PRAYER

The following prayer was offered by Pastor Willie Cook, Allen Temple A.M.E. Church, Tampa:

“O Lord, our Lord, how excellent is your name in all the Earth, you have set your glory above the heavens!”

O Lord God, you are the maker of the heavens and the earth. You are the mighty God who made us and you know all about us.

We come to the start of this new day with thanksgiving and praises to your name. We thank you because today you have blessed us to move beyond yesterday’s failures, follies and sins. We thank you, both individually and collectively, for giving us this new start to mend broken fences; and this new opportunity to build upon a new hope.

Lord God, we pray for your guidance, your wisdom, your intelligence, and your knowledge of responsibility in that we must love, respect, and treat each other kindly as we work out your agenda of showing mercy, justice and fairness to all.

We pray that you will help us to work together, pray together and struggle together as we solve the problems and concerns of this great state called Florida. We pray that you will touch our hearts to be sensitive, truthful, and honest in our dealings with one another as we deal with the business of today. Teach us how to walk humbly before you the mighty God, our maker.

Now Lord, we bless you; we love you; and we thank you for all the favor and prosperity that you have settled upon us, the leaders and people of this great state, known as the Sunshine State, this new day. Let your sun continue to shine upon us forever.

In the name of the God who is known by many names, be glory, dominion, and power forever, and even for evermore. Amen.

MOMENT OF SILENCE

The President recognized Senator King who asked the Senate to observe a moment of silence for former Representative Linda Cox who passed away on Monday, March 10, 2008.

REMARKS

On motion by Senator Carlton, the following remarks were ordered spread upon the Journal:

Senator King: It is a sad day when we in this Chamber have to honor someone who is no longer with us. As many of you know, Linda Cox passed away this weekend. Many of you didn't get a chance to know her very well. Those of us who are long of tooth, who have served here forever not only knew her, we loved her. I thought it was fitting and the Senate President thought so too, that we bring to light some of the things that need to be known about this wonderful, wonderful person; the life she led and the people's lives she touched.

She was one of the first women elected to the Legislature out of Broward County. She served in the House of Representatives for six years. She had been a school teacher prior to that. Her flaming democratic views were well formed and founded in Broward County in which she found a nice home. She came here. She served well. She started the National Organization for Women Chapter in Broward County. She fought ardently for the poor and for those who were most at risk.

After six years of service, she decided that she needed to do more with her life. She left the Legislature. She went to Nova and became an attorney. She practiced law and lobbied for the rest of the time. Some interesting sidelights and sidebars that you probably didn't know: when she was serving in the House, her aide was Anne Mackenzie. When she left the House, Anne Mackenzie won her seat. That's the connection we have seen between the two of them; lifelong friends forever.

I knew her from the time I was first elected in 1986. She was one of the first people to come into my office and welcome me. Now I will tell you that from a political standpoint, we had virtually nothing in common; but from a standpoint of man and woman, friend, colleague, compassionate bystander, we loved each other. She was always, always eager to do anything that you wanted to do. She could give you advice on what was going on in almost every walk of government. Her husband, Sheldon Gusky, lobbies for the Public Defenders and does well. She had a child. He had two. She helped raise all three.

I guess the thing that epitomizes her goodness—not only as a member of the Legislature, and not only as a participating woman in women's issues—is her role as a lobbyist. Much has been said recently about the Third House, those people who are lobbyists. Much has been said that was derogatory about what those people are and what they do. Those of us here can attest to the fact that they are a vital part of this whole process and they add a tremendous amount of information. Linda Cox epitomized what a good lobbyist was all about. She was there when you needed her. She would express her views. If you said no, it was no. She would say, "I'll see you the next time." So, not only those of us who have known her for such a long time and lost a good friend, but the lobbying corps has lost a person who stood out like a bright shining star in their profession.

Mr. President, I recognize the fact that death is part of living. As I grow older, I'm much more cognizant of that. I would tell you that I would only hope when it comes to my time, I would have as many people in that rotunda, in this chamber, in the other chamber, who felt as

strongly about me and what I had contributed, as we do about Linda Cox. With that, Mr. President, I would hope that we could have a few moments of silence.

