The special master shall conduct an investigation, shall give reasonable notice to the Senator who is alleged to have violated the Rules and shall grant the Senator an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master’s report and recommendation is advisory only and shall be presented to the Rules Chair, or the President when the complaint is against the Rules Chair, as soon as practicable after the close of the investigation. If the special master’s report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair, or the President when the complaint is against the Rules Chair. If the Rules Committee votes to dismiss the complaint, the Rules Chair or vice chair shall dismiss the complaint. Otherwise, the special master’s report and recommendation and the recommendation of the Rules Committee shall be presented to the President. The President shall present the committee’s recommendation, along with the special master’s report and recommendation, to the Senate for final action.

If the nature or volume of records requested to be inspected or copied is such as to require extensive use of information
technology resources or extensive clerical or supervisory assistance by employees of the Senate, a special service charge in addition to the actual cost of duplication may be imposed. Such special service charge shall be reasonable and based on the cost incurred for the extensive use of information technology resources or the labor cost of employees providing the service that is actually incurred by the Senate or attributable to the Senate for the clerical and supervisory assistance required.

(6) Once the retention period for a public record, not exempted from public disclosure, has expired, the public record may be otherwise disposed of or destroyed. A public record need not be retained if it is published or retained by another legislative office. (i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise exempt from disclosure by law; an individual’s medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.
(9) Any Senate record created prior to July 1, 1993, which was so designated by the President on June 30, 1993, shall remain exempt from inspection and copying after July 1, 1993. (b) The vote of each member of the subcommittee on final passage of each bill.

See Fla. Const. art. III, § 4(c) Quorum and procedure.

(3) In reporting a bill to the standing committee, a standing subcommittee may draft a new measure, embracing the same or related subject matter, to be returned to the standing committee with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the standing subcommittee and returned to the standing committee in the same manner as a favorable report.

(4) All standing subcommittee reports shall be promptly transmitted to the full committee. Each report by a standing subcommittee must set forth the identifying number of the measure. If amendments are proposed by the standing subcommittee, the words “with amendments” shall follow the identifying number. Standing subcommittee amendments shall accompany the report.

(5) All bills reported unfavorably shall be laid on the table by roll call vote when the standing committee considers the standing subcommittee’s report. On motion by any member of the committee, adopted by a two-thirds (2/3) vote of those standing committee members present, the same may be taken from the table. When a bill is thus removed from the table by a standing committee, it shall receive a hearing de novo and witnesses shall be permitted to testify.

See Fla. Const. art. III, § 4(c) Quorum and procedure.

(6) When a bill with a favorable report by a standing subcommittee is considered by the standing committee, no additional testimony shall be permitted except by a majority vote of those standing committee members present before a vote on final passage; however, debate by members of the standing committee shall be allowed prior to such vote.
2.17—Quorum requirement

(1) A standing committee, standing subcommittee, or select committee is assembled only when a quorum constituting a majority of the members of that committee is present in person.

(2) A committee member may question the presence of a quorum at any time.

(3) No committee business of any type shall be conducted in the absence of a quorum. Any matter reported in violation of this Rule shall be recommitted by the President when it is called to the President’s attention by a Senator.

2.19—Conference committee in deliberation; reports

(1) All meetings of Senate conferees with House conferees at which the business of the conference committee is discussed shall be open to the public subject to proper order and decorum. A meeting of the Senate and House conferees is a meeting of the two (2) groups, therefore, the rules governing each respective house apply. Meetings between a majority of the members of a conference committee may be held following a notice being filed with the Secretary by or at the direction of the person calling the meeting, at least one (1) hour in advance of the meeting. The notice shall indicate the names of the conferees and scheduled participants, the date, the time, and the place of the meeting. Conference committees may meet at any time with proper notice.

See Fla. Const. art. III, § 4(e) Quorum and procedure.

(2) A conference committee, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(3) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. Such amendments shall accompany the conference committee report. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house. Conference committee reports must be approved and signed by a majority of the managers on the part of each house. All final actions taken in a conference committee shall be by motion.
(4) Each conference committee report shall contain a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(5) When the President appoints a conference committee, a notice of the following meetings to discuss matters relating to the conference, stating the names of the conferees and scheduled participants, and the date, time, and place for the meeting, shall be filed with the Secretary by or at the direction of the person at whose call the meeting is convened, not less than one (1) hour preceding the time for the meeting:

(a) Meetings between the President (or a Senator designated to represent the President), the Governor, and the Speaker (or a Representative designated to represent the Speaker);
(b) Meetings between a majority of the members of any subcommittee of the conference committee;
(c) Meetings between the President or any Senator designated to represent the President and a conferee from the House of Representatives, or any meeting between a conferee from the Senate with the Speaker or any Representative designated to represent the Speaker; and
(d) Meetings of a majority of the Senate conferees; and when the bill that is the subject of the conference committee deals primarily with the general appropriations act or revenue matters, any meeting of three (3) or more conferees on the part of the Senate.

See FLA. CONST. art. III, § 4(e) Quorum and procedure.

(6) Notice of meetings, as scheduled, between the chair of the Senate’s conferees with the chair of the House’s conferees, or between respective Senate and House committee chairs with each other, shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor rotunda on the fourth (4th) floor of the Capitol. In the case of the appropriations conference, said notice shall also be posted outside the door of the offices of the appropriations committees.

(7) All meetings for which notice is required pursuant to this Rule shall be held in the Capitol Complex, but shall not be held in the Chamber of either house while it is sitting.

(8) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on the measure as the Senate may determine.
(9) After Senate conferees have been appointed for seven (7) calendar days and have failed to make a report, it is a motion of the highest privilege to move to discharge said conferees and to appoint new conferees, or to instruct said conferees. This motion shall have precedence over all other questions except motions to adjourn or recess, and questions of privilege. Further, during the last six (6) calendar days allowed under the State Constitution for any regular session, it shall be a privileged motion to move to discharge, appoint, or instruct Senate conferees after the Senate conferees have been appointed thirty-six (36) hours without having made a report.

PART TWO—COMMITTEES—OFFICERS

2.20—Appointment of chair and vice chair

A chair and a vice chair of each standing committee shall be appointed by the President and shall continue in office at the pleasure of the President. The President shall also appoint a chair for each standing subcommittee and select committee authorized by these Rules and may designate a vice chair, both of whom shall continue in office at the pleasure of the President.

2.21—Call to order

The chair or, in the chair’s absence, the vice chair, shall call the committee to order at the hour provided by these Rules. A quorum being present, the committee shall proceed with consideration of its agenda.

2.22—Chair’s control

The chair shall preserve order and decorum and shall have general control of the committee room. If there is a disturbance or disorderly conduct in the committee room, the chair may require participants in the disturbance to clear the room.

2.23—Chair’s authority; appeals

(1) The chair shall approve all notices, subpoenas, or reports required or permitted by these Rules.

(2) The chair shall decide all questions of order, subject to an appeal by any Senator, and the appeal shall be certified by the chair to the Senate for a decision by the President during its next sitting following such certification. The ruling shall be entered in the Journal, shall constitute binding precedent on all committees of the Senate, and shall be subject to appeal as any other question.
(3) The proper method of taking exception to a ruling of the chair is by appeal. An appeal from a decision of the chair must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; if the determination of the appeal is dependent on this point, it may be decided by the chair. This second (2nd) decision is also subject to appeal.

(4) An appeal from a decision of the chair on a point of order is debatable even though the question from which it arose was not debatable.

(5) The chair may, or on the vote of a majority of the committee members present shall, certify a question of parliamentary procedure to the President as contemplated by the Rule without a formal appeal. Such certified question shall be disposed of by the President as if it had been on appeal.

(6) Final action on an appeal or the certification of a procedural question pursuant to this Rule shall not constitute an automatic stay to further legislative action on the measure under consideration.

2.24—Chair, vice chair; vote

The chair and vice chair shall vote on all matters before such committee. The name of the chair shall be called last.

See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

2.25—Temporary alternate to chair

The chair may name any member of the committee to perform the duties of the chair if such substitution shall not extend beyond such meeting. If for any reason the chair is absent and fails to name a member, the vice chair shall assume the duties of the chair during the chair’s absence.

2.26—Vice chair’s duties

On the death, incapacitation, or resignation of the chair, the vice chair shall perform the duties of the office until the President appoints a successor. In the absence of the chair, the vice chair shall act as chair.

PART THREE—COMMITTEES—MEMBERS

2.27—Members’ attendance, voting; proxy and poll votes prohibited

(1) Unless excused or necessarily prevented, every member of a committee shall be in attendance during each of its meetings.
(2) The chair may excuse any member for just cause from attendance at meetings of his or her committee for any stated period, and this excused absence shall be noted on the committee’s records.

(3) Failure to attend two (2) consecutive regular meetings, unless excused from attendance in the Senate on those days as provided in these Rules or by the chair of the committee, shall constitute automatic withdrawal from the committee.

(4) No member of any committee shall be allowed to vote by proxy nor shall a vote be conducted by poll.

(5) A majority of all the committee members present shall agree by their votes on the disposition of any matter considered by the committee.

See Rule 11.4—Majority action.

PART FOUR—COMMITTEES—VOTING

2.28—Taking the vote

(1) The chair shall declare all votes and shall cause same to be entered on the records of the committee, but if any member questions a voice vote, then by a show of hands by two (2) members the chair shall count the yeas and nays. When the committee is equally divided, the question shall be lost.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

(2) A member may request to:
   (a) Vote, or
   (b) Change his or her vote

before the results of a roll call are announced.

(3) After the results have been announced, a member with unanimous consent of those committee members present may vote or change his or her vote. If the vote alters the final action of the committee, no vote or change of vote shall be valid unless the matter has been reconsidered by the committee. On request of a member prior to consideration of other business, the chair shall order a verification of a vote.

2.29—Pair voting prohibited

No pair voting shall be permitted by the committee.
2.30—Casting vote for another

No Senator shall cast a vote for another Senator, nor shall any person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, any Senator who shall vote or attempt to vote for another Senator may be punished as the Senate may deem proper. Also, any person not a Senator who shall vote in the place of a Senator shall be excluded from the committee for the remainder of the session.

2.31—Explanation of vote

No member shall be permitted to defer or explain his or her vote during a roll call, but may submit his or her explanation in writing and file it with the chair. This explanation shall be kept as part of the committee record and a copy filed with the Secretary.

PART FIVE—COMMITTEES—MOTIONS AND PRECEDENCE

2.32—Motions; how made, withdrawn

(1) Every procedural motion may be made orally. On request of the chair, a member shall submit his or her motion in writing.

(2) After a motion has been stated or read by the chair, it shall be deemed to be in possession of the committee without a second, and shall be disposed of by vote of the committee members present.

(3) The mover may withdraw a motion at any time before the same has been amended, or before a vote shall have commenced. The mover of a motion to reconsider may withdraw that motion only with the unanimous consent of those committee members present.

2.33—Motions; precedence

(1) When a question is under debate, the chair shall receive no motion except:

(a) To rise
(b) To take a recess
(c) To reconsider instanter passage of a main question
(d) To reconsider
(e) To limit debate
(f) To temporarily postpone
(g) To commit to a select subcommittee
(h) To amend

which shall have precedence in the descending order given.
(2) The chair shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence or a substitute of equal precedence.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute may be pending and the substitute shall be in the same order of precedence. If a substitute fails, another substitute of equal degree may be offered.

2.34—Division of question

A member may move for a division of a question when the sense will admit of it, which shall be decided by a majority vote. A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

See Rule 6.3—Division of question.

2.35—Reconsideration generally

(1) When a question has been decided by a committee, any member voting with the prevailing side may move for reconsideration of the question.

(2) If a question has been decided by voice vote, any member, during the meeting at which the vote was taken, may so move.

(3) If the committee shall refuse to reconsider or, upon reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except upon unanimous consent of those committee members present.

(4) A motion to reconsider final passage of a measure or the confirmation of an executive appointment may be made prior to or pending a motion to rise. It shall not be taken up or voted on when made but shall be a special and continuing order of business for the succeeding committee meeting, and, unless considered during such meeting, shall be considered abandoned.

See Fla. Const. art. III, § 4(c) Quorum and procedure.

(5) At the next succeeding meeting, the reconsideration of such motion may be made by any member prior to a motion to rise.

(6) During the last fourteen (14) days of a regular session, a motion to reconsider shall be made and considered during the meeting at which the original vote was taken.
(7) A motion to reconsider instanter may be offered by a member voting on the prevailing side at the original meeting and shall be of a higher precedence than a motion to reconsider.

(a) If the motion to reconsider instanter is agreed to by a two-thirds (2/3) vote of the members present, it shall supersede a motion to reconsider and place the main question again before the committee for further consideration, amendment, and debate.

(b) If a motion to reconsider instanter is not agreed to, a motion to reconsider, if offered or pending as provided in subsection four (4) of this Rule, will be a special and continuing item on the committee agenda for the next meeting.

2.36—Reconsideration; vote required

The affirmative votes of a majority of the committee members present shall be required to adopt a motion to reconsider.

2.37—Reconsideration; debate allowed

Debate shall be allowed on a motion to reconsider only when the question proposed for reconsideration is debatable. When debate on a motion to reconsider is in order, no Senator shall speak thereon more than once nor longer than five (5) minutes.

2.38—Reconsideration; collateral matters

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the committee has passed to other business.

PART SIX—COMMITTEES—AMENDMENTS

2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, notice, manner of consideration; germanity

(1) No amendment or proposed committee substitute to any measure, or no proposed committee bill on any committee agenda shall be considered by that committee unless the amendment, proposed committee substitute, or proposed committee bill was prepared in proper form and filed with the committee administrative assistant at least twenty-four (24) hours prior to the noticed meeting time. For the purpose of this Rule, office hours are the weekdays of Monday through Friday, 8:00 a.m. - 5:00 p.m. Copies of such amendment, proposed committee substitute, or proposed committee bill shall be made reasonably available by the
committee administrative assistant before the meeting to the members of
the committee and to the public.

(a) After distribution of all timely filed amendments, amendments to amendments or substitute amendments may be filed to any measure to which an amendment was timely filed. Such amendments must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(b) After distribution of all timely filed proposed committee substitutes and proposed committee bills, amendments, amendments to amendments, or substitute amendments to any proposed committee substitute or proposed committee bill must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(c) Amendments to late-filed amendments, proposed committee substitutes, or proposed committee bills shall be considered timely filed if filed at least two (2) hours prior to the noticed meeting time.

(d) After the first fifty (50) days of a regular session, an amendment, proposed committee bill, or proposed committee substitute to any measure prepared prior to a committee meeting at which it is offered shall be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

(e) The consideration of any amendment, proposed committee bill, or proposed committee substitute not timely filed in accordance with this Rule, including any filed during a committee meeting in which it is to be offered, requires a two-thirds (2/3) vote of those committee members present, if any member requests that such a vote be taken. These time requirements do not apply to a committee’s recommendation during a meeting to make a committee substitute which is merely a combination of the noticed bill and amendment.

(2) Amendments shall be filed on forms prescribed by the Secretary.

(a) An amendment shall be considered only after its sponsor, who is a member of the committee, gains recognition from the chair to move its adoption.

(b) An amendment shall be deemed pending only after its sponsor has been recognized by the chair and has moved its adoption. Amendments that have been filed but have not been formally moved for adoption shall not be deemed to be pending.
2.40—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

(a) Amendments to the amendment are acted on before the substitute is taken up.

(b) Amendments to the substitute are next voted on.

(c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(3) An amendment of the third (3rd) degree is out of order.

2.41—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same or related subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

2.42—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The chair, in recognizing members for the
purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

2.43—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill.

2.44—Amendments by previous committees

Amendments recommended by all committees of reference shall accompany a bill when filed with the Secretary. No committee shall remove an amendment by another committee but may recommend an amendment to an amendment, or a substitute for an amendment, by another committee. Any accompanying amendment shall be included in a subsequent committee substitute unless altered or negated by committee action. Amendments adopted by a committee to be incorporated in a committee substitute need not be filed with the Secretary as part of the reports required in Rules 2.15 and 2.16.

PART SEVEN—COMMITTEES—DECORUM AND DEBATE

2.45—Decorum and debate

When a member desires to speak or present a matter to the committee, the member shall address himself or herself to “Mr. or Madam Chair” and, on being recognized, may address the committee and shall confine any remarks to the question under debate, avoiding personality. A member shall not address or refer to another member by his or her first name. A member shall use the appellation of “Senator” or such appellation and the surname of the member referred to or addressed.

2.46—Chair’s power to recognize

When two (2) or more members request to speak at once, the chair shall recognize the member who is to speak first.

2.47—Interruptions; when allowed

(1) No member shall be interrupted by another without the consent of the member who has the floor, except by:

(a) Rising to a question of privilege;
(b) Rising to a point of order requiring an immediate ruling;
(c) Rising to appeal a decision of the chair concerning a point of order (provided the appeal is made immediately following the decision);
(d) Rising to make a parliamentary inquiry requiring an immediate reply; or
(e) Rising to question the existence of a quorum.

(2) The chair shall strictly enforce this Rule.

2.48—Speaking rights

(1) When a member is speaking and another member interrupts to request recognition, the chair may permit the person rising to state why he or she desires the floor. If the question the member desires to raise is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member is then entitled to resume the floor.

(2) The member making a debatable motion or the introducer of a bill, whether or not a member of the committee, shall have five (5) minutes in order to close debate.

2.49—Time for debate

No Senator shall speak longer than ten (10) minutes without yielding the floor, except by consent of a majority of those committee members present.

2.50—Limitation on debate

When a matter is under debate by the committee, a member may move to limit debate, and the motion shall be decided without debate. The introducer of the pending matter on which debate would be limited shall have five (5) minutes to discuss the motion, and the introducer may divide such time with, or waive it in favor of, another member. If the question is decided in the affirmative by a two-thirds (2/3) vote of those committee members present, the debate shall be limited accordingly. The time allotted by such limitation shall be apportioned by the chair. Once limited, debate may be extended beyond the original debate time limit by a majority vote of the committee members present.

2.51—Priority of business; debate thereon

All questions relating to the priority of business shall be acted on and shall be decided without debate.

2.53—Repealed

See Rule 2.23—Chair’s authority; appeals.

2.54—Repealed

See Rule 2.23—Chair’s authority; appeals.
RULE THREE
BILLs, RESOLUTIONS, AND MEMORIALS

3.1—Form of bills

(1) All bills shall contain a proper title, as defined in Article III, Section 6 of the State Constitution, and the enacting clause, “Be It Enacted by the Legislature of the State of Florida:.” The title of each bill shall be prefaced by the words, “A bill to be entitled An act.” Standard rules of capitalization shall apply.

See Fla. Const. art. III, § 6 Laws.

(2) The original must be approved by the introducer and backed in a folder-jacket. On these jackets shall be inscribed the name and district number of the introducer and any co-introducers or the introducing committee and its chair, and enough of the title for identification.

(3) Bills that propose to amend existing provisions of the Florida Statutes (as described in Article III, Section 6 of the State Constitution) or the Laws of Florida shall contain the full text of the section, subsection, or paragraph to be amended. Joint resolutions that propose to amend the State Constitution shall contain the full text of the section to be amended.

See Fla. Const. art. III, § 6 Laws.

(4) In general bills and joint resolutions that propose to create or amend existing provisions of the Florida Statutes, Laws of Florida, or the State Constitution, new words shall be inserted underlined, and words to be deleted shall be lined through with hyphens, except that the text of the General Appropriations Act shall not be underlined.

(5) When the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it shall not be necessary to use the coded indicators of words added or deleted but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the text of the provision being amended: “Substantial word rewording of section. See s. [number], F.S., for present text.” When such notation is used, the notation as well as the substantially reworded text shall be underlined.

(6) The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and shall not be considered to constitute a part of the bill under consideration.

(7) Section catchlines of existing text shall not be typed with underlining.
3.2—Bills for introduction

A bill may not be introduced until properly filed with the Secretary.

See Rule 1.15—The Secretary examines legal form of bills for introduction.
See Rule 3.7—Bill filing deadline during regular session; bill filing between regular sessions.
See Rule 13.4—Delivery for introduction.

3.3—Form of local bills

As required by Article III, Section 10 of the State Constitution, all local bills must either embody provision for ratifying referenda (stated in the title as well as in the text of the bill) or be accompanied by an affidavit of proper advertisement. A form of affidavit may be found in section 11.03, Florida Statutes. All local bills that require publication shall, when introduced, have proof of publication securely attached to the original copy of the bill and the words “Proof of Publication Attached” clearly typed or stamped on the Senate side of the bill jacket or cover, or the same shall be rejected by the Secretary.

See FLA. CONST. art. III, § 10 Special laws.

3.4—Form of joint resolutions

All joint resolutions shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. They shall contain the resolving clause, “Be It Resolved by the Legislature of the State of Florida:.” Each joint resolution shall be prefaced by the words: “A joint resolution.”

See FLA. CONST. art. III, § 6 Laws.

3.5—Form of memorials

All memorials shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. They shall contain the resolving clause, “Be It Resolved by the Legislature of the State of Florida:.”

3.6—Form of resolutions; Senate and concurrent

(1) All Senate resolutions and all concurrent resolutions shall contain a proper title, as defined in Article III, Section 6 of the State Constitution. Standard rules of capitalization shall apply. Senate resolutions shall contain the resolving clause: “Be It Resolved by the Senate of the State of Florida:.” Concurrent resolutions shall contain the resolving clause: “Be It Resolved by the Senate of the State of Florida, the House of Representatives Concurring:.”
(2) Only the Secretary shall prepare copies of Senate resolutions that are to be furnished any person after the resolution’s adoption.

3.7—Bill filing deadline during regular session; bill filing between regular sessions

(1) All bills shall be filed for introduction with the Secretary no later than 12:00 noon of the first (1st) day of the regular session except:

   a) general appropriations bills,
   b) appropriations implementing bills,
   c) appropriations conforming bills,
   d) local bills,
   e) Senate resolutions,
   f) concurrent resolutions,
   g) committee bills,
   h) trust fund bills, and
   i) public-record exemptions that are linked to timely filed general bills.

(2) A motion to waive this Rule shall be referred to the Rules Committee for a hearing and its advisory recommendation as to the existence of an emergency reasonably compelling consideration of a bill notwithstanding this Rule and a recommendation shall be reported back to the Senate. The Secretary shall number each bill to provide identity and control until a permanent number can be affixed.

