Insert proviso immediately following Specific Appropriation 154:

From the funds in Specific Appropriation 154, \$10,000,000 from the Administrative Trust Fund is provided for the creation of a Florida Health Information Exchange Infrastructure. The agency shall issue an Invitation to Negotiate by July 15, 2010, and award the contract to a vendor who can demonstrate the expertise to design and create a state infrastructure for Health Information Exchange through an integrated solution leveraging the ongoing federal investments to ensure meaningful use of health information. The infrastructure must ensure interoperability with the established National Health Information Network using national standards as the first step in implementing a Florida Health Information Exchange. The infrastructure must include open source technologies where appropriate, give the highest priority to

**privacy, security and interoperability with existing and future
electronic patient medical records.**

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
