designated by the Governor, the Lieutenant Governor, Cabinet officers, former Governors, present and former United States Senators, present and former members of the House of Representatives of the United States and of this State, Justices of the Supreme Court, former State Senators of Florida, and persons by invitation of the President. A special section of the gallery shall be reserved for members of the families of Senators.

10.2—Exception

   Except at the discretion of the President, no person entitled to admission shall be admitted if registered pursuant to Rule Nine (9). No
person admitted under this rule shall engage in any lobbying activity for or against any measure under consideration in the Senate.

10.3—Admission of press by President

Members of the press and of radio and television stations, in performance of their duties, shall be assigned to a press section specifically set aside for them, and shall not be allowed on the Senate floor while the Senate is in session, except with the approval of the President.

10.4—Attire

All persons on the main floor of the Senate Chamber and in the gallery (with the exception of visitors in that portion of the gallery set aside for the general public) shall wear appropriate business attire at all times while the Senate is in session.

10.5—Gallery

No food or beverages shall be allowed in the gallery at any time.

RULE ELEVEN

CONSTRUCTION AND WAIVER OF RULES

11.1—Interpretation of Rules

It shall be the duty of the President, or the presiding officer for the time being, to interpret all Rules. Motions for the previous question and to lay on the table shall not be entertained.

11.2—Waiver and suspension of Rules

These Rules shall not be waived or suspended except by a two-thirds (2/3) vote of those Senators present. The motion, when made, shall be decided without debate. A motion to waive a Rule requiring unanimous consent of the Senate shall be construed to be an amendment to these Rules and shall be referred to the Rules Committee except by unanimous consent of those Senators present.

11.3—Changes in Rules

All proposed actions regarding the Rules and Order of Business in the Senate shall be first referred to the Rules Committee, which shall report
as soon as practicable. Consideration of such a report shall always be in order. The Rules Committee may originate reports and resolutions dealing with the Senate Rules and the Order of Business, and such power shall be exclusive, provided, however, that any report made pursuant to this Rule may be amended by a two-thirds (2/3) vote of those Senators present.

11.4—Majority action

Unless otherwise indicated by the Senate Rules or the State Constitution, all action by the Senate shall be by majority vote of those Senators present.

11.5—Uniform construction

When in the Senate Rules reference is made to “two-thirds (2/3) of those present,” “two-thirds (2/3) vote,” “two-thirds (2/3) of the Senate,” “two-thirds (2/3) of those voting,” etc., these shall all be construed to mean two-thirds (2/3) of those Senators present, except that two-thirds (2/3) of the membership of the Senate shall be required to consider additional proposed legislation in any extended session in accordance with Article III, Section 3 of the State Constitution.

11.6—General

When used in the Senate Rules, the following words shall, unless the text otherwise indicates, have the following respective meaning: the singular always includes the plural. Except where specifically provided or where the context indicates otherwise, the use of the word “bill,” “measure,” or “matter” means a bill, joint resolution, concurrent resolution, resolution, or memorial; however, “matter” also means an amendment, an appointment, or a suspension.

RULE TWELVE
EXECUTIVE SESSIONS, APPOINTMENTS, SUSPENSIONS, AND REMOVALS

PART ONE—EXECUTIVE SESSIONS

12.1—Executive session; authority

The business of the Senate shall be transacted openly and not in executive session except under conditions pursuant to Article III, Section 4(b) of the State Constitution.

12.2—Executive session; purpose

Pursuant to Article III, Section 4(b) of the State Constitution, the Senate may resolve itself into executive session for the sole purpose of
considering appointment, removal, or suspension. No one shall be in attendance except Senators, the Secretary, and staff as approved by the President, who shall be sworn not to disclose any executive business without consent of the Senate.

12.3—Executive session; vote required

When the Senate agrees, by a majority of those Senators present, that specified appointments, removals, or suspensions shall be considered in executive session, such shall be calendared for formal consideration by the Senate.

12.4—Executive session; work product confidentiality

All information and remarks including committee work product concerning the character and qualification, together with the vote on each appointment, removal, or suspension considered in executive session shall be kept confidential except information on which the bans of confidentiality were lifted by the Senate while in executive session.

12.5—Executive session; separate Journal

A separate Journal shall be kept of executive proceedings of the Senate, and no information regarding same shall be made public except by order of the Senate or by order of a court of competent jurisdiction.

12.6—Violation of Rule

Violation of the above Rules as to the confidentiality of the proceedings of executive sessions shall be considered by the Senate as sufficient grounds for unseating the offending Senator.

PART TWO—APPOINTMENTS, SUSPENSIONS, AND REMOVALS

12.7—Procedure

(1) Except as otherwise herein provided, on receipt by the Senate of appointments or suspensions on which action by the Senate is required, the President shall refer each to the Ethics and Elections Subcommittee, other appropriate committee or committees, or a special master appointed by the President. Any such committee, subcommittee, or special master shall make inquiry or investigation and hold hearings, as appropriate, and advise the President and the Senate with a recommendation and the necessity for deliberating the subject in executive session. Reports and findings of the committee, subcommittee, or the special master appointed pursuant hereto are advisory only and shall be made to the President. The report of the committee, subcommittee, or the special master may be privileged and confidential. The President may order the report presented to the Senate in either open or executive session, or the President may refer it to the Rules Committee for its consideration and
report. When the report is presented to the Senate in open session or received by the Rules Committee, the report shall lose its privileged and confidential character.

(2) Upon receipt of a request by the Governor or other appointing official or authority for the return of the documentation of an appointment, which appointment has not been acted upon by the Senate, the Secretary, upon consultation with the President, shall return the appointment documentation and the return shall be noted in the Journal. The appointee whose appointment was returned continues in office until the end of the next ensuing session of the Legislature or until the Senate confirms a successor, whichever occurs first.

(a) If the appointment returned was made by the Governor, official or authority’s predecessor, the appointee shall not be subject to the provisions of section 114.05(1)(e) or (f), Florida Statutes, during the period of withdrawal.

(b) If the appointment returned was made by the Governor, official or authority requesting the return, for purposes of section 114.05(1)(e) and (f), Florida Statutes, the returned appointment shall be treated as if the Senate failed to consider the appointment.

(3) An executive suspension of a public official who is under indictment or who has pending against him or her criminal charges filed by the appropriate prosecuting officer in a court of record, or an executive suspension of a public official that is challenged in a court shall be referred to the Ethics and Elections Subcommittee, other appropriate committee or special master; however, all inquiry or investigation or hearings thereon shall be held in abeyance and the matter shall not be considered by the Senate, committee, subcommittee, or special master until the pending charges have been dismissed, or until final determination of the criminal charges at the trial court level, or until the final determination of a court challenge, if any, and the exhaustion of all appellate remedies for any of the above. In a suspension case in which the criminal charge is not for the alleged commission of a felony, the committee, subcommittee, or special master and the Senate may proceed if the written consent of counsel for the Governor and of the suspended official is obtained.

(4) The Governor and the suspended official shall be given reasonable notice in writing of any hearing or pre-hearing conference before the committee or special master.

(5) The suspended official may file with the Secretary, no later than ten (10) days prior to the first (1st) pre-hearing conference, or no later than the date set by the committee, subcommittee, or special master if no pre-hearing conference is held, all written defenses or matters in avoidance of the charges contained in the suspension order.
(6) When it is advisable, the committee, subcommittee, or special master may request that the Governor file a bill of particulars containing a statement of further facts and circumstances supporting the suspension order. Within twenty (20) days after the receipt of such bill of particulars by the suspended officer, that officer shall file with the committee, subcommittee, or special master a response to the Governor’s bill of particulars. Such response shall specifically admit or deny the facts or circumstances set forth in the Governor’s bill of particulars, and may further make such representation of fact and circumstances or assert such further defenses as are responsive to the bill of particulars or as may bear on the matter of the suspension.

(7) The committee, subcommittee, or special master may provide for a pre-hearing conference with counsel for the Governor and the suspended official to narrow the issues involved in the suspension. At such conference, both the Governor and the suspended official shall set forth the names and addresses of all the witnesses they intend to call, the nature of their testimony, photocopies of all documentary evidence, and a description of all physical evidence that will be relied on by the parties at the hearing. Each shall state briefly what each expects to prove by such testimony and evidence.

(8) Subject to the limitations of Rule 12.7(3), the committee, subcommittee, or special master shall institute action by transmitting a notice of hearing for a pre-hearing conference or a hearing on the merits within three (3) months after the effective date of the suspension order. If a suspension order is referred to the committee, subcommittee, or special master but held in abeyance in accordance with Rule 12.7(3), the committee, subcommittee, or special master shall institute action within three (3) months after the termination of pending proceedings as described in Rule 12.7(3). The Senate may act on the recommendations of the committee, subcommittee, or special master at any time it is in session but shall do so no later than the end of the next regular session of the Legislature.

(9) For the purposes of Article IV, Section 7(b) of the State Constitution, the Senate may find that the suspended official has committed a felony notwithstanding that a court may have withheld adjudication of guilt upon which the suspension order is based in whole or in part.

(10) If the Governor files an amended suspension order, the attention of the Senate, committee, subcommittee, or special master shall be directed at the amended suspension order.

(11) Within sixty (60) days after the Senate has completed final action on the recommendation of the committee, subcommittee, or special master, any party to the suspension matter may request the return, at that party’s expense, of any exhibit, document, or other evidence introduced by that party. After the expiration of sixty (60) days from
the date the Senate has completed final action, the committee, subcommittee, or special master may dispose of such exhibits or other evidence.

12.8—Special master; appointment

The President may appoint and contract for the services of a special master to perform such duties and make such reports in relation to suspensions and removals as he or she shall prescribe.

12.9—Special master; floor privilege

With consent of the President, the special master may have the privilege of the Senate floor to present and explain the report and answer questions as to the law and facts involved.

12.10—Issuance of subpoenas and process

The committee, subcommittee, and special master shall each have the authority to request the issuance of subpoenas, subpoenas duces tecum, and other necessary process under Rule 2.2. The committee chair, subcommittee chair, and special master may each administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear to testify on matters pending before the committee, subcommittee, or special master.

12.11—Rule takes precedence

In any situation where there is a direct conflict between the provisions of Rule Twelve (12) and part V of chapter 112, Florida Statutes, Rule Twelve (12), derived from Article III, Section 4(a) of the State Constitution, shall take precedence.

RULE THIRTEEN

SPECIAL SESSION

13.1—Applicability of Senate Rules

All Senate Rules shall apply and govern during special sessions except to the extent specifically modified or contradicted herein.

13.2—Sessions of the Senate

The Senate shall meet each legislative day at 9:00 a.m. or pursuant to a schedule provided by the President.

13.3—Committee meetings; schedule, notice

(1) Committee meetings shall be scheduled by the President. Meetings of committees scheduled in accordance with this Rule may be held
after notice is made available in the public corridor leading into the Senate Chamber for two (2) hours in advance of the meeting. A committee may meet less than two (2) hours after the convening of a special session if a notice is filed with the Secretary by 5:00 p.m. of the day prior to the meeting.

(2) The notice shall include the date, time, and place of the meeting together with the name of the introducer, subject, number of each bill to be considered, and the amendment deadline for the meeting. All other provisions for publication of notice of committee meetings are suspended.

13.4—Delivery for introduction

All bills for introduction may be delivered to the Secretary at any time.

13.5—Committee reports

Every bill referred to a standing committee or committees shall be reported to the Secretary before 4:30 p.m. of the third (3rd) calendar day from the day of reference (the day of reference not being counted as the first (1st) day) unless otherwise ordered by the Senate by majority vote of those Senators present. Any bill on which no committee report is filed may be withdrawn from such committee and calendared on point of order. Every bill referred to a standing subcommittee shall be reported to the standing committee at a time specified by the chair of the standing committee which shall not be beyond the time allowed herein.