(3) Between regular sessions of the Legislature, bills may be filed by delivery to the Secretary.

3.8—Filed bills; consideration between regular sessions

(1) A filed bill complying with these Rules shall, in anticipation of the next regular session, be serially numbered in accordance with the permanent system required by these Rules.

(2) The Secretary shall provide each such numbered bill to the President for reference to a committee or committees pursuant to these Rules. The Secretary shall promptly forward each referenced bill to the first (1st) or only committee of reference. The Secretary shall make all filed bills available to each Senator, including the referencing data for each bill, and a calendar of all committee hearings, including the bills noticed for hearing by each.

(3) Each bill considered by a committee and reported to the Secretary during the interim shall be introduced and read on the first (1st) day of the regular session, pursuant to the State Constitution, Laws of Florida, and these Rules. The Journal shall reflect the committee reference and
the report of the committee. All requirements for the referencing of bills to and the consideration of bills by Senate committees shall be deemed to have been met and discharged if the jurisdictional requirements of this Rule have been complied with as to each of such bills.

(4) Notwithstanding these Rules, a Senator may, during the day of introduction of filed bills, but no later than under the Order of Business of “Motions Relating to Committee Reference” on the second (2nd) day on which the Senate sits, move for reference to a different committee or for removal from a committee. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

(5) Prior to the introduction of a bill on the first (1st) day of the regular session, a Senator may give written notification to the Secretary to withdraw his or her bill from further consideration of the Senate.

3.9—Copies of bills

When filed, bills (including committee bills and committee substitute bills) shall be published by the Secretary for the information of the Senate and the public. The absence of a published copy shall not delay the progress of a measure at any stage of the legislative process. Sufficient copies of the general appropriations bill proposed to be introduced by the Appropriations Committee shall be made available to the members and, upon request, to the public, at the Office of the Secretary and at the committee’s office, no less than two (2) hours prior to the time the Appropriations Committee meets to consider the proposed committee bill.

3.10—Identification of bills

Bills and other measures requiring legislative action shall be introduced in the order they are received by the Secretary. They shall be serially numbered with even numbers as introduced, without differentiation in number as to type. The Secretary shall mark the original copy of each measure to ensure its identification, and each page thereof, as the item introduced in order to prevent unauthorized or improper substitutions. This identification may be made by any device to accomplish the purpose of this Rule. Such device shall be in the custody of the Secretary, and its use by any person not authorized by this Rule is prohibited.

3.11—Companion measures

(1) When a Senate bill is reached on the calendar of the Senate for consideration, either on second (2nd) or third (3rd) reading, and there is also pending on the calendar of the Senate a companion measure already passed by the House, it shall be in order to move that the House
companion measure be substituted and considered in lieu of the Senate measure. Such motion may be adopted by a majority vote of those Senators present, provided the House measure is on the same reading; otherwise, the motion shall be to waive the Rules by a two-thirds (2/3) vote of those Senators present and read such House measure.

(2) A companion measure shall be substantially the same and identical as to specific intent and purpose as the measure for which it is being substituted. Differences between the Senate bill and the House bill shall be explained by the mover prior to a vote on a substitution motion.

(3) At the moment the Senate passes the House companion measure, the original Senate measure shall be regarded as automatically tabled. Recomitment of a Senate bill shall automatically carry with it any House companion measure then on the calendar.

3.12—Introducers of bills; co-introducers; introducers no longer Senators

(1) Bills shall be approved for introduction by a Senator whose name is affixed to the original, or by any committee with the name of the committee and the name of the chair of the committee affixed to the original. A bill may be co-introduced by any Senator whose name is affixed to the original.

(2) A Senator who is not seeking or is ineligible for reelection and, therefore, will not be a Senator at the next regular session of the Legislature may not file a bill for that session. Once a Senator is no longer in office, any bill filed by that Senator for a current or future session of the Legislature shall be deemed withdrawn from further consideration of the Senate unless the bill has a co-introducer who, within seven (7) days, agrees to become the introducer of the bill.

3.13—Fiscal notes

(1) Upon being favorably reported by a committee, all general bills or joint resolutions affecting revenues, expenditures, or fiscal liabilities of state or local governments shall be accompanied by a fiscal note. Fiscal notes shall reflect the estimated increase or decrease in revenues or expenditures. The estimated economic impact, which calculates the present and future fiscal effects of the bill or joint resolution, must be considered. The fiscal note shall not express opinion relative to the merits of the measure, but may identify technical defects.

(2) Fiscal notes on those bills affecting any state retirement system shall be prepared after consultation with an actuary who is a member of...
the Society of Actuaries, and the cooperation of appropriate state agencies for necessary data shall be solicited.

(3) Fiscal notes shall be regarded as memoranda of factual information and shall be made available to Senators.

(4) If a bill or joint resolution is reported favorably by a committee without a fiscal note or economic impact statement, as defined in this Rule, a Senator may at any time prior to final passage raise a point of order, and the President shall order return of the bill or joint resolution to the committee. A fiscal note prepared for a Senate bill or joint resolution shall be presumed as prepared also for its House companion for the purposes of point of order.

RULE FOUR
ORDER OF BUSINESS AND CALENDAR

4.1—Sittings of the Senate

The Senate shall convene pursuant to a schedule provided by the President or at the hour established by the Senate at its last sitting. This schedule shall set forth hours to convene and adjourn and may contain a schedule for the Special Order Calendars submitted by the Rules Chair, Majority Leader, and Minority Leader. During the first fifty (50) days of a regular session, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 8:00 p.m. Otherwise, the Senate shall not convene before 7:00 a.m. nor meet or continue to meet after 6:00 p.m.

See Rule 1.2—The President calls the Senate to order.

4.2—Quorum

A majority of the Senate shall constitute a quorum, but a smaller number may adjourn from day to day and compel the attendance of absent members, in such manner and under such penalties as it may prescribe. A Senator at any time may question the existence of a quorum.

See FLA. CONST. art. III, § 4 Quorum and procedure.

4.3—Daily Order of Business

(1) The Daily Order of Business shall be as follows:

(a) Roll Call
(b) Prayer
(c) Pledge of Allegiance to the Flag of the United States of America
(d) Reports of Committees
(e) Motions Relating to Committee Reference
(f) Messages from the Governor and Other Executive Communications
(g) Messages from the House of Representatives
(h) Matters on Reconsideration
(i) Consideration of Bills on Third (3rd) Reading
(j) Special Order Calendars
(k) Consideration of Bills on Second (2nd) Reading
(l) Correction and Approval of Journal
(m) Unfinished Business

(2) The Secretary shall prepare and distribute, on each session weekday, a calendar corresponding to the Daily Order of Business; and within each order of business, matters shall be considered in the order in which they appear on such daily calendar. Local bills may be omitted from the formal calendar and may be distributed to Senators by the Secretary separately. Weekend calendars may be prepared when necessary to provide notice of meetings on Saturday or Sunday.

See Rule 4.16—Consideration out of regular order.

(3) Certain messages from the House of Representatives may be withheld from the Daily Order of Business pursuant to Rule 1.18 or on order of the President. Notwithstanding Rule 4.3(1), the Senate may, at the direction of the President, take up messages from the House at any time.

See Rule 1.18—The Secretary receives and delivers for reading messages from the House of Representatives; summaries of House amendments to Senate bills.

(4) Unless read during a sitting, first (1st) reading of a bill shall be accomplished by publication of the title thereof in the Journal pursuant to Article III, Section 7 of the State Constitution.

See Fla. Const. art. III, § 7 Passage of bills.

(5) Except by unanimous consent of those Senators present at a sitting, no bill shall be considered by the Senate if the bill or a companion measure has not been first reported favorably by at least one (1) Senate committee.

4.4—Committee of the Whole

By a majority vote of those Senators present, the Senate may resolve itself into a Committee of the Whole and, when thus constituted, may consider any question whether formally introduced in the Senate or not. The Senate may, however, restrict the subject matter to be considered by the Committee of the Whole, or its jurisdiction, by resolving itself into a Committee of the Whole for a specific and limited purpose. The President shall preside and maintain order and decorum. The Senate Rules relating
to standing committees shall govern when applicable. The Committee of the Whole may consider and report, by majority vote of those committee members present, on any bill or question not formally introduced in the Senate and any bill on which all standing committees of reference have rendered a favorable report. A bill on which committee action has been taken by the committee or committees of reference or on which an unfavorable committee report has been filed may be considered only by a two-thirds (2/3) vote of those committee members present. Such vote shall also be required to favorably report any such bill to the Senate. A bill thus originating in a Committee of the Whole shall, when introduced as contemplated by the State Constitution, receive no further reference to committee. A favorable report by a Committee of the Whole on a bill having theretofore received an unfavorable report by a standing committee of reference shall not have the effect of withdrawing such bill from the table. Consideration by the Senate of such a bill shall be preceded by the adoption of the appropriate motion during a sitting of the Senate. Bills considered by a Committee of the Whole shall be read once, debated, amended, and acted on as a standing committee function. The body of a bill formally introduced shall not be interlined or defaced, but all amendments denoting the location shall be entered on a separate paper by the Secretary of the Committee of the Whole. The same shall be agreed to by the Committee of the Whole, and the report filed as otherwise provided in these Rules for committee reports. After report, the bill or other matter may be again debated and shall be subject to be again amended by the Senate. The quorum for a Committee of the Whole shall be the same as for the Senate, and when the Committee of the Whole shall rise, the roll shall be called to ascertain the presence of a quorum of the Senate.

4.5—Conference committee report

(1) The report of a conference committee appointed pursuant to Rule 1.5 shall be read to the Senate at two (2) consecutive sittings, and on the completion of the second (2nd) reading the vote shall be:

(a) on the adoption or rejection of the conference report and, if adopted, the vote shall then be
(b) on final passage of the measure as amended by the conference report.

During the last five (5) days of a regular session and during any extension thereof, the report shall be read only once. Copies of conference committee reports shall be available to the membership twelve (12) hours prior to the time such report is scheduled to be taken up on the Senate floor.
(2) The report must be acted on as a whole, being adopted or rejected.

(3) Each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(4) Except when the Senate is voting on a proposition, reports of conference committees shall always be in order.

4.6—Reference generally

(1) All bills, including those that are strictly local in nature, shall be referred by the President to appropriate committees and standing subcommittees. General appropriations bills, appropriations implementing bills, and appropriations conforming bills introduced by the Appropriations Committee may be placed on the calendar without reference.

(2) Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to reference such bills within this limitation, they shall be referred to committees as may be recommended by the introducer. In the event of extended absence of the President or the President’s disability or incapacity, the President Pro Tempore shall assume the duty of referring bills.

(3) When the Legislature is not in session, the President may change or correct a bill reference by notice to the Secretary and the bill introducer.

(4) The review of a bill that appears to be local in nature shall be performed by the Secretary to determine whether such measure is local in nature for reference purposes and whether it responds to the legal requirements of a local bill.

(5) A bill is local in nature for referencing purposes if it does not substantially alter a law of general application throughout the state and it either affects no more than one (1) county or relates to a special district that is located wholly within no more than two (2) counties.

(6) When the Secretary, through staff review, has determined that the bill is not local in nature for referencing purposes, the Secretary shall report such determination to the President, who shall refer such bill to an appropriate standing committee for hearing. Such report shall be made within fifteen (15) days from date of receipt by the Secretary. When the Secretary, through staff review, has determined that a bill is local in nature for referencing purposes and that it responds to the legal
requirements of a local bill, the bill shall be available for the calendar on local bills notwithstanding Rule 4.3(5).

4.7—Reference to more than one committee; effect

(1) When a bill receives more than one (1) reference, it shall be considered by each committee separately in the order in which the references are made. However, if any committee to which the bill is referred makes an unfavorable report on said bill, that report shall be filed with the Senate and no further consideration given by other committees except by a two-thirds (2/3) vote of those Senators present while sitting.

(2) If a committee reports a bill favorably with committee substitute or with any amendment which substantially amends the bill, the President may change or correct the reference of the reported bill. Notice shall be given to the Secretary and the introducer of the bill.

4.8—Review and reference of bills affecting appropriations, revenue, retirement, or county or municipal spending

(1) All bills authorizing or substantially affecting appropriations or tax revenue shall be referred to the appropriate revenue or appropriations committee.

(2) All bills substantially affecting a state-funded or state-administered retirement system shall be referred to the Governmental Oversight and Accountability Committee.

(3) A bill containing a local mandate as described in Article VII, Section 18 of the State Constitution shall be referred to the Community Affairs Committee.

(4) A bill that is amended to substantially affect appropriations or tax revenue, a state retirement program, or expenditures or revenues as set forth in Article VII, Section 18 of the State Constitution may, before being placed before the Senate for final passage, be referred by the President along with all amendments to the appropriate revenue or appropriations committee.

4.81—Claim bills

(1) Claim bills are of two (2) types: excess judgment claims filed pursuant to section 768.28(5), Florida Statutes, and equitable claims filed without an underlying excess judgment.

(2) All claim bills shall be filed with the Secretary on or before August 1 in order to be considered by the Senate during the next regular session, except that Senators elected to the Senate during a general
election or a special general election may have sixty-two (62) days from
the date of that election to file a claim bill. Senators currently serving who
are re-elected during a general election are not subject to the immediately
preceding provision relating to sixty-two (62) days. A motion to introduce
a claim bill notwithstanding the claim bill filing deadline shall be referred
to the Rules Committee for a hearing and a determination as to the
existence of an emergency reasonably compelling consideration of a claim
bill notwithstanding the claim bill filing deadline. A House claim bill
which does not have a Senate companion claim bill timely filed under this
Rule shall not be considered by the Senate. Any motion to consider a
House claim bill which does not have a timely filed Senate companion bill
shall be referred to the Rules Committee for a hearing and a
determination as to the existence of an emergency reasonably compelling
consideration of a claim bill notwithstanding the claim bill filing deadline.
The determination by the Rules Committee shall be reported back to the
Senate. Upon a determination by the committee that an emergency does
exist, the motion may be considered by the Senate and must be adopted
by a two-thirds (2/3) vote of those Senators present.

(3) If the President determines that a de novo hearing is necessary to
determine liability, proximate cause, and damages, a special master shall
conduct such hearing pursuant to reasonable notice. Discovery procedures
shall be governed by the Florida Rules of Civil Procedure and the Florida
Evidence Code, as applicable. The special master shall administer an oath
to all witnesses, accept relevant documentary and tangible evidence
properly offered, record the proceedings, and prepare a final report
containing findings of fact, conclusions of law, and recommendations. The
report shall be signed by the special master who shall be available, in
person, to explain his or her report to the committees and to the Senate.

(4) All claim bills shall be referred by the President to one (1) or more
committees for review. On receipt of the special master’s report and
recommendations, if any, the Secretary shall, upon the President’s
reference, deliver each claim bill with the report attached to the
committee or committees of reference.

(5) Stipulations entered into by the parties are not binding on the
special master, the Senate, or its committees.

(6) The hearing and consideration of a claim bill shall be held in
abeyance until all available administrative and judicial remedies have been
exhausted; except that the hearing and consideration of a claim that is still
within the judicial or administrative systems may proceed where the parties
have executed a written settlement agreement. This subsection does not
apply to a bill which relates to a claim of wrongful incarceration.
(7) All materials provided by litigants and others in connection with claim bills shall be submitted in a digital form prescribed by the Secretary.

4.9—Reference of resolutions

(1) Substantive resolutions shall be referred by the President to a standing committee.

(2) Resolutions that may be considered without reference to a committee include those addressing:

(a) Senate organization,
(b) condolence and commemoration that are of a statewide nonpolitical significance, and
(c) concurrent resolutions recalling a bill from the Governor’s office, adopting Joint Rules of the Legislature, extending a session of the Legislature, or setting an effective date for a bill passed over the Governor’s veto.

The resolutions listed in subsection (2) may be considered and read twice on the same day on motion and adopted at time of introduction without reference, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal.

(3) A joint resolution setting an effective date for a bill passed over the Governor’s veto may be considered on motion and introduced without reference.

4.10—Reference to different committee or removal

After the President has referred a bill, the Rules Chair may move for reference to a different committee or for removal from any committee after the introducer of the bill has filed a request with the Rules Chair signed by the chair of the affected committee, the Rules Chair, and the President. This motion may be adopted by a two-thirds (2/3) vote of those Senators present.

4.11—Papers of miscellaneous nature

Papers of a miscellaneous nature addressed to the Senate may, at the discretion of the President, be read, noted in the Journal, or filed with an appropriate committee. When there is a demand to read a paper other than one on which the Senate is called to give a final vote and the same is objected to by any Senator, it shall be determined by a majority vote of those Senators present.
4.12—Reading of bills and joint resolutions

Each bill or joint resolution shall receive three (3) separate readings on three (3) separate days previous to a vote on final passage unless decided otherwise by a two-thirds (2/3) vote of those Senators present as provided in Article III, Section 7 of the State Constitution.

See FLA. CONST. art. III, § 7 Passage of bills.

4.13—Reading of concurrent resolutions and memorials

(1) Each concurrent resolution or memorial shall receive two (2) separate readings by title on two (2) separate days previous to a voice vote on adoption, unless decided otherwise by a two-thirds (2/3) vote of those Senators present.

(2) Concurrent resolutions recalling a bill from the Governor’s office, adopting Joint Rules of the Legislature, extending a session of the Legislature, or setting an effective date for a bill passed over the Governor’s veto may be read a first (1st) and second (2nd) time, and adopted on the same day.

4.14—Reading of Senate resolutions

Unless referred to a standing committee, on introduction, each Senate resolution shall be read two (2) times on the same day by title only before the question is put on adoption by voice vote.

4.15—Referral or postponement on third (3rd) reading

On the third (3rd) reading of a bill or joint resolution, it shall not be referred or committed (except as provided under Rule 4.8) or amended (except a corrective or title amendment) except by a two-thirds (2/3) vote of those Senators present, nor shall the vote on passage be postponed to a day certain without the consent of a majority of those Senators present.

4.16—Consideration out of regular order

A bill shall be considered out of regular order on the calendar on unanimous consent of those Senators present obtained in the following manner: prior to the consideration of the motion, the Senator moving for unanimous consent of those Senators present shall orally give the membership not fewer than fifteen (15) minutes’ notice of his or her intention to move and shall specify the number of the bill and its position on the calendar. On entertainment of the motion, the moving Senator shall be allowed one (1) minute to explain his or her purpose, and unanimous consent of those Senators present shall be given or refused without further debate.
4.17—Procedure to establish Special Order Calendars and Consent Calendars

(1) Commencing fifteen (15) days prior to a regular session and continuing through any extension thereof, the Rules Chair, Majority Leader, and Minority Leader shall together submit a Special Order Calendar determining the list of bills for consideration by the Senate. The President shall determine the order in which such bills appear on the published Special Order Calendar.

(2) A Special Order Calendar submitted for the first (1st) day, second (2nd) day, or last fourteen (14) days of a regular session shall be published in one (1) daily calendar and may be considered on the day of publication. A Special Order Calendar for any other day during a regular session shall be published in two (2) daily calendars and may be considered on the second (2nd) day of publication.

   (a) Bills that had been scheduled for a Special Order Calendar for a previous sitting may be included in the next Special Order Calendar. No other bills shall be considered until this Special Order Calendar has been completed by the Senate.

   (b) A bill appearing on a Special Order Calendar may be stricken by a two-thirds (2/3) vote of those Senators present.

   (c) A bill appearing on the calendar of bills on second (2nd) reading may be added to the end of the Special Order Calendar by a two-thirds (2/3) vote of Senators present.

   (d) All bills set as Special Orders for consideration at the same hour shall take precedence in the order in which they were given preference.

   (e) A Special Order Calendar may not be submitted by the Rules Chair, Majority Leader, and Minority Leader and considered by the Senate on the same day.

(3) A two-thirds (2/3) vote of those Senators present shall be required to establish a Special Order except as provided in this Rule.

(4) Notice of date, time, and place for the establishment of the Special Order Calendars shall be published in at least one (1) Senate calendar or by announcement from the floor.

(5) The Rules Chair, with the approval of the President, may submit a Consent Calendar, to be held in conjunction with the Special Order Calendars.

   (a) When such a day is designated, all bills appearing on the Consent Calendar shall be considered in their order of appearance.
(b) Amendments shall be limited to accompanying committee amendments, noncontroversial and technical amendments, and amendments required to conform a House companion bill to the Senate bill.

(c) When a Senator objects to consideration of a bill on a Consent Calendar, the bill shall be removed from the Consent Calendar but retain its order on the Second (2nd) Reading Calendar.

(d) All Consent Calendar bills must have appeared in at least one (1) daily calendar.

4.18—Local Bill Calendar

Local bills shall be disposed of according to the calendar of bills of a local nature and shall be considered only at such time as determined by the Rules Chair and approved by the President. Any member of the delegation for the local area affected by a bill on the Local Bill Calendar may request that the bill be removed from such calendar.

4.19—Order after second (2nd) reading

(1) After a Senate bill has been read a second (2nd) time and amended and all questions relative to it have been disposed of, it shall be referred to the engrossing clerk to be immediately engrossed. It shall then be placed on the calendar of bills on third (3rd) reading to be considered during the next Senate sitting.

(2) Amendments filed with the Secretary, but not formally moved, shall not be construed as pending and shall not deter advancement of a bill to third (3rd) reading.

(3) A bill shall be available for its third (3rd) reading when it has been read a second (2nd) time on a previous day and no motion left pending.

(4) Bills calendared for second (2nd) or third (3rd) reading shall not be considered on such reading until reached in the proper order and read by title as directed by the President.

4.20—Enrolling

The Secretary shall be responsible for the enrolling of all Senate bills. After enrollment, all bills shall be signed by the President and the Secretary and the enrolling report shall be published in the Journal.

See FLA. CONST. art. III, § 7 Passage of bills.

4.21—Veto messages

All veto messages shall be referred to the Rules Committee.

