

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 1186 Permitting of Landfills by Senator Crist

Prohibits the Department of Environmental Protection from approving an application for the construction or expansion of a Class I landfill if the department finds that the applicant violated state laws or rules governing the disposal or management of hazardous waste, biomedical waste, or polychlorinated biphenyl waste in the 3-year period prior to the issuance of an enforcement notice or order of such violation.

Requires the department to conduct a study concerning the location of landfills and report to the Governor and the Legislature by February 1, 2010. (See bill for details)
