SB 682

Department of Business and Professional Regulation
by Senator Fasano

Creates the Division of Service Operations of the Department of Business and Professional Regulation. Conforms provisions and transfers to the Division of Service Operations from the Division of Technology responsibilities related to providing, contracting, or approving services for the development, preparation, administration, scoring, score reporting, and evaluation of examinations.

Deletes a requirement that the department use professional testing services for the development, preparation, and evaluation of examinations under certain circumstances.