See FLA. CONST. art. III, § 8 Executive approval and veto.
RULE FIVE

VOTING

5.1—Taking the yeas and nays

The President shall declare all votes, but, if five (5) Senators immediately question a voice vote by a show of hands, the President shall take the vote by yeas and nays or electronic roll call. When taking yeas and nays on any question, the electronic roll call system may be used and shall have the force and effect of a roll call taken as provided in these Rules. This system may also be used to determine the presence of a quorum. When the Senate is ready to vote on a question requiring roll call and the vote is by electronic roll call, the President shall state: “The Secretary will unlock the board and Senators prepare to vote.” When sufficient time has elapsed for each Senator to vote, the President shall say: “Have all Senators voted?” And, after a short pause, shall state: “The Secretary shall now lock the board and record the vote.” When the vote is completely recorded, the President shall announce the result to the Senate; and the Secretary shall enter in the Journal the result. When the Senate is equally divided, the question shall be lost.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

5.2—Change of vote; votes after a roll call; vote verification

(1) After the result of the vote has been announced by the President, a Senator with unanimous consent of those Senators present may change his or her vote or cast a late vote on the matter.

(2) Records of vote change and after the roll call requests shall be available at the Secretary’s desk throughout the day’s sitting.

(3) The original roll call shall not be altered, but, if no objections are raised before the close of business that day, timely filed changes of votes and votes after the roll call shall be accepted and recorded under the original roll call in the Journal.

(4) No such change of vote or vote after the roll call request shall be accepted if such vote would alter the result of the vote on final passage of the matter until the matter shall first have been returned to the desk and reconsidered.

(5) On request of a Senator before considering other business, the President shall order a verification of a vote.
5.3—Casting vote for another

(1) No Senator shall cast a vote for another Senator unless the Senator is present in the Chamber area and requests the casting of said vote, nor shall a person not a Senator cast a vote for a Senator.

(2) A Senator who shall, without such authorization, vote or attempt to vote for another Senator may be punished as the Senate may deem proper.

(3) A person not a Senator who votes in the place of a Senator shall be excluded from the Chamber for the remainder of the session.

5.4—Repealed

5.5—Explanation of vote

No Senator shall be permitted to explain his or her vote during a roll call but may submit his or her explanation in writing and file it with the Secretary. This explanation shall be entered in the Journal.

5.6—Election by ballot

In all cases of ballot, a majority of the votes cast shall be necessary to an election. If, however, no one is elected on the first three (3) ballots, the names after the top two (2) in number of votes received on the third (3rd) tally shall be dropped, and the Senate shall ballot on the two (2) names remaining.

RULE SIX
MOTIONS AND PRECEDENCE

6.1—Motions; how made, withdrawn

(1) Procedural motions may be made orally. On request of the President, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the President, it shall be deemed to be in possession of the Senate and, without a second, shall be disposed of by vote of the Senate.

(2) The mover may withdraw a motion, except a motion to reconsider, as hereinafter provided, at any time before the same has been amended or before the vote shall have commenced.

6.2—Motions; precedence

(1) When a question is under debate, the President shall receive no motion except:

(a) To reconsider and leave pending a main question

See Rule 6.4—Reconsideration generally.
(b) To adjourn
   1. At a time certain
   2. Instanter

See Fla. Const. art. III, § 3(e) Sessions of the legislature.

(c) To recess
(d) Questions of privilege
See Rule 8.11—Questions of privilege.

(e) To proceed to the consideration of executive business
(f) To reconsider
See Rule 6.4—Reconsideration generally.

(g) To limit debate
See Rule 8.6—Limitation on debate.

(h) To temporarily postpone
See Rule 6.11—Temporarily postpone.

(i) To postpone to a day certain

(j) To commit to the Committee of the Whole
See Rule 4.4—Committee of the Whole.

(k) To commit to a standing committee

(l) To commit to a select committee

(m) To amend
See Rule 7—Amendments.

(n) To postpone indefinitely
See Rule 6.9—Motion to indefinitely postpone.

which shall have precedence in the descending order given.

(2) A motion to discharge Senate conferees and to appoint or instruct said conferees as set forth in Rule 2.19 is a motion of the highest privilege and this motion shall have precedence over all other questions except motions to adjourn and questions of privilege.

(3) The President shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence.

(4) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one substitute shall be considered concurrently and the substitute shall be in the same order of precedence.

(5) Motions for the previous question and to lay on the table shall not be entertained.

6.3—Division of question

(1) A Senator may move for a division of a question when the sense will admit of it, which shall be decided by a majority vote.
(2) A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

6.4—Reconsideration generally

(1) When a main question (the vote on passage of a measure, including a vote on a veto message, confirmation of executive appointments, removal or suspension from office) has been decided by the Senate, a Senator voting with the prevailing side may move for reconsideration of the question on the day the matter was decided or on the next day on which the Senate sits.

(a) If the question has been decided by voice vote, any Senator may move for reconsideration thereof.

(b) When a majority of those Senators present vote in the affirmative on the question but the proposition is lost because it is one in which the concurrence of more than a majority of those Senators present is necessary for adoption or passage, any Senator may move for reconsideration.

(2) Such motion to reconsider may be made prior to or pending a motion to recess or adjourn.

(3) Consideration of a motion to reconsider shall be a special and continuing order of business for the Senate at its next sitting and, unless taken up under the proper order of business on that day by motion of any Senator, shall be deemed abandoned. If the Senate shall refuse to reconsider or, on reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except on unanimous consent of those Senators present.

(4) During the last five (5) days of a regular session, a motion to reconsider shall be made and considered on the same day and time it is offered.

6.5—Reconsideration; vote required

The affirmative votes of a majority of those Senators present shall be required to adopt a motion to reconsider.

6.6—Reconsideration; debate

Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. When the question is debatable, no Senator shall speak thereon more than once or longer than five (5) minutes.
6.7—Reconsideration; collateral matters and procedural motions

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the Senate has passed to other business. Reconsideration of a procedural motion shall be considered on the same day and at the same time it is made.

6.8—Reconsideration; Secretary to hold for period

The Secretary shall hold all bills for the period after passage during which reconsideration may be moved. The adoption of a motion to waive the Rules by a two-thirds (2/3) vote of those Senators present and immediately certify any bill to the House shall be construed as releasing the measure from the Secretary’s possession for the period of reconsideration and shall, thereafter, preclude reconsideration. During the last five (5) calendar days of a regular session and during any extensions thereof, or during a special session, the bills shall be immediately transmitted to the House. Messages relating to Senate action on House amendments or to conference committee reports shall be transmitted by the Secretary forthwith.

See Rule 6.4—Reconsideration generally.

6.9—Motion to indefinitely postpone

The adoption of a motion to indefinitely postpone a measure shall dispose of it for the duration of the legislative session and all extensions thereof. A motion to postpone consideration to a time beyond the last day allowed under the State Constitution for the current legislative session shall be construed as a motion to indefinitely postpone. Motions to indefinitely postpone shall not be applicable to collateral matters.

6.10—Committee substitute; withdrawn

Once a bill has been reported as a committee substitute, it may be withdrawn from further consideration only by motion of the introducer and unanimous consent of the Senators present.

6.11—Temporarily postpone

(1) The motion to temporarily postpone shall be decided without debate and shall cause a measure to be set aside but retained on the desk.

(2) If a main question has been temporarily postponed after having been debated or after motions have been applied and is not brought back up during the same sitting, it shall be placed under the order of unfinished business on the Senate calendar. If a main question is temporarily postponed before debate has commenced or motions have
been applied, its reading shall be considered a nullity and the bill shall retain its original position on the order of business during that sitting; otherwise, the bill reverts to the status of bills on second (2nd) or third (3rd) reading, as applicable.

(3) The motion to return to consideration of a temporarily postponed main question shall be made under the proper order of business when no other matter is pending.

(4) If applied to a collateral matter, the motion to temporarily postpone shall not cause the main question to be carried with it. After having been temporarily postponed, if a collateral matter is not brought back before the Senate in the course of consideration of the adhering or main question, it shall be deemed abandoned.

RULE SEVEN
AMENDMENTS

7.1—General form; notice; manner of consideration

(1) No amendment to a bill on any Senate calendar shall be considered by the Senate unless the amendment was prepared in proper form and filed with the Secretary no later than 5:00 p.m. the day before it is to be offered at a sitting. Copies of such amendments shall be made reasonably available by the Secretary before the sitting, upon request, to the Senators and to the public. The consideration of all amendments not timely filed in accordance with this Rule, requires a two-thirds (2/3) vote of those Senators present, if any Senator requests that such vote be taken.

(2) Amendments shall be filed with the Secretary on forms prescribed by the Secretary but shall be considered only after sponsors gain recognition from the President to move their adoption, except that the chair of the committee (or, in the chair’s absence, the vice chair or any member thereof) reporting the measure under consideration shall have preference for the presentation of committee amendments. An amendment shall be deemed pending only after its sponsor has been recognized by the President and has moved its adoption. Amendments that have been filed with the Secretary but have not been formally moved for adoption shall not be deemed to be pending.

(3) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.
(4) The following bills are out of order and shall not be admitted or considered in the form of an amendment to a bill on the calendar and under consideration by the Senate:

(a) Bills that have received an unfavorable committee report.
(b) Bills that have been withdrawn from further consideration by the introducer.
(c) Bills the substance of which have not been reported favorably by all committees of reference.
(d) Bills that have not been published in at least one (1) daily calendar under Bills on Second (2nd) Reading.

Amendments covered by this Rule shall be substantially the same and identical as to specific intent and purpose as the measure residing in the committee or committees of reference.

7.2—Adoption

(1) On second (2nd) reading, amendments may be adopted by a majority vote of those Senators present.

(2) On third (3rd) reading, amendments and amendments to amendments, including substitute amendments and amendments to the substitute, shall be adopted by a two-thirds (2/3) vote of those Senators present.

(3) Amendments to the title or corrective amendments may be decided, without debate, by a majority vote of those Senators present on third (3rd) reading.

7.3—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:
(a) Amendments to the amendment are acted on before the substitute is taken up. Only one (1) amendment to the amendment is in order.

(b) Amendments to the substitute are next voted on.

(c) The substitute then is voted on.

(2) The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(3) Amendments of the third (3rd) degree are out of order.

7.4—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same or related subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

7.5—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The President, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

7.6—Printing in Journal

All amendments taken up by the Senate unless withdrawn shall be printed in the Journal, except that an amendment to the general
appropriations bill constituting an entirely new bill shall not be printed until the filing of the conference committee report. All item amendments to the general appropriations bill shall be printed.

7.7—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill. If a House bill is amended, the same shall be noted by the Secretary on the jacket before it is transmitted to the House.

7.8—House amendments to Senate bills

(1) After the reading of a House amendment to a Senate bill, the Senate may consider the following motions in order of their precedence:

(a) Amend the House amendment,
(b) Concur in the House amendment,
(c) Refuse to concur in the House amendment and ask the House to recede, or
(d) Request a conference committee.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

7.9—House refusal to concur in Senate amendment

(1) If the House shall refuse to concur in a Senate amendment to a House bill, the Senate may consider the following motions in order of their precedence:

(a) Recede,
(b) Insist that the House concur and request a conference committee, or
(c) Insist that the House concur.

(2) The adoption of any of the foregoing motions shall be by majority vote of those Senators present.

RULE EIGHT

DECORUM AND DEBATE

8.1—Decorum and debate

(1) When a Senator desires to speak or present a matter to the Senate, the Senator shall rise at his or her seat and address himself or herself to “Mr. or Madam President” and, on being recognized, may address the Senate from his or her desk or from the well of the Senate and shall confine any remarks to the question under debate, avoiding personality.
(2) A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of “Senator” or such appellation and the district number of the Senator being addressed, or a Senator may also use such appellation and the surname of the Senator referred to or addressed.

8.2—Presiding officer's power of recognition

When two (2) or more Senators rise at once, the presiding officer shall recognize the Senator who is to speak first.

8.3—Interruptions; when allowed

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:

(a) Rising to a question of privilege;
(b) Rising to a point of order requiring an immediate ruling;
(c) Rising to appeal a decision of the presiding officer concerning a point of order (if the appeal is made immediately following the decision);
(d) Rising to make a parliamentary inquiry requiring an immediate reply; or
(e) Rising to question the existence of a quorum.

(2) The presiding officer shall strictly enforce this Rule.

8.4—Senator speaking, rights

(1) When a Senator is speaking and another Senator interrupts to request recognition, the presiding officer may permit the person rising to state why he or she desires the floor. If the question the Senator desires to raise is entitled to precedence, the Senator originally speaking shall relinquish the floor until the question having precedence is disposed of. The Senator then is entitled to resume the floor.

(2) The Senator making a debatable motion or the introducer of a bill shall have five (5) minutes in order to close debate.

8.5—Limit on speaking

No Senator shall speak longer than thirty (30) minutes without yielding the floor, except by consent of a majority of those Senators present.

8.6—Limitation on debate

When a matter is under debate by the Senate, a Senator may move to limit debate, and such motion shall be decided without debate, except the introducer of the matter on which debate would be limited shall have five
(5) minutes to discuss said motion. If, by a two-thirds (2/3) vote of those Senators present, the question is decided in the affirmative, debate shall be limited accordingly. Debate may be further extended by a majority vote.

8.7—Points of order, parliamentary inquiry, definitions

(1) A “point of order” is the parliamentary device used to require a deliberative body to observe its own rules and to follow established parliamentary practice.

(2) A “parliamentary inquiry” is a request for information from the presiding officer:
   (a) About business pending or soon to be pending before the Senate; or
   (b) A device for obtaining a predetermination of a rule or a clarification thereof which may be presented in hypothetical form.

8.8—Questioning decision not to abstain

A point of order questioning the decision of a Senator not to abstain from voting on account of a conflict of interest may be raised after the vote has been recorded and before the result is announced.

See Rule 1.20—Attendance, voting, and disclosure of conflicts.
See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

8.9—Appeals

Taking exception to a ruling of a presiding officer shall be by appeal. An appeal from a decision of the presiding officer must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; and, if the determination of the appeal is dependent on this point, it may be decided by the presiding officer. This second (2nd) decision is also subject to appeal.

8.10—Appeals debatable

An appeal from a decision of the presiding officer on a point of order is debatable even though the question from which it arose was not debatable.

8.11—Questions of privilege

(1) Questions of privilege have two (2) forms:
   (a) Privilege of the Senate—Those affecting the rights of the
Senate collectively, its safety, dignity, and the integrity of its proceedings; and

(b) Privilege of a Senator—The rights, reputation, and conduct of Senators individually, in their representative capacity only.

(2) These shall have precedence over all other questions except motions to adjourn or recess. A question of privilege affecting either house collectively takes precedence over a question of privilege affecting an individual Senator.

RULE NINE
LOBBYING

9.1—Those required to register

All persons (except those specifically exempted) who seek to encourage the passage, defeat, or modification of legislation in the Senate or before its committees shall, before engaging in such activity, register as prescribed by law and the Joint Rules of the Florida Legislature.

9.2—Obligations of lobbyist

(1) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view from which he or she openly declares. A lobbyist shall not offer or propose anything to improperly influence the official act, decision, or vote of a legislator.

(2) A lobbyist, by personal example and admonition to colleagues, shall uphold the honor of the legislative process by the integrity of his or her relationship with legislators.

(3) A lobbyist shall not knowingly and willfully falsify a material fact or make any false, fictitious, or fraudulent statement or representation or make or use any writing or document knowing the same contains any false, fictitious, or fraudulent statements or entry.

9.3—Lobbyists’ requirements

A lobbyist shall adhere to the statutory requirements for lobbyists provided by law and the Joint Rules.

9.35—Contributions during sessions

During a regular legislative session, and during an extended or special session as further provided for in Rule 1.361(2), a lobbyist may not directly or indirectly contribute to a Senator’s own campaign, or to any
organization that is registered, or should have been registered, with the Rules Committee pursuant to Rule 1.361(3).

9.4—Advisory opinions

(1) A lobbyist, when in doubt about the applicability and interpretation of Rule Nine (9) in a particular context, may submit in writing a statement of the facts involved to the Rules Committee and may appear in person before said committee.

(2) The Rules Committee may render advisory opinions to any lobbyist who seeks advice as to whether or not the facts in a particular case will constitute a violation of these Rules. All opinions shall delete names and be numbered, dated, and published in the Journal.

9.5—Compilation of opinions

The Secretary shall compile all advisory opinions of the Rules Committee.

9.6—Violations; investigations, penalties

(1) Any person may file a sworn complaint with the Rules Chair alleging a violation of the Rules regulating the conduct and ethics of lobbyists. The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named lobbyist which form the basis for the complaint, and shall identify the specific Rule alleged by the complainant to have been violated by the lobbyist. Upon a determination by the Rules Chair that the complaint states facts supporting a finding of probable cause, the complaint shall be referred to a special master. Upon a determination by the chair that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed. The special master shall conduct an investigation, shall give reasonable notice to the lobbyist who is alleged to have violated the Rules, and shall grant the lobbyist an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master’s report and recommendation is advisory only and shall be presented to the chair as soon as practicable after the close of the investigation. If the special master’s report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair. If the complaint is not dismissed, the Rules Committee shall consider the special master’s report and recommendation, shall grant the lobbyist an opportunity to be heard, and shall develop its own recommendation. If the Rules Committee votes to dismiss the complaint, the Rules Chair shall dismiss the complaint. Otherwise, the special master’s report and recommendation and the recommendation of the Rules Committee shall be presented to the
President. The President shall present the committee’s recommendation, along with the special master’s report and recommendation, to the Senate for final action.

(2) Any person determined to have violated the requirements of Rule Nine (9) shall be censured, reprimanded, placed on probation, or prohibited from lobbying for the duration of the session and from appearing before any Senate committee. Such determination shall be made by a majority vote of the Senate, on recommendation of the Rules Committee.

9.7—Committees to be diligent

Committees shall be diligent to ascertain whether those who appear before them, in other than an obviously individual capacity, have conformed to the requirements of Rule Nine (9), the Joint Rules, and any other applicable law, and shall report violations. No committee member shall knowingly permit an unregistered lobbyist to be heard.

9.8—Lobbyist expenditures and compensation

This Rule provides assistance to persons seeking to comply with the letter and spirit of the new law as it applies in the legislative context by refining the law and providing Interim Lobbying Guidelines and answers to 25 Frequently Asked Questions. It also is intended to provide guidance to the legislative committees that will participate in enforcing the new law.

Part One of the Guidelines refines and applies the new prohibition, with ten clearly stated exceptions, so that Senators and Senate employees can no longer directly or indirectly take any “expenditure” from a lobbyist or principal in either the public or private sector.

Part Two of the Guidelines refines and applies the underlying core requirement that “lobbying firms” must publicly disclose the compensation they receive for lobbying activities, and does so in a way that is narrowly tailored, furthers the state’s compelling governmental interest in regulating legislative lobbying at the state level, and employs the least intrusive means available to do so.

This Rule sets out general principles. Outcomes depend heavily on underlying fact patterns that can vary greatly from case to case. Full disclosure of the operative facts must be provided and considered before a proper and correct answer can be derived.
A Senator may request an informal advisory opinion from the Senate General Counsel regarding the application of the new law and this Rule to a specific situation, on which the legislator may reasonably rely.

The houses of the Legislature are responsible for the administration and enforcement of the legislative lobbying portions of the new law. The legislative lobbying expenditure prohibitions are not part of the Florida Code of Ethics for Public Officers and Employees. Neither the Florida Commission on Ethics nor the Florida courts have jurisdiction to interpret these internal matters of the Legislature.

**Part One - Expenditures**

(1) **General Guidelines**

a) The Expenditure Prohibition

The new law contains a prohibition against lobbyists and principals making direct or *indirect* lobbying expenditures for legislators and legislative employees. It provides:

[N]o lobbyist or principal shall make, directly or indirectly, and no member or employee of the Legislature shall knowingly accept, directly or indirectly, any expenditure....

(emphasis added).

The new expenditure prohibition applies only to expenditures made by lobbyists and principals. It applies whether or not the lobbyist, principal, legislator, or legislative employee is in Florida. Florida’s gift law, section 112.3148, *Florida Statutes*, continues to apply to gifts to legislators and legislative employees from others.

**Example:** A legislator may accept a subscription to a newspaper or periodical that is neither published by, nor paid for, nor provided by a lobbyist or a principal.

**Example:** A legislator may not accept a free health screening or other personal service provided on behalf of an association that is a principal.

**Example:** A legislator may, as either a member or an invited guest, participate in meetings of, and partake of the food and beverage provided by a civic organization if the organization is not a principal.

The practical effect of this law is to prohibit expenditures for attempting to obtain the goodwill of a member or employee of the Legislature, and it is not designed to prohibit expenditures made in attempting to influence legislative action or non-action through oral or written communication.
b) Definitions

“Expenditure” is defined, essentially, as anything of value made by a lobbyist or principal for the purpose of lobbying.

“Lobbying,” in turn, means: (1) influencing or attempting to influence legislative action through oral or written communication (“active lobbying”); or, (2) attempting to obtain the goodwill of a member or employee of the Legislature (“goodwill”).

“Goodwill expenditure” is a gift, an entertainment, any food or beverage, lodging, travel, or any other item or service of personal benefit to a legislator or legislative employee.

Goodwill expenditures include contributions or donations from a lobbyist or a principal to a charitable organization that is, directly or indirectly, established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof.

A “lobbyist” is a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying, or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity.

“Personal benefit” means a profit or gain pertaining to, directed toward, or affecting a person.

A “principal” means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

c) Honorarium-related Expenses

It is no longer permissible to accept from a lobbyist or principal, directly or indirectly, payment or reimbursement of expenses for travel, food, lodging, or beverage, related to speaking engagements or other honorarium-type events.

d) Indirect Expenditures

An indirect expenditure is an expenditure that is not made directly to a legislator or legislative employee, but is made to another with the purpose that the expenditure be used for the personal benefit of a legislator or legislative employee.

The new expenditure prohibition expressly prohibits any lobbyist or principal from directing prohibited lobbying expenditures through a
surrogate or through any person who by his or her actions or activities is obligated to register as a lobbyist but has failed to do so. Third-party intermediaries, such as employees, members of associations and others, cannot be used to make prohibited expenditures.

Where an item or service (anything of value) is provided to a person other than a legislator or legislative employee by a lobbyist or principal and the item or service or the benefit attributable to the item or service ultimately is received by the legislator or employee, and where the item or service is provided with the intent to benefit the legislator or employee, such item or service constitutes a prohibited indirect expenditure to the legislator or employee.

