### SB 98 Regulation of Firearms by Senator Baker

Creates the Florida Firearms Freedom Act.

Provides legislative findings with respect to the regulation of intrastate commerce pertaining to the intrastate manufacture of firearms, firearm accessories, and ammunition.

Provides that specified firearms, firearm accessories, and ammunition for personal use manufactured in the state are not subject to federal law or regulation.

Provides that the importation into the state of specified generic and insignificant parts and the incorporation of such parts into a firearm, firearm accessory, or ammunition manufactured in the state does not subject the firearm, firearm accessory, or ammunition to federal regulation.

Provides that certain basic material, such as unmachined steel and unshaped wood, are not subject to federal regulation of firearms, firearm accessories, or ammunition under interstate commerce.

Provides exceptions and applicability.

Requires that, effective October 1, 2010, firearms manufactured and sold in the state bear an indicia of manufacture. (See bill for details)
