Number 3

Thursday, March 8, 2001

The House was called to order by the Speaker at 12:30 p.m.

## Prayer

The following prayer was offered by the Bishop L. T. Weaver, Sr., Prelate of Church of God in Christ of Melbourne, upon invitation of Rep. Needelman:

O God, the God of Abraham, Isaac, and Jacob, we exhort You, that first of all, supplications, prayer, intercessions, and giving of thanks be made for all men, for kings, and for all that are in authority, that we may lead a quiet and peaceful life in all godliness and honesty. For this is good and acceptable in Your sight, our God and Savior, and it is in that vein that I pray.

I pray for the President of the United States, Mr. Bush, for his administration, and all government leaders across this great nation. And that I pray for the Governor of this great state, Mr. Bush, his Cabinet, and for the members of this Legislature. Father, I pray that during the deliberations of this session, that You would guide these, Your servants, to make wise decisions for their constituents. And I pray, O God, for the peace of Florida. You said in Your word that You would keep them in perfect peace whose mind is stayed on Thee. And, O God, help us to be submissive to Your will.

And I ask these blessings in the name of the Father, and of the Son, and to the Holy Ghost. Amen. And, may God bless America.

**Explanation of Vote**

I will cast my vote in opposition to House Bill 21. This tax cut costs too much and it comes too early in the budget process.

On the third day of session, before we receive our final 2001-2002 revenue estimates, we are considering this large tax cut while our budget subcommittees are forced to slash millions from critical programs. Projected budget cuts include a \$122 million cut for teacher recruitment and school technology, a \$1.9 million cut in the operational budget of the Florida School for the Deaf and Blind and hundreds of millions of dollars in cuts in our medically needy and prescription drug programs.

I went home last weekend and held town hall meetings in my district. The message from my constituents was clear: fund schools, fund public safety, fund health care and fund them first!

When the budget is flush, tax cuts are the right thing to do. But the budget is tight, and the timing is wrong. We should delay consideration of this bill, at least until we know how much revenue we have available. We should complete our budget process and revisit this tax cut only after the needs of all Floridians have been considered.

**Explanation of Vote**

Today, I voted no on House Bill 271.

House Bill 271 could potentially drain our public school budget of over \$1 billion for private school vouchers. This plan is just another end around attempt to expand school vouchers.

Vouchers only succeed in taking funds out of our public school system. They do not reduce class size or school size, they do not improve student achievement and they do not address any of the root problems of public education system.

Florida should encourage corporations to make charitable contributions, however, not at the expense of our children and their education.