Factors to be considered in determining whether a prohibited indirect expenditure has been made are set out on the following page in the joint functionality test:

**TEST FOR DETERMINING LEGALITY OF AN INDIRECT EXPENDITURE**

1. The existence or nonexistence of communications by the lobbyist or principal indicating the lobbyist’s or principal’s intent to make or convey the item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the intervening third person;

2. The existence or nonexistence of communications by the intervening third person indicating the intent to make or convey the lobbyist’s or principal’s item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the third person;

3. The existence or nonexistence of any relationship between the lobbyist or principal and the third person, independent of the relationship between the lobbyist or principal and a legislator or employee, that would motivate the transfer to the third person;

4. The existence or nonexistence of any relationship between the third person and a legislator or employee that would motivate the transfer;

5. Whether the same or similar items or services have been or are being provided to other persons having the same relationship to the lobbyist or principal as the third person;

6. Whether, under the circumstances, the third person had full and independent decision-making authority to determine whether a legislator or employee, or another, would receive the items or services, or a personal benefit attributable to the items or services;
(7) Whether the third person was acting with the knowledge or consent of, or under the direction of, the lobbyist or principal;

(8) Whether there were payments or the intention for any payments or bookkeeping transactions between the third person and the lobbyist or principal, reimbursing the third person for the items or services;

(9) The degree of ownership or control the lobbyist or principal had over the third person; and

(10) Whether a lobbyist or principal knew, or should have known, that an item or service provided to a third party would be used to provide a personal benefit to a legislator or employee, such as for the funding of a legislative reception or an event to be attended by legislators or employees.

The following examples illustrate some of the applications of the foregoing indirect expenditure criteria:

**Example 1:** A law firm which lobbies the Legislature invites all of its attorneys to attend a weekend retreat. The attorneys are encouraged to bring their spouses or significant others at the firm’s expense. Legislator C is married to an attorney in the firm and has been asked by her spouse to attend the retreat. The lodging provided to Legislator C for the retreat, food and drink, firm t-shirts, and the like would be considered a gift to her from her spouse and thus not a prohibited indirect expenditure, because the firm’s invitation was extended to Legislator C’s spouse by virtue of his employment with the firm.

**Example 2:** Legislator D hosts a fox hunt attended by legislators and lobbyists. Lobbyists give money to a third person, who is not a legislator or a legislative employee, to pay for the food and beverages which will be served at the fox hunt. The third party orders and prepares the food and beverages. The money provided to the third person by the lobbyists would be a prohibited indirect expenditure to Legislator D because it was given with the intent of benefiting him and his guests at the fox hunt.

**Example 3:** Legislator N and spouse have arranged to take a vacation trip together. A legislative lobbyist meets with Legislator N’s spouse and offers to pay for the spouse’s travel expenses. The lobbyist and Legislator N’s spouse know each other only through the lobbyist’s involvement with the legislator. This would constitute a prohibited indirect expenditure to Legislator N under the new law.

**e) Equal or Greater Compensation**

An expenditure is not prohibited when equal or greater value is given contemporaneously by the recipient to the donor.
Therefore, it is not an expenditure if:

1. The fair market value of the event, meeting, or other activity, including any food, beverage, transportation, lodging, or any other thing of value, can readily be determined, and

2. The legislator or legislative employee pays his or her pro rata share of the total fair market value to the person or organization hosting the event contemporaneously with the time of attending or participating in the event.

Thus, if a lobbyist or principal provides $35 worth of goods or services to a legislator or legislative employee but the legislator or legislative employee contemporaneously provides equal or greater consideration, the lobbyist or principal has not provided anything of value, thus, there is no “expenditure.”

f) Valuation

The law is silent as to the valuation of goods and services. Fair market value is the proper and applicable standard of valuation.

The retail price of an item or service is presumed to be its fair market value so long as it is reasonable in relation to the value of the item or service and the amount is not subsidized by a lobbyist or principal.

In valuing an expenditure, you may exclude the amount of additional expenses that are regularly required as a condition precedent to the donor’s eligibility to make the expenditure if the amount expended for the condition precedent is primarily intended to be for a purpose other than lobbying, and is either primarily for the benefit of the donor or is paid to a charitable organization. Initiation fees and membership fees are examples of additional expenses that are regularly required as conditions precedent for eligibility to make an expenditure. Transportation expenses incurred to bring a member to an out-of-town event are not.

Entrance fees, admission fees, or tickets are normally valued on the face value or on a daily or per event basis. The portion of a ticket attributable to a charitable contribution is not included in the value. Conversely, if the ticket is subsidized by contributions of lobbyists or principals, the pro rata subsidized amount must be attributed to the face value.

A person providing transportation in a private automobile shall be considered to be making an expenditure at the then-current statutory reimbursement rate, which is currently 29 cents per mile. The value of transportation provided in other private conveyances must be calculated on its fair market value.
g) Exceptions

1. Relatives

A relative is an individual who is related to the member or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, grandfather, grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, or step great grandchild; any person who is engaged to be married to the member or employee or who otherwise holds himself or herself out as or is generally known as the person whom the member or employee intends to marry or with whom the member or employee intends to form a household; or any other natural person having the same legal residence as the member or employee.

This definition of “relative” is taken from former Joint Rule 1.4(4)(b), and has operated historically as an exception to the presumption that things of value given to a legislator or employee by a lobbyist or principal are intended for the purpose of engendering goodwill.

Example: A legislator is permitted to accept a Christmas gift from an aunt, even if she is a lobbyist. The gift is not deemed an expenditure made for the purpose of lobbying because of the family relationship between the donor and the donee.

2. Employment-related Compensation and Benefits

Salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with the recipient’s employment, business, or service as an officer or director of a corporation or organization are not prohibited expenditures so long as they are given in an amount commensurate with other similarly situated employees, officers, or directors.

These sorts of expenditures are currently also excepted from the definition of a gift in section 112.312(12)(b), Florida Statutes, and are a necessary exception in order for many legislators to continue their employment or continue their service on boards and continue to serve in Florida’s citizen Legislature.

Example: A legislator who is on the board of directors of an organization that has a lobbyist is nevertheless permitted to partake of food and beverage provided to the board members by the organization at its board meetings.

3. Political Organizations and Entities

An expenditure does not include contributions or expenditures reported pursuant to chapter 106, Florida Statutes, or its federal law counterpart; campaign-related personal services provided without compensation by
individuals volunteering their time; any other contribution or expenditure made by a chapter 106 entity such as a candidate campaign, political committee, organization making electioneering communications, political party, or committee of continuous existence; or an entity qualified under section 501(c)(4) or section 527 of the Internal Revenue Code.

Members are cautioned that these organizations or entities may not be used as a vehicle for skirting the new lobbying expenditure law. To the extent that funds come from lobbyists or principals, one should exercise great care that the expenditures are legal and appropriate for that particular organization or entity.

4. Communications Expenses
The expenditure prohibitions in the new law do not reach expenditures made by a lobbyist or principal for items such as “media advertising,” “publications,” “communications,” and “research.”

Expenditures for researching, gathering, collating, organizing, providing, or disseminating information for the exclusive purpose of “active lobbying” (influencing or attempting to influence legislative action through oral or written communication) are necessary for Floridians to be able to “instruct their representatives.”

5. Office and Personal Expenses of Lobbyists and Principals
“Office expenses” and personal expenses of the lobbyist or principal for “travel,” “lodging,” and “food and beverages” as those items were defined in former Joint Rule 1.4(4)c are exempt from the prohibition on lobbying expenditures. This category does not include any expenses for legislators, legislative employees, or persons whose expenses would be attributed to them.

6. Government to Government Expenditures
Real property or a facility owned or operated by a state or local public agency or entity that is a lobbying principal and transportation to, from, and at the location provided by that agency or entity may, with the prior approval of the respective state legislative presiding officer or his or her designee, be used without payment, by a member, committee, or staff of the Legislature for a public legislative purpose. Such purposes include publicly noticed legislative committee meetings and site visits to operations conducted by the public agency or entity. Allowable free uses also specifically include legislative district offices and sub-offices and the normally attendant utilities, parking, janitorial services, building maintenance, and telecommunications equipment and services common to a government building in which the office is located. Allowable free use does not extend to sports or entertainment venues; does not include food, beverages, or entertainment; and does not include free parking privileges at any location other than a district office or sub-office.
7. Free and Open Public Events

Expenditures directly associated with events that are held within the Capitol complex, out-of-doors or under temporary shelter, open to the general public, widely and publicly noticed, free to all, not ticketed, and for which equal and totally unobstructed access to the general public is provided, are not prohibited expenditures made by lobbyists or principals, or when accepted by legislators or legislative employees.

Example: Atlas County, Florida, is holding Atlas Day in the plaza between the Capitol and the Historic Capitol. Lunch is served to all comers. The event was widely publicized and access to the event and the food and beverage is totally unobstructed. Legislators may partake as well.

8. Regional and National Legislative Organizations

The prohibition does not apply to expenditures made directly or indirectly by a state, regional, or national organization that promotes the exchange of ideas between, or the professional development of, governmental officials or employees, and whose membership is primarily composed of elected or appointed public officials or staff to members of that organization or to officials or staff of the Legislature. This exception does not include extracurricular activities, entertainments, or items or services provided at conferences that are paid for or provided by a lobbyist or principal.

9. Monetary Value Impossible to Ascertain

The value of some items is truly impossible to quantify at the time of the expenditure. Expenditures for which a monetary value is not ascertainable at the time of the expenditure are not prohibited. Examples are: appearing on a news show or having a feature article about a legislator in a trade magazine or other medium, applause received by a legislator at an event, obtaining priority seating in a crowded restaurant or priority for obtaining services where there is an established queue, or the pro-rata portion of a host’s monthly or annual membership in an exclusive supper club.

10. Plaques and Certificates

The prohibition does not apply to personalized wall plaques, personalized photographs, or personalized certificates that have no substantial inherent value other than recognizing the donee’s public, civic, charitable, or professional service.

h) Effect of Other Laws and Rules

To the extent that an expenditure is excluded or exempt from the new lobbying prohibition in section 11.045, Florida Statutes, it is still subject to the restrictions and requirements in other statutes: most notably, the gift
law (section 112.3148, Florida Statutes) and the campaign finance law (chapter 106, Florida Statutes).

(2) Frequently Asked Questions

LEGISLATIVE EVENTS/RECEPTIONS

1. Question: Can a county legislative delegation or delegation office sponsor an annual event in Tallahassee on public grounds or in quarters belonging to either the Senate or the House of Representatives (i.e., “Flavors of Hillsborough”)?

**ANSWER:** A county legislative delegation may host an annual event in Tallahassee provided that no free food, beverages, or other personal benefits to a legislator or legislative employee are paid for or provided by a lobbyist or principal, either directly or indirectly.

Legislators and legislative staff may pay an amount established and published by the delegation as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the delegation may make the event a free, open public event as described in Paragraph 1.g)7. above.

2. Question: Can a legislator or legislative employee go up to the 22nd floor of the Capitol and partake of free food and drink provided by an organization hosting a luncheon or event at the Capitol?

**ANSWER:** It depends. Yes, provided the organization hosting the event is not a principal and none of the food and beverages are paid for or provided by a lobbyist or principal. Otherwise, the legislator or legislative employee could attend the event but could not partake of the free food or beverages or they can pay the fair market value of what they consume.

3. Question: Can “legislative days” that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees during the session and are hosted by counties, cities, universities, and others that employ a lobbyist continue?

**ANSWER:** “Legislative days” and other legislative events funded by lobbyist or principal dollars may continue provided no free food, drink, entertainment, or other personal benefit is provided to a legislator or legislative employee, either directly or indirectly. Any such benefit would be a prohibited goodwill expenditure.

Legislators and legislative staff may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.
4. Question: Can a not-for-profit organization host receptions and events for legislators that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees through contributions solicited from lobbyists or principals who sponsor the reception or event?

ANSWER: The charity may host a reception or event for legislators and legislative employees provided that no free food, beverages, entertainment, or other personal benefit is provided to a legislator or legislative employee from the funds of lobbyists or principals.

Legislators and legislative employees may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph 1.g)7. above.

5. Question: Can a lobbyist or principal host an event with food, beverages, entertainment, or other personal benefit for legislators or legislative employees and collect from each legislator or legislative employee, a flat, per-person entrance fee based on the total cost to plan, produce, stage, and clean up after the event, divided by the number of persons reasonably expected to attend?

ANSWER: Yes.

6. Question: Each year, a few associations host legislative receptions/BBQs and invite their members as well as legislators. They usually pass out campaign funds at these events to those who support their industry. Would it now be legal to host this event if it were called a “fundraiser?” Could legislators then accept free food and beverages at the event?

ANSWER: Senate Rule 1.361 precludes a senator, and House Rule 15.3 precludes a representative, from accepting a campaign contribution during a regular or special session, in addition to prohibiting them from accepting contributions on behalf of a section 527 or section 501(c)(4) organization, a political committee, a committee of continuous existence, a political party, or the campaign of any other senatorial candidate or candidate for representative, respectively. Thus, any fundraiser held during a regular or special session would violate the rules of each house.

Fundraisers not held during a regular or special session are outside the purview of the expenditure prohibitions in the new law. A goodwill lobbying expenditure does not include contributions or expenditures reported pursuant to chapter 106, Florida Statutes. However, if the facts
and circumstances demonstrate that calling the event a “fundraiser” is merely an artifice for lobbyists or principals to provide free gifts, food, beverages, and other items or services of personal benefit to a legislator, not associated with influencing the results of an election, then the fundraiser would violate the expenditure prohibition of the new law. Note, also, that fundraisers remain subject to the contribution restrictions and requirements of Florida’s campaign finance law (chapter 106, Florida Statutes).

HONORARIA EXPENSES

7. Question: Can a lobbyist or principal continue to pay or reimburse a legislator’s or legislative employee’s expenses for such items as food and beverages, travel, and lodging associated with an honorarium event?

ANSWER: No.

GIFTS TO LEGISLATORS

8. Question: Can a school child give a legislator a painting that he or she has made?

ANSWER: Yes. The prohibition against lobbying expenditures only applies to lobbyists and principals, and those acting on their behalf.

9. Question: Can a school student whose parent is a lobbyist or principal give a scarf that was purchased by the child’s parent to a legislator as a gift?

ANSWER: It depends. The lobbying expenditure prohibition applies to all gifts from lobbyists or principals to legislators, directly or indirectly. A lobbyist or principal cannot use a third-party intermediary to circumvent the lobbying expenditure prohibition. Thus, if the facts and circumstances demonstrate that the scarf is an indirect gift from the lobbyist or principal to the legislator, it would be prohibited.

10. Question: Can a legislator accept rent-free office space and associated building services from a city, county, or community college in his or her district that employs or retains a lobbyist?

ANSWER: Yes. See Paragraph 1.g)6. above for explanation and limitations.

11. Question: Can a legislator or legislative staff accept transportation services from another governmental entity?

ANSWER: Yes. See Paragraph 1.g)6. above for explanation and limitations.

12. Question: Are there any value limitations on the exceptions in the new law for “floral arrangements or other celebratory items given to
legislators and displayed in chambers on the opening day of a regular session”?

ANSWER: Yes. All opening day flowers and floral arrangements are subject to the limitations and requirements of the gift law (section 112.3148, Florida Statutes). No other celebratory items will be allowed in either chamber on opening day of the regular session.

FOOD AND BEVERAGES/GIFTS

13. Question: Can a legislator or legislative employee and his or her spouse have dinner with a lobbyist friend the legislator or legislative employee has known for 30 years at the lobbyist’s home, whether or not active lobbying occurs?

ANSWER: Yes, provided the legislator or legislative employee contemporaneously provides the lobbyist with the pro rata share of the total fair market value of the cost of the food and beverages provided to the legislator or legislative employee and his or her spouse, either in cash or barter (i.e., bottle of wine, flowers). Otherwise, the expenditure for food and beverages would constitute a prohibited goodwill expenditure, irrespective of the extent of the legislator’s and lobbyist’s friendship.

14. Question: Can a lobbyist or principal and legislator or legislative employee have dinner at a public restaurant?

ANSWER: Yes, provided the dinner is “Dutch treat.”

15. Question: Can a lobbyist or principal and a legislator or legislative employee have dinner “Dutch treat” at the Governor’s Club?

ANSWER: Yes, provided the legislator or legislative employee pays the total cost of all food and beverage that he or she was served or consumed, or that was served to or consumed by a person whose expenditures are attributed to the legislator or legislative employee.

16. Question: Can a lobbyist’s business partner, employee, spouse, or child, who is not a registered lobbyist, accompany the lobbyist and legislator or legislative employee to dinner and pay for all the food and beverages if the partner, employee, spouse, or child does not actively lobby?

ANSWER: No. The lobbying expenditure prohibition applies to all food and beverages provided by lobbyists or principals to legislators or legislative employees, directly or indirectly. A lobbyist or principal cannot utilize a third-party intermediary to channel gifts to legislators to circumvent the lobbying expenditure prohibition.

17. Question: If someone offers a legislator or legislative employee a drink at a bar, or any other gift or personal benefit, does the legislator or
legislative employee have a duty to inquire if the donor is a lobbyist or principal?

**ANSWER:** Yes. A legislator or legislative employee is liable for knowingly accepting an expenditure from a lobbyist or principal, or someone acting on behalf of a lobbyist or principal. “Knowingly” has many statutory definitions, including that a person: (1) has actual knowledge of the information; (2) acts in deliberate ignorance of the truth or falsity of the information; or, (3) acts in reckless disregard of the truth or falsity of the information. Therefore, prudence dictates that the legislator or legislative employee, at a minimum, make reasonable inquiry as to the source of the proposed expenditure to determine whether it is prohibited. Reasonableness will turn on the facts and circumstances of each individual situation.

For example, a legislator receiving an invitation to an event to be held the next week, from an organization he or she is not familiar with would likely require that the legislator, at a minimum, consult the online directory of legislative principals and lobbyists, and perhaps make further inquiry if facts or circumstances come to light indicating that the organization might be making the expenditure on behalf of a lobbyist or principal. Similarly, a legislator offered a drink from someone he or she doesn’t know in a Tallahassee bar or restaurant generally known to be frequented by lobbyists would probably be required, at a minimum, to ask whether the person is a lobbyist or principal or affiliated with a lobbyist or principal. On the other hand, a Miami legislator on personal holiday with his or her spouse at Busch Gardens in Tampa, who strikes up a friendship with a couple they don’t know visiting from Colorado and who subsequently offers to pay for the legislator’s and spouse’s dinner probably has less of a duty to inquire whether either member of the couple is a Florida lobbyist or principal.

**CHARITIES**

18. **Question:** Can a legislator or legislative employee raise funds from lobbyists or principals for charitable causes?

**ANSWER:** Yes, provided the charity for which funds are sought is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof. Otherwise, such a contribution or donation would constitute a prohibited goodwill expenditure.

19. **Question:** Can a legislator or legislative employee establish or operate a charitable foundation that relies on lobbyist or principal support?
ANSWER: No. A legislator or legislative employee may establish or operate a charitable organization but none of the money contributed or donated to the charity may be from lobbyists or principals. Such a contribution or donation would constitute a prohibited goodwill expenditure.

20. Question: Can a legislator or legislative employee sit on the board of a charitable organization that is not established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof? Can he or she accept free food and beverages provided by the charity and be reimbursed by the charity for expenses associated with the work of the charity (i.e., travel, lodging)?

ANSWER: Yes. A legislator or legislative employee may sit on the board of a charitable organization that receives donations and contributions from lobbyists, and may partake of free food, beverages, and other personal benefits provided by the charity to board members in connection with their service, including reimbursement of personal expenses incurred by board members in furtherance of the charity’s work. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with a legislator’s or legislative employee’s employment, business, or service as an officer or director of a corporation or organization. However, any such salary, benefit, services, fees, commissions, gifts, or expenses cannot be from funds earmarked by lobbyists or principals to the charity for such purpose and must be received only for the legislator’s or legislative employee’s service as a member of the board.

21. Question: Can a legislative caucus that is established as a nonprofit group raise funds from lobbyists for its charitable causes?

ANSWER: It depends. If the legislative caucus or the nonprofit group is directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is no.

If the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, or operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is yes.

22. Question: Can a legislative caucus that is established as a nonprofit group host its own charity golf tournament funded by lobbyist or principal “sponsors” at a private club, where the cost of sponsorship buys an opportunity to play golf with a member of the caucus, and to make a presentation to the caucus before and after the event?
ANSWER: Yes, provided the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, and the legislators and legislative employees pay their own golf fees and the per-person cost for food and beverage.

OTHER

23. Question: What happens when a legislator is married to, related to, or living with a lobbyist? Can the lobbyist pay for meals, lodging, etc.?

ANSWER: Yes, provided the lobbyist does not use the expenditure to actively lobby the legislator. Expenditures by “relatives” of a legislator for food, lodging, travel, and the like are specifically exempt from the definition of a goodwill expenditure.

24. Question: Can a legislator be employed by a lobbyist or principal? Can a legislator go to the employer’s retreat and partake of food and beverages?

ANSWER: Yes. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with a legislator’s or legislative employee’s employment, business, or service as an officer or director of a corporation or organization.

25. Question: Where a lobbyist or principal leaves a gift, such as a box of chocolates, in a legislator’s office, what should the legislator do with the item?

ANSWER: When a legislator or legislative employee receives an item that they believe violates the prohibition against accepting an expenditure from a lobbyist or principal, the item must either be sent back to the donor or delivered to the Sergeant at Arms for disposal.

Part Two - Compensation

(1) General Guidelines

Chapter 2005-359, Laws of Florida, for the first time, requires the reporting of compensation received by lobbying firms for each calendar quarter, both in the aggregate and for each individual principal. Much of the reporting is done in dollar categories; however, if compensation from a single principal is $50,000 or more in a calendar quarter, the lobbying firm must report the specific dollar amount of the compensation, rounded to the nearest $1,000.

A “lobbying firm” is any business entity with a lobbyist, or an individual contract lobbyist, who gets paid to lobby for a principal. It is
the lobbying firm that must report, *not the individual lobbyists in the firm* (except in the case of an individual contract lobbyist, where the lobbyist also comprises the entire lobbying firm).

Reports are due no later than 45 days after the end of each calendar quarter. Compensation reports must be filed electronically using the online filing system of the Office of Legislative Services.

The new law requires the senior partner, officer, or owner of the lobbying firm to certify to the veracity and completeness of each compensation report. This requirement is designed to discourage the mischaracterization and thus omission of reportable compensation through designations such as “media fees,” “consulting services,” “professional services,” “governmental services,” and other such artifices.