Senator Geller: Thank you, Mr. President. Unlike, President King, who said he agreed philosophically with Linda on few occasions, I can tell you that coming from Broward County, in fact, Linda's former House seat is now mostly encompassed within my Senate seat. I knew Linda since the day I was elected to the Legislature twenty years ago, and actually before then.

Linda was, for many of us, kind of a good moral compass; someone to look at because Linda had the experience being in this Legislature. As we all know, some of the members of the lobbying corps are somewhat idealistic, and do not look at what is practical. They just say, "We want this," and expect it to happen. Linda was both somebody that many of us in Broward County were in agreement with philosophically, and we also knew that we could bounce ideas off her and she could bounce ideas off us. We could come up with a realistic appraisal of the situation; she knew what was acceptable, what could be done, not just what the idealistic paradigm was. She worked with us; we worked with her; and for those of us from Broward County, we got to see her year-round, not just during session. She came down to Broward County frequently.

We're all going to miss her. Our prayers go out to her husband, Sheldon, and her family. We just want to let her family and friends know that we are all going to miss her up here. Thank you, Mr. President.

Senator Dawson: As a female elected to the Legislature from Broward County, I have to say that Linda Cox was truly a trailblazer. By the time that I came along as a legislative aide, clueless to the process, Linda was here. I think Anne Mackenzie was getting ready to come. Linda left such a legacy for women. Even though at that particular time, prior to the nineties, we were coming up in the ranks, Linda was one of those women who laid a trail for us. Whether it was practical or not, if there was something she believed in, she strongly believed in working with women and across the aisles.

I honor her because it was her encouragement that encouraged me, encouraged other women, and set forth the NOWs and all the organizations to encourage our young girls to move forward because we do have a place in this great bureaucracy and this legislative process. I do want to honor her. I will miss her terribly. To her family, I know that she will be a star that will be blazing over all that we do. I'm sure that at the end of the day, another woman, another trailblazer, will be proud of the progress and the successes that we have made with women in the State of Florida.

Senator Bullard: Good morning, Mr. President. Thank you for recognizing me. I tried to sit without saying anything, but I must speak. I learned a lot about Linda in New Orleans. We were on a trip to one of the legislative conferences. She and her husband invited my husband and me to dinner. We spent one of the best times together.

At that time, I did not know she was a former Representative. That was a day that I will never forget. We spent time with the Blues Brothers at the Blues Brothers place. We travelled throughout New Orleans. We had a great time. This day I stand to say that wherever she is, she is in good hands.

I reflect today and look out in the audience at the Transportation Committee. Just last week, she sat there. I cannot believe it. I am shocked. But let us remember that Linda Cox was indeed a fun person, a bright person, and a loving person. Thank you, Mr. President.

Section 2. *In order to implement Specific Appropriations 2 and 29-32 of the 2007-2008 Special Appropriations Act adopted during the 2008 Regular Session, the calculations of the Florida Education Finance Program for the 2007-2008 fiscal year in the document entitled "Public School Funding - The Florida Education Finance Program," dated March 9, 2008, and filed with the Clerk of the House of Representatives are incorporated by reference for the purpose of displaying the calculations used by the Legislature, consistent with requirements of the Florida Statutes, in making appropriations and reductions in appropriations for the Florida Education Finance Program.*

Section 3. *The 2007-2008 appropriations for the Florida Education Finance Program and categorical funds provide each school district an increase in total potential funds per full-time equivalent student which is greater than the amount provided for the 2006-2007 fiscal year. Therefore, it is the intent of the Legislature that any reductions in expenditures by school districts in response to any of the appropriation reductions in Specific Appropriations 2 and 29-32 of the 2007-2008 Special Appropriations Act adopted during the 2008 Regular Session be made in functions other than classroom instruction.*

Section 4. *In order to implement Specific Appropriation 953A of the 2007-2008 Special Appropriations Act adopted during the 2008 Regular Session and notwithstanding the provisions of s. 25.384(2), Florida Statutes, to the contrary, funds in the Court Education Trust Fund shall also be expended as directed by the Legislature in the 2007-2008 Special Appropriations Act adopted during the 2008 Regular Session.*

Section 8. *Any section of this act which implements a specific appropriation or specifically identified proviso language in the act making appropriations and reductions in appropriations for the 2007-2008 fiscal year is void if the specific appropriation or specifically identified proviso language is vetoed. Any section of this act which implements more than one specific appropriation or more than one portion of specifically identified proviso language in the act making appropriations and reductions*

for the 2007-2008 fiscal year is void if all the specific appropriations or portions of specifically identified proviso language are vetoed.