13.6—Conference committee reports

(1) The report of a conference committee appointed pursuant to Rule 1.5 shall be read to the Senate on two (2) consecutive legislative days and, on the completion of the second (2nd) reading, the vote shall be on the adoption or rejection thereof and final passage of the measure as recommended. During the last two (2) days of a special session the report shall be read only once. A conference committee report shall be made available to the membership two (2) hours prior to the beginning of debate of the report by the Senate.

(2) The report must be acted on as a whole, being adopted or rejected, and each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(3) Conference committees, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(4) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was
the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. In any event the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house.

(5) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on said measure as the Senate may determine.

(6) After Senate conferees have been appointed for thirty-six (36) hours and have failed to make a report, it is a motion of the highest privilege to move to discharge said Senate conferees and to appoint new conferees, or to instruct said Senate conferees.

13.7—Reconsideration

A motion to reconsider shall be made and considered on the same day.

13.8—Special Order Calendar

(1) A Calendar Group, consisting of the Rules Chair, Rules Vice Chair, Majority Leader, Minority Leader, two (2) members of the Rules Committee designated by the President, and one (1) member of the Rules Committee designated by the Minority Leader, shall submit a Special Order Calendar determining the list of bills for consideration by the Senate. The President shall determine the order of such bills on the Special Order Calendar.

(2) Such Special Order Calendar shall be for the next legislative day. The amendment deadline for bills on the Special Order Calendar shall be 5:00 p.m. or two (2) hours after the Special Order Calendar is announced, whichever occurs later.

RULE FOURTEEN

SEAL AND INSIGNIA

14.1—Seal and insignia

(1) There shall be an official seal of the Senate. The seal shall be the size of a circle of two and one-half inches diameter having in the center thereof a fan of the five flags which have flown over Florida, above a disc containing the words: “In God We Trust” arched above a gavel, quill, and scroll. At the top of the field of flags shall be the word: “Seal.” At the bottom shall be the date: “1838.” The perimeter of the seal shall contain the words: “Senate” and “State of Florida.”
There shall be an official coat of arms for the Senate. The coat of arms shall contain a fan of the five flags that have flown over Florida, above the Great Seal of Florida. At the base of the coat of arms shall be the words: “The Florida Senate.”

The Senate Seal, the Senate Coat of Arms, official Senate stationery, calling cards, and facsimiles thereof may be used only in connection with official Senate business.

As instructed by the Senate, necessary technical and conforming changes have been made to the Senate Rules as adopted at the November 16, 2010, Organization Session.

(Quorum = 21)
The Constitution of the State of Florida as revised in 1968 consisted of certain revised articles as proposed by three joint resolutions which were adopted during the special session of June 24-July 3, 1968, and ratified by the electorate on November 5, 1968, together with one article carried forward from the Constitution of 1885, as amended. The articles proposed in House Joint Resolution 1-2X constituted the entire revised constitution with the exception of Articles V, VI, and VIII. Senate Joint Resolution 4-2X proposed Article VI, relating to suffrage and elections. Senate Joint Resolution 5-2X proposed a new Article VIII, relating to local government. Article V, relating to the judiciary, was carried forward from the Constitution of 1885, as amended.

Sections composing the 1968 revision have no history notes. Subsequent changes are indicated by notes appended to the affected sections. The indexes appearing at the beginning of each article, notes appearing at the end of various sections, and section and subsection headings are added editorially and are not to be considered as part of the constitution.
PREAMBLE
We, the people of the State of Florida, being grateful to Almighty God for our constitutional liberty, in order to secure its benefits, perfect our government, insure domestic tranquility, maintain public order, and guarantee equal civil and political rights to all, do ordain and establish this constitution.

ARTICLE I

DECLARATION OF RIGHTS

Sec. 1. Political power.—All political power is inherent in the people. The enunciation herein of certain rights shall not be construed to deny or impair others retained by the people.

SECTION 3. Religious freedom.—There shall be no law respecting the establishment of religion or prohibiting or penalizing the free exercise thereof. Religious freedom shall not justify practices inconsistent with public morals, peace or safety. No revenue of the state or any political subdivision or agency thereof shall ever be taken from the public treasury directly or indirectly in aid of any church, sect, or religious denomination or in aid of any sectarian institution.

SECTION 4. Freedom of speech and press. Every person may speak, write and publish sentiments on all subjects but shall be responsible for the abuse of that right. No law shall be passed to restrain or abridge the liberty of speech or of the press. In all criminal prosecutions and civil actions for defamation the truth may be given in evidence. If the matter charged as defamatory is true and was published with good motives, the party shall be acquitted or exonerated.

SECTION 5. Right to assemble.—The people shall have the right peaceably to assemble, to instruct their representatives, and to petition for redress of grievances.

SECTION 6. Right to work.—The right of persons to work shall not be denied or abridged on account of membership or non-membership in any labor union or labor organization. The right of employees, by and through a labor organization, to bargain collectively shall not be denied or abridged. Public employees shall not have the right to strike.

SECTION 7. Military power.—The military power shall be subordinate to the civil.

SECTION 8. Right to bear arms.—
(a) The right of the people to keep and bear arms in defense of themselves and of the lawful authority of the state shall not be infringed, except that the manner of bearing arms may be regulated by law.

(b) There shall be a mandatory period of three days, excluding weekends and legal holidays, between the purchase and delivery at retail of any handgun. For the purposes of this section, “purchase” means the transfer of money or other valuable consideration to the retailer, and “handgun” means a firearm capable of being carried and used by one hand, such as a pistol or revolver.
ARTICLE I
CONSTITUTION OF THE STATE OF FLORIDA

ARTICLE I

Holders of a concealed weapon permit as prescribed in Florida law shall not be subject to the provisions of this paragraph.

(c) The legislature shall enact legislation implementing subsection (b) of this section, effective no later than December 31, 1991, which shall provide that anyone violating the provisions of subsection (b) shall be guilty of a felony.

(d) This restriction shall not apply to a trade in another handgun.

SECTION 9. Due process.—No person shall be deprived of life, liberty or property without due process of law, or be twice put in jeopardy for the same offense, or be compelled in any criminal matter to be a witness against oneself.

History.—Am. proposed by Constitution Revision Commission, Revision No. 13, 1988, filed with the Secretary of State May 5, 1988; adopted 1988.

SECTION 10. Prohibited laws.—No bill of attainder, ex post facto law or law impairing the obligation of contracts shall be passed.

SECTION 11. Imprisonment for debt.—No person shall be imprisoned for debt, except in cases of fraud.

SECTION 12. Searches and seizures.—The right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures, and against the unreasonable interception of private communications by any means, shall not be violated. No warrant shall be issued except upon probable cause, supported by affidavit, particularly describing the place or places to be searched, the person or persons, thing or things to be seized, the communication to be intercepted, and the nature of evidence to be obtained. This right shall be construed in conformity with the 4th Amendment to the United States Constitution, as interpreted by the United States Supreme Court. Articles or information obtained in violation of this right shall not be admissible in evidence if such articles or information would be inadmissible under decisions of the United States Supreme Court construing the 4th Amendment to the United States Constitution.

SECTION 13. Habeas corpus.—The writ of habeas corpus shall be granted of right, freely and without cost. It shall be returnable without delay, and shall never be suspended unless, in case of rebellion or invasion, suspension is essential to the public safety.

SECTION 14. Pretrial release and detention.—Unless charged with a capital offense or an offense punishable by life imprisonment and the proof of guilt is evident or the presumption is great, every person charged with a crime or violation of municipal or county ordinance shall be entitled to pretrial release on reasonable conditions. If no conditions of release can reasonably protect the community from risk of physical harm to persons, assure the presence of the accused at trial, or assure the integrity of the judicial process, the accused may be detained.

SECTION 15. Prosecution for crime; offenses committed by children.—

(a) No person shall be tried for capital crime without presentment or indictment by a grand jury, or for other felony without such presentment or indictment or an information under oath filed by the prosecuting officer of the court, except persons on active duty in the militia when tried by courts martial.

(b) When authorized by law, a child as therein defined may be charged with a violation of law as an act of delinquency instead of crime and tried without a jury or other requirements applicable to criminal cases. Any child so charged shall, upon demand made as provided by law before a trial in a juvenile proceeding, be tried in an appropriate court as an adult. A child found delinquent shall be disciplined as provided by law.

SECTION 16. Rights of accused and of victims.—

(a) In all criminal prosecutions the accused shall, upon demand, be informed of the nature and cause of the accusation, and shall be furnished a copy of the charges, and shall have the right to have compulsory process for witnesses, to confront at trial adverse witnesses, to be heard in person, by counsel or both, and to have a speedy and public trial by impartial jury in the county where the crime was committed. If the county is not known, the indictment or information may charge venue in two or more counties conjunctively and proof that the crime was committed in that area shall be sufficient; but before pleading the accused may elect in which of those counties the trial will take place. Venue for prosecution of crimes committed beyond the boundaries of the state shall be fixed by law.

(b) Victims of crime or their lawful representatives, including the next of kin of homicide victims, are entitled to the right to be informed, to be present, and to be heard when relevant, at all crucial stages of criminal proceedings, to the extent that these rights do not interfere with the constitutional rights of the accused.

SECTION 17. Excessive punishments.—

Excessive fines, cruel and unusual punishment, attainer, forfeiture of estate, indefinite imprisonment, and unreasonable detention of witnesses are forbidden. The death penalty is an authorized punishment for capital crimes designated by the legislature. The prohibition against cruel or unusual punishment, and the prohibition against cruel and unusual punishment, shall be construed in conformity with decisions of the United States Supreme Court which interpret the prohibition against cruel and unusual punishment provided
in the Eighth Amendment to the United States Constitution. Any method of execution shall be allowed, unless prohibited by the United States Constitution. Methods of execution may be designated by the legislature, and a change in any method of execution may be applied retroactively. A sentence of death shall not be reduced on the basis that a method of execution is invalid. In any case in which an execution method is declared invalid, the death sentence shall remain in force until the sentence can be lawfully executed by any valid method. This section shall apply retroactively.

SECTION 18. Administrative penalties.—No administrative agency, except the Department of Military Affairs in an appropriately convened court-martial action as provided by law, shall impose a sentence of imprisonment, nor shall it impose any other penalty except as provided by law.

SECTION 19. Costs.—No person charged with crime shall be compelled to pay costs before a judgment of conviction has become final.

SECTION 20. Treason.—Treason against the state shall consist only in levying war against it, adhering to its enemies, or giving them aid and comfort, and no person shall be convicted of treason except on the testimony of two witnesses to the same overt act or on confession in open court.

SECTION 21. Access to courts.—The courts shall be open to every person for redress of any injury, and justice shall be administered without sale, denial or delay.

SECTION 22. Trial by jury.—The right of trial by jury shall be secure to all and remain inviolate. The qualifications and the number of jurors, not fewer than six, shall be fixed by law.

SECTION 23. Right of privacy.—Every natural person has the right to be let alone and free from governmental intrusion into the person’s private life except as otherwise provided herein. This section shall not be construed to limit the public’s right of access to public records and meetings as provided by law.

SECTION 24. Access to public records and meetings.—

(a) Every person has the right to inspect or copy any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except with respect to records exempted pursuant to this section or specifically made confidential by this Constitution. This section specifically includes the legislative, executive, and judicial branches of government and each agency or department created thereunder; counties, municipalities, and districts; and each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution.

(b) All meetings of any collegial public body of the executive branch of state government or of any collegial public body of a county, municipality, school district, or special district, at which official acts are to be taken or at which public business of such body is to be transacted or discussed, shall be open and noticed to the public and meetings of the legislature shall be open and noticed as provided in Article III, Section 4(e), except with respect to meetings exempted pursuant to this section or specifically closed by this Constitution.