For example, if a law firm were paid a lump sum for rendering multiple types of services to a client, only one of which is lobbying, then the person certifying the report is responsible for properly and reasonably allocating the portion of the total fee received for lobbying activities and for activities other than lobbying. Only the compensation received for lobbying activities is to be reported on the compensation form.

The Legislature will use random audits supplemented by the lobbyist disciplinary process to hold the person certifying the compensation report and the lobbying firm accountable for making a true, complete, properly allocated report as required by law. In addition, the certification brings every compensation report filer within the scope of potential criminal penalties in section 837.06, *Florida Statutes*, for culpable violations.

(2) Frequently Asked Questions

1. Question: Is an in-house, salaried lobbyist for an association, a governmental entity, or a corporation that does not derive income from principals for lobbying required to report compensation?

**ANSWER:** No. An association, a governmental entity, a corporation or other business entity that does not derive income from principals for lobbying, and its employee lobbyists, are not a “lobbying firm” as defined in section 11.045(1)(g), *Florida Statutes*. Only “lobbying firms” must report compensation as provided in section 11.045(3)(a), *Florida Statutes*.

2. Question: Does the prohibition against providing compensation to an individual or business entity that is not a lobbying firm mean that in-house lobbyists must either become a lobbying firm or cease lobbying?

**ANSWER:** No. The provision in question merely clarifies that reportable “compensation” under the law must be provided to a “lobbying firm,” and not contracted or subcontracted through some “straw man” to
circumvent compensation reporting requirements. The provision in
question clarifies and emphasizes the statutory definition of
“compensation” in section 11.045(1)(b), Florida Statutes, as “anything of
value provided or owed to a lobbying firm.”

See FLA. CONST. art. X, § 12(e) Rules of construction.

11.5—Uniform construction

The latest edition of Mason’s Manual of Legislative Procedure, Jefferson’s Manual, or other manuals of comparable legislative application may be consulted, but shall not be binding, when a question of parliamentary procedure is not addressed by the State Constitution, these Rules, Joint Rules, or prior rulings of the presidents.

RULE TWELVE

EXECUTIVE SESSIONS, APPOINTMENTS, SUSPENSIONS, AND REMOVALS

PART ONE—EXECUTIVE SESSIONS

12.1—Executive session; authority

The business of the Senate shall be transacted openly and not in executive session except under conditions pursuant to Article III, Section 4(b) of the State Constitution.

12.2—Executive session; purpose

Pursuant to Article III, Section 4(b) of the State Constitution, the Senate may resolve itself into executive session for the sole purpose of considering appointment, removal, or suspension. No one shall be in attendance except Senators, the Secretary, and staff as approved by the President, who shall be sworn not to disclose any executive business without consent of the Senate.

12.3—Executive session; vote required

When the Senate agrees, by a majority of those Senators present, that specified appointments, removals, or suspensions shall be considered in executive session, such shall be calendared for formal consideration by the Senate.
12.4—Executive session; work product confidentiality

All information and remarks including committee work product concerning the character and qualification, together with the vote on each appointment, removal, or suspension considered in executive session shall be kept confidential except information on which the bans of confidentiality were lifted by the Senate while in executive session.

12.5—Executive session; separate Journal

A separate Journal shall be kept of executive proceedings of the Senate, and no information regarding same shall be made public except by order of the Senate or by order of a court of competent jurisdiction.

12.6—Violation of Rule

Violation of the above Rules as to the confidentiality of the proceedings of executive sessions shall be considered by the Senate as sufficient grounds for unseating the offending Senator.

PART TWO—APPOINTMENTS, SUSPENSIONS, AND REMOVALS

12.7—Procedure; generally

Except as otherwise herein provided, on receipt by the Senate of appointments or suspensions on which action by the Senate is required, the President shall refer each to the Ethics and Elections Committee, other appropriate committee or committees, or a special master appointed by the President. Any such committee, subcommittee, or special master shall make inquiry or investigation and hold hearings, as appropriate, and advise the President and the Senate with a recommendation and the necessity for deliberating the subject in executive session. Reports and findings of the committee, subcommittee, or special master appointed pursuant hereto are advisory only and shall be made to the President. The report of the committee, subcommittee, or special master may be privileged and confidential. The President may order the report presented to the Senate in either open or executive session, or the President may refer it to the Rules Committee for its consideration and report. When the report is presented to the Senate during an open sitting or received by the Rules Committee, the report shall lose its privileged and confidential character.

12.8—Procedure on executive appointments

(1) Upon receipt of a request from the Governor or other appointing official or authority for the return of the documentation of an appointment, which appointment has not been acted upon by the Senate,
the Secretary, upon consultation with the President, shall return the appointment documentation and the return shall be noted in the Journal. The appointee whose appointment was returned continues in office until the end of the next ensuing regular session of the Legislature or until the Senate confirms a successor, whichever occurs first.

(2) If the appointment returned was made by the Governor, official or authority’s predecessor, the appointee shall not be subject to the provisions of section 114.05(1)(e) or (f), Florida Statutes, during the period of withdrawal.

(3) If the appointment returned was made by the Governor, official or authority requesting the return, for purposes of section 114.05(1)(e) and (f), Florida Statutes, the returned appointment shall be treated as if the Senate failed to consider the appointment.

12.9—Procedure upon receipt of an executive suspension

(1) Unless suspension proceedings are held in abeyance, the committee, subcommittee, or special master shall institute action by transmitting a notice of hearing for a prehearing conference or a hearing on the merits within three (3) months after the effective date of the suspension order. The Governor and the suspended official shall be given reasonable notice in writing of any hearing or prehearing conference before the committee, subcommittee, or special master. If the Governor files an amended suspension order, the attention of the Senate, committee, subcommittee, or special master shall be directed at the amended suspension order.

(2) An executive suspension of a public official who has pending against him or her criminal charges, or an executive suspension of a public official that is challenged in a court shall be referred to the Ethics and Elections Committee, other appropriate committee, or special master; however, all inquiry or investigation or hearings thereon shall be held in abeyance and the matter shall not be considered by the Senate, committee, subcommittee, or special master until the pending charges have been dismissed, or until final determination of the criminal charges at the trial court level, or until the final determination of a court challenge, if any, and the exhaustion of all appellate remedies for any of the above. The committee, subcommittee, or special master shall institute action within three (3) months after the conclusion of any pending proceedings. In a suspension case in which the criminal charge is a misdemeanor, the committee, subcommittee, or special master and the Senate may proceed if the written consent of counsel for the Governor and of the suspended official is obtained.
(3) The committee, subcommittee, or special master may provide for a prehearing conference with counsel for the Governor and the suspended official to narrow the issues involved in the suspension. At such conference, both the Governor and the suspended official shall set forth the names and addresses of all the witnesses they intend to call, the nature of their testimony, photocopies of all documentary evidence, and a description of all physical evidence that will be relied on by the parties at the hearing. Each shall state briefly what each expects to prove by such testimony and evidence. The suspended official may file with the Secretary, no later than ten (10) days prior to the first (1st) prehearing conference, or no later than the date set by the committee, subcommittee, or special master if no prehearing conference is held, all written defenses or matters in avoidance of the charges contained in the suspension order.

(4) When it is advisable, the committee, subcommittee, or special master may request that the Governor file a bill of particulars containing a statement of further facts and circumstances supporting the suspension order. Within twenty (20) days after receipt of the Governor’s bill of particulars, the suspended officer shall file a response with the committee, subcommittee, or special master. Such response shall specifically admit or deny the facts or circumstances set forth in the Governor’s bill of particulars, and may further make such representation of fact and circumstances or assert such further defenses as are responsive to the bill of particulars or as may bear on the matter of the suspension.

(5) The Senate may act on the recommendations of the committee, subcommittee, or special master at any time it is sitting but shall do so no later than the end of the next regular session of the Legislature.

(6) Within sixty (60) days after the Senate has completed final action on the recommendation of the committee, subcommittee, or special master, any party to the suspension matter may request the return, at that party’s expense, of any exhibit, document, or other evidence introduced by that party. After the expiration of sixty (60) days from the date the Senate has completed final action, the committee, subcommittee, or special master may dispose of such exhibits or other evidence.

See FLA. CONST. art. IV, § 7(b) Suspensions; filling office during suspensions.

12.10—Adjudication of guilt not required to remove suspended officer

For the purposes of Article IV, Section 7(b) of the State Constitution, the Senate may find that the suspended official has committed a felony
notwithstanding that a court may have withheld adjudication of guilt upon which the suspension order is based in whole or in part.

**12.11—Special master; appointment**

The President may appoint and contract for the services of a special master to perform such duties and make such reports in relation to suspensions and removals as he or she shall prescribe.

**12.12—Special master; floor privilege**

With consent of the President, the special master may have the privilege of the Senate floor to present and explain the report and answer questions as to the law and facts involved.

**12.13—Issuance of subpoenas and process**

The committee, subcommittee, and special master shall each have the authority to request the issuance of subpoenas, subpoenas duces tecum, and other necessary process under Rule 2.2. The committee chair, subcommittee chair, and special master may each administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear to testify on matters pending before the committee, subcommittee, or special master.

**12.14—Rule takes precedence**

In any situation where there is a direct conflict between the provisions of Rule Twelve (12) and part V of chapter 112, Florida Statutes, Rule Twelve (12), derived from Article III, Section 4(a) of the State Constitution, shall take precedence.

**RULE THIRTEEN**

SPECIAL SESSION

**13.1—Applicability of Senate Rules**

All Senate Rules shall apply and govern during special sessions except to the extent specifically modified or contradicted herein.

**13.2—Sittings of the Senate**

The Senate shall convene pursuant to a schedule provided by the President or at the hour established by the Senate at its last sitting.
13.3—Committee meetings; schedule, notice

(1) Committee meetings shall be scheduled by the President.

(a) Meetings of committees scheduled in accordance with this Rule may be held after notice is published on the Senate website and posted on the Senate side of the fourth (4th) floor rotunda on the fourth (4th) floor of the Capitol for two (2) hours in advance of the meeting. If possible, such notice shall appear in the daily calendar.

(b) A committee may meet less than two (2) hours after the convening of a special session if a notice is filed with the Secretary by 5:00 p.m. of the day prior to the meeting.

(2) The notice shall include the date, time, and place of the meeting together with the name of the introducer, subject, number of each bill to be considered, and the amendment deadline for the meeting. All other provisions for publication of notice of committee meetings are suspended.

13.4—Delivery for introduction

All bills for introduction may be delivered to the Secretary at any time.

13.5—Committee reports

(1) Bills referred to a standing committee or committees shall be reported to the Secretary before 4:30 p.m. of the third (3rd) calendar day after the day of reference (the day of reference not being counted as the first (1st) day) unless otherwise ordered by the Senate by majority vote of those Senators present.

(2) Any bill on which no committee report is filed as required above may be withdrawn from such committee and placed on the Calendar of Bills on Second (2nd) Reading on a point of order.

(3) Bills referred to a standing subcommittee shall be reported to the standing committee at a time specified by the chair of the standing committee which shall not be beyond the time allowed herein.

13.6—Conference committee reports

(1) The report of a conference committee appointed pursuant to Rule 1.5 shall be read to the Senate and, on the completion of the reading, the vote shall be on the adoption or rejection thereof and final passage of the measure as recommended. A conference committee report shall be made available to the membership two (2) hours prior to the beginning of debate of the report by the Senate.
(2) The report must be acted on as a whole, being adopted or rejected, and each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(3) Conference committees, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(4) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the committee. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house.

(5) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a conference committee shall not preclude further action on said measure as the Senate may determine.

(6) After Senate conferees have been appointed for thirty-six (36) hours and have failed to make a report, it is a motion of the highest privilege to move to discharge said Senate conferees and to appoint new conferees, or to instruct said Senate conferees.

13.7—Reconsideration

A motion to reconsider shall be made and considered on the same day when made.

See Rule 4.16—Consideration out of regular order.

(2) Such Special Order Calendar shall be published in one (1) daily calendar and may be considered on the day published. The amendment deadline for bills on the Special Order Calendar shall be 5:00 p.m. or two (2) hours after the Special Order Calendar is announced, whichever occurs later.
RULE FOURTEEN

JOINT RULE ONE
LOBBYIST REGISTRATION AND COMPENSATION REPORTING

1.1—Those Required to Register; Exemptions; Committee Appearance Records

(1) All lobbyists before the Florida Legislature must register with the Lobbyist Registration Office in the Office of Legislative Services. Registration is required for each principal represented.

(2) As used in Joint Rule One, unless the context otherwise requires, the term:

(a) “Compensation” means payment, distribution, loan, advance, reimbursement, deposit, salary, fee, retainer, or anything of value provided or owed to a lobbying firm, directly or indirectly, by a principal for any lobbying activity.

(b) “Legislative action” means introduction, sponsorship, testimony, debate, voting, or any other official action on any measure, resolution, amendment, nomination, appointment, or report of, or any matter that may be the subject of action by, either house of the Legislature or any committee thereof.

(c) “Lobby” or “lobbying” means influencing or attempting to influence legislative action or nonaction through oral or written communication or an attempt to obtain the goodwill of a member or employee of the Legislature.

(d) “Lobbying firm” means any business entity, including an individual contract lobbyist, that receives or becomes entitled to receive any compensation for the purpose of lobbying and where any partner, owner, officer, or employee
of the business entity is a lobbyist. “Lobbying firm” does not include an entity that has employees who are lobbyists if the entity does not derive compensation from principals for lobbying or if such compensation is received exclusively from a subsidiary or affiliate corporation of the employer. As used in this paragraph, an affiliate corporation is a corporation that directly or indirectly shares the same ultimate parent corporation as the employer and does not receive compensation for lobbying from any unaffiliated entity.

(e) “Lobbyist” means a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity. An employee of the principal is not a “lobbyist” unless the employee is principally employed for governmental affairs. “Principally employed for governmental affairs” means that one of the principal or most significant responsibilities of the employee to the employer is overseeing the employer’s various relationships with government or representing the employer in its contacts with government. Any person employed by the Governor, the Executive Office of the Governor, or any executive or judicial department of the state or any community college of the state who seeks to encourage the passage, defeat, or modification of any legislation by personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, is a lobbyist.

(f) “Office” means the Office of Legislative Services.

(g) “Payment” or “salary” means wages or any other consideration provided in exchange for services but does not include reimbursement for expenses.

(h) “Principal” means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

(i) “Unusual circumstances,” with respect to any failure of a person to satisfy a filing requirement, means uncommon, rare, or sudden events over
which the person has no control and which directly result in the failure to satisfy the filing requirement.

(3) For purposes of this rule, the terms “lobby” and “lobbying” do not include any of the following:

(a) Response to an inquiry for information made by any member, committee, or staff of the Legislature.

(b) An appearance in response to a legislative subpoena.

(c) Advice or services that arise out of a contractual obligation with the Legislature, a member, a committee, any staff, or any legislative entity to render the advice or services where such obligation is fulfilled through the use of public funds.

(d) Representation of a client before the House of Representatives or the Senate, or any member or committee thereof, when the client is subject to disciplinary action by the House of Representatives or the Senate, or any member or committee thereof.

(4) For purposes of registration and reporting, the term “lobbyist” does not include any of the following:

(a) A member of the Legislature.

(b) A person who is employed by the Legislature.

(c) A judge who is acting in that judge’s official capacity.

(d) A person who is a state officer holding elective office or an officer of a political subdivision of the state holding elective office and who is acting in that officer’s official capacity.

(e) A person who appears as a witness or for the purpose of providing information at the written request of the chair of a committee, subcommittee, or legislative delegation.

(f) A person employed by any executive or judicial department of the state or any community college of the state who makes a personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, while that person is on approved leave or outside normal working hours and who does not otherwise meet the definition of lobbyist.
(5) When a person, regardless of whether the person is registered as a lobbyist, appears before a committee of the Legislature, that person must submit a Committee Appearance Record as required by the respective house.

(6) The responsibilities of the office and of the Lobbyist Registration Office under Joint Rule One may be assigned to another entity by agreement of the President of the Senate and the Speaker of the House of Representatives for a contract period not to extend beyond December 1 following the Organization Session of the next biennium, provided that the powers and duties of the President, the Speaker, the General Counsel of the Office of Legislative Services, and any legislative committee referenced in Joint Rule One may not be delegated.

1.2—Method of Registration

(1) Each person who is required to register must register on forms furnished by the Lobbyist Registration Office, on which that person must state, under oath, that person’s full legal name, business address, and telephone number, the name and business address of each principal that person represents, and the extent of any direct business association or partnership that person has with any member of the Legislature. In addition, if the lobbyist is a partner, owner, officer, or employee of a lobbying firm, the lobbyist must state the name, address, and telephone number of each lobbying firm to which the lobbyist belongs. The Lobbyist Registration Office or its designee is authorized to acknowledge the oath of any person who registers in person. Any changes to the information provided in the registration form must be reported to the Lobbyist Registration Office in writing within 15 days on forms furnished by the Lobbyist Registration Office.

(2) Any person required to register must do so with respect to each principal prior to commencement of lobbying on behalf of that principal. At the time of registration, the registrant shall provide a statement on a form provided by the Lobbyist Registration Office, signed by the principal or principal’s representative, that the registrant is authorized to represent the principal. On the authorization statement, the principal or principal’s representative shall also identify and designate the principal’s main business pursuant to a classification system approved by the Office of Legislative Services, which shall
be the North American Industry Classification System (NAICS) six-digit numerical code that most accurately describes the principal’s main business.

(3) Any person required to register must renew the registration annually for each calendar year.

(4) A lobbyist shall promptly send a notice to the Lobbyist Registration Office, on forms furnished by the Lobbyist Registration Office, canceling the registration for a principal upon termination of the lobbyist’s representation of that principal. A notice of cancellation takes effect the day it is received by the Lobbyist Registration Office. Notwithstanding this requirement, the Lobbyist Registration Office may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the Lobbyist Registration Office that the lobbyist is no longer authorized to represent that principal.

(5) The Lobbyist Registration Office shall retain all original registration documents submitted under this rule.

(6) A person who is required to register under Joint Rule One, or who chooses to register, shall be considered a lobbyist of the Legislature for the purposes of ss. 11.045, 112.3148, and 112.3149, Florida Statutes.

1.3—Registration Costs; Exemptions

(1) To cover the costs incurred in administering Joint Rule One, each person who registers under Joint Rule 1.1 must pay an annual registration fee to the Lobbyist Registration Office. The annual period runs from January 1 to December 31. These fees must be paid at the time of registration.

(2) The following persons are exempt from paying the fee, provided they are designated in writing by the agency head or person designated in this subsection:

(a) Two employees of each department of the executive branch created under chapter 20, Florida Statutes.
(b) Two employees of the Fish and Wildlife Conservation Commission.
(c) Two employees of the Executive Office of the Governor.
(d) Two employees of the Commission on Ethics.
(e) Two employees of the Florida Public Service Commission.
(f) Two employees of the judicial branch designated in writing by the Chief Justice of the Florida Supreme Court.
(3) The annual fee is up to $50 per each house for a person to register to represent one principal and up to an additional $10 per house for each additional principal that the person registers to represent. The amount of each fee shall be established annually by the President of the Senate and the Speaker of the House of Representatives. The fees set shall be adequate to ensure operation of the lobbyist registration and reporting operations of the Lobbyist Registration Office. The fees collected by the Lobbyist Registration Office under this rule shall be deposited in the State Treasury and credited to the Legislative Lobbyist Registration Trust Fund specifically to cover the costs incurred in administering Joint Rule One.

1.4—Reporting of Lobbying Firm Compensation

(1)(a) Each lobbying firm shall file a compensation report with the office for each calendar quarter during any portion of which one or more of the firm’s lobbyists were registered to represent a principal. The report shall include the:

1. Full name, business address, and telephone number of the lobbying firm;
2. Registration name of each of the firm’s lobbyists; and
3. Total compensation provided or owed to the lobbying firm from all principals for the reporting period, reported in one of the following categories: $0; $1 to $49,999; $50,000 to $99,999; $100,000 to $249,999; $250,000 to $499,999; $500,000 to $999,999; or $1 million or more.

(b) For each principal represented by one or more of the firm’s lobbyists, the lobbying firm’s compensation report shall also include the:

1. Full name, business address, and telephone number of the principal; and
2. Total compensation provided or owed to the lobbying firm for the reporting period, reported in one of the following categories: $0; $1 to $9,999; $10,000 to $19,999; $20,000 to $29,999; $30,000 to $39,999; $40,000 to $49,999; or $50,000 or more. If the category “$50,000 or more” is selected, the specific dollar amount of compensation must be reported, rounded up or down to the nearest $1,000.

(c) If the lobbying firm subcontracts work from another lobbying firm and not from the original principal:
1. The lobbying firm providing the work to be subcontracted shall be treated as the reporting lobbying firm’s principal for reporting purposes under this paragraph; and

2. The reporting lobbying firm shall, for each lobbying firm identified as the reporting lobbying firm’s principal under paragraph (b), identify the name and address of the principal originating the lobbying work.

The four reporting periods are from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, respectively. The statements shall be rendered in the identical form provided by the respective houses and shall be open to public inspection. Reporting statements shall be filed by electronic means through the electronic filing system developed by the office, conforming to subsection (4).
The electronic filing system for compensation reporting shall include the following:

(a) As used in this rule, the term “electronic filing system” means an Internet system for recording and reporting lobbying compensation and other required information by reporting period.

(b) A report filed pursuant to this rule must be completed and filed through the electronic filing system not later than 11:59 p.m. of the day designated in subsection (3). A report not filed by 11:59 p.m. of the day designated is a late-filed report and is subject to the penalties under Joint Rule 1.5(1).

(c) Each person given secure sign-on credentials to file via the electronic filing system is responsible for protecting the credentials from disclosure and is responsible for all filings made by use of such credentials, unless and until the office is notified that the person’s credentials have been compromised. Each report filed by electronic means pursuant to this rule shall be deemed certified in accordance with paragraph (1)(d) by the person given the secure sign-on credentials and, as such, subjects the person and the lobbying firm to the provisions of s. 11.045(8), Florida Statutes, as well as any discipline provided under the rules of the Senate or House of Representatives.

