SB 2006 Concealed Weapons Licenses by Senator Diaz de la Portilla

Amends provisions that require the Department of Agriculture and Consumer Services (DOACS) to deny, revoke, or suspend a concealed weapon or firearm license under certain circumstances. Increases the period that a denial, revocation, or suspension of a license remains in effect. Clarifies the meaning of "final disposition of the case" for purposes of suspending a license. Requires the court to revoke a license along with imposing sentence effective the date of conviction if the licensee is convicted of a felony that would make the licensee ineligible to possess a firearm, found guilty of a crime under the provisions relating to drug abuse prevention and control, or convicted of a second violation of driving under the influence within 3 years following a previous conviction under those provisions, or a similar law of another state.

Requires a defendant to surrender a license to carry a concealed weapon to the clerk of the court as a condition of pretrial release if the defendant is arrested for any crime that would require the DOACS to deny, suspend, or revoke the license. (See bill for details)
