DELETE the proviso immediately following Specific Appropriation 486:

From the funds in Specific Appropriation 486, \$2,000,000 from the Grants and Donations Trust Fund is provided to the department to implement recommendations on phase II of the study on passive strategies for nitrogen reduction that complement use of conventional onsite wastewater treatment systems. The department shall submit an interim report on February 1, 2011, and a final report on May 16, 2011, to the Governor, the President of the Senate, and the Speaker of the House of Representatives detailing the progress of the study.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
