Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 1554 Firesafety/Structure Markings by Senator Wise

Requires the owner of any commercial or industrial structure, or any multiunit residential structure of three units or more, that uses truss-type construction to mark the structure with a sign or symbol approved by the State Fire Marshal in a manner sufficient to warn persons conducting fire control and other emergency operations of the existence of truss-type construction in the structure. Requires the State Fire Marshal to adopt rules governing such signs or symbols. (See bill for details)
