SB 2168 Driving Under the Influence Penalties by Senator Crist

Requires a court to order a defendant, after a first conviction for driving under the influence, to participate in not less than 50 hours of community service as a condition of probation. Authorizes a court to impose an additional fine of \$10 for each hour of public service or community work otherwise required only if the court finds that the residence or location of the defendant at the time public service or community work is required or the defendant's employment obligations would create an undue hardship for the defendant.
