SB 440

Public Records/Controlled Substance Prescriptions/  
Agency for Health Care Administration  
by Senator Fasano

Creates a public records exemption for personal identifying information of a patient, a practitioner, or a pharmacist contained in records that are reported to the Agency for Health Care Administration under the electronic-monitoring system for the tracking of prescriptions of controlled substances listed in Schedules II-IV. Provides for future legislative review and repeal under the Open Government Sunset Review Act. (See bill for details)
