### SB 544 Motor Vehicle Temporary License Tags by Senator Baker

Revises the provisions for implementing an electronic, print-on-demand, temporary tag issuance system. Allows the Department of Highway Safety and Motor Vehicles (HSMV) to issue, on demand, a temporary tag number at the request of the issuer via a secure electronic exchange and enable the issuer to print the tag. Requires that temporary tags shall be displayed where the metal license plate would normally be displayed. Provides that HSMV shall designate the material on which the temporary tag is printed. Requires that the material be able to withstand all weather conditions after being placed on a vehicle. Repeals provisions relating to implementation of an electronic, print-on-demand, temporary license plate system. (See bill for details)
