The Policy and Steering Committee on Ways and Means (Sobel) recommended the following:

Senate Amendment (with title amendment)

Between lines 255 and 256
insert:

(d) An entity that is providing comprehensive behavioral health care services to Medicaid recipients through a capitated arrangement under s. 409.91211 pursuant to the federal waiver must ensure unimpaired access to behavioral health care services by Medicaid recipients. To ensure unimpaired access, each contract issued pursuant to this paragraph must require the managed care plan to expend 80 percent of its behavioral health care services capitation paid for the provision of behavioral

820538

13 health care services. If the managed care plan expends less than
14 80 percent of the capitation paid for the provision of
15 behavioral health care services, the difference shall be
16 returned to the agency. The agency shall submit to the managed
17 care plan a letter of certification that indicates the amount of
18 capitation paid during each calendar year for behavioral health
19 care services pursuant to this subsection.

22 And the title is amended as follows:

23 Delete line 17

24 and insert:

25 designated population; requiring certain entities that
26 provide comprehensive behavioral health care services
27 to Medicaid recipients to ensure unimpaired access to
28 those services; requiring the agency to provide a
29 letter of certification to the managed care plan which
30 indicates the amount of capitation paid during each
31 calendar year for behavioral health care services;
32 requiring that the agency