(c) This section shall be self-executing. The legislature, however, may provide by general law passed by a two-thirds vote of each house for the exemption of records from the requirements of subsection (a) and the exemption of meetings from the requirements of subsection (b), provided that such law shall state with specificity the public necessity justifying the exemption and shall be no broader than necessary to accomplish the stated purpose of the law. The legislature shall enact laws governing the enforcement of this section, including the maintenance, control, destruction, disposal, and disposition of records made public by this section, except that each house of the legislature may adopt rules governing the enforcement of this section in relation to records of the legislative branch. Laws enacted pursuant to this subsection shall contain only exemptions from the requirements of subsections (a) or (b) and provisions governing the enforcement of this section, and shall relate to one subject.

(d) All laws that are in effect on July 1, 1993 that limit public access to records or meetings shall remain in force, and such laws apply to records of the legislative and judicial branches, until they are repealed. Rules of court that are in effect on the date of adoption of this section that limit access to records shall remain in effect until they are repealed.

SECTION 25. Taxpayers’ Bill of Rights.—
By general law the legislature shall prescribe and adopt a Taxpayers’ Bill of Rights that, in clear and concise language, sets forth taxpayers’ rights and responsibilities and government’s responsibilities to deal fairly with taxpayers under the laws of this state. This section shall be effective July 1, 1993.

History.—Proposed by Taxation and Budget Reform Commission, Revision No. 2, 1992, filed with the Secretary of State May 7, 1992; adopted 1992.

Note.—This section, originally designated section 24 by Revision No. 2 of the Taxation and Budget Reform Commission, 1992, was redesignated section 25 by the editors in order to avoid confusion with section 24 as contained in H.J.R.’s 1727, 863, 2035, 1992.
SECTION 26. Claimant’s right to fair compensation.—
(a) Article I, Section 26 is created to read "Claimant’s right to fair compensation." In any medical liability claim involving a contingency fee, the claimant is entitled to receive no less than 70% of the first $250,000.00 in all damages received by the claimant, exclusive of reasonable and customary costs, whether received by judgment, settlement, or otherwise, and regardless of the number of defendants. The claimant is entitled to 90% of all damages in excess of $250,000.00, exclusive of reasonable and customary costs and regardless of the number of defendants. This provision is self-executing and does not require implementing legislation.
(b) This Amendment shall take effect on the day following approval by the voters.

History. —Proposed by Initiative Petition filed with the Secretary of State September 8, 2003; adopted 2004.

SECTION 27. Marriage defined.—Inasmuch as marriage is the legal union of only one man and one woman as husband and wife, no other legal union that is treated as marriage or the substantial equivalent thereof shall be valid or recognized.

They may review interlocutory orders in such cases to the extent provided by rules adopted by the supreme court.
(2) District courts of appeal shall have the power of direct review of administrative action, as prescribed by general law.

(c) CLERKS AND MARSHALS.—Each district court of appeal shall appoint a clerk and a marshal who shall hold office during the pleasure of the court and perform such duties as the court directs. Their compensation shall be fixed by general law. If the supreme court finds that a need exists for increasing or decreasing the number of judges or increasing, decreasing or redefining appellate districts and judicial circuits, it shall, prior to the next regular session of the legislature, certify to the legislature its findings and recommendations concerning such need. Upon receipt of such certificate, the legislature, at the next regular session, shall consider the findings and recommendations and may reject the recommendations or by law implement the recommendations in whole or in part; provided the legislature may create more judicial offices than are recommended by the supreme court or may decrease the number of judicial offices by a greater number than recommended by the court only upon a finding of two-thirds of the membership of both houses of the legislature, that such a need exists. A decrease in the number of judges shall be effective only after the expiration of a term. If the supreme court fails to make findings as provided above when need exists, the legislature may by concurrent resolution request the court to certify its findings and recommendations and upon the failure of the court to certify its findings for nine consecutive months, the legislature may, upon a finding of two-thirds of the membership of both houses of the legislature that a need exists, increase or decrease the number of judges or increase, decrease or redefine appellate districts and judicial circuits.  

SECTION 10. Retention; election and terms.—

If a justice or judge is ineligible or fails to qualify for retention, a vacancy shall exist in that office upon the expiration of the term being served by the justice or judge. When a justice or judge so qualifies, the ballot shall read substantially as follows: “Shall Justice (or Judge) (name of justice or judge) of the (name of the court) be retained in office?”  

If a majority of the qualified electors voting within the territorial jurisdiction of the court vote to retain, the justice or judge shall be retained for a term of six years. The election of circuit judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.
(2) The election of county court judges shall be preserved notwithstanding the provisions of subsection (a) unless a majority of those voting in the jurisdiction of that county approves a local option to select county judges by merit selection and retention rather than by election. The election of county court judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.

(3) a. A vote to exercise a local option to select circuit court judges and county court judges by merit selection and retention rather than by election shall be held in each circuit and county at the general election in the year 2000. If a vote to exercise this local option fails in a vote of the electors, such option shall not again be put to a vote of the electors of that jurisdiction until the expiration of at least two years.

b. After the year 2000, a circuit may initiate the local option for merit selection and retention or the election of circuit judges, whichever is applicable, by filing with the custodian of state records a petition signed by the number of electors equal to at least ten percent of the votes cast in the circuit in the last preceding election in which presidential electors were chosen.

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—
(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.
(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes
prescribed by law, but shall not be subject to ad
valorem taxes.
(c) No money shall be drawn from the treas-
ury except in pursuance of appropriation made by
law.
(d) Provision shall be made by law for raising
sufficient revenue to defray the expenses of the

(e) Except as provided herein, state revenues
collected for any fiscal year shall be limited to state
revenues allowed under this subsection for the
prior fiscal year plus an adjustment for growth. As
used in this subsection, “growth” means an
amount equal to the average annual rate of growth
in Florida personal income over the most recent
twenty quarters times the state revenues allowed
under this subsection for the prior fiscal year. For
the 1995-1996 fiscal year, the state revenues
allowed under this subsection for the prior fiscal
year shall equal the state revenues collected for
the 1994-1995 fiscal year. Florida personal in-

information available from the United States
Department of Commerce or its successor on
the first day of February prior to the beginning of
the fiscal year. State revenues collected for any

the fund reaches the maximum balance specified

legislature in a separate bill that contains no other
subject and that sets forth the dollar amount by
which the state revenues allowed will be in-

seventy-two hours after the third reading of the
bill. For purposes of this subsection, “state revenues”
means taxes, fees, licenses, and charges for
services imposed by the legislature on individuals,
businesses, or agencies outside state govern-
ment. However, “state revenues” does not include:
revenues that are necessary to meet the require-
ments set forth in documents authorizing the
issuance of bonds by the state; revenues that are
used to provide matching funds for the federal
Medicaid program with the exception of the
revenues used to support the Public Medical
Assistance Trust Fund or its successor program
and with the exception of state matching funds
used to fund elective expansions made after July
1, 1994; proceeds from the state lottery returned
as prizes; receipts of the Florida Hurricane Cat-

prior fiscal years; taxes, licenses, fees, and
charges for services imposed by local, regional,
or school district governing bodies; or revenue
from taxes, licenses, fees, and charges for
services required to be imposed by any amend-

1994. An adjustment to the revenue limitation shall
be made by general law to reflect the fiscal impact
of transfers of responsibility for the funding of
governmental functions between the state and
other levels of government. The legislature shall,
by general law, prescribe procedures necessary to
administer this subsection.

SECTION 2. Taxes; rate.—All ad valorem
taxation shall be at a uniform rate within each
taxing unit, except the taxes on intangible perso-
nal property may be at different rates but shall
never exceed two mills on the dollar of assessed
value; provided, as to any obligations secured by
mortgage, deed of trust, or other lien on real estate
wherever located, an intangible tax of not more
than two mills on the dollar may be levied by law to
be in lieu of all other intangible assessments on
such obligations.

SECTION 3. Taxes; exemptions.—
(a) All property owned by a municipality and
used exclusively by it for municipal or public
purposes shall be exempt from taxation. A muni-
cipality, owning property outside the municipality,
may be required by general law to make payment
to the taxing unit in which the property is located.
Such portions of property as are used predomi-
nantly for educational, literary, scientific, religious
or charitable purposes may be exempted by
general law from taxation.
(b) There shall be exempt from taxation,
cumulatively, to every head of a family residing
in this state, household goods and personal
effects to the value fixed by general law, not
less than one thousand dollars, and to every
widow or widower or person who is blind or totally
and permanently disabled, property to the value
fixed by general law not less than five hundred
dollars.
(c) Any county or municipality, for the
purpose of its respective tax levy and subject to
the provisions of this subsection and general law,
grant community and economic development ad
valorem tax exemptions to new businesses and
expansions of existing businesses, as defined by
general law. Such an exemption may be granted
only by ordinance of the county or municipality,
and only after the electors of the county or
municipality voting on such question in a refer-
endum authorize the county or municipality to
adopt such ordinances. An exemption so granted
shall apply to improvements to real property made
by or for the use of a new business and improve-
ments to real property related to the expansion of
an existing business and shall also apply to
tangible personal property of such new business
and tangible personal property related to the
expansion of an existing business. The amount
or limits of the amount of such exemption shall be
specified by general law. The period of time for
which such exemption may be granted to a new
business or expansion of an existing business
shall be determined by general law. The authority
to grant such exemption shall expire ten years
from the date of approval by the electors of the
county or municipality, and may be renewable by
referendum as provided by general law.
(d) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant historic preservation ad valorem tax exemptions to owners of historic properties. This exemption may be granted only by ordinance of the county or municipality. The amount or limits of the amount of this exemption and the requirements for eligible properties must be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

(e) By general law and subject to conditions specified therein, twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

(f) There shall be granted an ad valorem tax exemption for real property dedicated in perpetuity for conservation purposes, including real property encumbered by perpetual conservation easements or by other perpetual conservation protections, as defined by general law.

(g) By general law and subject to the conditions specified therein, each person who receives a homestead exemption as provided in section 6 of this article; who was a member of the United States military or military reserves, the United States Coast Guard or its reserves, or the Florida National Guard; and who was deployed during the preceding calendar year on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature shall receive an additional exemption equal to a percentage of the taxable value of his or her homestead property. The applicable percentage shall be calculated as the number of days during the preceding calendar year the person was deployed on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature divided by the number of days in that year.

Note.—This subsection, originally designated (g) by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, was redesignated (f) by the editors to conform to the redesignation of subsections by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 4. Taxation; assessments.—By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead, unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8)a. A person who establishes a new homestead as of January 1, 2009, or January 1 of any subsequent year and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of either of the two years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on
January 1, 2007. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of $500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than $500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals $500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the Legislature shall provide for application of this paragraph to property owned by more than one person.

e. The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

f. A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner’s spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.
(2) Twenty percent of the total assessed value of the property as improved.

(g) For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.
(2) No assessment shall exceed just value.
(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(h) For all levies other than school district levies, assessments of real property that is not subject to the assessment limitations set forth in subsections (a) through (d) and (g) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

Thereafter, such property shall be assessed as provided in this subsection.

(5) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property used for residential purposes:

(1) Any change or improvement made for the purpose of improving the property’s resistance to wind damage.

SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner’s or member’s proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. veteran was honorably discharged upon separa-
tion from military service. The discount shall be in
a percentage equal to the percentage of the
veteran’s permanent, service-connected disability
as determined by the United States Department of
Veterans Affairs. To qualify for the discount
granted by this subsection, an applicant must
submit to the county property appraiser, by March
1, proof of residency at the time of entering military
service, an official letter from the United States
Department of Veterans Affairs stating the per-
centage of the veteran’s service-connected dis-
ability and such evidence that reasonably identi-
fies the disability as combat related, and a copy of
the veteran’s honorable discharge. If the property
appraiser denies the request for a discount, the
appraiser must notify the applicant in writing of the
reasons for the denial, and the veteran may
reappraise. The Legislature may, by general law,
waive the annual application requirement in sub-
sequent years. This subsection shall take effect
December 7, 2006, is self-executing, and does not
require implementing legislation.

