

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 90 Florida Energy and Climate Commission by Senator Joyner

Requires the Florida Energy and Climate Commission to prepare and submit to the Legislature a report that:

- Identifies methods of increasing energy-efficiency practices among low-income households
- Determines the statewide impact of improving the level of energy efficiency of rental housing stock
- Provides recommendations for implementing energy-efficiency practices among residents of low-income households.

Requires the commission to submit the report by December 1, 2010. (See bill for details)