(d) The electronic filing system shall:
1. Be based on access by means of the Internet.
2. Be accessible by anyone with Internet access using standard web-browsing software.
3. Provide for direct entry of compensation-report information as well as upload of such information from software authorized by the office.
4. Provide a method that prevents unauthorized access to electronic filing system functions.
5. Provide for the issuance of an electronic receipt to the person submitting the report indicating and verifying the date and time that the report was filed.

(5) The office shall provide reasonable public notice of the electronic filing procedures and of any significant changes in such procedures. If, whenever they deem it necessary, the President of the Senate and the Speaker of the House of Representatives jointly declare the electronic system not to be
operable, the reports shall be filed in the manner required prior to April 1, 2007, as provided by House Concurrent Resolution 7011 (2007), enrolled, unless the President of the Senate and the Speaker of the House of Representatives direct use of an alternate means of reporting. The office shall develop and maintain such alternative means as may be practicable. Public notice of changes in filing procedures and any declaration or direction of the President of the Senate and the Speaker of the House of Representatives may be provided by publication for a continuous period of reasonable time on one or more Internet websites maintained by the Senate and the House of Representatives.

1.5—Failure to File Timely Compensation Report; Notice and Assessment of Fines; Appeals

(1) Upon determining that the report is late, the person designated to review the timeliness of reports shall immediately notify the lobbying firm as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be $50 per day per report for each late day, not to exceed $5,000 per report.

(2) Upon receipt of the report, the person designated to review the timeliness of reports shall determine the amount of the fine based on when the report is actually received by the office or when the electronic receipt issued by the electronic filing system is dated, whichever is earlier.

(3) Such fine shall be paid within 30 days after the notice of payment due is transmitted by the person designated to review the timeliness of reports, unless appeal is made to the office. The moneys shall be deposited into the Legislative Lobbyist Registration Trust Fund.

(4) A fine shall not be assessed against a lobbying firm the first time the report for which the lobbying firm is responsible is not timely filed. However, to receive the one-time fine waiver, the report for which the lobbying firm is responsible must be filed within 30 days after notice that the report has not been timely filed is transmitted by the person designated to review the timeliness of reports. A fine shall be assessed for any subsequent late-filed reports.

(5) Any lobbying firm may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and
may request and shall be entitled to a hearing before the General Counsel of the Office of Legislative Services, who shall recommend to the President of the Senate and the Speaker of the House of Representatives, or their respective designees, that the fine be waived in whole or in part for good cause shown. The President of the Senate and the Speaker of the House of Representatives, or their respective designees, may by joint agreement concur in the recommendation and waive the fine in whole or in part. Any such request shall be made within 30 days after the notice of payment due is transmitted by the person designated to review the timeliness of reports. In such case, the lobbying firm shall, within the 30-day period, notify the person designated to review the timeliness of reports in writing of the firm’s intention to request a hearing.

(6) A lobbying firm may request that the filing of a report be waived upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services, who shall make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(7)(a) All lobbyist registrations for lobbyists who are partners, owners, officers, or employees of a lobbying firm that fails to timely pay a fine are automatically suspended until the fine is paid or waived and all late reports have been filed or waived. The office shall promptly notify all affected principals, the President of the Senate, and the Speaker of the House of Representatives of any suspension or reinstatement. All lobbyists who are partners, owners, officers, or employees of a lobbying firm are jointly and severally liable for any outstanding fine owed by a lobbying firm.

(b) No such lobbyist may be reinstated in any capacity representing any principal until the fine is paid and all late reports have been filed or waived or until the fine is waived as to that lobbyist and all late reports for that lobbyist have been filed or waived. A suspended lobbyist may request a waiver upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services who shall, as soon as practicable, make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The
President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(8) The person designated to review the timeliness of reports shall notify the director of the office of the failure of a lobbying firm to file a report after notice or of the failure of a lobbying firm to pay the fine imposed.

1.6—Open Records; Internet Publication of Registrations and Compensation Reports

(1) All of the lobbyist registration forms and compensation reports received by the Lobbyist Registration Office shall be available for public inspection and for duplication at reasonable cost.

(2) The office shall make information filed pursuant to Joint Rules 1.2 and 1.4 reasonably available on the Internet in an easily understandable and accessible format. The Internet website shall include, but not be limited to, the names and business addresses of lobbyists, lobbying firms, and principals, the affiliations between lobbyists and principals, and the classification system designated and identified with respect to principals pursuant to Joint Rule 1.2.

1.7—Records Retention and Inspection and Complaint Procedure

(1) Each lobbying firm and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate compensation reports.

(2) Upon receipt of a complaint based upon the personal knowledge of the complainant made pursuant to the Senate Rules or Rules of the House of Representatives, any such documents and records may be inspected when authorized by the President of the Senate or the Speaker of the House of Representatives, as applicable. The person authorized to perform the inspection shall be designated in writing and shall be a member of The Florida Bar or a certified public accountant licensed in Florida. Any information obtained by such an inspection may only be used for purposes authorized by law, this Joint Rule One, Senate Rules, or Rules of the House of Representatives, which purposes may include the imposition of sanctions against a person subject to Joint Rule One, the Senate Rules, or the Rules of the House of Representatives. Any employee who uses that information for an unauthorized purpose is subject
to discipline. Any member who uses that information for an unauthorized purpose is subject to discipline under the applicable rules of each house.

(3) The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

(1) A person may request in writing an informal opinion from the General Counsel of the Office of Legislative Services as to the application of this Joint Rule One to a specific situation involving that person’s conduct. The General Counsel shall issue the opinion within 10 days after receiving the request. The informal opinion may be relied upon by the person who requested the informal opinion. A copy of each informal opinion that is issued shall be provided to the presiding officer of each house. A committee of either house designated pursuant to section 11.045(5), Florida Statutes, may revise any informal opinion rendered by the General Counsel through an advisory opinion to the person who requested the informal opinion. The advisory opinion shall supersede the informal opinion as of the date the advisory opinion is issued.

(2) A person in doubt about the applicability or interpretation of this Joint Rule One with respect to that person’s conduct may submit in writing the facts for an advisory opinion to the committee of either house designated pursuant to s. 11.045(5), Florida Statutes, and may appear in person before the committee in accordance with s. 11.045(5), Florida Statutes.

1.9—Effect of Readoption and Revision

All obligations existing under Joint Rule One as of the last day of the previous legislative biennium are hereby ratified, preserved, and reimposed pursuant to the terms thereof as of that date. The provisions of Joint Rule One are imposed retroactively to the first day of the present legislative biennium except that provisions new to this revision are effective on the date of adoption or as otherwise expressly provided herein.

An electronic copy is deemed to have been made available when it is accessible via the Internet or other information network consisting of systems ordinarily serving the members of the Senate or the House of Representatives.

(b) An official other than a member of the Legislature who is to be furnished a copy of a general appropriations bill under subsection (4) may
officially request that an electronic copy of the bill be furnished in lieu of a printed copy, and, if practicable, the copy may be furnished to the official in the manner requested.

The Constitution of the State of Florida as revised in 1968 consisted of certain revised articles as proposed by three joint resolutions which were adopted during the special session of June 24-July 3, 1968, and ratified by the electorate on November 5, 1968, together with one article carried forward from the Constitution of 1885, as amended. The articles proposed in House Joint Resolution 1-2X constituted the entire revised constitution with the exception of Articles V, VI, and VIII. Senate Joint Resolution 4-2X proposed Article VI, relating to suffrage and elections. Senate Joint Resolution 5-2X proposed a new Article VIII, relating to local government. Article V, relating to the judiciary, was carried forward from the Constitution of 1885, as amended.

Sections composing the 1968 revision have no history notes. Subsequent changes are indicated by notes appended to the affected sections. The indexes appearing at the beginning of each article, notes appearing at the end of various sections, and section and subsection headings are added editorially and are not to be considered as part of the constitution.

SECTION 4. Freedom of speech and press.—Every person may speak, write and publish sentiments on all subjects but shall be responsible for the abuse of that right. No law shall be passed to restrain or abridge the liberty of speech or of the press. In all criminal prosecutions and civil actions for defamation the truth may be given in evidence. (b) There shall be a mandatory period of three days, excluding weekends and legal holidays, between the purchase and delivery at retail of any handgun. For the purposes of this section, “purchase” means the transfer of money or other valuable consideration to the retailer, and “handgun” means a firearm capable of being carried.

SECTION 10. Prohibited laws.—No bill of attainder, ex post facto law or law impairing the obligation of contracts shall be passed.

SECTION 11. Imprisonment for debt.—No person shall be imprisoned for debt, except in cases of fraud.

SECTION 12. Searches and seizures.—The right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures, and against the unreasonable interception of private communications by any means, shall not be violated. No warrant shall be issued except upon probable cause, supported by affidavit, particularly describing the place or places to be searched, the person or persons, thing or things to be seized, the communication to be intercepted, and the nature of evidence to be obtained. This right shall be construed in conformity with the 4th Amendment to the United States Constitution, as interpreted by the United States Supreme Court. Articles or information obtained in violation of this right shall not be admissible in evidence if such articles or information would be inadmissible under decisions of the United States Supreme Court construing the 4th Amendment to the United States Constitution.

SECTION 13. Habeas corpus.—The writ of habeas corpus shall be grantable of right, freely and without cost. It shall be returnable without delay, and shall never be suspended unless, in case of rebellion or invasion (b) of this section, the judicial process, the accused may be detained.

SECTION 14. Pretrial release and detention.—Unless charged with a capital offense or an offense punishable by life imprisonment and the proof of guilt is evident or the presumption is great, every person charged with a crime or violation of municipal or county ordinance shall be entitled to pretrial release on reasonable conditions. If no conditions of release can reasonably protect the community from risk of physical harm to persons, assure the presence of the accused at trial, or assure the integrity of the judicial process, the accused may be detained.

SECTION 15. Prosecution for crime; offenses committed by children.—

(a) No person shall be tried for capital crime without presentment or indictment by a grand jury, or for other felony without such presentment or indictment or an information under oath filed by the prosecuting officer of the court, except persons on active duty in the militia when tried by courts martial.

(b) When authorized by law, a child as therein defined may be charged with a violation of law as an act of delinquency instead of crime and tried without a jury or other requirements applicable to criminal cases. Any child so charged shall, upon demand made as provided by law before a trial in a juvenile proceeding, be tried in an appropriate court as an adult. A child found delinquent shall be disciplined as provided by law.

SECTION 16. Rights of accused and of victims.—

(a) In all criminal prosecutions the accused shall, upon demand, be informed of the nature and cause of the accusation, and shall be furnished a copy of the charges, and shall have the right to have compulsory process for witnesses, to confront at trial adverse witnesses, to be heard in person, by counsel or both, and to have a speedy and public trial by impartial jury in the county where the crime was committed. If the county is not known, the indictment or information may charge venue in two or more counties conjunctively and proof that the crime was committed in that area shall be sufficient; but before pleading the accused may elect in which of those counties the trial will take place. Venue for prosecution of crimes committed beyond the boundaries of the state shall be fixed by law.

(b) Victims of crime or their lawful representatives, including the next of kin of homicide victims, are entitled to the right to be informed, to be present, and to be heard when relevant, at all crucial stages of criminal proceedings, to the extent that these rights do not interfere with the constitutional rights of the accused.

SECTION 17. Excessive punishments.—Excessive fines, cruel and unusual punishment, attainer, forfeiture of estate, indefinite imprisonment, and unreasonable detention of witnesses are forbidden. The death penalty is an authorized
punishment for capital crimes designated by the legislature. The prohibition against cruel or unusual punishment, and the prohibition against cruel and unusual punishment, shall be construed in conformity with decisions of the United States Supreme Court which interpret the prohibition against cruel and unusual punishment provided in the Eighth Amendment to the United States Constitution. Any method of execution shall be allowed, unless prohibited by the United States Constitution. Methods of execution may be designated by the legislature, and a change in any method of execution may be applied retroactively. A sentence of death shall not be reduced on the basis that a method of execution is invalid. In any case in which an execution method is declared invalid, the death sentence shall remain in force until the sentence can be lawfully executed by any valid method. This section shall apply retroactively.

SECTION 24. Access to public records and meetings.—
(a) Every person has the right to inspect or copy any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except with respect to records exempted pursuant to this section or specifically made confidential by this Constitution. This section specifically includes the legislative, executive, and judicial branches of government and each agency or department created thereunder; counties, municipalities, and districts; and each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution.

(b) All meetings of any collegial public body of the executive branch of state government or of any collegial public body of a county, municipality, school district, or special district, at which official acts are to be taken or at which public business of such body is to be transacted or discussed, shall be open and noticed to the public and meetings of the legislature shall be open and noticed as provided in Article III, Section 4(e), except with respect to meetings exempted pursuant to this section or specifically closed by this Constitution.

(c) This section shall be self-executing. The legislature, however, may provide by general law passed by a two-thirds vote of each house for the exemption of records from the requirements of subsection (a) and the exemption of meetings from the requirements of subsection (b), provided that such law shall state with specificity the public necessity justifying the exemption and shall be no broader than necessary to accomplish the stated purpose of the law. The legislature shall enact laws governing the enforcement of this section, including the maintenance, control, destruction, disposal, and disposition of records made public by this section, except that each house of the legislature may adopt rules governing the enforcement of this section in relation to records of the legislative branch. Laws enacted pursuant to this subsection shall contain only exemptions from the requirements of subsections (a) or (b) and provisions governing the enforcement of this section, and shall relate to one subject.

(d) All laws that are in effect on July 1, 1993 that limit public access to records or meetings shall remain in force, and such laws apply to records of the legislative and judicial branches, until they are repealed. Rules of court that are in effect on the date of adoption of this section that limit access to records shall remain in effect until they are repealed.

'SECTION 25. Taxpayers’ Bill of Rights. By general law the legislature shall prescribe and adopt a Taxpayers’ Bill of Rights that, in clear and concise language, sets forth taxpayers’ rights and responsibilities and government’s responsibilities to deal fairly with taxpayers.
under the laws of this state. This section shall be effective July 1, 1993.

History.—Proposed by Taxation and Budget Reform Commission, Revision No. 2, 1992, filed with the Secretary of State May 7, 1992; adopted 1992.

Note.—This section, originally designated section 24 by Revision No. 2 of the Taxation and Budget Reform Commission, 1992, was redesignated section 25 by the editors in order to avoid confusion with section 24 as contained in H.J.R.’s 1727, 863, 2035, 1992.

SECTION 26. Claimant’s right to fair compensation.—
(a) Article I, Section 26 is created to read “Claimant’s right to fair compensation.” In any medical liability claim involving a contingency fee, the claimant is entitled to receive no less than 70% of the first $250,000.00 in all damages received by the claimant, exclusive of reasonable and customary costs, whether received by judgment, settlement, or otherwise, and regardless of the number of defendants. The claimant is entitled to 90% of all damages in excess of $250,000.00, exclusive of reasonable and customary costs and regardless of the number of defendants. This provision is self-executing and does not require implementing legislation.

(b) This Amendment shall take effect on the day following approval by the voters.

History.—Proposed by Initiative Petition filed with the Secretary of State September 8, 2003; adopted 2004.

SECTION 27. Marriage defined.—Inasmuch as marriage is the legal union of only one man and one woman as husband and wife, no other legal union that is treated as marriage or the substantial equivalent thereof shall be valid or recognized.

If a vetoed measure is presented at a special session and the originating house does not consider it, the measure will be available for consideration at any intervening special session and until the end of the next regular session.

(c) If each house shall, by a two-thirds vote, re-enact the bill or reinstate the vetoed specific appropriation of a general appropriation bill, the vote of each member voting shall be entered on the respective journals, and the bill shall become law or the specific appropriation reinstated, the veto notwithstanding.

If the supreme court finds that a need exists for increasing or decreasing the number of judges or increasing, decreasing or redefining appellate districts and judicial circuits, it shall, prior to the next regular session of the legislature, certify to the legislature its findings and recommendations concerning such need. Upon receipt of such certificate, the legislature, at the next regular session, shall consider the findings and recommendations and may reject the recommendations or by law implement the recommendations in whole or in part; provided the legislature may create more judicial offices than are recommended by the supreme court or may decrease the number of judicial offices by a greater number than recommended by the court only upon a finding of two-thirds of the membership of both houses of the legislature, that such a need exists. A decrease in the number of judges shall be effective only after the expiration of a term. If the supreme court fails to make findings as provided above when need exists, the legislature may by concurrent resolution request the court to certify its findings and recommendations and upon the failure of the court to certify its findings for nine consecutive months, the legislature may,
upon a finding of two-thirds of the membership of both houses of the legislature that a need exists, increase or decrease the number of judges or increase, decrease or redefine appellate districts and judicial circuits.

SECTION 10. Retention; election and terms.—

If a justice or judge is ineligible or fails to qualify for retention, a vacancy shall exist in that office upon the expiration of the term being served by the justice or judge. When a justice or judge so qualifies, the ballot shall read substantially as follows: “Shall Justice (or Judge) (name of justice or judge) of the (name of the court) be retained in office?” If a majority of the qualified electors voting within the territorial jurisdiction of the court vote to retain, the justice or judge shall be retained for a term of six years. The election of circuit judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.

(2) The election of county court judges shall be preserved notwithstanding the provisions of subsection (a) unless a majority of those voting in the jurisdiction of that county approves a local option to select county judges by merit selection and retention rather than by election. The election of county court judges shall be by a vote of the qualified electors within the territorial jurisdiction of the court.

(3) A vote to exercise a local option to select circuit court judges and county court judges by merit selection and retention rather than by election shall be held in each circuit and county at the general election in the year 2000. If a vote to exercise this local option fails in a vote of the electors, such option shall not again be put to a vote of the electors of that jurisdiction until the expiration of at least two years.

After the year 2000, a circuit may initiate the local option for merit selection and retention or the election of circuit judges, whichever is applicable, by filing with the custodian of state records a petition signed by the number of electors equal to at least ten percent of the votes cast in the circuit in the last preceding election in which presidential electors were chosen.

(c) After the year 2000, a county may initiate the local option for merit selection and retention or the election of county court judges, whichever is applicable, by filing with the supervisor of elections a petition signed by the number of electors equal to at least ten percent of the votes cast in the county in the last preceding election in which presidential electors were chosen. The terms of circuit judges and judges of county courts shall be for six years.

SECTION 11. Vacancies.—
(a) Whenever a vacancy occurs in a judicial office to which election for retention applies, the governor shall fill the vacancy by appointing for a term ending on the first Tuesday after the first Monday in January of the year following the next general election occurring at least one year after the date of appointment, one of not fewer than three persons nor more than six persons nominated by the appropriate judicial nominating commission.

(d) There shall be a separate judicial nominating commission as provided by general law for the supreme court, each district court of appeal, and each judicial circuit for all trial courts within the circuit. Uniform rules of procedure shall be established by the judicial nominating commissions at each level of the court system. Such rules, or any part thereof, may be repealed by general law enacted by a majority vote of the membership of each house of the legislature, or by the supreme court, five justices concurring.

6. Homestead exemptions.
7. Allocation of pari-mutuel taxes.
8. Aid to local governments.
9. Local taxes.
10. Pledging credit.
11. State bonds; revenue bonds.
12. Local bonds.
13. Relief from illegal taxes.
14. Bonds for pollution control and abatement and other water facilities.
15. Revenue bonds for scholarship loans.
16. Bonds for housing and related facilities.
17. Bonds for acquiring transportation right-of-way or for constructing bridges.
18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, “growth” means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal year shall equal the state revenues collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, “state revenues” means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, “state revenues” does not include: revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program; and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by general law, prescribe procedures necessary to administer this subsection.

SECTION 2. Taxes; rate.—All ad valorem taxation shall be at a uniform rate within each
taxing unit, except the taxes on intangible personal property may be at different rates but shall never exceed two mills on the dollar of assessed value; provided, as to any obligations secured by mortgage, deed of trust, or other lien on real estate wherever located, an intangible tax of not more than two mills on the dollar may be levied by law to be in lieu of all other intangible assessments on such obligations.

SECTION 3. Taxes; exemptions.—

(a) All property owned by a municipality and used exclusively by it for municipal or public purposes shall be exempt from taxation. A municipality, owning property outside the municipality, may be required by general law to make payment to the taxing unit in which the property is located. Such portions of property as are used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law from taxation.

(b) There shall be exempt from taxation, cumulatively, to every head of a family residing in this state, household goods and personal effects to the value fixed by general law, not less than one thousand dollars, and to every widow or widower or person who is blind or totally and permanently disabled, property to the value fixed by general law not less than five hundred dollars.

(c) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant community and economic development ad valorem tax exemptions to new businesses and expansions of existing businesses, as defined by general law. Such an exemption may be granted only by ordinance of the county or municipality, and only after the electors of the county or municipality voting on such question in a referendum authorize the county or municipality to adopt such ordinances. An exemption so granted shall apply to improvements to real property made by or for the use of a new business and improvements to real property related to the expansion of an existing business and shall also apply to tangible personal property of such new business and tangible personal property related to the expansion of an existing business. The amount or limits of the amount of such exemption shall be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

(e) By general law and subject to conditions specified therein, twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

1(f) There shall be granted an ad valorem tax exemption for real property dedicated in perpetuity for conservation purposes, including real property encumbered by perpetual conservation easements or by other perpetual conservation protections, as defined by general law.

(g) By general law and subject to the conditions specified therein, each person who receives a homestead exemption as provided in section 6 of this article; who was a member of the United States military or military reserves, the United States Coast Guard or its reserves, or the Florida National Guard; and who was deployed during the preceding calendar year on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature shall receive an additional exemption equal to a percentage of the taxable value of his or her homestead property. The applicable percentage shall be calculated as the number of days during the preceding calendar year the person was deployed on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature divided by the number of days in that year.

Note.—This subsection, originally designated (g) by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, was redesignated (f) by the editors to conform to the redesignation of subsections by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 4. Taxation; assessments.—By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida’s aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall
have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead, unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8)a. A person who establishes a new homestead as of January 1, 2009, or January 1 of any subsequent year and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of either of the two years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of $500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than $500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals $500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the Legislature shall provide for application of this paragraph to property owned by more than one person.

e. The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

f. A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner’s spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

1. The increase in assessed value resulting from construction or reconstruction of the property.

2. Twenty percent of the total assessed value of the property as improved.

g. For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes...
in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(5) After a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property, such property shall be assessed as provided in this subsection.