History.—Am. S.J.R. 1-B, 1979; adopted 1980; Am. S.J.R.
Am. proposed by Constitution Revision Commission, Revision No.
13, 1998, filed with the Secretary of State May 5, 1998; adopted

SECTION 7. Allocation of pari-mutuel
taxes.—Taxes upon the operation of pari-mutuel
pools may be preempted to the state or allocated
in whole or in part to the counties. When allocated
to the counties, the distribution shall be in equal
amounts to the several counties.

SECTION 8. Aid to local governments.—
State funds may be appropriated to the several
counties, school districts, municipalities or special
districts upon such conditions as may be provided
by general law. These conditions may include the
use of relative ad valorem assessment levels
determined by a state agency designated by
general law.

SECTION 9. Local taxes.—
(a) Counties, school districts, and municipali-
ties shall, and special districts may, be authorized
by law to levy ad valorem taxes and may be
authorized by general law to levy other taxes,
for their respective purposes, except ad valorem
taxes on intangible personal property and taxes
prohibited by this constitution.

(b) Ad valorem taxes, exclusive of taxes
levied for the payment of bonds and taxes levied
for periods not longer than two years when
authorized by vote of the electors who are the
owners of freeholds therein not wholly exempt
from taxation, shall not be levied in excess of the
following millages upon the assessed value of real
estate and tangible personal property: for all
county purposes, ten mills; for all municipal
purposes, ten mills; for all school purposes, ten
mills; for water management purposes for the
northwest portion of the state lying west of the line
between ranges two and three east, 0.05 mill; for
water management purposes for the remaining
portions of the state, 1.0 mill; and for all other
special districts a millage authorized by law
approved by vote of the electors who are owners
of freeholds therein not wholly exempt from
taxation. A county furnishing municipal services
may, to the extent authorized by law, levy addi-
tional taxes within the limits fixed for municipal
purposes.

SECTION 10. Pledging credit.—Neither the
state nor any county, school district, municipality,
special district, or agency of any of them, shall
become a joint owner with, or stockholder of, or
give, lend or use its taxing power or credit to aid
any corporation, association, partnership or per-
son; but this shall not prohibit laws authorizing:
(a) the investment of public trust funds;
(b) the investment of other public funds in
obligations of, or insured by, the United States or
any of its instrumentalities;
(c) the issuance and sale by any county,
municipality, special district or other local govern-
mental body of (1) revenue bonds to finance or
refinance the cost of capital projects for airports or
port facilities, or (2) revenue bonds to finance or
refinance the cost of capital projects for industrial
or manufacturing plants to the extent that the
interest thereon is exempt from income taxes
under the then existing laws of the United States,
when, in either case, the revenue bonds are
payable solely from revenue derived from the
sale, operation or leasing of the projects. If any
project so financed, or any part thereof, is
occupied or operated by any private corporation,
association, partnership or person pursuant to
contract or lease with the issuing body, the
property interest created by such contract or
lease shall be subject to taxation to the same
extent as other privately owned property.
(d) a municipality, county, special district, or
agency of any of them, being a joint owner of,
giving, or lending or using its taxing power or credit
for the joint ownership, construction and operation
of electrical energy generating or transmission
facilities with any corporation, association, part-
nership or person.

SECTION 11. State bonds; revenue bonds.
(a) State bonds pledging the full faith and
credit of the state may be issued only to finance or
refinance the cost of state fixed capital outlay
projects authorized by law, and purposes inciden-
tal thereto, upon approval by a vote of the electors;
provided state bonds issued pursuant to this
subsection may be refunded without a vote of
the electors from a lower net average outlay or
interest cost rate. The total outstanding principal of state bonds
issued pursuant to this subsection shall never
exceed fifty percent of the total tax revenues of
the state for the two preceding fiscal years, excluding
any tax revenues held in trust under the provisions
of this constitution.
(b) Moneys sufficient to pay debt service on state bonds as the same becomes due shall be appropriated by law.

(c) Any state bonds pledging the full faith and credit of the state issued under this section or any other section of this constitution may be combined for the purposes of sale.

(d) Revenue bonds may be issued by the state or its agencies without a vote of the electors to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, and shall be payable solely from funds derived directly from sources other than state tax revenues.

(e) Bonds pledging all or part of a dedicated state tax revenue may be issued by the state in the manner provided by general law to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

(f) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

SECTION 12. Local bonds.—Counties, school districts, municipalities, special districts and local governmental bodies with taxing powers may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(a) to finance or refinance capital projects authorized by law and only when approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation; or

(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

SECTION 13. Relief from illegal taxes.—Until payment of all taxes which have been legally assessed upon the property of the same owner, no court shall grant relief from the payment of any tax that may be illegal or illegally assessed.

SECTION 14. Bonds for pollution control and abatement and other water facilities.—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued without an election to finance the construction of air and water pollution control and abatement and solid waste disposal facilities and other water facilities authorized by general law (herein referred to as “facilities”) to be operated by any municipality, county, district or authority, or any agency thereof (herein referred to as “local governmental agencies”), or by any agency of the State of Florida. Such bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from operation of such facilities, special assessments, rentals to be received under lease-purchase agreements herein provided for, any other revenues that may be legally available for such purpose, including revenues from other facilities, or any combination thereof (herein collectively referred to as “pledged revenues”), and shall be additionally secured by the full faith and credit of the State of Florida.

(b) No such bond shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the pledged revenues exceed seventy-five per cent of the pledged revenues.

(c) The state may lease any of such facilities to any local governmental agency, under lease-purchase agreements for such periods and under such other terms and conditions as may be mutually agreed upon. The local governmental agencies may pledge the revenues derived from such leased facilities or any other available funds for the payment of rentals thereunder; and, in addition, the full faith and credit and taxing power of such local governmental agencies may be pledged for the payment of such rentals without any election of freeholder electors or qualified electors.

(d) The state may also issue such bonds for the purpose of loaning money to local governmental agencies, for the construction of such facilities to be owned or operated by any of such local governmental agencies. Such loans shall bear interest at not more than one-half of one cent per annum greater than the last preceding issue of state bonds pursuant to this section, shall be secured by the pledged revenues, and may be additionally secured by the full faith and credit of the local governmental agencies.

(e) The total outstanding principal of state bonds issued pursuant to this section 14 shall never exceed fifty per cent of the total tax revenues of the state for the two preceding fiscal years.

SECTION 15. Revenue bonds for scholarship loans.—

(a) When authorized by law, revenue bonds may be issued to establish a fund to make loans to students determined eligible as prescribed by law and who have been admitted to attend any public or private institutions of higher learning, junior colleges, health related training institutions, or vocational training centers, which are recognized or accredited under terms and conditions prescribed by law. Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such
fund. There shall be established from the proceeds of each issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) Interest money in the fund established pursuant to this section, not required in any fiscal year for payment of debt service on then outstanding revenue bonds or for maintenance of the reserve account, may be used for educational loans to students determined to be eligible therefor in the manner provided by law, or for such other related purposes as may be provided by law.

SECTION 16. Bonds for housing and related facilities.

(a) When authorized by law, revenue bonds may be issued without an election to finance or refinance housing and related facilities in Florida, herein referred to as “facilities.”

(b) The bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from the financing, operation or sale of such facilities, mortgage or loan payments, and any other revenues or assets that may be legally available for such purposes derived from sources other than ad valorem taxation, including revenues from other facilities, or any combination thereof, herein collectively referred to as “pledged revenues,” provided that in no event shall the full faith and credit of the state be pledged to secure such revenue bonds.

(c) No bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed ninety percent of the pledged revenues available for payment of such debt service requirements, as defined by law. For the purposes of this subsection, the term “pledged revenues” means all revenues pledged to the payment of debt service, excluding any pledge of the full faith and credit of the state.

SECTION 18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.

(a) No county or municipality shall be bound by any general law requiring such county or municipality to spend funds or to take an action requiring the expenditure of funds unless the legislature has determined that such law fulfills an important state interest and unless: funds have been appropriated that have been estimated at the time of enactment to be sufficient to fund such expenditure; the legislature authorizes or has authorized a county or municipality to enact a funding source not available for such county or municipality on February 1, 1989, that can be used to generate the amount of funds estimated to be sufficient to fund such expenditure by a simple majority vote of the governing body of such county or municipality; the law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; the expenditure is required to comply with a law that applies to all persons similarly situated, including the state and local governments; or the law is either required to comply with a federal requirement or required for eligibility for a federal entitlement, which federal requirement specifically contemplates actions by counties or municipalities for compliance.

(b) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenues in the aggregate, as such authority exists on February 1, 1989.

(c) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the percentage of a state tax shared with counties and municipalities as an aggregate on February 1, 1989. The provisions of this subsection shall not apply to enhancements enacted after February 1, 1989, to state tax sources, or during a fiscal emergency declared in a written joint proclamation issued by the president of the senate and the speaker of the house of representatives, or where the legislature provides additional state-shared revenues which are anticipated to be sufficient to replace the anticipated aggregate loss of state-shared
revenues resulting from the reduction of the percentage of the state tax shared with counties and municipalities, which source of replacement revenues shall be subject to the same requirements for repeal or modification as provided herein for a state-shared tax source existing on February 1, 1989.

(d) Laws adopted to require funding of pension benefits existing on the effective date of this section, criminal laws, election laws, the general appropriations act, special appropriations acts, laws reauthorizing but not expanding then-existing statutory authority, laws having insignificant fiscal impact, and laws creating, modifying, or repealing noncriminal infractions, are exempt from the requirements of this section.

(e) The legislature may enact laws to assist in the implementation and enforcement of this section.

One commissioner residing in each district shall be elected as provided by law.

(f) NON-CHARTER GOVERNMENT. Counties not operating under county charters shall have such power of self-government as is provided by general or special law. (g) CHARTER GOVERNMENT. Counties operating under county charters shall have all powers of local self-government not inconsistent with general law, or with special law approved by vote of the electors. The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit from the facility or service for which the indebtedness was incurred.

SECTION 4. Transfer of powers.—By law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

SECTION 5. Local option.—

Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.

(b) Each county shall have the authority to require a criminal history records check and a 5 to 5-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within such county. For purposes of this subsection, the term “sale” means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access. All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to Article VIII, Section 11, of the Constitution of 1885, as amended, shall be valid, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said Article VIII, Section 11, of the Constitution of 1885, as amended.

SECTION 9. Legislative power over city of Jacksonville and Duval County.—The Legislature shall have power to establish, alter or abolish, a Municipal corporation to be known as the City of Jacksonville, extending territorially throughout the present limits of Duval County, in the place of any or all county, district, municipal and local governments, boards, bodies and officers, constitutional or statutory, legislative, executive, judicial, or administrative, and shall prescribe the jurisdiction, powers, duties and functions of such Municipal corporation, its legislative, executive, judicial and administrative departments and its boards, bodies and officers; to divide the territory included in such municipality into subordinate districts, and to prescribe a just and reasonable system of taxation for such municipality and districts; and to fix the liability of such municipality and districts. Bonded and other indebtedness, existing at the time of the establishment of such municipality, shall be enforceable only against property theretofore taxable therefor. The Legislature shall, from time to time, determine what portion of said municipality is a rural area, and a homestead in such rural area shall not be limited as if in a city or town. Such municipality may exercise all the powers of a Municipal corporation and shall also be recognized as one of the legal political divisions of the State with the duties and obligations of a county and shall be entitled to all the powers, rights and privileges, including representation in the State Legislature, which would accrue to it if it were a county. All property of Monroe County and of the municipality in said county shall vest in such Municipal corporation when established as herein provided. The offices of Clerk of the Circuit Court and Sheriff shall not be abolished but the Legislature may prescribe the time when, and the manner in which, such abolition or removal thereof shall be to paid to such officers and may vest in them additional powers and duties. No county office shall be abolished or consolidated with another office without the concurrence of three-fourths of the qualified electors voting in an election held in said county, but so long as such Municipal corporation exists under this law the Legislature may amend or extend the law. Nothing herein contained shall be construed to operate against the qualified voters unless the Legislative Act providing for such amendment or extension shall provide for such referendum.

