1 Senate Resolution

2 A resolution recognizing April 2010 as "Landscape  
3 Architecture Month" in Florida.

4  
5 WHEREAS, the profession of landscape architecture  
6 significantly enriches the quality of life enjoyed by Floridians  
7 and visitors to this state, and

8 WHEREAS, landscape architects, through thoughtful planning  
9 and design and careful stewardship of this state's land and  
10 water resources, serve to preserve, protect, and conserve  
11 Florida's scenic beauty, unique and fragile ecosystems, and  
12 abundant natural resources, and

13 WHEREAS, the profession of landscape architecture enhances  
14 the built environment through skillful and artful creation of  
15 safe, functional, accessible, secure, and aesthetically pleasing  
16 public and private places, and

17 WHEREAS, the profession of landscape architecture  
18 encompasses the analysis, planning, design, management, and  
19 stewardship of the natural and built environments through a  
20 broad and diverse spectrum of projects, including urban design,  
21 streetscapes and public spaces, transportation corridors and  
22 facilities, security design, greenways, parks and recreation  
23 facilities, monuments, historic preservation and restoration  
24 projects, corporate and commercial construction, institutional  
25 projects, academic campuses, conservation and reclamation  
26 projects, landscape art and earth sculpture, gardens and  
27 arboreta, interior landscapes, and residential, hospitality, and  
28 resort projects, and

29 WHEREAS, excellence in the practice of professional

34-01517-10

30 landscape architecture is promoted through graduate and  
31 undergraduate programs offered through the State University  
32 System and regulated by the Department of Business and  
33 Professional Regulation and the State Board of Landscape  
34 Architecture, and

35 WHEREAS, the profession of landscape architecture serves a  
36 unique and vital role in the development of green industries in  
37 Florida, which contribute tens of billions of dollars annually  
38 to the state's economy, NOW, THEREFORE,

39

40 Be It Resolved by the Senate of the State of Florida:

41

42 That landscape architects are commended for their valuable  
43 and important contributions to this state and nation, and April  
44 2010 is recognized as "Landscape Architecture Month" in Florida.
