SB 314
Basic Rights
by Senator Sobel

Proposes an amendment to the State Constitution to eliminate the authority granted to the Legislature by a constitutional amendment that at the time of its adoption in 1926 allowed the Legislature to regulate or eliminate the real property rights of individuals based on race or national origin. As a result of this amendment, the Florida Constitution will state that all natural persons are equal before the law and have an inalienable right to acquire, possess, and protect property, without exception.
