SB 1388

Ephedrine and Related Compounds/Retail Sale by Senator Saunders

Requires each retail distributor to maintain a written or electronic log or receipts of transactions involving the sale of ephedrine, pseudoephedrine, or phenylpropanolamine. Requires a person who is purchasing ephedrine or those related compounds for personal use to produce a current and valid proof of identity and age, and to sign a written log, an electronic log, or a receipt to document the transaction.

Provides that a retail distributor who in good faith releases information in a logbook to a federal, state, or local law enforcement authority is immune from civil liability. Provides that it is a misdemeanor of the first degree for any person to release or disclose any confidential information to an unauthorized person, obtain or use confidential information for an unauthorized purpose, or to share confidential information for any purpose other than to ensure compliance with this section. (See bill for details)