(6) The legislature may provide that such property shall be assessed at just value as of the next assessment date after a qualifying improvement, as defined by general law, is made to such property. Thereafter, such property shall be assessed as provided in this subsection.

(7) The legislature may provide that such property shall be assessed at just value as of the next assessment date after a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property. Thereafter, such property shall be assessed as provided in this subsection.

(8) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(9) The legislature may provide that such property shall be assessed at just value as of the next assessment date.

(10) Thereafter, such property shall be assessed at just value as of the next assessment date.

(11) The adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(12) The installation of a renewable energy source device.

(13) The assessment of the following working waterfront properties shall be based upon the current use of the property:

a. Land used predominantly for commercial fishing purposes.

b. Land that is accessible to the public and used for vessel launches into waters that are navigable.

c. Marinas and drystacks that are open to the public.

d. Water-dependent marine manufacturing facilities, commercial fishing facilities, and marine vessel construction and repair facilities and their support activities.

(2) The assessment benefit provided by this subsection is subject to conditions and limitations and reasonable definitions as specified by the legislature by general law.

Note.—This subsection, originally designated (h) by Revision No. 6 of the Taxation and Budget Reform Commission, 2008, was redesignated (i) by the editors to conform to the redesignation of subsections by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, and the creation of a new (h) by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 5. Estate, inheritance and income taxes.—

(a) NATURAL PERSONS. No tax upon estates or inheritances or upon the income of natural persons who are residents or citizens of the state shall be levied by the state, or under its authority, in excess of the aggregate of amounts which may be allowed to be credited upon or deducted from any similar tax levied by the United States or any state.

(b) OTHERS. No tax upon the income of residents and citizens other than natural persons shall be levied by the state, or under its authority, in excess of 5% of net income, as defined by law, or at such greater rate as is authorized by a three-fifths (% ) vote of the membership of each house of the legislature or as will provide for the state the maximum amount which may be allowed to be credited against income taxes levied by the United States and other states. There shall be exempt from taxation not less than five thousand dollars ($5,000) of the excess of net income subject to tax over the maximum amount allowed to be credited against income taxes levied by the United States and other states.

(c) EFFECTIVE DATE. This section shall become effective immediately upon approval by the electors of Florida.

SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than
fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entities, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner’s or member’s proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner and who has attained age sixty-five and whose household income, as defined by general law, does not exceed twenty thousand dollars; or

(2) An exemption equal to the assessed value of the property to any person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars and who has maintained thereon the permanent residence of the owner for not less than twenty-five years and who has attained age sixty-five and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant these additional exemptions, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran’s permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this subsection, an applicant must submit to the county property appraiser, by March 1, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran’s service-connected disability and such evidence that reasonably identifies the disability as combat related and a copy of the veteran’s honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years. This subsection is self-executing and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to the:

(1) Surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces.

(2) Surviving spouse of a first responder who died in the line of duty.

(3) As used in this subsection and as further defined by general law, the term:

a. “First responder” means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic.

b. “In the line of duty” means arising out of and in the actual performance of duty required by employment as a first responder.

SECTION 7. Allocation of pari-mutuel taxes.—Taxes upon the operation of pari-mutuel pools may be preempted to the state or allocated in whole or in part to the counties. When allocated to the counties, the distribution shall be in equal amounts to the several counties.

SECTION 8. Aid to local governments.—State funds may be appropriated to the several counties, school districts, municipalities or special districts upon such conditions as may be provided by general law. These conditions may include the use of relative ad valorem assessment levels determined by a state agency designated by general law.

ARTICLE VII

SECTION 9. Local taxes.—
(a) Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution.

(b) Ad valorem taxes, exclusive of taxes levied for the payment of bonds and taxes levied for periods not longer than two years when authorized by vote of the electors who are the owners of freeholds therein not wholly exempt from taxation, shall not be levied in excess of the following millages upon the assessed value of real estate and tangible personal property: for all county purposes, ten mills; for all municipal purposes, ten mills; for all school purposes, ten mills; for water management purposes for the northwest portion of the state lying west of the line between ranges two and three east, 0.05 mill; for water management purposes for the remaining portions of the state, 1.0 mill; and for all other special districts a millage authorized by law approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation. A county furnishing municipal services may, to the extent authorized by law, levy additional taxes within the limits fixed for municipal purposes.

SECTION 10. Pledging credit.—Neither the state nor any county, school district, municipality, special district, or agency of any of them, shall become a joint owner with, or stockholder of, or give, lend or use its taxing power or credit to aid any corporation, association, partnership or person; but this shall not prohibit laws authorizing:
(a) the investment of public trust funds;
(b) the investment of other public funds in obligations of, or insured by, the United States or of any of its instrumentalities;
(c) the issuance and sale by any county, municipality, special district or other local governmental body of (1) revenue bonds to finance or refinance the cost of capital projects for airports or port facilities, or (2) revenue bonds to aid any corporation, association, partnership or person; but this shall not prohibit laws authorizing:
(d) a municipality, county, special district, or agency of any of them, being a joint owner of, giving, or lending or using its taxing power or credit for the joint ownership, construction and operation of electrical energy generating or transmission facilities with any corporation, association, partnership or person.

SECTION 11. State bonds; revenue bonds.—
(a) State bonds pledging the full faith and credit of the state may be issued only to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, upon approval by a vote of the electors; provided state bonds issued pursuant to this subsection may be refunded without a vote of the electors at a lower net average interest cost rate. The total outstanding principal of state bonds issued pursuant to this subsection shall never exceed fifty percent of the total tax revenues of the state for the two preceding fiscal years, excluding any tax revenues held in trust under the provisions of this constitution.

(b) Moneys sufficient to pay debt service on state bonds as the same becomes due shall be appropriated by law.

(c) Any state bonds pledging the full faith and credit of the state issued under this section or any other section of this constitution may be combined for the purposes of sale.

(d) Revenue bonds may be issued by the state or its agencies without a vote of the electors to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, and shall be payable solely from funds derived directly from sources other than state tax revenues.

(e) Bonds pledging all or part of a dedicated state tax revenue may be issued by the state in the manner provided by general law to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

(f) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

SECTION 12. Local bonds.—Counties, school districts, municipalities, special districts and local governmental bodies with taxing powers may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(a) to finance or refinance capital projects authorized by law and only when approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation; or
(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

SECTION 13. Relief from illegal taxes.—Until payment of all taxes which have been legally assessed upon the property of the same owner, no court shall grant relief from the payment of any tax that may be illegal or illegally assessed.

SECTION 14. Bonds for pollution control and abatement and other water facilities.—
(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued without an election to finance the construction of air and water pollution control and abatement and solid waste disposal facilities and other water facilities authorized by general law (herein referred to as "facilities") to be operated by any municipality, county, district or authority, or any agency thereof (herein referred to as "local governmental agencies"), or by any agency of the State of Florida. Such bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from operation of such facilities, special assessments, rentals to be received under lease-purchase agreements herein provided for, any other revenues that may be legally available for such purpose, including revenues from other facilities, or any combination thereof (herein collectively referred to as "pledged revenues"). Such bonds may be issued without an election to finance or refinance housing and related facilities in Florida, or any agency thereof (herein referred to as "facilities") to be operated by any public or private institutions of higher learning, junior colleges, health related training institutions, or vocational training centers, which are recognized or accredited under terms and conditions prescribed by law. Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such fund. There shall be established from the proceeds of each issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) No such bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the pledged revenues exceed seventy-five per cent of the pledged revenues.

(c) The state may lease any of such facilities to any local governmental agency, under lease-purchase agreements for such periods and under such other terms and conditions as may be mutually agreed upon. The local governmental agencies may pledge the revenues derived from such leased facilities or any other available funds for the payment of rentals thereunder; and, in addition, the full faith and credit and taxing power of such local governmental agencies may be pledged for the payment of such rentals without any election of freeholder electors or qualified electors.

(d) The state may also issue such bonds for the purpose of loaning money to local governmental agencies, for the construction of such facilities to be owned or operated by any of such local governmental agencies. Such loans shall bear interest at not more than one-half of one per cent per annum greater than the last preceding issue of state bonds pursuant to this section, shall be secured by the pledged revenues, and may be additionally secured by the full faith and credit of the local governmental agencies.

(e) The total outstanding principal of state bonds issued pursuant to this section 14 shall never exceed fifty per cent of the total tax revenues of the state for the two preceding fiscal years.

SECTION 15. Revenue bonds for scholarship loans.—
(a) When authorized by law, revenue bonds may be issued to establish a fund to make loans to students determined eligible as prescribed by law and who have been admitted to attend any public or private institutions of higher learning, junior colleges, health related training institutions, or vocational training centers, which are recognized or accredited under terms and conditions prescribed by law. Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such fund. There shall be established from the proceeds of each issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) Interest moneys in the fund established pursuant to this section, not required in any fiscal year for payment of debt service on then outstanding revenue bonds or for maintenance of the reserve account, may be used for educational loans to students determined to be eligible therefor in the manner provided by law, or for such other related purposes as may be provided by law.

SECTION 16. Bonds for housing and related facilities.—
(a) When authorized by law, revenue bonds may be issued without an election to finance or refinance housing and related facilities in Florida, herein referred to as "facilities."

(b) The bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from the financing, operation or sale of such facilities, mortgage or loan payments, and any other revenues or assets that may be legally available for such purposes derived from sources other than ad valorem taxation, including revenues from other facilities, or any combination thereof, herein collectively referred to as "pledged revenues," provided that in no event shall the full faith and credit of the state be pledged to secure such revenue bonds.

(c) No bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds
secured by the same pledged revenues exceed the pledged revenues available for payment of such debt service requirements, as defined by law.

History.—Added, S.J.R. 6-E, 1980; adopted 1980.cfu.—s. 18, Art. XII Schedule.

SECTION 17. Bonds for acquiring transportation right-of-way or for constructing bridges.—
(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, to finance or refinance the cost of acquiring real property or the rights to real property for state roads as defined by law, or to finance or refinance the cost of state bridge construction, and purposes incidental to such property acquisition or state bridge construction.

(b) Bonds issued under this section shall be secured by a pledge of and shall be payable primarily from motor fuel or special fuel taxes, except those defined in Section 9(c) of Article XII, as provided by law, and shall additionally be secured by the full faith and credit of the state.

(c) No bonds shall be issued under this section unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed ninety percent of the pledged revenues available for payment of such debt service requirements, as defined by law. For the purposes of this subsection, the term “pledged revenues” means all revenues pledged to the payment of debt service, excluding any pledge of the full faith and credit of the state.

SECTION 18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.—
(a) No county or municipality shall be bound by any general law requiring such county or municipality to spend funds or to take an action requiring the expenditure of funds unless the legislature has determined that such law fulfills an important state interest and unless: funds have been appropriated that have been estimated at the time of enactment to be sufficient to fund such expenditure; the legislature authorizes or has authorized a county or municipality to enact a funding source not available for such county or municipality on February 1, 1989, that can be used to generate the amount of funds estimated to be sufficient to fund such expenditure by a simple majority vote of the governing body of such county or municipality; the law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; the expenditure is required to comply with a law that applies to all persons similarly situated, including the state and local governments; or the law is either required to comply with a federal requirement or required for eligibility for a federal entitlement, which federal requirement specifically contemplates actions by counties or municipalities for compliance.

(b) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenues in the aggregate, as such authority exists on February 1, 1989.

(c) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the percentage of a state tax shared with counties and municipalities as an aggregate on February 1, 1989. The provisions of this subsection shall not apply to enhancements enacted after February 1, 1989, to state tax sources, or during a fiscal emergency declared in a written joint proclamation issued by the governor of the state, the president of the senate, and the speaker of the house of representatives, or where the legislature provides additional state-shared revenues which are anticipated to be sufficient to replace the anticipated aggregate loss of state-shared revenues resulting from the reduction of the percentage of the state tax shared with counties and municipalities, which source of replacement revenues shall be subject to the same requirements for repeal or modification as provided herein for a state-shared tax source existing on February 1, 1989.

(d) Laws adopted to require funding of pension benefits existing on the effective date of this section, criminal laws, election laws, the general appropriations act, special appropriations acts, laws reauthorizing but not expanding then-existing statutory authority, laws having insignificant fiscal impact, and laws creating, modifying, or repealing noncriminal infractions, are exempt from the requirements of this section.

(e) The legislature may enact laws to assist in the implementation and enforcement of this section.

(d) COUNTY OFFICERS. There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a property appraiser, a supervisor of elections, and a clerk of the circuit court; except, when provided by county charter or special law approved by vote of the electors of the county, any county officer may be chosen in another manner therein specified, or any county office may be abolished when all the duties of the office prescribed by general law are transferred to another office. When not otherwise provided by county charter or special law approved by vote of the electors, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, record-er and custodian of all county funds.

(e) COMMISSIONERS. Except when otherwise provided by county charter, the governing body of each county shall be a board of county commissioners composed of five or seven members serving staggered terms of four years. After each decennial census the board of county commissioners shall divide the county into districts of contiguous territory as nearly equal in population as practicable. One commissioner residing in each district shall be elected as provided by law.

(f) NON-CHARTER GOVERNMENT. Counties not operating under county charters shall have such power of self-government as is provided by general or special law. The board of county commissioners of a county not operating under a charter may enact, in a manner prescribed by general law, county ordinances not inconsistent with general or special law, but an ordinance in conflict with a municipal ordinance shall not be effective within the municipality to the extent of such conflict.

(g) CHARTER GOVERNMENT. Counties operating under county charters shall have all powers of local self-government not inconsistent with general law, or with special law approved by vote of the electors. The governing body of a county operating under a charter may enact county ordinances not inconsistent with general law. The charter shall provide which shall prevail in the event of conflict between county and municipal ordinances.

(h) TAXES; LIMITATION. Property situate within municipalities shall not be subject to taxation for services rendered by the county exclusively for the benefit of the property or residents in unincorporated areas.

The county seat may not be moved except as provided by general law. Branch offices for the conduct of county business may be established elsewhere in the county by resolution of the governing body of the county in the manner prescribed by law. No instrument shall be deemed recorded until filed at the county seat, or a branch office designated by the governing body of the county for the recording of instruments, according to law.

SECTION 2. Municipalities.—

(a) ESTABLISHMENT. Municipalities may be established or abolished and their charters amended pursuant to general or special law. When any municipality is abolished, provision shall be made for the protection of its creditors.

SECTION 3. Consolidation.—The government of a county and the government of one or more municipalities located therein may be consolidated into a single government which may exercise any and all powers of the county and the several municipalities. The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit from the facility or service for which the indebtedness was incurred.

SECTION 4. Transfer of powers.—By law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the
electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

SECTION 5. Local option.—
(a) Local option on the legality or prohibition of the sale of intoxicating liquors, wines or beers shall be preserved to each county. The status of a county with respect thereto shall be changed only by vote of the electors in a special election called upon the petition of twenty-five per cent of the electors of the county, and not sooner than two years after an earlier election on the same question. Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.
(b) Each county shall have the authority to require a criminal history records check and a 3 to 5-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within such county. For purposes of this subsection, the term “sale” means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access. Holders of a concealed weapons permit as prescribed by general law shall not be subject to the provisions of this subsection when purchasing a firearm.

(d) ORDINANCES. Local laws relating only to unincorporated areas of a county on the effective date of this article may be amended or repealed by county ordinance.
(e) CONSOLIDATION AND HOME RULE. Article VIII, Sections 19, 210, 311 and 424, of the Constitution of 1885, as amended, shall remain in full force and effect as to each county affected, as if this article had not been adopted, until that county shall expressly adopt a charter or home rule plan pursuant to this article.

All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to Article VIII, Section 11, of the Constitution of 1885, as amended, shall be the law of the county, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said Article VIII, Section 11, of the Constitution of 1885, as amended.
(f) DADE COUNTY; POWERS CONFERRED UPON MUNICIPALITIES. To the extent not inconsistent with the powers of existing municipalities or general law, the Metropolitan Government of Dade County may exercise all the powers conferred now or hereafter by general law upon municipalities.
(g) DELETION OF OBSOLETE SCHEDULE ITEMS. The legislature shall have power, by joint resolution, to delete from this article any subsection of this Section 6, including this subsection, when all events to which the subsection to be deleted is or could become applicable have occurred. A legislative determination of fact made as a basis for application of this subsection shall be subject to judicial review.

SECTION 9. Legislative power over city of Jacksonville and Duval County.—The Legislature shall have power to establish, alter or abolish, a Municipal corporation to be known as the City of Jacksonville, extending territorially throughout the present limits of Duval County, in the place of any or all county, district, municipal and local governments, boards, bodies and officers, constitutional or statutory, legislative, executive, judicial, or administrative, and shall prescribe the jurisdiction, powers, duties and functions of such municipal corporation, its legislative, executive, judicial and administrative departments and its boards, bodies and officers; to divide the territory included in such municipality into subordinate districts, and to prescribe a just and reasonable system of taxation for such municipality and districts; and to fix the liability of such municipality and districts. Bonded and other indebtedness, existing at the time of the establishment of such municipality, shall be bonded or consolidated only against property theretofore taxable therefor. The Legislature shall, from time to time, determine what portion of said municipality is a rural area, and a homestead in such rural area shall not be limited as if in a city or town. Such municipality may exercise all the powers of a municipal corporation and shall also be recognized as one of the legal political divisions of the State with the duties and obligations of a county, and shall be entitled to all the powers, rights and privileges, including representation in the State Legislature, which would accrue to it if it were a county. All property of Duval County and of the municipalities in said county shall vest in such municipal corporation when established as herein provided. The offices of Clerk of the Circuit Court and Sheriff shall not be abolished but the Legislature may prescribe the time when, and the method by which, such offices shall be filled and the compensation to be paid to such officers and may vest in them additional powers and duties. No county office shall be abolished or consolidated with another office without making provision for the performance of all State duties now or hereafter prescribed by law to be performed by such county officer. Nothing contained herein shall affect Section 20 of Article III of the Constitution of the State of Florida, except as to such provisions therein as relate to regulating the jurisdiction and duties of any class of officers, to summoning and impanelling grand and petit juries, to assessing and collecting taxes for county purposes and to regulating the fees and compensation of county officers. No law authorizing the establishing or abolishing of such Municipal corporation pursuant to this Section, shall become operative or effective until approved by a majority of the qualified electors participating in an election held in said County, but so long as such Municipal corporation exists under this Section the Legislature may amend or extend the law authorizing the same without referendum to the qualified...
voters unless the Legislative act providing for such amendment or extension shall provide for such referendum.  

History.—Added, S.J.R. 113, 1933; adopted 1934.  

Note.—Section 10, Art. VIII of the Constitution of 1885, as amended, reads as follows:  

SECTION 10. Legislative power over city of Key West and Monroe county.—The Legislature shall have power to establish, alter or abolish a Municipal corporation to be known as the City of Key West, extending territorial limits of Monroe County, in the place of any or all county, district, municipal and local governments, boards, bodies and officers, constitutional or statutory, public, private or special, or administrative, and shall prescribe the jurisdiction, powers, duties and functions of such municipal corporation, its legislative, executive, judicial and administrative boards, and its boards, bodies and officers; to divide the territory included in such municipality into subordinate districts, and to prescribe a just and reasonable system of taxation for such municipality and districts; and to fix the liability of such municipality and districts. Bonded and other indebtedness, existing at the time of the establishment of such municipality, shall be enforceable only against property therefore taxable therefor. The Legislature shall, from time to time, determine what portion of said municipality is a rural area, and a homestead in such rural area shall not be limited as if in a city or town. Such municipality may exercise all the powers of a municipal corporation and shall also be recognized as one of the legal political divisions of the State with the duties and for the purpose of which it shall be entitled to all the powers, rights and privileges, including representation in the State Legislature, which would accrue to it if it were a county. All property of Monroe County and of the municipal corporation shall vest in such municipal corporation when established as herein provided. The officers of Clerk of the Circuit Court and Sheriff shall not be abolished but the Legislature may prescribe the time when, and the method by which, such offices shall be filled and the compensation to be paid to such officers and may vest in them additional powers and duties. No county office shall be abolished or consolidated with another office without making provision for the performance of all State duties now or hereafter prescribed by law to be performed by such county officer. Nothing contained herein shall affect Section 20 of Article III of the Constitution of the State of Florida, except as to such provisions therein as relate to regulating the jurisdiction and duties of any class of officers, to summoning and impanelling grand and petit juries, to assessing and collecting taxes for county purposes and to regulating the fees and compensation of county officers. ARTICLE X

CONSTITUTION OF THE STATE OF FLORIDA

(g) This section shall take effect six years after approval by the electors.  

History.—Proposed by Initiative Petition filed with the Secretary of State May 10, 2002; adopted 2002.  

Note.—This section, originally designated section 19 by Amendment No. 10, 2002, proposed by Initiative Petition filed with the Secretary of State August 5, 2002, adopted 2002, was redesignated section 21 by the editors in order to avoid confusion with already existing section 19, relating to the high speed ground transportation system, and section 20, relating to prohibiting workplace smoking, as contained in Amendment No. 6, proposed by Initiative Petition filed with the Secretary of State May 10, 2002, and adopted in 2002.  

SECTION 22. Parental notice of termination of a minor’s pregnancy.—The Legislature shall not limit or deny the privacy right guaranteed to a minor under the United States Constitution as interpreted by the United States Supreme Court. Notwithstanding a minor’s right of privacy provided in Section 23 of Article I, the Legislature is authorized to require by general law for notification to a parent or guardian of a minor before the termination of the minor’s pregnancy. The Legislature shall provide exceptions to such requirement for notification and shall create a process for judicial waiver of the notification.  

SECTION 23. Slot machines.—

(a) After voter approval of this constitutional amendment, the governing bodies of Miami-Dade and Broward Counties each may hold a county-wide referendum in their respective counties on whether to authorize slot machines within existing, licensed parimutuel facilities (thoroughbred and harness racing, greyhound racing, and jai-alai) that have conducted live racing or games in that county during each of the last two calendar years before the effective date of this amendment. If the voters of such county approve the referendum question by majority vote, slot machines shall be authorized in such parimutuel facilities. If the voters of such county by majority vote disapprove the referendum question, slot machines shall not be so authorized, and the question shall not be presented in another referendum in that county for at least two years.  