Note.—Section 11 of Art. VIII of the Constitution of 1885, as amended, reads as follows:

SECTION 11. Dade County, home rule charter.—(1) The electors of Dade County, Florida, are granted power to adopt, revise, and amend from time to time a home rule charter for government for Dade County, Florida, under which the Board of County Commissioners of Dade County shall be the governing body. This charter: (a) Shall fix the boundaries of each county commission district, provide a method for changing them from time to time, and fix the number, terms and compensation of the commissioners, and their method of election. (b) May grant full power and authority to the Board of County Commissioners of Dade County to pass ordinances relating to the affairs, property and government of Dade County as may be necessary or proper and suitable penalties for the violation thereof; to levy and collect such taxes as may be authorized by general law and no other taxes, and to do everything necessary to carry on a central metropolitan government in Dade County. (d) May provide a method by which any and all of the functions or powers of any Municipal corporation or other governmental unit in Dade County may be transferred to the Board of County Commissioners of Dade County and none of the other courts provided for by this Constitution or by general law shall have original jurisdiction to try such offenses, although the charter may confer appellate jurisdiction on such courts, and provided further that if said home rule charter shall abolish any county office or offices as authorized herein, that said charter shall contain adequate provision for the carrying on of all functions of said office or offices as are now or may hereafter be provided by general law. (e) May provide a method for establishing new Municipal corporations, special taxing districts, and other governmental units in Dade County from time to time and provide for their government and prescribe their jurisdiction and powers. (h) May change the name of Dade County. (i) Shall provide a method for the recall of any commissioner and a method for initiative and referendum, including the initiation of and referendum on ordinances and the amendment or revision of the home rule charter, provided, however, that the power of the method by which, such and removal of officers provided for in this Constitution shall not be impaired, but shall extend to all officers provided for in said home rule charter. (3) This home rule charter shall be prepared by a Metropolitan Charter Board created by the Legislature and shall be presented to the electors of Dade County in the manner provided by the Legislature. Until a home rule charter is adopted the Legislature may from time to time create additional Charter Boards to prepare charters to be presented to the electors of Dade County for ratification or rejection by the Legislature. (4) The County Commission shall continue to receive its pro rata share of all revenues payable to the County from whatever source to the several counties and the state of Florida shall pay to the Commission all revenues which would have been paid to any municipality in Dade County which may be abolished or by or in the method provided by this home rule charter; provided, however, the Commission shall reimburse the comptroller for the Florida expense incurred if any, in the keeping of separate records to determine the amounts of money which would have been payable to any such municipality.

(5) Nothing in this section shall limit or restrict the power of the Legislature to enact general laws which shall relate to Dade County and any other one or more counties in the state of Florida or to any municipality in Dade County and any other one or more municipalities of the State of Florida and the home rule charter provided for herein shall not conflict with any provision of this Constitution nor of any applicable general laws now applying to Dade County and any other one or more municipalities of the State of Florida except as expressly authorized in this section nor shall any ordinance enacted in pursuance to said home rule charter conflict with this Constitution or any such applicable general law except as expressly authorized herein, nor shall the charter of any municipality in Dade County conflict with this Constitution or any such applicable general law except as expressly authorized herein, provided however that said charter and said ordinances enacted in pursuance thereof may conflict with, modify or nullify any existing local, special or general law applicable only to Dade County.

(6) Nothing in this section shall be construed to limit or restrict the power of the Legislature to enact general laws which shall relate to Dade County and any other one or more counties in the state of Florida or to any municipality in Dade County and any other one or more municipalities of the State of Florida relating to county or municipal affairs and all such general laws shall apply to Dade County and to all municipalities therein to the same extent as if this section had not been adopted and such general laws shall supersede any part or portion of the home rule charter provided for herein in conflict therewith and shall supersede any provision of any ordinance enacted pursuant to said charter and in conflict therewith, and shall supersede any provision of any charter of any municipality in Dade County in conflict therewith.

(7) Nothing in this section shall be construed to limit or restrict the power and jurisdiction of the Railroad and Public Utilities Commission of the State of Florida or of any other commission now or hereafter provided for in this Constitution or by general law and said state agencies, bureaus and commissions shall have the same authority in Dade County as they have in any other county as shall be conferred upon them in regard to other counties.

(8) If any section, subsection, sentence, clause or provisions of this section is held invalid as unconstitutional by a court of the state of Florida or to any municipality in Dade County and any other one or more municipalities of the State of Florida enacted pursuant thereto by the Legislature shall be the supreme law of the state of Florida, except as expressly provided herein and this section shall be strictly construed to maintain such supremacy of this Constitution and of the Legislature in the enactment of general laws pursuant to this Constitution.

*Note.—Section 24 of Art. VIII of the Constitution of 1885, as amended, reads as follows:*

SECTION 24. Hillsborough County, home rule charter.—

(1) The electors of Hillsborough county are hereby granted the power to adopt a charter for government which shall exercise all and all powers for county and municipal purposes which this constitution or the legislature, by general, special or local law, has conferred upon Hillsborough county or any municipality therein.

(2) Such government shall exercise these powers by the enactment of ordinances which relate to government of Hillsborough county and provide penalties for the violation thereof. Such government shall have no power to create or abolish any municipality, except as otherwise provided herein.

(3) The method and manner by which the electors of Hillsborough county shall exercise this power shall be set forth in a charter for the government of Hillsborough county which charter shall be presented to said electors by any charter commission established by the legislature. The legislature may provide for the continuing existence of any charter commission or may establish a charter commission or commissions subsequent to any initial charter, shall provide for a method of charter abolition, and shall provide for a method of charter revisions and amendments to the electors of Dade County.

SECTION 1. Public education.— (a) The education of children is a fundamental value of the people of the State of Florida. It is, therefore, a paramount duty of the state to make adequate provision for the education of all children residing within its borders. Adequate provision shall be made by law for a uniform, efficient, safe, secure, and high quality system of free public schools that allows students to obtain a high quality education and for the establishment, maintenance, and operation of institutions of higher learning and other public education programs that the needs of the people may require.

To assure that children attending public schools obtain a high quality education, the legislature shall make adequate provision to ensure that, by the beginning of the 2010 school year, there are a sufficient number of classrooms so that:

1. The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for prekindergarten through grade 3 does not exceed 18 students;
2. The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for grades 4 through 8 does not exceed 22 students; and
3. The maximum number of students who are assigned to each teacher who is teaching in public school classrooms for grades 9 through 12 does not exceed 25 students.

The class size requirements of this subsection do not apply to extracurricular classes. Payment of the costs associated with reducing class size to meet these requirements is the responsibility of the state and not of local schools districts. Beginning with the 2003-2004 fiscal year, the legislature shall provide sufficient funds to reduce the average number of students in each classroom by at least two students per year until the maximum number of students per classroom does not exceed the requirements of this subsection.

(b) Every four-year old child in Florida shall be provided by the State a high quality pre-kindergarten learning opportunity in the form of an early childhood development and education program which shall be voluntary, high quality, free, and delivered according to professionally accepted standards. An early childhood development and education program means an organized program designed to address and enhance each child’s ability to make age appropriate progress in an appropriate range of settings in the development of language and cognitive capabilities and emotional, social, regulatory and moral capacities through education in basic skills and such other skills as the Legislature may determine to be appropriate.

The early childhood education and development programs provided by reason of subparagraph (b) shall be implemented no later than the beginning of the 2005 school year through funds generated in addition to those used for existing education, health, and development programs. Existing education, health, and development programs are those funded by the State as of January 1, 2002 that provided for child or adult education, health care, or development.

(d) This amendment shall become effective when approved by vote of the electors of the state.

History.—Proposed by Initiative Petition filed with the Secretary of State May 28, 2002; adopted 2004.

Note.—This section, originally designated section 19 by Amendment No. 4, 2004, proposed by Initiative Petition filed with the Secretary of State May 28, 2002, adopted 2004, was redesignated section 23 by the editors in order to avoid confusion with already existing section 19, relating to the high speed ground transportation system.

SECTION 24. Florida minimum wage.—

(a) PUBLIC POLICY. All working Floridians are entitled to be paid a minimum wage that is sufficient to provide a decent and healthy life for them and their families, that protects their employers from unfair low-wage competition, and that does not force them to rely on taxpayer-funded public services in order to avoid economic hardship.

(b) DEFINITIONS. As used in this amendment, the terms “Employer,” “Employee” and “Wage” shall have the meanings established under the federal Fair Labor Standards Act (FLSA) and its implementing regulations.

(c) MINIMUM WAGE. Employers shall pay Employees Wages no less than the Minimum Wage for all hours worked in Florida. Six months after enactment, the Minimum Wage shall be established at an hourly rate of $6.15. On September 30th of that year and on each following September 30th, the state Agency for Workforce Innovation shall calculate an adjusted Minimum Wage rate by increasing the current Minimum Wage rate by the rate of inflation during the twelve months prior to each September 1st using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index as calculated by the United States Department of Labor. Each adjusted Minimum Wage rate calculated shall be published and take effect on the following January 1st.

For tipped Employees meeting eligibility requirements for the tip credit under the FLSA, Employers may credit towards satisfaction of the Minimum Wage tips up to the amount of the allowable FLSA tip credit in 2003.

(d) RETALIATION PROHIBITED. It shall be unlawful for an Employer or any other party to discriminate in any manner or take adverse action against any person in retaliation for exercising rights protected under this amendment. Rights protected under this amendment include, but are not limited to, the right to file a complaint or inform any person about any party’s alleged noncompliance with this amendment, and the right to inform any person of his or her potential rights under this amendment and to assist him or her in asserting such rights.
(e) ENFORCEMENT. Persons aggrieved by a violation of this amendment may bring a civil action in a court of competent jurisdiction against an Employer or person violating this amendment and, upon prevailing, shall recover the full amount of any back wages unlawfully withheld plus the same amount as liquidated damages, and shall be awarded reasonable attorney’s fees and costs. In addition, they shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement in employment and/or injunctive relief. Any Employer or other person found liable for willfully violating this amendment shall also be subject to a fine payable to the state in the amount of $1000.00 for each violation. The state attorney general or other official designated by the state legislature may also bring a civil action to enforce this amendment. Actions to enforce this amendment shall be subject to a statute of limitations of four years or, in the case of willful violations, five years. Such actions may be brought as a class action pursuant to Rule 1.220 of the Florida Rules of Civil Procedure.

(f) ADDITIONAL LEGISLATION, IMPLEMENTATION AND CONSTRUCTION. Implementing legislation is not required in order to enforce this amendment. The state legislature may by statute establish additional remedies or fines for violations of this amendment, raise the applicable Minimum Wage rate, reduce the tip credit, or extend coverage of the Minimum Wage to employers or employees not covered by this amendment. The state legislature may by statute or the state Agency for Workforce Innovation may by regulation adopt any measures appropriate for the implementation of this amendment. This amendment provides for payment of a minimum wage and shall not be construed to preempt or otherwise limit the authority of the state legislature or any other public body to adopt or enforce any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages or benefits, or that extends such protections to employers or employees not covered by this amendment. It is intended that case law, administrative interpretations, and other guiding standards developed under the federal FLSA shall guide the construction of this amendment and any implementing statutes or regulations.

(g) SEVERABILITY. If any part of this amendment, or the application of this amendment to any person or circumstance, is held invalid, the remainder of this amendment, including the application of such part to other persons or circumstances, shall not be affected by such a holding and shall continue in full force and effect. To this end, the parts of this amendment are severable.

SECTION 9. Bonds.—
(a) ADDITIONAL SECURITIES.
(1) Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment all of the proceeds of the revenues derived from the gross receipts taxes, as therein defined, collected in each year shall be applied as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or certificates issued before the effective date of this amendment or any refundings thereof which are secured by such gross receipts taxes. No bonds or other obligations may be issued pursuant to the provisions of Article XII, Section 19, of the Constitution of 1885, as amended, but this provision shall not be construed to prevent the refunding of any such outstanding bonds or obligations pursuant to the provisions of subsection (a)(2).

