**I. Summary:**

This bill provides the statutory authority necessary to implement and execute the General Appropriations Act for Fiscal Year 2010-2011. Statutory changes are temporary and either expire on July 1, 2011, or revert to the original language at the time.

The bill substantially amends or reenacts the following sections of the Florida Statutes: 253.034, 255.518(1)(b), 373.59, 375.041, 403.1651, 403.7095, and 570.20.

**II. Present Situation:**

In the past, substantive language was included in proviso or in separate sections of the General Appropriations Act to clarify how funds contained in the act were to be expended. However, decisions such as *Brown v. Firestone*, 382 So. 2d 654 (Fla. 1980), and *Graham v. Firestone*, Circuit Court of the Second Judicial Circuit, #82-1703, Leon County Florida, 1982, have found such proviso language in the annual General Appropriations Act to be unconstitutional and void.

**III. Effect of Proposed Changes:**

Each change below expires July 1, 2011.

**Section 1** provides legislative intent.

**Section 2** amends s. 253.034, F.S., to authorize the Department of Citrus to deposit funds derived from the sale of property into the Citrus Advertising Trust Fund (repeated from the 2009-2010 Implementing Bill).

**Section 3** removes the prohibition of funding reserve funds from bond proceeds (repeated from the 2009-2010 Implementing Bill).

**Section 4** provides for the expiration of s. 255.518(1)(b), F.S., as it relates to the payment of debt service, on July 1, 2011 (repeated from the 2009-2010 Implementing Bill).

**Section 5** prioritizes the distribution of funds in the Water Management Lands Trust Fund within the Department of Environmental Protection for Fiscal Year 2010-2011 only (repeated from the 2009-2010 Implementing Bill).

**Section 6** authorizes funds in the Land Acquisition Trust Fund to be used for the Clean Water State Revolving Fund, the Drinking Water State Revolving Fund, and the Total Maximum Daily Loads programs.

**Section 7** expands current funding provisions for the Ecosystem Management and Restoration Trust Fund within the Department of Environmental Protection to allow for the funding of activities which preserve and repair the state's beaches (repeated from the 2009-2010 Implementing Bill).

**Section 8** provides that the amendments to s. 403.1651(1), F.S., shall expire July 1, 2011, and the text in that section shall revert to the existing statutory language (repeated from the 2009-2010 Implementing Bill).

**Section 9** authorizes the transfer of funds from the Ecosystem Management and Restoration Trust Fund to the General Inspection Trust Fund in the Department of Agriculture and Consumer Services for the Farm Share, Food Banks, and Mosquito Control programs and the Technological Research and Development Authority.

**Section 10** implements the appropriation of funds and amends s. 570.20, F.S., to authorize moneys in the General Inspection Trust Fund to be appropriated for certain programs operated by the Department of Agriculture and Consumer Services (repeated from the 2009-2010 Implementing Bill).

**Section 11** permits the Department of Environmental Protection to award grants equally to certain small counties for solid waste programs (repeated from the 2009-2010 Implementing Bill).

**Section 12** allows the Department of Agriculture and Consumer Services to extend, revise or renew a contract related to promotion of agriculture (repeated from the 2009-2010 Implementing Bill).

**Section 13** directs the Executive Office of the Governor to sell a plane and deposit the receipts from the sale into the Bureau of Aircraft Trust Fund for continued operation of the Executive Airpool program. Revenues are exempt from the general revenue service charge.

**Section 14** directs the Department of Financial Services to procure a state term contract for office supplies with multiple vendors.

**Section 15** specifies that no section of this bill will take effect if the appropriations and proviso to which it relates are vetoed.

**Section 16** provides that a permanent change made by another law to any of the same statutes amended by this bill takes precedence over the provision in this bill.

**Section 17** provides a severability clause.

**Section 18** provides an effective date of July 1, 2010.
