Senate Amendment

Delete line 3265
and insert:

(7) The insurer may require the mitigation inspector or inspection company to provide evidence of the inspector's or inspection company's quality assurance program. At the insurer's expense, the insurer may require that any uniform mitigation verification form provided by a mitigation inspector or inspection company that does not possess or has not provided evidence to the insurer of a quality assurance program be independently verified by an inspector, inspection company, or independent third-party quality assurance provider that