Subject to the requirements of the first paragraph of this subsection (a)(2), beginning July 1, 1975, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, as provided and levied pursuant to the provisions of chapter 203, Florida Statutes, as such chapter is amended from time to time, shall, as collected, be placed in a trust fund to be known as the “public education capital outlay and debt service trust fund” in the state treasury (hereinafter referred to as “capital outlay fund”), and used in accordance with the provisions of this subsection (a)(2).

The capital outlay fund shall be administered by the state board of education as created and constituted by Section 2 of Article IX of the Constitution of Florida as revised in 1968 (hereinafter referred to as “state board”), or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this subsection (a)(2). The state board shall be a body corporate and shall have all the powers provided herein in addition to all other constitutional and statutory powers related to the purposes of this subsection (a)(2) hereinafter or hereafter conferred by law upon the state board, or its predecessor created by the Constitution of 1885, as amended.

State bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, by the state board pursuant to law to finance or refinance capital projects theretofore authorized by the legislature, and any purposes appurtenant or incidental thereto, for the state system of public education provided for in Section 1 of Article IX of this Constitution (hereinafter referred to as “state system”), including but not limited to institutions of higher learning, community colleges, vocational technical schools, or public schools, as now defined or as may hereafter be defined by law. All such bonds shall mature not later than thirty years after the date of issuance thereof. All other details of such bonds shall be as provided by law or by the proceedings authorizing such bonds; provided, however, that no bonds, except refunding bonds, shall be issued, and no proceeds shall be expended for the cost of any capital project, unless such project has been authorized by the legislature.

Bonds issued pursuant to this subsection (a)(2) shall be primarily payable from such revenues derived from gross receipts taxes, and shall be additionally secured by the full faith and credit of the state. No such bonds shall ever be issued in an amount exceeding ninety percent of the amount which the state board determines can be serviced by the revenues derived from the gross receipts taxes accruing thereafter under the provisions of this subsection (a)(2), and such determination shall be conclusive.

The moneys in the capital outlay fund in each fiscal year shall be used only for the following purposes and in the following order of priority:

a. For the payment of the principal of and interest on any bonds due in such fiscal year;

b. For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of bonds of any amounts required to be deposited in such reserve funds in such fiscal year;

c. For direct payment of the cost or any part of the cost of any capital project for the state system theretofore authorized by the legislature, or for the purchase or redemption of outstanding bonds in accordance with the provisions of the proceedings which authorized the issuance of such bonds, or for the purpose of maintaining, restoring, or repairing existing public educational facilities.

(b) REFUNDING BONDS. Revenue bonds to finance the cost of state capital projects issued prior to the date this revision becomes effective, including projects of the Florida state turnpike authority or its successor but excluding all portions of the state highway system, may be refunded as provided by law without vote of the electors at a lower net average interest cost rate by the issuance of bonds maturing not later than the obligations refunded, secured by the same revenues only.

c. MOTOR VEHICLE FUEL TAXES.

(1) A state tax, designated “second gas tax,” of two cents per gallon upon gasoline and other like products of petroleum and an equivalent tax upon other sources of energy used to propel motor vehicles as levied by Article IX, Section 16, of the Constitution of 1885, as amended, is hereby
continued. The proceeds of said tax shall be placed monthly in the state roads distribution fund in the state treasury.

(2) 4Article IX, Section 16, of the Constitution of 1885, as amended, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim for the purpose of providing that after the effective date of this revision the proceeds of the “second gas tax” as referred to therein shall be allocated among the several counties in accordance with the formula stated therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds, revenue certificates and tax anticipation certificates or any refundings thereof secured by any portion of the “second gas tax.”

(3) No funds anticipated to be allocated under the formula stated in 4Article IX, Section 16, of the Constitution of 1885, as amended, shall be pledged as security for any obligation hereafter issued or entered into, except that any outstanding obligations previously issued pledging revenues allocated under said 4Article IX, Section 16, may be refunded at a lower average net interest cost rate by the issuance of refunding bonds, maturing not later than the obligations refunded, secured by the same revenues and any other security authorized in paragraph (5) of this subsection.

(4) Subject to the requirements of paragraph (2) of this subsection and after payment of administrative expenses, the “second gas tax” shall be allocated to the account of each of the several counties in the amounts to be determined as follows: There shall be an initial allocation of one-fourth in the ratio of county area to state area, one-fourth in the ratio of the total county population to the total population of the state in accordance with the latest available federal census, and one-half in the ratio of the total “second gas tax” collected on retail sales or use in each county to the total collected in all counties of the state during the previous fiscal year. If the annual debt service requirements of any obligations issued for any county, including any deficiencies for prior years, secured under paragraph (2) of this subsection, exceeds the amount allocated to that county under the formula set out in this paragraph, the amounts allocated to other counties shall be reduced proportionately.

(5) Funds allocated under paragraphs (2) and (4) of this subsection shall be administered by the state board of administration created under Article IV, Section 4. The board shall remit the proceeds of the “second gas tax” in each county account for use in said county as follows: eighty per cent to the state agency supervising the state road system and twenty per cent to the governing body of the county. The percentage allocated to the county may be increased by general law. The proceeds of the “second gas tax” subject to allocation to the several counties under this paragraph (5) shall be used first, for the payment of obligations pledging revenues allocated pursuant to 4Article IX, Section 16, of the Constitution of 1885, as amended, and any refundings thereof; second, for the payment of debt service on bonds issued as provided by this paragraph (5) to finance the acquisition and construction of roads as defined by law; and third, for the acquisition and construction of roads and for road maintenance as authorized by law. When authorized by law, state bonds pledging the full faith and credit of the state thereby issued without any election: (i) to refund obligations secured by any portion of the “second gas tax” allocated to a county under 4Article IX, Section 16, of the Constitution of 1885, as amended; (ii) to finance the acquisition and construction of roads in a county when approved by the governing body of the county and the state agency supervising the state road system; and (iii) to refund obligations secured by any portion of the “second gas tax” allocated under paragraph 9(c)(4). No such bonds shall be issued unless a state fiscal agency created by law has made a determination that in no state fiscal year will the debt service requirements of the bonds and all other bonds secured by the pledged portion of the “second gas tax” allocated to the county exceed seventy-five per cent of the pledged portion of the “second gas tax” allocated to that county for the preceding state fiscal year, of the pledged net tolls from existing facilities collected in the preceding state fiscal year, and of the annual average net tolls anticipated during the first five state fiscal years of operation of new projects to be financed, and of any other legally available pledged revenues collected in the preceding state fiscal year. Bonds issued pursuant to this subsection shall be payable primarily from the pledged tolls, the pledged portions of the “second gas tax” allocated to that county, and any other pledged revenue, and shall mature not later than forty years from the date of issuance.

(d) SCHOOL BONDS.

(1) 5Article XII, Section 9, Subsection (d) of this constitution, as amended, (which, by reference, adopted 6Article XII, Section 18, of the Constitution of 1885, as amended) as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this amendment as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment the first proceeds of the revenues derived from the licensing of motor vehicles as referred to therein shall be distributed annually among the several counties in the ratio of the number of instruction units in each county, the same being coterminous with the school district of each county as provided in Article IX, Section 4, Subsection (a) of this constitution, in each year computed as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or motor vehicle tax anticipation certificates issued before the effective date of this amendment or any refundings thereof which are secured by any portion of such revenues derived from the licensing of motor vehicles.

(2) No funds anticipated to be distributed annually among the several counties under the formula stated in 5Article XII, Section 9, Subsection (d) of this constitution, as amended, as the
same existed immediately before the effective date of this amendment shall be pledged as security for any obligations hereafter issued or entered into, except that any outstanding obligations previously issued pledging such funds may be retired by the proceeds of outstanding bonds.

(3) Subject to the requirements of paragraph (1) of this subsection (d) beginning July 1, 1973, the first proceeds of the revenues derived from the licensing of motor vehicles (hereinafter called “motor vehicle license revenues”) to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the school district and community college district capital outlay and debt service fund in the state treasury and used only as provided in this amendment. Such revenue shall be distributed annually among the several school districts and community college districts in the ratio of the number of instruction units in each school district or community college district in each year computed as provided herein. The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of six hundred dollars ($600) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1967-68, plus an amount equal in the aggregate to the product of eight hundred dollars ($800) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1972-73 and for each school fiscal year thereafter which is in excess of the total number of such instruction units in all the school districts of Florida for the school fiscal year 1967-68, such excess units being designated “growth units.” The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall additionally be an amount equal in the aggregate to the product of four hundred dollars ($400) multiplied by the total number of instruction units in all community college districts of Florida. The number of instruction units in each school district or community college district for the purposes of this amendment shall be the greater of (1) the number of instruction units in each school district for the school fiscal year 1967-68 or community college district for the school fiscal year 1968-69 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such school district, including growth units, or community college district for the school fiscal year computed in the manner here­tofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each school district, including growth units, or community college district on behalf of which the state board has issued bonds or motor vehicle license revenue anticipation certificates under this amendment which will produce sufficient revenues under this amend­ment to equal one and twelve-hundredths (1.12) times the aggregate amount of principal of and interest on all bonds or motor vehicle license revenue anticipation certificates issued under this amendment which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

(4) Such funds so distributed shall be admin­istered by the state board as now created and constituted by Section 2 of Article IX of the State Constitution as revised in 1968, or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and func­tions of the state board, including the powers, duties and functions of the state board provided in this amendment. For the purposes of this amend­ment, said state board shall be a body corporate and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said state board.

(5) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first motor vehicle license revenues provided for in this subsection (d). The state board shall also have power, for the purpose of obtaining funds for the use of any school board of any school district or board of trustees of any community college district in acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, reno­vating, or repairing of capital outlay projects for school purposes to issue bonds or motor vehicle license revenue anticipation certificates, and also to issue such bonds or motor vehicle license revenue anticipation certificates to pay, fund or refund any bonds or motor vehicle license revenue anticipation certificates theretofore issued by said state board. All such bonds or motor vehicle license revenue anticipation certificates shall bear interest at not exceeding the rate provided by general law and shall mature not later than thirty years after the date of issuance thereof. The state board shall have power to determine all other details of the bonds or motor vehicle license revenue anticipation certificates and to sell in the manner provided by general law, or exchange the bonds or motor vehicle license revenue anticipation certificates, upon such terms and conditions as the state board shall provide.

(6) The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle license revenue anticipation certificates, including refund­ing bonds or refunding motor vehicle license revenue anticipation certificates, all or any part from the motor vehicle license revenues provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle license revenue anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and
shall be fully enforceable by such holders in any court of competent jurisdiction.

(7) No such bonds or motor vehicle license revenue anticipation certificates shall ever be issued by the state board, except to refund outstanding bonds or motor vehicle license revenue anticipation certificates, until after the adoption of a resolution requesting the issuance thereof by the school board of the school district or board of trustees of the community college district on behalf of which the obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle license revenue anticipation certificates which can be issued on behalf of any school district or community college district to ninety percent (90%) of the amount which it determines can be serviced by the revenue accruing to the school district or community college district under the provisions of this amendment, and shall determine the reasonable allocation of the interest savings from the issuance of refunding bonds or motor vehicle license revenue anticipation certificates, and such determinations shall be conclusive. All such bonds or motor vehicle license revenue anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the school board of the school district or board of trustees of the community college district requesting the issuance thereof, and no election or approval of qualified electors shall be required for the issuance thereof.