(b) In the next regular Legislative session occurring after voter approval of this constitutional amendment, the Legislature shall adopt legislation implementing this section and having an effective date no later than July 1 of the year following voter approval of this amendment. Such legislation shall authorize agency rules for implementation, and may include provisions for the licensure and regulation of slot machines. The Legislature may tax slot machine revenues, and any such taxes must supplement public education funding statewide.  

(c) If any part of this section is held invalid for any reason, the remaining portion or portions shall be severed from the invalid portion and given the fullest possible force and effect.  

(d) This amendment shall become effective when approved by vote of the electors of the state.  

History.—Proposed by Initiative Petition filed with the Secretary of State May 28, 2002; adopted 2004.  

Note.—This section, originally designated section 19 by Amendment No. 4, 2004, proposed by Initiative Petition filed with the Secretary of State May 28, 2002, adopted 2004, was redesignated section 23 by the editors in order to avoid confusion with already existing section 19, relating to the high speed ground transportation system.  

SECTION 24. Florida minimum wage.—

(a) PUBLIC POLICY. All working Floridians are entitled to be paid a minimum wage that is sufficient to provide a decent and healthy life for them and their families, that protects their employers from unfair low-wage competition, and that does not force them to rely on taxpayer-funded public services in order to avoid economic hardship.  

(b) DEFINITIONS. As used in this amendment, the terms “Employer,” “Employee” and “Wage” shall have the meanings established under the federal Fair Labor Standards Act (FLSA) and its implementing regulations.  

(c) MINIMUM WAGE. Employers shall pay Employees Wages no less than the Minimum Wage for all hours worked in Florida. Six months after enactment, the Minimum Wage shall be established at an hourly rate of $6.15. On September 30th of that year and on each following September 30th, the state Agency for Workforce Innovation shall calculate an adjusted Minimum Wage rate by increasing the current Minimum Wage rate by the rate of inflation during the twelve months prior to each September 1st using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index as calculated by the United States Department of Labor. Each adjusted Minimum Wage rate calculated shall be published and take effect on the following January 1st. For tipped Employees meeting eligibility requirements for the tip credit under the FLSA, Employers may credit towards satisfaction of the Minimum Wage tips up to the amount of the allowable FLSA tip credit in 2003.  

(d) RETALIATION PROHIBITED. It shall be unlawful for an Employer or any other party to discriminate in any manner or take adverse action against any person in retaliation for exercising rights protected under this amendment. Rights protected under this amendment include, but are not limited to, the right to file a complaint or inform any person about any party’s alleged noncompliance with this amendment, and the right to inform any person of his or her potential rights under this amendment and to assist him or her in asserting such rights.  

(e) ENFORCEMENT. Persons aggrieved by a violation of this amendment may bring a civil action in a court of competent jurisdiction against an Employer or person violating this amendment and, upon prevailing, shall recover the full amount of any back wages unlawfully withheld plus the same amount as liquidated damages, and shall be awarded reasonable attorney’s fees and costs. In addition, they
shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement in employment and/or injunctive relief. Any employer or other person found liable for willfully violating this amendment shall also be subject to a fine payable to the state in the amount of $1000.00 for each violation. The state attorney general or other official designated by the state legislature may also bring a civil action to enforce this amendment. Actions to enforce this amendment shall be subject to a statute of limitations of four years or, in the case of willful violations, five years. Such actions may be brought as a class action pursuant to Rule 1.220 of the Florida Rules of Civil Procedure.

(f) ADDITIONAL LEGISLATION. IMPLEMENTATION AND CONSTRUCTION. Implementing legislation is not required in order to enforce this amendment. The state legislature may by statute establish additional remedies or fines for violations of this amendment, raise the applicable Minimum Wage rate, reduce the tip credit, or extend coverage of the Minimum Wage to employers or employees not covered by this amendment. The state legislature may by statute or the state Agency for Workforce Innovation may by regulation adopt any measures appropriate for the implementation of this amendment. This amendment provides for payment of a minimum wage and shall not be construed to preempt or otherwise limit the authority of the state legislature or any other public body to adopt or enforce any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages or benefits, or that extends such protections to employers or employees not covered by this amendment. It is intended that case law, administrative interpretations, and other guiding standards developed under the federal FLSA shall guide the construction of this amendment and any implementing statutes or regulations.

(g) SEVERABILITY. If any part of this amendment, or the application of this amendment to any person or circumstance, is held invalid, the remainder of this amendment, including the application of such part to other persons or circumstances, shall not be affected by such a holding and shall continue in full force and effect. To this end, the parts of this amendment are severable.

(a) ADDITIONAL SECURITIES.

(1) Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

(2) That portion of Article XII, Section 9, Subsection (a) of this Constitution, as amended, which by reference adopted Article XII, Section 19 of the Constitution of 1885, as amended, as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment all of the proceeds of the revenues derived from the gross receipts taxes, as therein defined, collected in each year shall be applied as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or certificates issued before the effective date of this amendment and any refundings thereof which are secured by such gross receipts taxes. No bonds or other obligations may be issued pursuant to the provisions of Article XII, Section 19, of the Constitution of 1885, as amended, but this provision shall not be construed to prevent the refunding of any such outstanding bonds or obligations pursuant to the provisions of this subsection (a)(2).

Subject to the requirements of the first paragraph of this subsection (a)(2), beginning July 1, 1975, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, as provided in Chapter 203, Florida Statutes, as such chapter is amended from time to time, shall, as collected, be placed in a trust fund to be known as the "public education capital outlay and debt service trust fund" in the state treasury (hereinafter referred to as "capital outlay fund"), and used only as provided herein.

The capital outlay fund shall be administered by the state board of education as created and constituted by Section 2 of Article IX of the Constitution of Florida as revised in 1968 (hereinafter referred to as "state board"), or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this subsection (a)(2). The state board shall be a body corporate and shall have all the powers provided herein in addition to all other constitutional and statutory powers related to the purposes of this subsection (a)(2) hereinafter or hereafter conferred by law upon the state board, or its predecessor created by the Constitution of 1885, as amended.

State bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, by the state board pursuant to law to finance or refinance capital projects theretofore authorized by the legislature, and any purposes appurtenant or incidental thereto, for the state system of public education provided for in Section 1 of Article IX of this Constitution (hereinafter referred to as "state system"), including but not limited to institutions of higher learning, community colleges, vocational technical schools, or public schools, as now defined or as may hereafter be defined by law. All such bonds shall mature not later than thirty years after the date of issuance thereof. All other details of such bonds shall be as provided by law or by the proceedings authorizing such bonds: provided, however, that no bonds, except refunding bonds, shall be issued, and no proceeds shall be expended for the cost of any capital project, unless such project has been authorized by the legislature.

Bonds issued pursuant to this subsection (a)(2) shall be primarily payable from such revenues derived from gross receipts taxes, and shall be additionally secured by the full faith and credit of the state. No such bonds shall ever be issued in an amount exceeding ninety percent of the amount which the state board determines can be serviced by the revenues derived from the gross receipts taxes accruing thereafter under the provisions of this subsection (a)(2), and such determination shall be conclusive.

The moneys in the capital outlay fund in each fiscal year shall be used only for the following purposes and in the following order of priority:

a. For the payment of the principal of and interest on any bonds due in such fiscal year;

b. For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of bonds of any amounts required to be deposited in such reserve funds in such fiscal year;

c. For direct payment of the cost or any part of the cost of any capital project for the state system theretofore authorized by the legislature, or for the purchase or redemption of outstanding bonds in accordance with the provisions of the proceedings which authorized the issuance of such bonds, or for the purpose of maintaining, restoring, or repairing existing public educational facilities.

(b) REFUNDING BONDS. Revenue bonds to finance the cost of state capital projects issued prior to the date this revision becomes
effective, including projects of the Florida state turnpike authority or its successor but excluding all portions of the state highway system, may be refunded as provided by law without vote of the electors at a lower net average interest cost rate by the issuance of bonds maturing not later than the obligations refunded, secured by the same revenues only.

(c) MOTOR VEHICLE FUEL TAXES.

(1) A state tax, designated "second gas tax," of two cents per gallon upon gasoline and other like products of petroleum and an equivalent tax upon other sources of energy used to propel motor vehicles as levied by 4Article IX, Section 16, of the Constitution of 1885, as amended, is hereby continued. The proceeds of said tax shall be placed monthly in the state roads distribution fund in the state treasury.

(2) 4Article IX, Section 16, of the Constitution of 1885, as amended, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim for the purpose of providing that after the effective date of this revision the proceeds of the "second gas tax" as referred to therein shall be allocated among the several counties in accordance with the formula stated therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds, revenue certificates and tax anticipation certificates or any refundings thereof secured by any portion of the "second gas tax."

(3) No funds anticipated to be allocated under the formula stated in 4Article IX, Section 16, of the Constitution of 1885, as amended, shall be pledged as security for any obligation hereafter issued or entered into, except that any outstanding obligations previously issued pledging revenues allocated under said 4Article IX, Section 16, may be refunded at a lower average net interest cost rate by the issuance of refunding bonds, maturing not later than the obligations refunded, secured by the same revenues and any other security authorized in paragraph (5) of this subsection.

(4) Subject to the requirements of paragraph (2) of this subsection and after payment of administrative expenses, the "second gas tax" shall be allocated to the account of each of the several counties in the amounts to be determined as follows: There shall be an initial allocation of one-fourth in the ratio of county area to state area, one-fourth in the ratio of the total county population to the total population of the state in accordance with the latest available federal census, and one-half in the ratio of the total "second gas tax" collected on retail sales or use in each county to the total collected in all counties of the state during the previous fiscal year. If the annual debt service requirements of any obligations issued for any county, including any deficiencies for prior years, secured under paragraph (2) of this subsection, exceeds the amount which would be allocated to that county under the formula set out in this paragraph, the amounts allocated to other counties shall be reduced proportionately.

(5) Funds allocated under paragraphs (2) and (4) of this subsection shall be administered by the state board of administration created under Article IV, Section 4. The board shall remit the proceeds of the "second gas tax" in each county account for use in said county as follows: eighty per cent to the state agency supervising the state road system and twenty per cent to the governing body of the county. The percentage allocated to the county may be increased by general law. The proceeds of the "second gas tax" subject to allocation to the several counties under this paragraph (5) shall be used first, for the payment of obligations pledging revenues allocated pursuant to 4Article IX, Section 16, of the Constitution of 1885, as amended, and any refundings thereof; second, for the payment of debt service on bonds issued as provided by this paragraph (5) to finance the acquisition and construction of roads as defined by law; and third, for the acquisition and construction of roads and for road maintenance as authorized by law. When authorized by law, state bonds pledging the full faith and credit of the state may be issued without any election: (i) to refund obligations secured by any portion of the "second gas tax" allocated to a county under 4Article IX, Section 16, of the Constitution of 1885, as amended; (ii) to finance the acquisition and construction of roads in a county when approved by the governing body of the county and the state agency supervising the state road system; and (iii) to refund obligations secured by any portion of the "second gas tax" allocated under paragraph 9(c)(4). No such bonds shall be issued unless a state fiscal agency created by law has made a determination that in no state fiscal year will the debt service requirements of the bonds and all other bonds secured by the pledged portion of the "second gas tax" allocated to the county exceed seventy-five per cent of the pledged portion of the "second gas tax" allocated to that county for the preceding state fiscal year, of the pledged net tolls from existing facilities collected in the preceding state fiscal year, and of the annual average net tolls anticipated during the first five state fiscal years of operation of new projects to be financed, and of any other legally available pledged revenues collected in the preceding state fiscal year. Bonds issued pursuant to this subsection shall be payable, primarily from the pledged tolls, the pledged portions of the "second gas tax" allocated to that county, and any other pledged revenue, and shall mature not later than forty years from the date of issuance.

(d) SCHOOL BONDS.

(1) 4Article XII, Section 9, Subsection (d) of this constitution, as amended, (which, by reference, adopted 4Article XII, Section 18, of the Constitution of 1885, as amended) as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this amendment as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment the first proceeds of the revenues
purposes of this amendment shall be the greater or community college district in each year for the number of instruction units in each school district and community college districts of Florida. The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall additionally be an amount equal in the aggregate to the product of eight hundred dollars ($800) multiplied by the total number of instruction units in all the school districts for the school fiscal year 1967-68 or community college district for the school fiscal year 1968-69 computed in the manner heretofore provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each school district, including growth units, or community college district on behalf of which the state board has issued bonds or motor vehicle license revenue anticipation certificates under this amendment which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board. (4) Such funds so distributed shall be administered by the state board as now created and constituted by Section 2 of Article IX of the State Constitution as revised in 1968, or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this amendment. For the purposes of this amendment, said state board shall be a body corporate and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said state board. (5) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first motor vehicle license revenues provided for in this subsection (d). The state board shall also have power, for the purpose of obtaining funds for the use of any school board of any school district or board of trustees of any community college district in acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes to issue bonds or motor vehicle license revenue anticipation certificates, and also to issue such bonds or motor vehicle license revenue anticipation certificates to pay, fund or refund any bonds or motor vehicle license revenue anticipation certificates theretofore issued by said state board. All such bonds or motor vehicle license revenue anticipation certificates shall bear interest at not exceeding the rate provided by general law and shall mature not later than thirty years after the date of issuance thereof. The state board shall have power to determine all other details of the bonds or motor vehicle license revenue anticipation certificates and to sell in the
manner provided by general law, or exchange the bonds or motor vehicle license revenue anticipation certificates, upon such terms and conditions as the state board shall provide.

(6) The state board shall also have power to pledge for the payment of the principal and interest on such bonds or motor vehicle license revenue anticipation certificates, including refunding bonds or refunding motor vehicle license revenue anticipation certificates, all or any part from the motor vehicle license revenues provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle license revenue anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

(7) No such bonds or motor vehicle license revenue anticipation certificates shall ever be issued by the state board, except to refund outstanding bonds or motor vehicle license revenue anticipation certificates, until after the adoption of a resolution requesting the issuance thereof by the school board of the school district or board of trustees of the community college district on behalf of which the obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle license revenue anticipation certificates which can be issued on behalf of any school district or community college district to ninety percent (90%) of the amount which it determines can be serviced by the revenue accruing to the school district or community college district under the provisions of this amendment, and shall determine the reasonable allocation of the interest savings from the issuance of refunding bonds or motor vehicle license revenue anticipation certificates, and such determinations shall be conclusive. All such bonds or motor vehicle license revenue anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the school board of the school district or board of trustees of the community college district requesting the issuance thereof, and no election or approval of qualified electors shall be required for the issuance thereof.

(8) The state board shall in each year use the funds distributable pursuant to this amendment to the credit of each school district or community college district only in the following manner and in order of priority:

a. To comply with the requirements of paragraph (1) of this subsection (d),

b. To pay all amounts of principal and interest due in such year on any bonds or motor vehicle license revenue anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle license revenue anticipation certificates, issued on behalf of the school board of such school district or board of trustees of such community college district.

c. To establish and maintain a sinking fund or funds to meet future requirements for debt service or reserves therefor, on bonds or motor vehicle license revenue anticipation certificates issued on behalf of the school board of such school district or board of trustees of such community college district under the authority hereof, whenever the state board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the state board shall in its discretion determine.

d. To distribute annually to the several school boards of the school districts or the boards of trustees of the community college districts for use in payment of debt service on bonds heretofore or hereafter issued by any such school boards of the school districts or boards of trustees of the community college districts where the proceeds of the bonds were used, or are to be used, in the acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects in such school districts or community college districts and which capital outlay projects have been approved by the school board of the school district or board of trustees of the community college district, pursuant to the most recent survey or surveys conducted under regulations prescribed by the state board to determine the capital outlay needs of the school district or community college district. The state board shall have power at the time of issuance of any bonds by any school board of any school district or board of trustees of any community college district to covenant and agree with such school board or board of trustees as to the rank and priority of payments to be made for different issues of bonds under this subparagraph d., and may further agree that any amounts to be distributed under this subparagraph d. may be pledged for the debt service on bonds issued by any school board of any school district or board of trustees of any community college district and for the rank and priority of such pledge. Any such covenants or agreements of the state board may be enforced by any holders of such bonds in any court of competent jurisdiction.

e. To pay the expenses of the state board in administering this subsection (d), which shall be prorated among the various school districts and community college districts and paid out of the proceeds of the bonds or motor vehicle license revenue anticipation certificates or from the funds distributable to each school district and community college district on the same basis as such motor vehicle license revenues are distributable to the various school districts and community college districts.

f. To distribute annually to the several school boards of the school districts or boards of trustees of the community college districts for
the payment of the cost of acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes in such school district or community college district as shall be requested by resolution of the school board of the school district or board of trustees of the community college district.

g. When all major capital outlay needs of a school district or community college district have been met as determined by the state board, on the basis of a survey made pursuant to regulations of the state board and approved by the state board, all such funds remaining shall be distributed annually and used for such school purposes in such school district or community college district as the school board of the school district or board of trustees of the community college district shall determine, or as may be provided by general law.

(9) Capital outlay projects of a school district or community college district shall be eligible to participate in the funds accruing under this amendment and derived from the proceeds of bonds and motor vehicle license revenue anticipation certificates and from the motor vehicle license revenues, only in the order of priority of needs, as shown by a survey or surveys conducted in the school district or community college district under regulations prescribed by the state board, to determine the capital outlay needs of the school district or community college district and approved by the state board; provided that the priority of such projects may be changed from time to time upon the request of the school board of the school district or board of trustees of the community college district and with the approval of the state board; and provided, further, that this paragraph (9) shall not in any manner affect any covenant, agreement or pledge made by the state board in the issuance by said state board of any bonds or motor vehicle license revenue anticipation certificates, or in connection with the issuance of any bonds of any school board of any school district or board of trustees of any community college district.

(10) The state board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no limitation shall be required to render this amendment of full force and operating effect. The legislature shall not reduce the levies of said motor vehicle license revenues during the life of this amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of said motor vehicle license revenues from the operation of this amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle license revenue anticipation certificates issued pursuant to this amendment or impairing or altering any covenant or agreement of the state board, as provided in such bonds or motor vehicle license revenue anticipation certificates.

(11) Bonds issued by the state board pursuant to this subsection (d) shall be payable primarily from said motor vehicle license revenues as provided herein, and if heretofore or hereafter authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When heretofore or hereafter authorized by law, bonds issued pursuant to subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state.

(e) DEBT LIMITATION. Bonds issued pursuant to this Section 9 of Article XII which are payable primarily from revenues pledged pursuant to this section shall not be included in applying the limits upon the amount of state bonds contained in Section 11, Article VII, of this revision.

The land acquisition trust fund, created by the 1963 legislature for these multiple public purposes, shall continue from the date of the adoption of this amendment for a period of fifty years. In the event the outdoor recreational development council shall determine to issue bonds for financing acquisition of sites for multiple purposes the state board of administration shall act as fiscal agent, and the attorney general shall handle the validation proceedings. All bonds issued under this amendment shall be sold at public sale after public advertisement upon such terms and conditions as the outdoor recreational development council shall provide and as otherwise provided by law and subject to the limitations herein imposed.

SECTION 16. Board of administration; gasoline and like taxes, distribution and use; etc.—(a) That beginning January 1, 1943, and for forty (40) years, and for the period of two (2c) cents per gallon of the total tax levied by state law upon gasoline and other like products of petroleum, now known as the Second Gas Tax, and upon other fuels used to propel motor vehicles, shall as collected be placed monthly in the 'State Roads Distribution Fund' in the State Treasury and divided into three (3) equal parts which shall be distributed monthly among such counties as follows: one part according to area, one part according to population, and one part according to the counties' contributions to the cost of state road construction in the ratio of distribution as provided in Chapter 19659, Laws of Florida, Acts of 1931, and for the purposes of the apportionment based on the counties' contributions for the cost of state road construction, the amount of the contributions established by the certificates made in 1931 pursuant to said Chapter 15659, shall be taken and deemed conclusive in computing the monthly amounts distributable according to said contributions. Such funds so distributed shall be administered by the State Board of Administration as hereinafter provided.

(c) The Governor as chairman, the State Treasurer, and the State Comptroller shall constitute a body corporate to be known as the 'State Board of Administration,' which board shall succeed to the powers, duties, and responsibilities of the Board of Administration. Said Board shall have, in addition to such powers as may be conferred upon it by law, the management, control and supervision of the said funds, said Board as follows: Eighty (80%) per cent to the State Road Department for the construction or reconstruction of state roads and bridges within the county, and for the lease or purchase of bridges connecting state highways within the county, and twenty (20%) per cent to the Board of County Commissioners of such county for use on roads and bridges therein.

(d) Said board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers hereby granted and no legislation shall be required to render this amendment of full force and effect. As read as from and after January 1, 1943. The Legislature shall continue the levies of said taxes during the life of this Amendment, and shall not enact any law having the effect of withdrawing the proceeds thereof. Such revenue shall be distributed as provided herein shall be an amount equal in the year 1951-52 computed in the manner heretofore provided by
general law, or (2) the number of instruction units in such county for the school fiscal year then hereafter or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county in which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one-third times the aggregate amount of principal of and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the manner herefore or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by Section 3 of Article XII, [now s. 2, Article X] of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment herefore or hereafter conferred upon said board.

The state board shall also have power, for the purpose of providing funds of any of the proceeds of the motor vehicles, the county board of public instruction in acquiring, building, constructing, altering, improving, enlarging, furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates therefor issued by said state board. All such bonds shall bear interest at not exceeding four and one-half per centum per annum and shall mature serially in annual installment commencing not more than three years from the date of issuance thereof and ending not later than thirty years from the date of issuance or January 1, 2000, A.D., whichever is earlier. The state board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the state board shall provide.

The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof to create such security as the state board may require and the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution requesting the issuance thereof by the county board of public instruction of the county on behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five per cent of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be conclusive. All such bonds or motor vehicle tax anticipation certificates shall be in the name of the county as the Board of Public Instruction of the county and approved by the State Board on behalf of the Board of Public Instruction of any county.

(f) The State Board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect from and after January 1, 1953. The Legislature shall not reduce the levies of said motor vehicle license taxes during the life of this Amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this Amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license taxes from the operation of this Amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle tax anticipation certificates issued pursuant to this Amendment and shall not alter any covenant or agreement of the State Board, as provided in such bonds or motor vehicle tax anticipation certificates.

The State Board shall have power to appoint such persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be prorated among the various counties and
