SB 508

Hospitalized Patients/Safe Lifting Policies by Senator Fasano

Requires that hospitals, ambulatory surgical centers, and mobile surgical facilities establish a policy concerning the safe lifting of patients by their employees. Provides criteria concerning the policy to include, but not be limited to, using data to evaluate the risk of injuries to patients and employees and determining the appropriateness of alternative strategies for lifting and handling patients. Requires an ongoing evaluation process to determine the effectiveness of the policy. (See bill for details)
