SB 924

Mosquito Control Districts/Outstanding Florida Waters
by Senator Dean

Requires the board of commissioners in a mosquito control district containing Outstanding Florida Waters to consult and coordinate with the Department of Agriculture and Consumer Services and water management district to determine if activities of the district have had any adverse effects on such waters and to develop a mitigation plan for such adverse effects. Provides that mitigation plans shall be adopted by the mosquito control district no later than July 1, 2010, and shall be implemented beginning in the district's 2010-2011 fiscal year. Authorizes the board to levy taxes. (See bill for details)
