

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 166 Pancreatic Enzyme Prescription Supplements/ Use by K-12 Students by Senator Wise

Allows a K-12 student who has experienced or is at risk for pancreatic insufficiency or who has been diagnosed as having cystic fibrosis to carry and self-administer a prescribed pancreatic enzyme supplement while in school, participating in school-sponsored activities, or in transit to or from school or school-sponsored activities if the school has been provided with authorization from the student's parent and prescribing practitioner. Provides that a school district, county health department, public-private partner, and their employees and volunteers shall be indemnified by the student's parent for any and all liability with respect to the student's use of the supplements. (See bill for details)