Senator Geller moved the following amendment which was adopted:

Amendment 1 (159946)—Delete line(s) 27-41 and insert:

(b) Beginning July 1, 2008, if the slot machine tax revenues under paragraph (a) from a facility which operated for any portion of the 2007-2008 state fiscal year does not meet or exceed that facility’s estimated tax remittance for the 2008-2009 fiscal year, as determined by reference to the February 2008 Revenue Estimating Conference’s estimate of tax remittances for each such licensee for the 2008-2009 fiscal year, and the total remittances for all such licensees falls short of a cumulative amount of \$122.9 million from the slot machine licenses in each state fiscal year, an additional amount shall be paid by each slot machine licensee that conducted slot machine gaming in such year which is sufficient to make the total tax under paragraph (a) and this paragraph equal to that facility’s estimated tax remittance for the 2008-2009 fiscal year. The additional amount to be paid by any licensee shall be offset in the amount by which any other licensee’s remittance for that state fiscal year is in excess of its estimated remittance amount for that state fiscal year. If more than one licensee has a shortfall and any licensee has an excess, such excess amount shall be shared proportionally among those licensees having a shortfall based upon each such licensee’s pro rata share of the total shortfall in taxes paid on slot machine revenues in such year pursuant to paragraph (a). However, a licensee is not required to pay taxes due for a state fiscal year under paragraph (a) or this paragraph in an amount greater than 50 percent of its slot machine revenues.

SM 1742—A memorial to the Congress of the United States, urging Congress to support national standards for educator ethics and a national clearinghouse to strengthen state efforts in the reporting, screening, and sharing of critical information relative to educator misconduct.

WHEREAS, teachers are entrusted with the care and supervision of minor children away from the direct observation of parents, and

WHEREAS, the student-teacher relationship is necessarily built on a child’s trust and respect for an adult in authority, and

WHEREAS, parents and the community rely upon school district officials and individual educators to protect the integrity of that relationship, and

WHEREAS, educators rely upon the state and school districts to promote respect for the teaching profession through the timely investigation and disposition of allegations of misconduct, assurance of due process, and elimination from the teaching ranks of those who bring discredit to the profession, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to support the passage of laws establishing ethical standards for professional educators and to support a national clearinghouse to provide for the reporting of data concerning educator misconduct. A national database is necessary to promote the timely sharing of critical information among states and to provide for the safety and welfare of students.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

The unexpended balance of \$1,050,000 from the Conservation and Recreation Lands Trust Fund and \$500,000 from the Land Acquisition Trust Fund appropriated to the Department of Environmental Protection in Specific Appropriation 1917 of chapter 2006-25, Laws of Florida, for Fixed Capital Outlay Facility Repair Needs - Statewide shall revert immediately.

SECTION 9. The Department of Management Services may amend and reissue an Invitation to Negotiate, as authorized in Specific Appropriation 741 in chapter 2007-72, Laws of Florida, a contract under the master lease-purchase agreement previously executed by the Department of Management Services for procurement of two or more community work camps of no less than 432 beds each, to house a total of 1,296 minimum custody inmates. The location and site shall be determined through negotiations between the department and service vendors. Any such contract shall be for design, financing, acquisition, leasing, construction, or purchase and renovation of an existing building or site appropriate for housing inmates, and operation of the additional beds. The Department of Management Services shall provide estimates to the chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council for review before entering into a construction contract. These facilities may include appropriate substance abuse treatment and other services designed to enhance the probability of a successful transition back into the community and to reduce the probability of the inmate re-offending upon release.

SECTION 10. The unexpended balance of \$1,400,000 in nonrecurring general revenue provided in Specific Appropriation 3235 of chapter 2006-25, Laws of Florida, for site hardening of the Supreme Court Building shall revert immediately.