(8) The state board shall in each year use the funds distributable pursuant to this amendment to the credit of each school district or community college district only in the following manner and in order of priority:

a. To comply with the requirements of paragraph (1) of this subsection (d).

b. To pay all amounts of principal and interest due in such year on any bonds or motor vehicle license revenue anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle license revenue anticipation certificates, issued on behalf of the school board of such school district or board of trustees of such community college district; subject, however, to any covenants or agreements made by the state board concerning the rights between holders of different issues of such bonds or motor vehicle license revenue anticipation certificates, as herein authorized.

c. To establish and maintain a sinking fund or funds to meet future requirements for debt service or reserves therefor, on bonds or motor vehicle license revenue anticipation certificates issued on behalf of the school board of such school district or board of trustees of such community college district under the authority hereof, whenever the state board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the state board shall in its discretion determine.

d. To distribute annually to the several school boards of the school districts or the boards of trustees of the community college districts for use in payment of debt service on bonds herefore or hereafter issued by any such school boards of the school districts or boards of trustees of the community college districts where the proceeds of the bonds were used, or are to be used, in the acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects in such school districts or community college districts and which capital outlay projects have been approved by the school board of the school district or board of trustees of the community college district, pursuant to the most recent survey or surveys conducted under regulations prescribed by the state board to determine the capital outlay needs of the school district or community college district. The state board shall have power at the time of issuance of any bonds by any school board of any school district or board of trustees of any community college district to covenant and agree with such school board or board of trustees as to the rank and priority of payments to be made for different issues of bonds under this subparagraph d., and may further agree that any amounts to be distributed under this subparagraph d. may be pledged for the debt service on bonds issued by any school board of any school district or board of trustees of any community college district and for the rank and priority of such pledge. Any such covenants or agreements of the state board may be enforced by any holders of such bonds in any court of competent jurisdiction.

e. To pay the expenses of the state board in administering this subsection (d), which shall be prorated among the various school districts and community college districts and paid out of the proceeds of the bonds or motor vehicle license revenue anticipation certificates or from the funds distributable to each school district and community college district on the same basis as such motor vehicle license revenues are distributable to the various school districts and community college districts.

f. To distribute annually to the several school boards of the school districts or boards of trustees of the community college districts for the payment of the cost of acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes in such school district or community college district as shall be requested by resolution of the school board of the school district or board of trustees of the community college district.

g. When all major capital outlay needs of a school district or community college district have been met as determined by the state board, on the basis of a survey made pursuant to regulations of the state board and approved by the state board, all such funds remaining shall be distributed annually and used for such school purposes in such school district or community college district as the school board of the school district or board
(9) Capital outlay projects of a school district or community college district shall be eligible to participate in the funds accruing under this amendment if such projects are (a) authorized with said bonds or motor vehicle license revenue anticipation certificates and from the motor vehicle license revenues, only in the order of priority of needs, as shown by a survey or surveys conducted in the school district or community college district under regulations prescribed by the state board, to determine the capital outlay needs of the school district or community college district and approved by the state board; provided that the priority of such projects may be changed from time to time upon the request of the school board of the school district or board of trustees of the community college district and with the approval of the state board; and provided, further, that this paragraph (9) shall not in any manner affect any covenant, agreement or pledge made by the state board in the issuance by said state board of any bonds or motor vehicle license revenue anticipation certificates, or in connection with the issuance of any bonds of any school board of any school district or board of trustees of any community college district.

(10) The state board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this amendment of full force and effect. The legislature shall not reduce the levies of said motor vehicle license revenues during the life of this amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license revenues from the operation of this amendment and shall not enact any law impairing or materially altering the rights of the holders of anticipate certificates issued pursuant to this amendment or impairing or altering any covenant or agreement of the state board, as provided in such bonds or motor vehicle license revenue anticipation certificates.

(11) Bonds issued by the state board pursuant to this subsection (d) shall be payable primarily from said motor vehicle license revenues as provided herein, and if heretofore or hereafter authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When heretofore or hereafter authorized by law, bonds issued pursuant to this amendment prior to 1968, and bonds issued pursuant to Article XII, Section 9, subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to Article XII, Section 9, subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state.

(e) DEBT LIMITATION. Bonds issued pursuant to this Section 9 of Article XII which are payable primarily from revenues pledged pursuant to this section shall not be included in applying the limits upon the amount of state bonds contained in Section 11, Article VII, of this revision.

Note.—Section 17 of Art. IX of the Constitution of 1885, as amended, reads as follows:

SECTION 17. Bonds; land acquisition for outdoor recreation development.—The outdoor recreational development council, as created by the 1963 legislature, may issue revenue bonds, revenue certificates or other evidences of indebtedness to acquire lands, water areas and related resources and to construct, improve, enlarge and extend capital improvements and facilities thereon in furtherance of outdoor recreation, natural resources conservation and related facilities in this state; provided, however, the legislature with respect to such revenue bonds, revenue certificates or other evidences of indebtedness shall designate the revenue or tax sources to be deposited in or credited to the land acquisition trust fund for their repayment and may impose restrictions on their issuance, including the fixing of maximum interest rates and discounts.

The land acquisition trust fund, created by the 1963 legislature for these multiple public purposes, shall continue from the date of the adoption of this amendment for a period of fifty years.

In the event the outdoor recreational development council shall determine to issue bonds for financing acquisition of sites for multiple purposes the state board of administration shall act as fiscal agent, and the attorney general shall handle the validation proceedings.

All bonds issued under this amendment shall be sold at public sale after public advertisement upon such terms and conditions as the outdoor recreational development council shall provide and as otherwise provided by law and subject to the limitations herein imposed.

Note.—Prior to its amendment by C.S. for H.J.R.’s 2289, 2984, 1974, subsection (a) read as follows:

(a) ADDITIONAL SECURITIES. Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

Article XII, Section 19, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five percent (5%) per annum or such higher interest as may be authorized by statute passed by a three-fifths (%) vote of each house of the legislature. No revenue bonds or tax anticipation certificates shall be issued pursuant thereto after June 30, 1975.

Note.—Section 19 of Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 19. Institutions of higher learning and junior college capital outlay trust fund bonds.—(a) That beginning January 1, 1964, and for fifty years thereafter, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, receiving payment for electricity for light, heat or power, for natural or manufactured gas for light, heat or power, for use of telephones and for the sending of telegrams and telegraph messages, as now provided and levied as of the time of adoption of this amendment in Chapter 203, Florida Statutes (hereinafter called “Gross Receipts Taxes”), shall, as collected be placed in a trust fund to be known as the “Institutions of Higher Learning and Junior College Capital Outlay and Debt Service Trust Fund” in the State Treasury (hereinafter referred to as “Capital Outlay Fund”), and used only as provided in this Amendment.

Said fund shall be administered by the State Board of Education, as now created and constituted by Section 3 of Article XII (now s. 2, Article IX) of the Constitution of Florida (hereinafter referred to as “State Board”). For the purpose of this Amendment, said State Board, as now constituted, shall continue as a body
corporate during the life of this Amendment and shall have all the powers provided for in this Article XII other than those powers which are specifically reserved to the States. Each of the State Board and all other constitutional and statutory powers related to the purposes of this Amendment heretofore or hereafter conferred by law upon said State Board.

(b) The State Board shall have power, for the purpose of obtaining funds for acquiring, building, constructing, altering, improving, enlarging, furnishing or equipping capital outlay projects for the purpose authorized by the legislature and any purposes appurtenant or incidental thereto, for Institutions of Higher Learning or Junior Colleges, as now defined or as may be hereafter defined by law, and for the purpose of constructing buildings and other permanent facilities for vocational technical schools as provided in chapter 230 Florida Statutes, to issue bonds or certificates, including refunding bonds or certificates to fund or refund any bonds or certificates theretofore issued. All such bonds or certificates shall bear interest at not exceeding four and one-half per centum per annum, and shall mature at such time or times as the State Board shall determine not exceeding, in any event, however, thirty years from the date of issuance thereof. The State Board shall have power to determine all other details of such bonds or certificates and to sell at public sale, after public advertisement, such bonds or certificates, provided, however, that no bonds or certificates shall ever be issued hereunder to finance, or the proceeds thereof expended for, any part of the cost of any capital outlay project unless the construction or acquisition of such capital outlay project has been theretofore authorized by the Legislature of Florida. None of said bonds or certificates shall be sold at less than ninety-eight per cent of the par value thereof, plus accrued interest, and said bonds or certificates shall be awarded at the public sale thereof to the bidder offering the lowest net interest cost for such bonds or certificates in the manner to be determined by the State Board.

The State Board shall also have power to pledge for the payment of the principal and interest of any bonds or certificates, and reserves therefor, including refunding bonds or certificates, all or any part of the revenue to be derived from the said Gross Receipts Taxes provided for in this Amendment, and to enter into any covenants and other agreements with the holders of such bonds or certificates concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction. No such bonds or certificates shall ever be issued by the State Board in an amount exceeding seventy-five per cent of the amount which it determines, based upon the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during any fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, can be serviced by the revenues accruing thereafter under the provisions of this Amendment; nor shall the State Board, during the first year following the ratification of this amendment, issue bonds or certificates in an excess of seven times the anticipated revenue from said Gross Receipts Taxes during said year, nor during each succeeding year, more than four times the anticipated revenue from said Gross Receipts Taxes during said year. No election or appointment of members of the Board or any successor board under the provisions of this article shall be required for the issuance of bonds or certificates hereunder.

After the initial issuance of any bonds or certificates pursuant to this Amendment, the State Board may hereafter issue additional bonds or certificates which will rank equally and on a parity, as to lien on and source of security for payment from said Gross Receipts Taxes, with any bonds or certificates theretofore issued pursuant to this Amendment, but such additional parity bonds or certificates shall not be issued unless the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, shall have been equal to one and one-third times the aggregate amount of principal and interest which will become due in any succeeding fiscal year on all bonds or certificates theretofore issued pursuant to this Amendment and then outstanding, and the additional parity bonds or certificates then proposed to be issued. No bonds, certificates or other obligations whatsoever shall at any time be issued under the provisions of this Amendment, except such bonds or certificates initially issued hereunder, and such additional parity bonds or certificates as provided in this paragraph. Notwithstanding any other provision herein no such bonds or certificates shall be authorized or validated during any biennium in excess of fifty million dollars. No bond, certificate or other obligation provided for by this Amendment shall be valid or effectual until approved by a majority of the electors voting thereon within any county, and unless provided for by a majority of the electors voting thereon within any county, shall be valid or effectual unless approved by a majority of the electors voting thereon within any county. No bond, certificate or other obligation provided for by this Amendment shall be valid or effectual unless approved by a majority of the electors voting thereon within any county.

1963-1965 seventy-five million dollars may be authorized and validated pursuant to this Amendment. The State Board shall have power to determine the manner of determining the amounts to be authorized and validated pursuant to this Amendment.

(c) Capital outlay projects theretofore authorized by the legislature for any Institution of Higher Learning or Junior College shall be eligible to participate in the funds accruing under this Amendment derived from the proceeds of bonds or certificates and said Gross Receipts Taxes under such regulations and in such manner as shall be determined by the State Board, and the State Board shall use or transmit to the State Board of Control or to the Board of Public Instruction of any County authorized by law to construct or acquire such capital outlay projects, the amount of the proceeds of such bonds or certificates or Gross Receipts Taxes to be applied to or used for such capital outlay projects. If for any reason any of the proceeds of any bonds or certificates issued for any capital outlay project shall not be expended for such capital outlay project, the State Board may use such unexpended proceeds for any other capital outlay projects. Neither Board in the manner provided herein shall not be affected or impaired by the application or use of such proceeds.

The State Board shall use the moneys in the Capital Outlay Fund in each fiscal year only for the following purposes and in the following order of priority:

(1) For the payment of the principal of and interest on any bonds or certificates maturing in such fiscal year.

(2) For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of said bonds or certificates, of any amounts required to be deposited in such reserve funds in such fiscal year.

