

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 558 Florida Building Code by Senator Constantine

Repeals a provision relating to the requirement that jurisdictions subject to the Florida Building Code require wind-borne-debris protection in compliance with the International Building Code. Specifies that the Florida Building Code does not restrict implementation of standards to provide for accessibility by handicapped persons or standards for thermal efficiency. (See bill for details)
