PreK-12 Education Appropriations Conference Committee – 2010-2011 Conforming Bill Bump Issues

	Issue	Final House Offer	Final Senate Offer	Senate Bump Offer #1
1	Charter schools		Requires charter schools to comply with statutory maximum class size reduction requirements.	House position.
2	Charter schools		Limits school district administrative fee to 5% of the first 500 students in a system of charter schools.	Senate position.
3	School District Virtual Instruction Program – virtual charter schools	<p><i>In House GAA Proviso:</i></p> <p>Currently sponsored charter schools may contract with the Florida Virtual School or with a Department of Education approved virtual instruction program provider for virtual instruction to be provided to currently enrolled students of the charter school.</p>	Senate Offer is to adopt modified House proviso position in the conforming bill to authorize charter schools and school districts to utilize virtual instruction providers for virtual instruction to be provided to currently enrolled students on a part-time basis for any course.	Modified Senate Offer: Authorize virtual charter schools under the existing Virtual Instruction Program and the existing Charter School statutes. Funding per student shall be based on the Florida Virtual School per student amount, with district administrative charge as authorized under the charter schools statutes.
4	School District Virtual Instruction Program – student eligibility	Expands eligibility for the school district virtual programs to include siblings of a currently enrolled student of a school district virtual instruction program and students with a disability or medical condition which has been documented by a physician without having to be counted in the public school enrollment counts for the prior year.		Modified House position to expand virtual instruction program eligibility only to siblings of currently enrolled students.
5	FEFP – FLVS Bonus FTE		Repeals the .114 bonus FTE for the Florida Virtual School.	Senate position to repeal the bonus weight and provide a minimum guarantee of -10 percent in the FEFP formula calculation.
6	FEFP – local revenue collection factor	Changes the local revenue collection factor from 95 to 96 percent of total taxable value in the calculation of Required Local Effort and Discretionary Local Effort in the FEFP, as well as in the calculation of the lab school discretionary contribution in the FEFP for the Florida Virtual School and charter lab schools.		House position.
7	FEFP – Advance Payment	1011.66 Distribution of FEFP funds; Upon the request of any school district whose net state FEFP funding is less than 35.60 percent of its gross state and local FEFP funding, the Department of Education shall distribute to that school district in the first quarter of the fiscal year an amount from the funds appropriated for the FEFP in the General Appropriations Act up to a maximum of <u>10.45</u> percent of that school district's gross state and local FEFP funding or that school district's net state FEFP	Repeals DOE authority to distribute advance payments of state FEFP funds to school districts in the first quarter of the fiscal year.	Senate position.

PreK-12 Education Appropriations Conference Committee – 2010-2011 Conforming Bill Bump Issues

	Issue	Final House Offer	Final Senate Offer	Senate Bump Offer #1
		funding, whichever is less.		
8	FEFP - .25 Critical Needs Millage	Clarifies that in order for school districts to continue the .25 critical needs millage after the 2010-2011 fiscal year, the voters must approve the referendum at the 2010 general election and if the measure fails, it cannot be put before the voters again for a full year. Also, the millage will have to be reauthorized by the voters every two years.	Repeals the requirement for a voter referendum.	House position.
9	Teacher Quality Task Force	Establishes the Teacher Quality Task Force to develop specific recommendations to improve the quality of the teaching workforce, increase student learning gains, and reward effective teachers.		Senate position.
10	NEW ISSUE – Excellent Teaching	NEW ISSUE	NEW ISSUE	<u>There is appropriated \$21,244,177 in nonrecurring funds from the General Revenue Fund for the 2010-2011 fiscal year to award bonuses to effective teachers through the Dale Hickam Excellent Teaching program.</u>

2010-2011 Conforming Bill Provisions – Senate Bump Offer #1**

	Issue	SENATE LAST OFFER	HOUSE BUMP OFFER #2	SENATE BUMP OFFER # 1
1	Funding of Baccalaureate Degree Programs	Not in Senate Bill.	House position.	House – closed.
2	Bright Futures Eligibility Requirements - FAFSA	Requires applicants to complete the Free Application for Federal Student aid (FAFSA) and the expected family contribution.	Modified position. Maintains current law, which does not require applicants to complete the FAFSA.	House – closed. Maintains current law, which does not require applicants to complete the FAFSA.
3	State University Student Fees	Authorizes all universities to increase the sum of the activity and service, health, and athletic fees up to 15% in FY 2010-11. Authorizes the sum of these fees to increase each year by 5% or the same percentage increase in tuition authorized by the Legislature, whichever is greater.	Modified position. <i>Language attached.</i> Eliminates the annual cap of 5% on annual increases. Requires the Board of Governors to approve annual increases.	Senate modified position. Authorizes all universities, subject to approval by the university board of trustees, to increase the sum of the activity and service, health, and athletic fees up to 15%, or the amount required to reach the FY 2009-10 statewide average for the aggregate sum of these fees, whichever is greater, for FY 2010-11. Authorizes the sum of these fees to increase each year by 5% or the same percentage increase in tuition authorized by the Legislature, whichever is greater.
4	Florida Colleges – Use of Resources	Prohibits a college in the Florida College System from using its resources, including staff, faculty, land and facilities, from being used to support the development or operation of any separate or independent nonpublic educational institution. Should any institution use resources to develop any separate or independent nonpublic institution, the Division of Florida Colleges shall notify the President of the Senate and the Speaker of the House. The Legislature shall review the need for the continuation of state funding for such college at the next legislative session.	Prohibits a college in the Florida College System from using its resources, including staff, faculty, land, and facilities to support the establishment of a new independent nonpublic educational institution. Should any institution use resources for such purpose, the Division of Florida Colleges shall notify the President of the Senate and the Speaker of the House.	House – closed.