(3) After all payments required in such fiscal year for the purposes provided for in (1) and (2) above, including any deficiencies for required payments in prior fiscal years, any moneys remaining in said Capital Outlay Fund at the end of such fiscal year may be used by the State Board for direct payment of the cost or any part of the cost of any capital outlay project theretofore authorized by the legislature or for the purchase of any bonds or certificates issued hereunder then outstanding upon such terms and conditions as the State Board shall deem proper, or for the prior redemption of outstanding bonds or certificates in accordance with the provisions of the proceedings which authorized the issuance of such bonds or certificates.

The State Board may invest the moneys in said Capital Outlay Fund or in any sinking fund or other funds created from the proceeds of any issue of bonds or certificates, only in direct obligations of the United States of America, or in the other securities referred to in Section 344.27, Florida Statutes.

(d) The State Board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and effecting on or after January 1, 1964. The Legislature, during the period this Amendment is in effect, shall not reduce the rate of said Gross Receipts Taxes now provided in said Chapter 203, Florida Statutes, or eliminate, exempt or remove any of the persons, firms or corporations, including municipal corporations, or any of the utilities, businesses or services now or hereafter subject to said Gross Receipts Taxes, from the levy and collection of said Gross Receipts Taxes as now provided in said Chapter 203, Florida Statutes, and shall not enact any law impairing or materially altering the rights of the holders of any bonds or certificates issued pursuant to this Amendment or impairing or altering any covenants or agreements of the State Board made hereunder, or having the effect of withdrawing the proceeds of said Gross Receipts Taxes from the operation of this Amendment.

The State Board of Administration shall be and is hereby constituted as the Fiscal Agent of the State Board to perform such duties and assume such responsibilities under this Amendment as shall be agreed upon between the State Board and such State Board of Administration. The State Board shall also have power to appoint such other persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board of Administration under the provisions of this Amendment shall be paid out of the proceeds of any bonds or certificates issued hereunder or from said Gross Receipts Taxes deposited in said Capital Outlay Fund.

(e) No capital outlay project or any part thereof shall be financed hereunder unless the bill authorizing such project shall

*Note.—Section 16 of Art. IX of the Constitution of 1885, as amended, reads as follows:*

SECTION 16. Board of administration; gasoline and like taxes, distribution and use; etc.—(a) That beginning January 1st, 1943, and for fifty (50) years thereafter, the proceeds of two (2¢) cents per gallon of the state tax upon gasoline and other like products of petroleum, now known as the Second Gas Tax, and upon other fuels used to propel motor vehicles, shall as collected be placed monthly in the ‘State Roads Distribution Fund’ in the State Treasury and divided into three (3) equal parts which shall be distributed monthly among the several counties as follows: one part according to area, one part according to population, and one part according to the counties’ contributions to the cost of state road construction in the ratio of distribution as provided in Chapter 15659, Laws of Florida, Acts of 1931, and for the purposes of the apportionment based on the counties’ contributions, the amount of the contributions established by the certificates made in 1931 pursuant to said Chapter 15659, shall be taken and deemed contributed to said funds distributed to any or all of the counties, and shall be used for said contributions. Such funds so distributed shall be administered by the State Board of Administration as hereinafter provided.

(b) The Governor as chairman, the State Treasurer, and the State Comptroller shall constitute a board of public corporation to be known as the ‘State Board of Administration,’ which board shall succeed to all the powers, duties and authority conveyed by the Board of Administration. Said Board shall have, in addition to such powers as may be conferred upon it by law, the management, control and supervision of the revenues of the said tax and all moneys and other assets which on the effective date of this amendment are applicable or may become applicable to the bonds of the several counties of this state, or any special road and bridge districts, or any other special taxing district thereof, issued prior to January 1st, 1931, for road and bridge purposes. The word ‘bonds’ as used herein shall include bonds, time warrants, notes and other forms of indebtedness issued for road and bridge purposes by any county or special road and bridge district or other special taxing district thereof.

Said Board shall have the power from time to time to issue refunding bonds to mature within the said fifty (50) years, and for any of said outstanding bonds or interest thereon, and to secure them by a pledge of anticipated receipts from such gasoline or other fuel taxes to be distributed to such county as herein provided, but not at a greater rate of interest than said bonds now bear; and to issue, sell or exchange on behalf of any county or unit for the sole purpose of retiring said bonds issued by such county, or special road and bridge district, or other special taxing district thereof, any gasoline or other fuel tax anticipation certificates bearing interest at not more than three (3) per cent per annum in such denominations and maturing at such time within the fifty (50) year period as the bond issued to exercise the powers now provided by statute for the investment of sinking funds, said Board may use the sinking funds created for said bonds of any county or special road and bridge district, or other unit hereunder, to purchase the matured or maturing bonds participating herein of any other county or any other special road and bridge district, or other special taxing district thereof, provided that as to said matured bonds, or value thereof as an investment shall be the price paid therefor, which shall not exceed the par value plus accrued interest, and that said investment shall bear interest at the rate of (3) per cent per annum.

(c) The said board shall annually use said funds in each county account, first, to pay current principal and interest maturing, if any, of said issued and gasoline or other fuel tax anticipation certificates of such county or special road and bridge district, or other special taxing district thereof; second, to establish a sinking fund account to meet future requirements of said bonds and gasoline or other fuel tax anticipation certificates where it appears the anticipated income for any year or years will not equal scheduled payments thereon; and third, any remaining balance out of the proceeds of said two (2¢) cents of said taxes shall monthly during the year be remitted by said board as follows: Eighty (80%) per cent to the State Road Department for the construction or reconstruction of state roads and bridges within the counties, and twenty (20%) per cent to the Board of County Commissioners of such county for use on roads and bridges within the county.

(d) Said board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers hereby granted and no legislation shall be required to render this amendment of full force and operating effect from and after January 1st, 1943. The Legislature shall continue the levies of said taxes during the life of this amendment, and shall not enact any law having the effect of withdrawing the proceeds of said two (2¢) cents of said taxes from the operation of this amendment. The board shall pay refunding expenses and other expenses for the services rendered specifically for, or which are properly chargeable to, the account of any county from funds distributed to such county; but general expenses of the board for services rendered all the counties alike shall be prorated among them and out of said funds on the same basis said tax proceeds are distributed among the several counties; provided, report of said expenses shall be made to each Regular Session of the Legislature, and the Legislature may limit the expenses of the board.

Bonds issued pursuant to this subsection shall be payable primarily from revenues as provided in Article XII, Section 18, of the Constitution of 1885, as amended, and if authorized by law, may be additionally secured by pledging the full faith and credit of the state, without an election. *Note.—Section 18, Art. XII of the Constitution of 1885, as amended, reads as follows:*

SECTION 18. School bonds for capital outlay, issuance.—(a) Beginning January 1, 1945 and for thirty-five years thereafter, the first proceeds of the revenues derived from the licensing of motor vehicles to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the county capital outlay and debt service school fund in the state treasury, and used only as provided in this amendment. Such revenue shall be distributed annually among the several counties in the ratio of the number of instruction units in each county in each year computed as provided herein. The amount of the first revenues derived from the licensing of motor vehicles to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of four hundred dollars multiplied by the total number of instruction units in all the counties of Florida. The number of instruction units in each county in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each district for the school fiscal year 1951-52 computed in the manner hereinafter provided by general law, or (2) the number of instruction units in each county for the school year immediately subsequent to the school fiscal year which the number heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county on behalf of which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one-half times the aggregate amount of principal of and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the manner hereinafter or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by Section 3 of Article XII (now s. 2, Article IX) of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment hereof or hereafter conferred upon said board.

(b) The state board, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first part of the revenue derived from the licensing of motor vehicles provided for in subsection (a). The state board shall also have power, for the purpose of obtaining funds for the use of any county board of education in acquiring, building, constructing, altering, improving, enlarging,

ARTICLE XII

furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates heretofore issued by said State Board. All such bonds shall bear interest at not exceeding four and one-half percent per annum and shall mature serially in annual installments commencing not more than three years from the date of issuance thereof, all of which covenants and agreements shall become void after five years from the date of issuance or January 1, 2000, A.D., whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at not exceeding five percent per annum and shall mature prior to January 1, 2000, A.D. The State board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the State board shall provide.

The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution by the legislature therefor or the issue of such bonds or motor vehicle tax anticipation certificates, and the ratification of the same by the people of the State of Florida, in the manner prescribed by the Board of Public Instruction of the county on behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five percent of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be conclusive. All such bonds or motor vehicle tax anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the county board of public instruction requesting the issuance thereof, and no election or approval of qualified electors or treeholders shall be required for the issuance thereof.

(c) The State Board shall in each year use the funds distributable pursuant to this Amendment to the credit of each county only in the following manner and order of priority:

(1) To pay all amounts of principal and interest maturing in such year on any bonds or motor vehicle tax anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle tax anticipation certificates, issued on behalf of the Board of Public Instruction of such county; subject, however, to the provisions of any such bonds or motor vehicle tax anticipation certificates, herein authorized.

(2) To establish and maintain a sinking fund or funds to meet future requirements for debt service, or reserves therefor, on bonds or motor vehicle tax anticipation certificates issued on behalf of the Board of Public Instruction of such county, under the authority hereof, whenever the State Board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the State Board shall in its discretion determine.

(3) To distribute annually to the several Boards of Public Instruction of the counties for use in payment of debt service on bonds heretofore or hereafter issued by any such Board where the proceeds of the bonds were used, or are to be used, in the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects in such county, and which capital outlay projects have been approved by the Board of Public Instruction of the county, pursuant to a survey or surveys conducted subsequently to July 1, 1947 in the county, under regulations prescribed by the State Board to determine the capital outlay needs of the county.

The State Board shall have power at the time of issuance of any bonds by any Board of Public Instruction to covenant and agree with such Board as to the rank and priority of payments to be made for different issues of bonds under this Subsection (3), and may further agree that any amounts to be distributed under this Subsection (3) may be pledged for the debt service on bonds issued by any Board of Public Instruction and for the rank and priority of such pledge. Any such covenants or agreements of the State Board may be enforced by any holders of such bonds in any court of competent jurisdiction.

(4) To distribute annually to the several Boards of Public Instruction of the counties for the payment of the cost of the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects for school purposes in such county as shall be requested by resolution of the County Board of Public Instruction of such county.

(5) When all major capital outlay needs of a county have been met as determined by the State Board, on the basis of a survey made pursuant to regulations of the State Board and approved by the State Board, all such funds remaining shall be distributed annually and used for such school purposes in such county as the Board of Public Instruction of the county shall determine, or as may be provided by general law.

(d) Capital outlay projects of a county shall be eligible to participate in the funds accruing under this Amendment and derived from the proceeds of bonds and motor vehicle tax anticipation certificates and from the motor vehicle license taxes, only in the order of priority of needs, as shown by a survey or surveys conducted in the county under regulations prescribed by the State Board, to determine the capital outlay needs of the county and approved by the State Board; provided, that such projects may be changed from time to time upon the request of the Board of Public Instruction of the county and with the approval of the State Board, and provided further, that this Subsection (d) shall not in any manner affect any covenant, agreement, or pledge made by the State Board in the issuance by said State Board of any bonds or motor vehicle tax anticipation certificates, or in connection with the issuance of any bonds of any Board of Public Instruction of any county.

(e) The State Board may invest any sinking fund or funds created pursuant to this Amendment in direct obligations of the United States of America or in the bonds or motor vehicle tax anticipation certificates, matured or to mature, issued by the State Board on behalf of the Board of Public Instruction of any county.

The State Board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and effect from and after January 1, 1953. The Legislature shall not reduce the levies of said motor vehicle license taxes during the life of this Amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this Amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license taxes from the operation of this Amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle tax anticipation certificates or the motor vehicle license taxes.

The State Board shall have power to appoint such persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be prorated among the various counties and paid out of the proceeds of the bonds or motor vehicle tax anticipation certificates or from the funds distributable to each county on the same basis as such motor vehicle license taxes are distributable to the various counties under the provisions of this Amendment. Interest or profit on sinking fund investments shall accrue to the counties in proportion to their respective equities in the sinking fund or funds.
