(1) Except as provided in s. 1012.467 or s. 1012.468, noninstructional school district employees or contractual personnel who are permitted access on school grounds when students are present, who have direct contact with students or who have access to or control of school funds must meet level 2 screening requirements as described in s. 1012.32. Contractual personnel shall include any vendor, individual, or entity under contract with a school or the school board.

Section 7. Section 1012.467, Florida Statutes, is created to read:

1012.467 Noninstructional contractors who are permitted access to school grounds when students are present; background screening requirements.--

(1) As used in this section, the term:

(a) "Noninstructional contractor" means any vendor, individual, or entity under contract with a school or with the school board who receives remuneration for services performed for the school district or a school, but who is not otherwise considered an employee of the school district. The term also includes any employee of a contractor who performs services for the school district or school under the contract and any subcontractor and its employees.

(b) "Convicted" has the same meaning as in s. 943.0435.

(c) "School grounds" means the buildings and grounds of any public prekindergarten, kindergarten, elementary school, middle school, junior high school, high school, or secondary school, or any combination of grades prekindergarten through grade 12, together with the school district land on which the buildings are located. The term does not include:

or activities may be located or take place;

2. The buildings and grounds of any public
prekindergarten, kindergarten, elementary school, middle
school, junior high school, high school, or secondary school,
or any combination of grades prekindergarten through grade 12,
or contiguous school district land, during any time period in
which students are not permitted access; or

3. Any building described in this paragraph during any
period in which it is used solely as a career or technical
center under part IV of chapter 1004 for postsecondary or
adult education.

(2)(a) A fingerprint-based criminal history check
shall be performed on each noninstructional contractor who is
permitted access to school grounds when students are present,
whose performance of the contract with the school or school
board is not anticipated to result in direct contact with
students, and for whom any unanticipated contact would be
infrequent and incidental. Criminal history checks shall be
performed at least once every 5 years. For the initial
criminal history check, each noninstructional contractor who
is subject to the criminal history check shall file with the
Department of Law Enforcement a complete set of fingerprints
taken by an authorized law enforcement agency or an employee
of a school district, a public school, or a private company
who is trained to take fingerprints. The fingerprints shall be
electronically submitted for state processing to the
Department of Law Enforcement, which shall in turn submit the
fingerprints to the Federal Bureau of Investigation for
national processing. The results of each criminal history
check shall be reported to the school district in which the
individual is seeking access and entered into the shared
system described in subsection (7). The school district shall
screen the results using the disqualifying offenses in
paragraph (g). The cost of the criminal history check may be
borne by the district school board, the school, or the
contractor. A fee that is charged by a district school board
for such checks may not exceed 30 percent of the total amount
charged by the Department of Law Enforcement and the Federal
Bureau of Investigation.

(b) As authorized by law, the Department of Law
Enforcement shall retain the fingerprints submitted by the
school districts pursuant to this subsection to the Department
of Law Enforcement for a criminal history background screening
in a manner provided by rule and enter the fingerprints in the
statewide automated fingerprint identification system
authorized by s. 943.05(2)(b). The fingerprints shall
thereafter be available for all purposes and uses authorized
for arrest fingerprint cards entered into the statewide
automated fingerprint identification system under s. 943.051.

(c) As authorized by law, the Department of Law
Enforcement shall search all arrest fingerprint cards received
under s. 943.051 against the fingerprints retained in the
statewide automated fingerprint identification system under
paragraph (b).

(d) School districts may participate in the search
process described in this subsection by paying an annual fee
to the Department of Law Enforcement.

(e) A fingerprint retained pursuant to this subsection
shall be purged from the automated fingerprint identification
system 5 years following the date the fingerprint was
initially submitted. The Department of Law Enforcement shall

set the amount of the annual fee to be imposed upon each participating agency for performing these searches and establishing the procedures for retaining fingerprints and disseminating search results. The fee may be borne as provided by law. Fees may be waived or reduced by the executive director of the Department of Law Enforcement for good cause shown.

(f) A noninstructional contractor who is subject to a criminal history check under this section shall inform a school district that he or she has completed a criminal history check in another school district within the last 5 years. The school district shall verify the results of the contractor's criminal history check using the shared system described in subsection (7). The school district may not charge the contractor a fee for verifying the results of his or her criminal history check.

(g) A noninstructional contractor for whom a criminal history check is required under this section may not have been convicted of any of the following offenses designated in the Florida Statutes, any similar offense in another jurisdiction, or any similar offense committed in this state which has been redesignated from a former provision of the Florida Statutes to one of the following offenses:

1. Any offense listed in s. 943.0435(1)(a)1., relating to the registration of an individual as a sexual offender.
2. Section 393.135, relating to sexual misconduct with certain developmentally disabled clients and the reporting of such sexual misconduct.
3. Section 394.4593, relating to sexual misconduct with certain mental health patients and the reporting of such sexual misconduct.

CODING: Words stricken are deletions; words underlined are additions.
4. Section 775.30, relating to terrorism.
5. Section 782.04, relating to murder.
6. Section 787.01, relating to kidnapping.
7. Any offense under chapter 800, relating to lewdness and indecent exposure.
8. Section 826.04, relating to incest.
9. Section 827.03, relating to child abuse, aggravated child abuse, or neglect of a child.

(3) If it is found that a noninstructional contractor has been convicted of any of the offenses listed in paragraph (2)(g), the individual shall be immediately suspended from having access to school grounds and shall remain suspended unless and until the conviction is set aside in any postconviction proceeding.

(4) A noninstructional contractor who has been convicted of any of the offenses listed in paragraph (2)(g) may not be permitted on school grounds when students are present unless the contractor has received a full pardon or has had his or her civil rights restored. A noninstructional contractor who is present on school grounds in violation of this subsection commits a felony of the third degree, punishable as provided in s. 775.082 or s. 775.083.

(5) If a school district has reasonable cause to believe that grounds exist for the denial of a contractor's access to school grounds when students are present, it shall notify the contractor in writing, stating the specific record that indicates noncompliance with the standards set forth in this section. It is the responsibility of the affected contractor to contest his or her denial. The only basis for contesting the denial is proof of mistaken identity or that an
offense from another jurisdiction is not disqualifying under paragraph (2)(g).

(6) Each contractor who is subject to the requirements of this section shall agree to inform his or her employer or the party to whom he or she is under contract and the school district within 48 hours if he or she is arrested for any of the disqualifying offenses in paragraph (2)(g). A contractor who willfully fails to comply with this subsection commits a felony of the third degree, punishable as provided in s. 775.082 or s. 775.083. If the employer of a contractor or the party to whom the contractor is under contract knows the contractor has been arrested for any of the disqualifying offenses in paragraph (2)(g) and authorizes the contractor to be present on school grounds when students are present, such employer or such party commits a felony of the third degree, punishable as provided in s. 775.082 or s. 775.083.

(7)(a) The Department of Law Enforcement shall implement a system that allows for the results of a criminal history check provided to a school district to be shared with other school districts through a secure Internet website or other secure electronic means. The Department of Law Enforcement may adopt rules under ss. 120.536(1) and 120.54 to implement this paragraph.

(b) An employee of a school district, a charter school, a lab school, a charter lab school, or the Florida School for the Deaf and the Blind who requests or shares criminal history information under this section is immune from civil or criminal liability for any good-faith conduct that occurs during the performance of and within the scope of responsibilities related to the record check.

school district shall conduct the search required under this
subsection without charge or fee to the contractor.

notify the vendor, individual, or entity under contract within
3 business days.

meets the requirements in subsection (2) to an additional
criminal history check. Upon submission of evidence and

contractor.
