Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

### SB 586 Data Destruction by Senator Fasano

Requires all public agencies and specified private entities that collect personal information to adhere to the procedures provided in the National Institute of Standards and Technology "Guidelines for Media Sanitization" when destroying such information.

Requires all state agencies and specified private entities to maintain an electronic copy of the guidelines for use. Requires all state agencies to submit a sampling of sanitized electronic media to a third-party vendor without a stake in the sanitization process for verification of data destruction.
